1 (D) Notwithstanding the salary as established by this chapter, the
2 Board of Supervisors may establish salary, benefits, and other terms and conditions of
3 employment by contract for the classifications listed in this section.

4 (5) Salary Rates and Step Advancements.

5 (A) Eligibility for Step Advancement. Employees shall be hired at
6 Step 1 of the established base salary range, except as otherwise provided in this
7 subdivision. Variable entrance steps may be established if justified by recruitment needs
8 through Step ~~108~~ with the approval of the appointing authority and through the top step
9 with the approval of the Director of Human Resources or designee.

10 Within the base salary range, all step advancements will be made at
11 the beginning of the pay period in which the employee completes the required number of
12 service hours. However, when an employee reaches the required number of service
13 hours with 80 hours in each pay period, the step advancement will be made at the
14 beginning of the next pay period. Approval for advancement shall be based upon
15 completion of the required length of service hours in the classification, satisfactory work
16 performance, and appointing authority recommendation.

17 Completed service hours shall be defined as regularly scheduled
18 hours in a paid status, up to 80 hours per pay period. Overtime hours, disability payments,
19 medical emergency leave, and time without pay shall not count toward step
20 advancements. Unless otherwise approved by the Board of Supervisors, step
21 advancements within a base salary range shall be based upon a one-step increment,
22 approximately two and one-half percent. The employee shall be eligible for step
23 advancements after completion of increments of 1,040 hours until the top step of the
24 range is reached.

25 An appointing authority may request, in limited exceptional
26 circumstances and with adequate justification, the adjustment of the salary step or salary
27 rate of an employee to maintain salary equity within the system, to prevent undue
28 hardship or unfairness due to the application of any rule or policy, or to correct any salary

1 inequity, subject to the recommendation of the Director of Human Resources and the final
2 approval of the Chief Executive Officer or his/her designee. The Director of Human
3 Resources may authorize the adjustment of the salary step or salary rate of an employee
4 to correct any payroll error or omission, including any such action which may have arisen
5 in any prior fiscal year.

6 (B) Implementation of Classification Study Results.

7 (I) Upgrading. An upgrading is the reclassification of a
8 position from one classification to another classification having a higher base salary
9 range. Whenever an incumbent employee is upgraded as a result of such reclassification,
10 pursuant to the Personnel Rules, such employee's step placement in the new salary
11 range shall be governed by the subdivision on "Promotions."

12 (II) Downgrading. A downgrading is the reclassification of
13 a position from one classification to another classification having a lower base salary
14 range. When a position is downgraded, the incumbent employee may continue at the
15 same salary rate where the salary rate is within the new base salary range. Where an
16 incumbent receives a salary rate greater than the maximum of the new base salary range,
17 the Director of Human Resources may authorize continuation of the same salary rate to
18 the incumbent employee that the employee received prior to the downgrading of the
19 position by placing the employee on an "X" step, provided that the employee shall receive
20 no future salary rate increases until the salary range maximum of the new classification
21 exceeds the "X" step.

22 (C) Salary Rate Adjustment. A salary rate (equity) adjustment is
23 a change in the salary range assignment of an existing classification as a result of a
24 compensation study. Step placement for incumbent employees whose classification is
25 assigned to a higher base salary range shall be determined as follows, unless this process
26 is waived by the Chief Executive Officer:

27 (I) If the employee's original base rate of pay is less than
28 Step 1 of the newly designated pay range, the employee shall be placed on Step 1 of the

1 new range. The employee shall be eligible to advance to the next step upon receiving a
2 satisfactory rating after completion of 1,040 hours, in accordance with the requirements
3 of Subsection 13.0613(c)(4)(A). Subsequent step advances shall be administered in
4 accordance with Subsection 13.0613(c)(4)(A).

5 (II) If the employee's original base rate of pay falls within
6 the newly designated pay range, and the salary adjustment granted is at least two salary
7 ranges, the employee shall be placed upon the step in the new range that is approximately
8 a five percent salary increase, not to exceed the maximum step of the new range. If the
9 employee's original base rate of pay falls within the newly designated pay range, and the
10 salary adjustment granted is less than two salary ranges, the employee shall be placed
11 upon the step in the new range that is approximately a two and one-half percent salary
12 increase, not to exceed the maximum step of the new range. The employee shall be
13 eligible to advance to the next step upon receiving a satisfactory rating after completion
14 of 1,040 hours, in accordance with the requirements of Subsection 13.0613(c)(4)(A).
15 Subsequent step advances shall be administered in accordance with Subsection
16 13.0613(c)(4)(A).

17 (D) Demotion. A demotion is the appointment of an employee
18 from an incumbent position to a position in a different classification for which the maximum
19 rate of pay is lower. An employee demoted for disciplinary reasons shall be placed on
20 the step within the base salary range of the class to which the employee demoted as
21 provided in the order of demotion.

22 An employee demoted for non-disciplinary reasons who returns to
23 their former classification during the probationary period or within 2,080 service hours of
24 promotion, shall be returned to the same salary step within the base salary range for the
25 former classification that the employee was on prior to promotion. No credit shall be
26 granted for hours worked at the promoted level for the next step advance due date.

27 An employee demoted for non-disciplinary reasons shall be placed
28 on a step closest to, but not less than, their current base rate of pay on the salary range

1 of the classification to which the employee demotes, not to exceed the top step of the
2 applicable range, with the approval of the appointing authority and the Director of Human
3 Resources.

4 An employee who demotes for non-disciplinary reasons to a trainee
5 classification for which the journey level classification is higher than the classification they
6 demoted from, shall be placed on a step closest to, but not less than, their current base
7 rate of pay on the salary range of the classification to which the employee demoted.
8 Employees whose current base rate of pay exceeds the top step of the salary range to
9 which the employee demoted shall be placed on the "X" step and retain their current base
10 rate of pay. Provided that the "X" step continues to be above the top step of the demoted
11 classification range, the employee shall receive no future salary rate increases until the
12 employee has promoted to the journey level classification.

13 An employee who demotes for non-disciplinary reasons to a trainee
14 classification for which the journey level classification is lower than the classification they
15 demoted from shall retain the same salary rate, provided that the salary rate does not
16 exceed the top step of the journey level classification. If the salary rate is higher than the
17 top step of the journey level classification, the employee shall be placed at the top step
18 of the base salary range of the lower journey level classification.

19 (E) Promotion. A promotion is the appointment of an employee
20 from one classification to a classification having a higher base salary range. A promoted
21 employee shall receive ~~at least~~ the entrance rate of the new range or ~~a two-step or five~~
22 ~~percent salary increase, (i.e., mathematically closest to five percent) whichever is greater,~~
23 at least a five percent (5%) salary increase. An advanced step may be provided by the
24 Appointing Authority up to a seven and a half percent (7.5%) increase in total not to
25 exceed provided that no employee is thereby advanced in step nor advanced above the
26 top step of the higher base salary range. At the ~~request~~discretion of the appointing
27 authority and with the approval of the Director of Human Resources, an employee may
28 be placed at ~~any~~ step above a seven and a half percent (7.5%) increase, not to exceed

~~the top step of the higher base salary range within the higher base salary range.~~

Promotions shall be effective only at the beginning of a pay period unless the Director of Human Resources approves an exception.

(d) Job Sharing and Part-time Employment. The County will make reasonable accommodation for employees who desire to share their positions with other qualified employees or eligible persons or to work on a part-time basis. Jobs may be shared on an hourly or daily basis. All benefits for job sharing and part-time employees shall be prorated on regularly scheduled hours except as may otherwise be provided. Benefits not subject to proration include the following leaves: blood donation, examination time, and bereavement. Further, where a specific benefit provides a minimum hour requirement (e.g., must be full-time, or scheduled hours) job sharing and part-time employees shall be required to meet the minimum hour requirement in order to receive the benefit.

(e) Hours of Work.

(1) Employees shall be required to work during such hours as necessary to carry out the duties of their position as designated by the appointing authority, and such hours may be varied so long as the work requirements and efficient operations of the County are assured.

(2) The nature of Fair Labor Standards Act (FLSA) exempt employment for certain affected Exempt Group classifications is such that intermittent, occasional overtime is needed to fulfill the responsibilities and requirements of the position. Usually, additional time and effort are proportionate to the importance and level of the responsible position. These factors of time and effort are incorporated when the compensation level of FLSA-exempt positions is established. In those instances in which a position's work extends well beyond the normal hours of employment, the Chief Executive Officer may authorize additional compensation in the form of cash payment or compensating time off, generally on a pre-approved and prescheduled basis. Circumstances for such compensation would include implementation of the intent of a Board of Supervisors approved program or emergency response.

1 (3) For FLSA-covered employees in the Exempt Group classifications,
2 overtime is determined by the legal requirements of the FLSA. For FLSA-covered
3 employees, the following overtime provisions apply.

4 (A) Definition. OVERTIME shall be defined as all hours actually
5 worked in excess of 40 hours a work period. For purposes of defining overtime, paid
6 leave time, excluding sick leave as provided in Subsection 13.0613(e)(3)(B), shall be
7 considered as time actually worked. Overtime shall be reported in increments of full 15
8 minutes and is non-accumulative and non-payable when incurred in units of less than 15
9 minutes. Overtime shall not affect leave accruals.

10 (B) Sick leave that is not pre-approved and sick leave used by
11 employees on leave restriction shall not be considered as time actually worked for the
12 purpose of calculating overtime. PRE-APPROVED shall mean notice to management at
13 least 48 hours prior to the beginning of the leave.

14 (C) Overtime Compensation. Any employee authorized by the
15 appointing authority or authorized representative to work overtime shall be compensated
16 at premium rates, i.e., one and one-half times the employee's regular rate of pay.
17 Payment for overtime compensation shall be made on the first payday following the pay
18 period in which such overtime is worked, unless overtime compensation cannot be
19 computed until some later date, in which case, overtime compensation will be paid on the
20 next regular payday after such computation can be made.

21 In lieu of cash payment, upon request of the employee and approval
22 of the appointing authority, an employee may accrue compensating time off at premium
23 hours. Cash payment at the employee's regular rate of pay shall automatically be paid
24 for any compensating time which exceeds 80 hours, for any such time which has not been
25 taken within 26 pay periods after being accrued, or for any hours on record immediately
26 prior to promotion, demotion or termination of employment.

27 (D) Variable Work Schedule. An appointing authority, with
28 agreement of an affected employee, may arrange for that individual to take such time off

1 as necessary to ensure that an employee's actual time worked does not exceed 40 hours
2 within a given work period.

3 (E) Work Period. The work period for purposes of overtime
4 commences at 12:01 a.m. Saturday and ends at 12:00 midnight the following Friday of
5 each week. The pay period and workweek may be adjusted in accordance with FLSA
6 requirements.

7 (f) Insurance Programs.

8 (1) Medical and Dental Coverage Insurance.

9 (A) All eligible employees scheduled to work 40 hours or more per
10 pay period in a regular position must enroll in a medical and dental plan offered by the
11 County. Employees who fail to elect medical and dental plan coverage will be
12 automatically enrolled in the medical broad network HMO plan and dental HMO plan with
13 the lowest biweekly premium rates available in the geographical location of the
14 employee's primary residence. Medical and dental plan coverage will become effective
15 on the first day of the pay period following the first pay period in which the employee is
16 scheduled to work 40 hours or more and be in paid status.

17 (B) To continue enrollment in County-sponsored medical and
18 dental plan coverage, an employee must remain in a regular position scheduled to work
19 for a minimum of 40 hours per pay period and be in paid status or be on an approved
20 leave for which continuation of medical and dental coverage is expressly provided under
21 this subdivision, or be eligible for and have timely paid the premium for COBRA
22 continuation coverage.

23 (C) Eligible employees may elect to enroll their dependents upon
24 initial eligibility for medical and dental insurance. Thereafter, newly eligible dependents
25 may be enrolled within 60 days of obtaining dependent status, such as birth, adoption,
26 marriage, or registration of domestic partnership.

27 (D) Notification of a mid-year qualifying event must be submitted
28 to Human Resources in accordance with procedures adopted by Human Resources.

1 Employees are responsible for notifying the County within 60 days of dependent's change
2 in eligibility for the County plans.

3 (E) Dependent(s) must be removed mid-plan year when a
4 dependent(s) becomes ineligible for coverage under the insurance plan eligibility rules,
5 for example, divorce, over-age dependent, or termination of domestic partnership.

6 (F) Enrollment elections must remain in effect for the remainder
7 of the plan year unless an employee experiences an IRS qualifying event.

8 (G) Premiums for coverage will be automatically deducted from
9 the employee's pay warrant. Failure to pay premiums will result in loss of coverage for
10 the employee and/or the dependents. If the employee does not have sufficient earnings
11 to cover the deduction for premiums, the employee must make alternative payment
12 arrangements that are acceptable to Human Resources.

13 (H) Employees eligible for medical plan coverage who are also
14 enrolled in a comparable group medical plan sponsored by another employer or are
15 covered by a spouse, domestic partner, or parent who is also employed with the County
16 may elect to discontinue enrollment in County-sponsored medical plan (opt-out or waive).

17 (I) Employees who, prior to July 9, 2005, elected to opt-
18 out of County-sponsored medical plan coverage and continue to opt-out will receive the
19 following biweekly amount: Employees scheduled for 61 to 80 hours per pay period shall
20 receive \$161.54 per pay period. Employees scheduled for 40 to 60 hours per pay period
21 shall receive \$80.77 per pay period. To receive these amounts, the employee must be in
22 paid status.

23 (II) Employees scheduled to work 61 to 80 hours who, prior
24 to July 9, 2005, elected to waive medical plan coverage to a spouse, domestic partner,
25 or parent employed by the County and continue to waive will receive \$230.00 per pay
26 period; employees scheduled for 40 to 60 hours who continue to waive shall receive
27 \$115.00 per pay period.

28 (III) New opt-outs or waivers (i.e., new employees and

1 current employees who opted-out or waived effective July 9, 2005, and any time
2 thereafter) scheduled for 61 to 80 hours per pay period will receive \$40.00 per pay period;
3 new opt-outs or waives scheduled for 40 to 60 hours shall receive \$20.00 per pay period.

4 (I) Employees eligible for County-sponsored dental plan
5 coverage who are also enrolled in a comparable group dental plan sponsored by another
6 employer or are covered by a spouse, domestic partner, or parent who is also employed
7 with the County may elect to discontinue enrollment in their County-sponsored dental
8 plan.

9 (J) The rules and procedures for electing to opt-out of or waive
10 County-sponsored medical and dental plan coverage are established and administered
11 by Human Resources.

12 (I) Employees may elect to opt-out of or waive County
13 medical and/or dental plan coverage(s) within 60 calendar days of the effective date of
14 gaining other employer group coverage. Proof of initial gain of other employer group
15 coverage is required at the time that opt-out or waive is elected.

16 (II) Employees may also elect to opt-out of or waive
17 County medical and/or dental plan coverage during an annual open enrollment period.
18 All employees who are newly opting-out or waiving during an open enrollment period must
19 provide verification of other group coverage.

20 (III) Except as required at the initial opt-out/waive election,
21 employees are not required to provide verification of continued coverage unless
22 requested by the plan administrator.

23 (IV) Employees who voluntarily or involuntarily lose their
24 other employer group medical and/or dental plan coverage must enroll in a County-
25 sponsored medical and/or dental plan within 60 calendar days. Enrollment in the County-
26 sponsored plan will be provided in accordance with the requirements of the applicable
27 plan.

28 (V) There must be no break in the employee's medical

1 and/or dental plan coverage between the termination date of the other employer group
2 coverage and enrollment in a County sponsored medical and/or dental plan. Terms and
3 conditions of the applicable plan will determine the required retroactive enrollment period
4 and premiums required to implement coverage. Failure to notify the County of loss of
5 group coverage within 60 calendar days will require the employee to pay their insurance
6 premiums retroactively on an after-tax basis.

7 (K) For employees assigned to work in the Needles, Trona, and
8 Baker work locations, the County will establish a Needles Subsidy. To be eligible for the
9 Needles Subsidy the employee must be enrolled in a medical plan and receive the MPS.
10 The Needles Subsidy will be paid by the employee's department and will be equal to the
11 amount of the premium difference between the indemnity medical plan offered in these
12 specific work locations and the HMO medical plan with the most comparable benefit
13 design (e.g., similar copayment amounts, out-of-pocket maximums, etc.) provided by the
14 County. The applicable subsidy amount shall be paid directly to the provider of the
15 County-sponsored medical plan in which the eligible employee has enrolled. This
16 Needles Subsidy will be established each year when premiums change for the County-
17 sponsored medical plans. The subsidy will be discontinued when the HMO plan used in
18 the comparison above in this paragraph becomes available to the employees.

19 (2) Term Life Insurance.

20 (A) County Paid Life Insurance. The County will pay the premium
21 for a term life policy, the amount of which is based on the eligible employee's scheduled
22 hours. Employees scheduled from 40 to 60 hours per pay period shall receive \$25,000.00
23 in coverage. An employee scheduled from 61 to 80 hours shall receive \$50,000.00 in
24 coverage. Life insurance will become effective on the first day of the pay period following
25 the employee's first pay period in which the employee is in paid status. For pay periods
26 in which the employee is not in paid status, the employee shall have the option of
27 continuing life insurance coverage at the employee's expense.

28 (B) Voluntary Life Insurance. In accordance with the procedures

established by Human Resources, eligible employees may purchase, through payroll deductions, term life insurance subject to carrier requirements. New employees shall become initially eligible to participate in this program on the first day of the pay period following the pay period in which the employee is in paid status. Participation will continue as long as premiums are paid timely. If the employee does not have sufficient earnings to cover the deduction for premiums, the employee must make alternative payment arrangements that are acceptable to Human Resources.

(3) Group Universal Life. Eligible employees may purchase, through payroll deductions, group universal life insurance subject to carrier requirements and approval. The benefit levels for such insurance shall be equivalent to no more than three times the employee's annual base earnings. Employees who purchase group universal life insurance shall be provided a County contribution towards the biweekly premium based on the following schedule:

Benefit Group	County Contribution
Benefit Group A	100 percent of the premium for benefit level equal to the annual base salary
Benefit Group B	50 percent of the premium for benefit level equal to the annual base salary or 100 percent of the premium for benefit level equal to one-half of the annual base salary
Benefit Group C	25 percent of the premium for benefit level equal to the annual base salary
Benefit Group D	25 percent of the premium for benefit level equal to the annual base salary

If the employee does not have sufficient earnings to cover the deduction for premiums, the employee must make alternative payment arrangements that are acceptable to Human Resources.

(4) Accidental Death and Dismemberment Insurance. Exempt Group employees may purchase amounts of accidental death and dismemberment insurance coverage for themselves and dependents through payroll deduction. New employees shall become initially eligible to participate in these programs on the first day of the pay period following the first pay period in which the employee is in paid status. Participation

1 will continue as long as premiums are paid timely. If the employee does not have
2 sufficient earnings to cover the deduction for premiums, the employee must make
3 alternative payment arrangements that are acceptable to Human Resources. The
4 benefits will be provided subject to carrier requirements and will be administered by
5 Human Resources.

6 (5) Long-Term Disability Insurance. The County will provide Exempt
7 Group employees with long-term disability insurance subject to carrier requirements and
8 approval. The benefit levels are subject to carrier requirements. Integration of leave
9 balances (e.g., sick, vacation, etc.), either partially or fully, are allowed in conjunction with
10 long-term disability benefits.

11 (6) Short-Term Disability Insurance. The County will provide an
12 employer paid short-term disability insurance plan for Exempt Group employees. This
13 benefit shall apply to Exempt Group employees in regular positions who are regularly
14 scheduled to work 40 hours or more per pay period. The short-term disability insurance
15 plan benefit coverage shall be governed by the plan document that has been approved
16 and adopted by the Board of Supervisors for Exempt Group employees and is subject to
17 carrier requirements and approval. The short-term disability insurance plan benefit
18 coverage shall include a provision for a seven consecutive calendar day waiting period
19 from the first day of disability before benefits begin. Benefits shall be 55 percent of base
20 salary up to a weekly maximum established by a formula that incorporates the State of
21 California for the State Disability Insurance fund maximum. Benefit payments terminate
22 when the employee is no longer disabled or after receiving 180 days of benefits at which
23 time the employee would be eligible for long-term disability benefits if still medically
24 disabled.

25 (7) Vision Care Insurance. Subject to carrier requirements, the County
26 will pay the premiums for vision care insurance for employees who are in paid status and
27 their eligible dependents.

28 (g) Leave Provisions.

1 (1) Sick Leave. Sick leave with pay is an insurance or protection
2 provided by the County to be granted in circumstances of adversity to promote the health
3 of the individual employee. It is not an earned right to time off from work. SICK LEAVE
4 is defined to mean the authorized absence from duty of an employee because of physical
5 or mental illness, injury, pregnancy, confirmed exposure to a serious contagious disease,
6 for a medical, optical, or dental appointment, for certain purposes related to being a victim
7 of domestic violence, sexual assault or stalking, or other purpose authorized herein.

8 (A) Definition.

9 (I) FAMILY MEMBER. A FAMILY MEMBER, as defined
10 by Labor Code section 245.5, is a parent, child, spouse, registered domestic partner,
11 grandparent, grandchild, sibling, or any person designated by the employee at the time
12 the employee requests paid sick days. An employee shall not identify more than one
13 "designated person" as a family member in a 12-month period from the first date of
14 designation. PARENT means a biological, foster, adoptive, or stepparent, a legal
15 guardian of the employee or the employee's spouse or registered domestic partner, or a
16 person who stood in loco parentis when the employee was a minor child ~~of the employee,~~
17 ~~or the employee's spouse or registered domestic partner~~. CHILD means a biological,
18 foster, or adopted child, a stepchild, a legal ward, a child of a domestic partner, or a child
19 to whom the employee stands in loco parentis. DOMESTIC PARTNER is defined by
20 Family Code section 297.

21 (II) EXTENDED FAMILY. EXTENDED FAMILY is defined
22 as, ~~parent~~/sibling-in-law, aunt, uncle, niece, nephew, or any step relations as defined
23 herein.

24 (B) Accumulation. Employees in regular positions shall accrue
25 sick leave for each payroll period completed, prorated on the basis of 3.69 hours per pay
26 period, except as provided in Subsection 13.0613(g)(14). Earned sick leave shall be
27 available for use the first day following the payroll period in which it is earned. Employees
28 in regular positions paid less than 80 hours per pay period or job-shared positions shall

1 receive sick leave accumulation on a pro rata basis. There shall be no limit on sick leave
2 accumulation.

3 (C) Compensation. Approved sick leave with pay shall be
4 compensated at the employee's base rate of pay. The minimum charge against
5 accumulated sick leave shall be 15 minutes.

6 (D) Administration.

7 (I) Investigation. It shall be the responsibility and duty of
8 each appointing authority to investigate each request for sick leave and to allow sick leave
9 with pay where the application is determined to be proper and fitting, subject to approval
10 of the Director of Human Resources.

11 (II) Notice of Sickness. In 24-hour departments, the
12 appointing authority or designee should be notified at least two hours prior to the start of
13 the employee's scheduled tour of duty of a sickness on the first day of absence and must
14 be notified at least one hour prior to the start of the employee's scheduled tour of duty.
15 In other departments, the appointing authority or designee must be notified within one-
16 half hour after the start of the employee's scheduled tour of duty of a sickness on the first
17 day of absence.

18 It is the responsibility of the employee to keep the appointing
19 authority informed as to continued absence beyond the first day for reasons due to
20 sickness or occupational disability. Failure to make such notification shall result in denial
21 of sick leave with pay. If the employee receives a doctor's off-work order and provides
22 notice of same to the appointing authority, the employee is not required to contact the
23 department daily. If the employee does not have an off-work order or has not notified the
24 appointing authority that one has been issued, the employee shall be required to contact
25 the department daily in accordance with the timeframe above.

26 (III) Review. The Director of Human Resources may
27 review and determine the justification of any request for sick leave with pay and may, in
28 the interest of the County, require information from a doctor to support a claim for sick

1 leave pay.

2 (IV) Proof. A doctor's certificate or other adequate proof
3 shall be provided by the employee in all cases of absence due to illness if requested by
4 the appointing authority. All requests for proof of illness shall be made in compliance with
5 the Labor Code and other law.

6 (V) Improper Use. Evidence substantiating the use of sick
7 leave for willful injury, gross negligence, intemperance, trivial indispositions, instances of
8 misrepresentation, or violation of the rules defined herein will result in denial of sick leave
9 with pay and shall be construed as grounds for disciplinary action up to and including
10 termination.

11 (E) Sick Leave for Other than Personal Illness/Injury.

12 (I) Family Sick Leave. A maximum of one-half of the
13 employee's annual accrual of earned sick leave per calendar year may be used for
14 attendance upon family members who require the attention of the employee. Upon
15 approval of the appointing authority, the employee may use part of this annual allowance
16 for attendance upon members of the employee's extended family residing in the
17 employee's household who require the attention of the employee.

18 (II) Bereavement. A maximum of three days earned sick
19 leave may be used per occurrence for bereavement due to the death of an employee's
20 family member as defined in section 13.0613(g)(1)(A)(I), except for a person "designated"
21 by the employee for sick leave purposes, and for any member of the employee's extended
22 family as defined in section 13.0613(g)(1)(A)(II) or any relative who resided with the
23 employee.

24 (III) Birth/Adoption. A maximum of 40 hours earned sick
25 leave may be used per occurrence for arrival of an adoptive child at the employee's home.
26 An employee may utilize on an annual basis no more than 40 hours of accumulated sick
27 leave per calendar year for the birth of his or her child.

28 (IV) Medical, Optical or Dental Appointments. The

1 employee may use sick leave for medical, dental or optical appointments; however, every
2 effort should be made to schedule the appointments at a time of day that will minimize
3 the employee's time off work.

4 (F) Return-to-Work Medical Clearance.

5 (I) Under any of the following circumstances, all
6 employees who have been off work due to an illness or injury will report to the San
7 Bernardino County Center for Employee Health and Wellness for a medical evaluation of
8 condition and authorization to return to work before returning to work.

9 (i) Employees whose treating physician or other
10 qualified medical provider has ordered job modification(s) as a condition for either
11 continuing to work or for returning to work after an illness or injury. This applies to both
12 occupational and non-occupational illness or injury.

13 (ii) Employees who have been off work due to
14 communicable diseases such as, but not limited to, chicken pox and measles.

15 (iii) Employees who have been absent on account
16 of serious medical condition, when so directed by appointing authority.

17 (II) Employees are required to attend return-to-work
18 medical appointments at the Center for Employee Health and Wellness on their own time;
19 however, mileage for attending such appointments are eligible for reimbursement
20 pursuant to the expense reimbursement provision, Subsection 13.0613(j).

21 (III) It is the responsibility of the employee to obtain written
22 notice from the medical provider of authorization to return to work with or without job
23 modification. To ensure all necessary and relevant medical information is provided, the
24 County shall make available forms to be completed by the medical provider. It is the
25 responsibility of the employee to provide verbal notice to his or her appointing authority
26 immediately upon receipt of the medical provider's authorization to return to work, and no
27 later than 24 hours after receipt of the notice. The appointing authority or designee will
28 schedule an appropriate medical evaluation for the employee with the Center for

1 Employee Health and Wellness prior to the employee's return to work. The employee
2 shall provide the medical provider's written notice of authorization to return to work to the
3 Center at or prior to the employee's scheduled appointment time.

4 (IV) Exceptions to the above requirements may be made
5 on a case-by- case basis by the Center for Employee Health and Wellness.

6 (V) The employee is obligated to attend the appointment
7 as scheduled under the conditions outlined above. If the employee fails to adhere to the
8 procedure, the employee is required to use sick leave or leave without pay for any work
9 hours missed. If required notice has been provided, and there is a delay between the
10 employee's appointment with the Center and the start of his or her scheduled tour of duty
11 on the day that he or she was released to return to work, the County will pay for work
12 hours missed, without charge to the employee's leave balances.

13 (VI) The final decision on the employee's ability to return to
14 work rests with the medical provider at the Center. In the event the employee is not
15 released to return to work by the medical provider at the Center, the employee's status
16 would continue on sick leave or, where there is no balance, leave without pay.

17 (G) Workers' Compensation. Employees shall receive full salary
18 in lieu of Workers' Compensation benefits and paid sick leave for the first 40 hours
19 following an occupational injury or illness, if authorized off work by order of an accepted
20 physician under the Workers' Compensation sections of the California Labor Code.
21 Thereafter, accumulated paid leave may be prorated to supplement such temporary
22 disability compensation payments, provided that the total amount shall not exceed the
23 regular gross salary of the employee. Employees eligible for salary continuation pursuant
24 to Labor Code section 4850 are not entitled to this paid time.

25 (H) Employees covered by Labor Code section 4850 who are
26 injured in the line of duty are entitled to full salary in lieu of Workers' Compensation
27 benefits and sick leave for a period not to exceed one year. After the employee has used
28 one full year of such "4850 time", said employee may use accumulated paid leave with

pay with the approval of the appointing authority to augment temporary disability payments if said employee is still temporarily disabled by order of an accepted physician under the Workers' Compensation sections or until said employee is retired.

(I) Separation. Unused sick leave shall not be payable upon separation of the employee, except as provided in the Retirement Medical Trust Fund, Subsection 13.0613(k)(4) and as provided below.

Upon the death of an active employee with five or more years of continuous service from the most recent date of hire in a regular position, the estate of the deceased employee will be paid the cash value for the unused sick leave balances according to the sick leave conversion formula below only up to 1,000 hours, and will not go into the Trust.

Sick Leave Balance as of Date of Separation for Death	Cash Payment Percent of Hours of Sick Leave Balance
480 hours or less	30 percent
481 to 600 hours	35 percent
601 to 720 hours	40 percent
721 to 840 hours	45 percent
841 to 1,000 hours	50 percent

(J) Sick Leave Conversion. While employed by the County, employees who have contributed to a public sector retirement(s) for over five years and have not withdrawn the contribution from the system(s) may exchange accrued sick leave hours in excess of 200 hours for ~~vacation time~~ Leave or Paid Time Off (PTO) hours on the following basis:

Sick Leave Balance at Time of Conversion	Sick Leave to Vacation Leave Conversion Ratio
201 to 599 hours	3 sick hours to 1 hour vacation <u>PTO</u>
600 to 799 hours	2.5 sick hours to 1 hour vacation <u>PTO</u>
800 or more hours	2 sick hours to 1 hour vacation <u>PTO</u>

Any such exchange must be made in ten-hour increments of accrued sick leave under the procedures established by the Director of Human Resources. Employees may elect this exchange once per calendar year.

(2) Vacation Leave.

(A) Definition. VACATION is a right, earned as a condition of employment, to a leave of absence with pay for the recreation and well-being of the employee. If an employee has exhausted sick leave, vacation leave may be used for sick leave purposes upon a special request of the employee and with the approval of the appointing authority.

(B) Accumulation. Employees in regular positions scheduled to work 80 hours per pay period shall accrue, on a pro-rata basis, vacation leave for completed pay periods. Such vacation leave shall be available for use on the first day following the pay period in which it is earned, provided an employee has worked six pay periods from the employee's hire date. Employees in regular positions paid less than 80 hours per pay period or job shared positions shall receive vacation leave accumulation on a pro-rata basis.

Length of Service from Hire Date	Annual Vacation Allowance
Hire date through 8,320 service hours	80 hours
Over 8,320 and through 18,720 service hours	120 hours
Over 18,720 service hours	160 hours

The maximum vacation leave accrual balance that may be carried over to a future calendar year shall be 480 hours. However, the maximum vacation leave accrual balance that may be carried over into a future calendar year for an employee with a balance of more than 480 hours at the end of calendar year 2010 shall be such employee's vacation leave balance at the end of pay period 26 of calendar year 2010. Thereafter, the maximum vacation accrual balance for those employees with a balance greater than 480 hours at the end of calendar year 2010 shall be adjusted annually at the end of each calendar year and shall never be increased. Any vacation leave accrual balance in excess of the employee's maximum leave accrual balance at the end of the calendar year shall be cashed out and paid in accordance with Subsection 13.0613(g)(2)(E)(II).

(C) Administration.

1 (I) Vacation periods should be taken annually with the
2 approval of the appointing authority at such time as will not impair the work schedule or
3 efficiency of the department but with consideration given to the well-being of the
4 employee.

5 (II) The minimum charge against accumulated vacation
6 leave shall be 15 minutes. Vacation leave shall be compensated at the employee's base
7 rate of pay, except as otherwise provided in this Plan.

8 (III) When a fixed holiday falls within a vacation period, the
9 holiday time shall not be charged against an employee's earned vacation benefits.

10 (IV) Employees not planning to return to County
11 employment at the expiration of a vacation leave, except those retiring, shall be
12 compensated in a lump sum payment for accrued vacation and shall not be carried on
13 the payroll. Retiring employees may elect to use vacation leave to enhance retirement
14 benefits or be compensated in a lump sum payment for accrued vacation leave.

15 (D) Prior Service. New employees hired into the County in regular
16 positions who have been employed by a public jurisdiction or private sector in a
17 comparable position or a position which has prepared such employees for an assignment
18 to a position in the Exempt Group may receive credit for such previous experience in the
19 former agency(s) in determining their vacation accrual rate. Such determination as to the
20 comparability of previous experience and amount of credit to be granted rests solely with
21 the Director of Human Resources or designee. Requests for prior service credit should
22 be made at the time of hire or as soon as possible thereafter but in no event later than
23 one year from the employee's hire date.

24 (E) Conversion of Vacation Leave to Cash.

25 (I) Elective Conversion. An employee may sell back
26 vacation leave at the base hourly rate of the employee as hereinafter provided, upon
27 approval of the appointing authority. Eligible employees may exercise these options
28 under procedures established by the Director of Human Resources. In lieu of cash, the

employee may designate that part or all of the value of vacation leave be contributed to the County's 401(k) Defined Contribution Plan or 457(b) Deferred Compensation Plan. In order to sell back vacation leave prior to termination or retirement, an employee may exercise the following options:

Option 1. Future Accruals. An employee must make an irrevocable election during the month of December, specifying the number of hours to be sold back from the next calendar year's vacation leave accrual. Such election must be made in increments of not less than ten hours and may not exceed 160 hours. All designated hours remaining in the last pay period of the calendar year will automatically be converted into cash in the last pay period of the calendar year.

Option 2. Existing Accruals. Existing accruals may be cashed out in whole hour increments with a minimum cash out of ten hours and will be subject to a ten percent penalty.

(II) Automatic Conversion. At the end of the last pay period of the calendar year, an employee shall automatically have any vacation leave accruals in excess of the employee's maximum vacation leave accrual balance converted to cash. Such automatic vacation leave cash out shall be paid in pay period 1 of the next calendar year.

(3) Holiday Leave.

(A) Fixed Holidays. All employees in regular positions except as modified in Subdivision (i) shall be entitled to the following holidays:

January 1

Third Monday in January

Third Monday in February

Last Monday in May

June 19

July 4

First Monday in September

1 Second Monday in October

2 November 11

3 Thanksgiving Day

4 Day after Thanksgiving

5 December 24

6 December 25

7 December 31

8 (B) Floating Holidays. Employees in regular positions shall be
9 entitled to a total of eight hours floating holiday time annually provided that the employee
10 is not on unpaid leave for the entire pay period and is in paid status for the pay period
11 where the floating holiday time is to accrue. Eight hours floating holiday time shall be
12 accrued during the first pay period prior to the third Monday in January.

13 Floating holidays accrued shall be available for use on the first day
14 following the pay period in which they are accrued, with the approval of the appointing
15 authority. Appointing authorities have the right to schedule employees' time off for
16 accrued holidays to meet the needs of the service but with consideration given to the well-
17 being of the employee. Employees in regular positions budgeted less than 80 hours per
18 pay period or job-shared positions shall receive floating holiday accruals on a pro-rata
19 basis.

20 (C) Maximum Holiday Leave Accrual Balance

21 (I) The maximum holiday leave accrual balance that may
22 be carried over to a future calendar year shall be 112 hours. However, the maximum
23 holiday leave accrual balance that may be carried over into a future calendar year for an
24 employee with a balance of more than 112 hours at the end of calendar year 2010 shall
25 be such employee's holiday leave balance at the end of pay period 26 of calendar year
26 2010. Thereafter, the maximum holiday accrual balance for those employees with a
27 balance greater than 112 hours at the end of calendar year 2010 shall be adjusted
28 annually at the end of each calendar year and shall never be increased.

1 (II) Effective pay period 14 of calendar year 2022, the
2 maximum holiday leave accrual balance will increase to 120 hours. The maximum
3 holiday leave balance that may be carried over to a future calendar year shall be 120
4 hours. However, employees with a grandfathered balance of more than 120 hours shall
5 carry over their maximum grandfathered accrual balance in accordance with Subsection
6 13.0613(g)(3)(C)(I). Any holiday leave accrual balance in excess of the employee's
7 maximum holiday leave accrual balance at the end of the calendar year shall be cashed
8 out and paid in accordance with Subsection 13.0613(g)(3)(G)(II).

9 (D) When a fixed holiday falls within a vacation period, the holiday
10 time shall not be charged against an employee's earned vacation benefits.

11 (E) Whenever an employee is required to work on a fixed holiday
12 or the fixed holiday falls on an employee's regularly scheduled day off, the employee shall
13 accrue, on an hour-for-hour basis, up to a total of eight hours floating holiday time.

14 (F) When a fixed holiday falls on a Saturday, the previous Friday
15 will be observed as the fixed holiday except that when the preceding Friday is also a fixed
16 holiday, the preceding Thursday will be observed as the fixed holiday. When a fixed
17 holiday falls on a Sunday, the following Monday will be observed as the fixed holiday
18 except that when the following Monday is also a fixed holiday, the following Tuesday will
19 be observed as the fixed holiday.

20 (G) Conversion of Holiday Leave to Cash.

21 (I) Elective Conversion. An employee may sell back
22 holiday time at the base hourly rate of the employee as hereinafter provided, upon
23 approval of the appointing authority. Eligible employees may exercise this option under
24 procedures established by the Director of Human Resources. In lieu of cash, the
25 employee may designate that part or all of the value of holiday time to be contributed to
26 the County's 401(k) Defined Contribution Plan or 457(b) Deferred Compensation Plan.

27 In order to sell back holiday time prior to termination or
28 retirement, an employee may exercise the following options:

1 Option 1. Future Accruals. An employee must make an
2 irrevocable election during the month of December, specifying the number of hours to be
3 sold back from the next calendar year's holiday time accrual. Such election must be made
4 in increments of not less than eight hours and may not exceed the annual amount to be
5 accrued for the next calendar year. All designated hours remaining in the last pay period
6 of the calendar year will automatically be converted into cash in the last pay period of the
7 calendar year.

8 Option 2. Existing Accruals. Existing accruals may be cashed
9 out in whole hour increments with a minimum cash out of eight hours and will be subject
10 to a ten percent penalty.

11 (II) Automatic Conversion. At the end of the calendar year,
12 an employee shall automatically have any holiday leave accruals in excess of the
13 employee's maximum holiday leave accrual balance converted to cash. Such automatic
14 holiday leave cash out shall be paid in pay period 1 of the next calendar year.

15 (H) Grandfathered Holiday Time. An employee promoted from
16 the Safety Management and Supervisory Unit to the Exempt group who has any
17 grandfathered holiday time at the time of promotion, will be allowed to retain such
18 grandfathered holiday time. Such time may be used or compensated at the time of
19 retirement or separation under the same terms and conditions as are applicable to Safety
20 Management and Supervisory Unit employees.

21 (4) Special Leaves of Absence Without Pay.

22 (A) General Provisions. A special leave of absence without pay
23 may be granted to an employee who:

24 (I) Is medically incapacitated to perform the duties of the
25 position;

26 (II) Desires to engage in a relevant course of study which
27 will enhance the employee's value to the County;

28 (III) Takes a leave of absence pursuant to the Federal

1 Family Medical Leave Act (FMLA), the California Family Rights Act (CFRA), and/or
2 Pregnancy Disability Leave (PDL) provisions of the Fair Employment and Housing Act
3 (FEHA);

4 (IV) For any reason considered appropriate by the
5 appointing authority and the Director of Human Resources.

6 (B) Exempt Group employees eligible to receive the automobile
7 allowance, portable communication device allowance, bilingual compensation, or special
8 assignment compensation will have these benefits suspended while on unpaid leave and
9 upon exhausting short-term disability insurance benefits. These benefits will cease the
10 day following the end of the individual's short-term disability insurance benefits.
11 Employees off work without pay for disciplinary reasons shall not receive the above listed
12 benefits until they return to full time status.

13 (C) Type of Leave of Absences. There are four types of leaves of
14 absences. All requests must be in writing and require the approval of the appointing
15 authority or designee and the Director of Human Resources or designee. Upon request,
16 the appointing authority or designee and the Director of Human Resources or designee
17 may grant successive leaves of absence. All benefits shall be administered in
18 accordance with the appropriate section of this code.

19 (I) Leave of Absence with Right to Return. Leaves of
20 absence with right to return may be granted to employees in regular positions for a period
21 not exceeding one year. The employee remains in his or her position.

22 (II) Family Leave. Leaves of absence will be granted in
23 accordance with the FMLA, the CFRA, and/or the PDL provisions of FEHA. This leave
24 can be concurrent with use of paid leave or leave of absence without pay with right to
25 return.

26 An employee on an approved leave of absence without pay
27 under this provision will continue to receive the benefits outlined in Subsection
28 13.0613(k)(1)(B)(III) for a period of six pay periods. Certification from a health care

1 provider is required for all instances of medical leave under this provision. Employees
2 are required to inform supervisors of the need for leave at least 30 days before
3 commencement where possible.

4 In instances where the leave is for the birth or placement of a
5 child and both husband and wife are County employees, both employees are limited to a
6 total of 12 weeks between them.

7 (III) Leave of Absence without Right to Return.

8 (i) Definition. Leaves of absence without right to
9 return may be granted to employees with regular status for a period not exceeding one
10 year. Employees without right to return shall be removed from their position. Retirement
11 contributions shall remain in the system and cannot be requested for distribution until the
12 expiration of the leave. The employee shall be eligible to purchase medical benefits
13 pursuant to federal Consolidated Omnibus Reconciliation Act of 1985 (COBRA).

14 (ii) Return Process. An employee may return to the
15 same department in the classification from which the employee took the leave of absence
16 with the approval of the appointing authority and the Director of Human Resources.
17 Alternatively, the employee may apply through Human Resources by the last day of the
18 leave of absence. The employee will be placed on the eligible list for the classification
19 from which he or she took the leave of absence without examination. Placement on the
20 eligible list will be administered in accordance with the requalification provisions of the
21 Personnel Rules. If the employee does not return to a regular position within 90 calendar
22 days of the expiration of such a leave the employee shall be terminated from County
23 service. If reemployed, the employee shall be required to serve a new probationary
24 period. The Director of Human Resources or designee has the discretion to waive the
25 requirement to serve a new probationary period.

26 (iii) Benefits Upon Return. An employee who
27 returns to a regular position within 90 days after the expiration of the leave of absence
28 without right to return shall retain his or her hire date for purposes of leave accruals and

1 step advances; except that the employee will not receive service credit for the period of
2 time the employee is on the leave of absence without right to return. To be reemployed
3 and retain the above benefits, the employee must be appointed to a position no later than
4 90 calendar days after the date of expiration of the leave of absence. The 90 days shall
5 run concurrently with the first 90 days of the one-year period provided in the
6 reemployment subdivision.

7 (IV) Long-Term Medical Leave of Absence.

8 (i) Definition. An employee with regular status who
9 suffers from a serious condition may be placed on a medical leave of absence for up to
10 one year, only after FMLA, CFRA and/or PDL have been exhausted. However, if an
11 employee meets the service requirements for eligibility for a disability retirement, the long-
12 term medical leave of absence may be extended. The employee is responsible for
13 providing documentation from a qualified health practitioner prior to approval. The County
14 retains the right to request medical documentation regarding the employee's continued
15 incapacity to return to work.

16 The employee will be removed from his or her position
17 so that the department may fill behind the employee. Retirement contributions shall
18 remain in the system and cannot be requested for distribution until the expiration of the
19 leave. The employee shall be eligible to purchase benefits pursuant to the federal
20 Consolidated Omnibus Reconciliation Act of 1985 (COBRA).

21 Upon the employee's ability to return to work or the
22 expiration of the leave of absence, whichever comes first, the employee will have the right
23 to return to the classification within the department from which he or she took a leave of
24 absence when a funded vacancy for which the employee meets the qualifications is
25 available. If the employee does not return to work by the expiration date of the leave, or
26 the soonest date after that for which the department has a vacancy (but in no event later
27 than 90 days following the expiration of the medical leave of absence), the employee
28 relinquishes the right to return.

1 (ii) Upon return from a medical leave of absence,
2 the employee shall retain hire date for purposes of leave accruals and step advances;
3 except that the employee will not receive service credit for the period of time the employee
4 is on the medical leave of absence.

5 (5) Medical Emergency Leave. The particulars of the Medical
6 Emergency Leave policy are as follows:

7 (A) The employee must have regular status with the County or
8 one year of continuous service in a regular position with the County.

9 (B) The employee must meet all of the following criteria before he
10 or she becomes eligible for Medical Emergency Leave donation: (1) be on an approved
11 medical leave of absence for at least 30 calendar days (160 working hours) exclusive of
12 an absence due to a work related injury/illness; (2) submit a doctor's off work order
13 verifying the medical requirement to be off work for a minimum of 30 calendar days (160
14 working hours); (3) have exhausted all useable leave balances prior to initial eligibility for
15 Medical Emergency Leave donations—subsequent accruals will not affect eligibility; and
16 (4) have also recorded at least 40 hours of sick leave without pay during the current period
17 of disability.

18 (C) An employee is not eligible for Medical Emergency Leave if
19 he or she is receiving Workers' Compensation wage replacement (e.g., Coding TTD,
20 etc.). An employee eligible for State Disability Insurance and/or short-term disability must
21 agree to integrate these benefits with Medical Emergency Leave.

22 (D) Vacation, holiday, administrative leave or annual leave, as
23 well as compensatory time, may be donated by employees only on a voluntary and
24 confidential basis, in increments of eight hours (or in the case of holiday leave four hours)
25 not to exceed a total of 50 percent of a donor's annual vacation, holiday, administrative
26 leave, annual leave or compensatory time accrual per employee. The donation may be
27 made for a specific employee on the time frames established by the Human Resources
28 Department. The employee (donee) using/coding the Medical Emergency Leave will be

1 taxed accordingly.

2 (E) The donation is to be utilized for the employee's Medical
3 Emergency Leave only; the donation to one employee is limited to a total of 1,040 hours
4 per fiscal year. The maximum of 1,040 hours shall be prorated for those scheduled less
5 than 40 hours per week. Example: An employee who is regularly scheduled 20 hours per
6 week is eligible for a maximum donation of 520 hours of Medical Emergency Leave.

7 (F) Medical emergency leave shall be administered in
8 accordance with procedures approved by Human Resources.

9 (6) Compulsory Leave. If, in the opinion of the appointing authority,
10 employees are unable to perform the duties of their position for physical or psychological
11 reasons, they may be removed from duty without pay or may use appropriate accrued
12 paid leave for which they are eligible. In addition, such employees may be required to
13 submit to an examination by either a physician or other competent authority designated
14 by the Director of Human Resources or by their own physician or practitioner, as
15 appropriate. If the examination report of the competent authority (e.g., physician,
16 appropriate practitioner) shows the employee to be in an unfit condition to perform the
17 duties required of the position, the appointing authority shall have the right to compel such
18 employee to take sufficient leave of absence with or without pay, to transfer to another
19 position without reduction in compensation, and/or follow a prescribed treatment regimen
20 until medically qualified to return to unrestricted duty. An employee who has been
21 removed from duty for physical or psychological reasons by the appointing authority, and
22 was required to submit to an examination, may not return to duty until such time as
23 medical clearance has been obtained.

24 Employees shall be required to meet all qualifications for employment (e.g.,
25 licensure, certification, etc.). Employees who become disqualified to perform the duties
26 of their position (e.g., fail to maintain required licenses) shall be immediately removed
27 from duty without pay unless permitted to use appropriate accrued paid leave for which
28 they are eligible and may be subject to appropriate disciplinary action.

1 (7) Military Leave. As provided in the California Military and Veterans
2 Code section 395 et seq., and any amendment thereto, and the Federal Uniformed
3 Services Employment and Reemployment Rights Act of 1994, a County employee,
4 regular, extra-help, per diem, or recurrent may be entitled to the following rights
5 concerning military leave:

6 (A) Definition. MILITARY LEAVE is defined as the performance
7 of duty on a voluntary or involuntary basis in a uniformed service under competent
8 authority and includes active duty, active duty for training, initial active duty for training
9 (weekend drills), full-time National Guard duty, and a period for which an employee is
10 absent for the purpose of an examination to determine the fitness of the person to perform
11 any such duty.

12 (B) Notice and Orders. All employees shall provide advance
13 notice of military service unless military necessity prevents the giving of notice or the
14 giving of notice is impossible or unreasonable. Where available, copy of military orders
15 must accompany the request for leave.

16 (C) Temporary Active Duty. Any employee who is a member of
17 the reserve corps of the Armed Forces, National Guard, or Naval Militia shall be entitled
18 to temporary military leave of absence for the purpose of active military training,
19 encampment, naval cruises, special exercises or like activities provided that the period of
20 ordered duty does not exceed 180 calendar days, including time involved in going to and
21 returning from such duty. While on paid status, an employee on temporary military leave
22 shall receive the same vacation, holiday, and sick leave, step advances, and benefits that
23 would have been enjoyed had the employee not been absent, providing such employee
24 has been employed by the County for at least one year immediately prior to the date such
25 leave begins. In determining the one-year employment requirement, all time spent in
26 recognized military service, active or temporary, shall be counted. An exception to the
27 above is that an uncompleted probationary period must be completed upon return to the
28 job. Any employee meeting the above one-year employment requirement shall be entitled

1 to receive his or her regular salary or compensation, pursuant to Subsection
2 13.0613(g)(7)(E).

3 (D) Full-Time Active Duty. Employees who resign from positions
4 to serve in the Armed Forces for more than 180 days, shall have a right to return to former
5 classification upon serving written notice to the appointing authority, no later than 90 days
6 after completion of such service. Returning employees are subject to a
7 physical/psychological examination. Should such employee's former classification have
8 been abolished, then the employee shall be entitled to a classification of comparable
9 functions, duties, and compensation if such classification exists, or to a comparable
10 vacant position for which the employee is qualified.

11 The right to return to former classification shall include the right to be
12 restored to such civil service status as the employee would have if the employee had not
13 so resigned; and no other person shall acquire civil service status in the same position so
14 as to deprive such employee of this right to restoration.

15 Eligible employees are also entitled to the reemployment and benefit
16 rights as further described in the Uniformed Services Employment and Reemployment
17 Rights Act, 38 U.S.C. sections 4301 to 4333. Specifically, a returning employee will
18 receive restoration of original hire and benefit date, salary step, vacation accrual rate, sick
19 leave balance (unless the employee has received payment for unused sick leave in
20 accordance with provisions contained herein), the retirement plan contribution rate, and
21 retirement system contributions (provided the employee complies with any requirements
22 established by the Retirement Board). However, such employee will not have accrued
23 vacation, sick leave, or other benefit while absent from County employment, except as
24 provided in the temporary duty provision.

25 (E) Compensation. This provision does not include an
26 employee's attendance for inactive duty, commonly referred to as weekend reserve
27 meetings, muster duty, or drills. Employees must use their own time to attend such
28 meetings. Should the meetings unavoidably conflict with an employee's regular working

1 hours, the employee is required to use vacation or holiday leave, leave without pay, or
2 make up the time. Employees who are called in for a medical examination to determine
3 physical fitness for military duty must also use vacation leave, leave without pay, or make
4 up the time. Employees cannot be required to use their accrued leave. Any employee
5 meeting the requirements in (C) and (D) shall be entitled to receive their regular salary or
6 compensation for the first 30 calendar days of any such leave. Pay for such purposes
7 shall not exceed 30 days in any one fiscal year and shall be paid only for the employee's
8 regularly scheduled workdays that fall within the 30 calendar days.

9 (F) Extension of Benefits. The County recognizes the increased
10 requirements of the military due to the current threats facing the United States of America
11 and, as such, has established a program under which employees may be eligible for an
12 extension of benefits. Employees who are called to active duty as a result of the activation
13 of military reservists beginning in September 2001, and who are eligible to receive the 30
14 calendar days military leave compensation, and are on an involuntary order as defined
15 by Enclosure 4 of the Department of Defense Instruction 1215.06 shall receive the
16 difference between their base County salary and their military salary starting on the thirty-
17 first calendar day of military leave. The difference in salary shall continue for the period
18 approved by the Board of Supervisors. During this period, the County will continue to
19 provide the employee the benefits and all leave accruals as were provided prior to such
20 active duty. Retirement contributions and service credit will be granted if the employee
21 had enough pay to cover the entire retirement system contribution. If the employee does
22 not receive enough pay to cover the retirement system contribution, no contribution or
23 credit will be given. Employees should note that the accidental death and
24 dismemberment (AD&D) plan contains a war exclusion.

25 If the employee becomes eligible for full County payment for the first
26 thirty days of military leave provided in (C) of this subsection, the extended payments
27 provided under this section shall be suspended and shall be continued after the 30 days
28 compensation has been completed. No compensation shall be paid beyond the thirty

1 days leave period, unless such compensation is expressly approved by the Board of
2 Supervisors. The County may unilaterally extend the benefits of this subsection upon the
3 approval of the Board of Supervisors.

4 (8) Political Leave. Any employee who is a declared candidate for public
5 office (i.e., a candidate who has filed the appropriate documents) shall have the right to
6 a leave of absence without pay with or without right to return for a reasonable period to
7 campaign for the election. Such leave is subject to the conditions governing special
8 leaves of absence without pay contained herein.

9 (9) Jury Duty Leave. Employees in regular positions who are
10 ordered/summoned to serve jury duty including Federal Grand Jury duty shall be entitled
11 to base pay for those hours of absence from work, provided the employee waives fees
12 for service, other than mileage. Such employees will further be required to deliver a "Jury
13 Duty Certification" form at the end of the required jury duty to verify such service. When
14 practicable, the appointing authority will convert an employee's regular tour of duty to a
15 day shift tour of duty during the period of jury duty. Employees required to serve on a jury
16 must report to work before and after jury duty provided there is an opportunity for at least
17 one hour of actual work time. Employees volunteering to serve on a Grand Jury shall be
18 granted a leave of absence without pay to perform the duties of a member of the Grand
19 Jury, in the same manner as provided in Subsection 13.0613(g)(4).

20 (10) Examination Time. Employees having regular status in regular
21 positions at the time of application, or employees who do not have regular status but have
22 previously held regular status and continuously remained a County employee, shall be
23 entitled to a reasonable amount of time off with pay for the purpose of attending all
24 examination processes (e.g., selection interviews, etc.) required for selection to a different
25 County position. Employees are responsible for notifying and obtaining approval from
26 their immediate supervisor prior to taking such leave. Examination time off shall not be
27 charged against any accumulated leave balances and shall be compensated at the
28 employee's base hourly rate.

1 (11) Witness Leave. Employees in regular positions shall be entitled to a
2 leave of absence from work when subpoenaed to testify as a witness, such subpoena
3 being properly issued by a court, agency, or commission legally empowered to subpoena
4 witnesses. This benefit shall not apply in any case in which the subpoenaed employee
5 is a party to the action or the subpoena has arisen out of the employee's scope of
6 employment. Witness leave shall not be charged against any accumulated leave
7 balances and shall be compensated at the employee's base hourly rate. This benefit will
8 be paid only if the employee has demanded witness fees at the time of service of the
9 subpoena, and such fees are turned over to the County.

10 (12) Blood Donations. Employees in regular positions who donate blood
11 without receiving compensation for such donation, may have up to two hours off with pay
12 to recover with prior approval of the immediate supervisor for each such donation. This
13 benefit shall not be charged to any accumulated leave; provided, however, if the
14 employee is unable to work, any time in excess of two hours may be charged to
15 accumulated sick leave or be taken as leave without pay. Evidence of each donation
16 must be presented to the appointing authority to receive this benefit.

17 Employees in regular positions who are apheresis donors may have up to
18 four hours off with pay to recover with prior approval of the immediate supervisor for each
19 such donation, provided no compensation is received for such donation. This benefit
20 shall not be charged to any accumulated leave; provided, however, if the employee is
21 unable to work any time in excess of four hours may be charged to accumulated sick
22 leave or be taken as leave without pay. Evidence of each apheresis donation must be
23 presented to the appointing authority to receive this benefit.

24 (13) Bereavement Leave. Employees in regular positions may use up to
25 ~~two~~three days paid leave, not charged to the employee's personal leave balances, per
26 occurrence for bereavement due to the death of an employee's family member as defined
27 in Subsection 13.0613(g)(1)(A)(I) except for a person "designated" by the employee for
28 sick leave purposes. One additional day shall be granted if the employee travels over

1 4,000 miles from his or her residence to the bereavement service(s). This additional
2 day shall not be charged to the employee's personal leave balances. The appointing
3 authority may request verification of distance traveled. All employees are entitled to a
4 total of 5 days of unpaid bereavement leave. The five days of leave shall include paid
5 leave under this section, and use of sick leave as defined in section 13.0613(g)(1)(E)(II)
6 above.

7 An employee who has been with the County for 30 days or more may utilize
8 Bereavement Leave for each occurrence of reproductive loss. Reproductive loss includes
9 failed adoption, failed surrogacy, miscarriage, stillbirth, and unsuccessful assisted
10 reproduction as defined by California Government Code section 12945.6. The leave may
11 be non-consecutive, but must be taken within 3 months of the event as defined by
12 California Government Code section 12945.6(a)(7). If an employee experiences more
13 than one reproductive loss event in a 12-month period, Bereavement Leave for
14 reproductive loss shall not exceed 20 days within a 12-month period.

15 (14) Leave Accruals While on Disability Leave. Employees receiving the
16 benefits of workers' compensation or short-term disability leave receive partial
17 replacement of their income through these benefits. Employees on these types of
18 disability leaves may choose to fully integrate, partially integrate, or not integrate personal
19 leave time with these disability payments.

20 The maximum amount the employee receives from integrating leave time
21 with disability payments shall not exceed 100 percent of the employee's base salary. Paid
22 personal leave time coded on the employee's time and labor report will be limited to the
23 amount of leave necessary to integrate benefits to the level designated by the employee.
24 When the exact amount is not known, a good faith estimate may be made and the amount
25 will be adjusted later as necessary. If any overpayments are made, the employee will be
26 required to repay that amount. An employee who knowingly receives payment in excess
27 of his or her regular base salary is required to report it to his or her Departmental payroll
28 clerk.

1 Employees who are fully integrating accrued leave time with disability
2 benefits and shall be eligible to receive full accruals of vacation and sick leave.
3 Employees who are not fully integrating shall earn pro-rated vacation and sick leave
4 accruals based upon paid leave time coded on the time and labor report only.

5 Employees who are fully integrating paid leave time with disability benefit(s)
6 will be eligible for fixed holiday pay provided that they are on the payroll for the entire pay
7 period and have no unapproved leave for the pay period. Employees who are partially
8 integrating or not integrating paid leave time with disability benefits will be paid for
9 holidays in accordance with the holiday leave provisions in Subsection 13.0613(g)(3).

10 (15) Behavioral Health Education and Training Leave. Effective pay
11 period 1 of each year, each regular full-time employee in the classifications of Behavioral
12 Health Medical Director and Assistant Director of Medical Services in paid status shall be
13 credited with a bank of forty (40) hours of Education and Training Leave with pay to attend
14 (e.g. online, in person, etc.) a Medical Board of California and/or Osteopathic Medical
15 Board of California approved continuing medical education courses, seminars, training
16 programs, conferences, workshops, or classes, including those necessary to obtain
17 and/or maintain licensure or certifications. Employees who are not in paid status (i.e., not
18 coding paid hours) who later return to paid status during that calendar year or employees
19 hired after pay period 1 shall receive a prorated Education and Training Leave bank at
20 the time of appointment based upon the annual rate of forty (40) hours per calendar year.

21 Written requests for such leave must be submitted and approved in advance
22 before the leave is to be taken at least ninety (90) calendar days prior training. Employees
23 shall provide verification of available Education and Training Leave hours when requests
24 are submitted for approval. Such leave bank shall be reflected on the employee's pay
25 stub. Requests that do not meet the timeframe above may be considered on a case-by-
26 case basis at the sole discretion of the Appointing Authority. Use of Education and
27 Training Leave shall not be counted as time worked for overtime purposes.

28 Education and Training Leave hours must be used by the end of the

calendar year. If any Education and Training Leave hour(s) remain at the end of pay period 26 (or 27 when applicable), Education and Training Leave hours shall not carry over into the next calendar year, nor be permitted for cash out. If promoting from a position that already credited the employee Education Leave, the employee is not entitled to additional hours.

(h) Relocation. Employees who are required by order of their appointing authority to change their principal place of residence because of a reassignment to meet the needs of the service or because of layoff will be granted time off with pay not to exceed two work days and up to \$400.00 reimbursement toward the actual cost of relocating their personal furnishings and belongings.

(i) Special Assignment Compensation. Increases in pay may be granted to recognize the temporary assignment of additional responsibilities that are significant in nature and beyond the normal scope of the position. No award shall be made in any situation related to a vacation, short-term illness or other relief which is six weeks or less. The duration of such assignments is not intended to exceed one calendar year except in unusual circumstance approved by both the appointing authority and the Director of Human Resources. Employees will normally not be in a probationary status. The employee shall be required to meet standards for satisfactory performance.

Compensation shall be awarded in pay period increments and shall be in the form of a specified percentage of the employee's base pay. The Director of Human Resources will determine the amount in increments of one-half percent from a minimum of two and one-half percent up to a maximum of seven and one-half percent. The additional compensation will be computed at the specified percentage of the current base pay of the employee for each pay period. Such increases in pay shall not affect an employee's step advancement in the base range pursuant to the salary rates and step advancements subdivision.

Requests for special assignment compensation may be initiated by the appointing authority or an employee via the appointing authority. The appointing authority and the

1 employee bear mutual responsibility for initiating the compensation request in a timely
2 manner and adhering to the compensation provisions defined in this provision. It is
3 important to obtain Human Resources Department review of the request in advance of
4 the date the employee begins the assignment, since there is no guarantee that the
5 request will be approved. Special assignment compensation is to be effective only with
6 the Director of Human Resources written approval, assignment of the greater level of
7 duties, and signed acceptance by the employee.

8 This provision shall not be utilized to circumvent or provide additional
9 compensation over and above that which may be provided in the subsection on
10 assignment to vacant higher position and the Personnel Rules. These aforementioned
11 provisions are mutually exclusive concepts and as such there shall be no dual or multiple
12 requests based on the same facts.

13 (j) Expenses Incurred in Conducting County Business and Expense
14 Reimbursement.

15 (1) General Provisions. Employees in the Exempt Group shall be
16 reimbursed for all expenses incurred in connection with the conduct of County business,
17 including, but not limited to, travel, lodging, meals, laundering, gratuities, and other related
18 costs. Payment for actual expenses is subject to the approval of the appointing authority.
19 The Chief Executive Officer, Assistant Executive Officers, and County officers with
20 department head status may incur necessary County expenses involved with activities
21 and functions of their departments and arrange for the County to be billed directly for such
22 expenses.

23 The purpose of this subdivision is to define the policy and procedures by
24 which employees shall report and be reimbursed for necessary expenses incurred on
25 behalf of San Bernardino County, except as may be otherwise provided in this code.

26 (2) Responsibilities. It shall be the responsibility of each appointing
27 authority or designee to investigate and approve each request for expense
28 reimbursement. It shall be the responsibility of each employee to obtain prior approval

1 from the appropriate appointing authority or designee to incur a business expense or to
2 exceed maximum allowable amounts provided in Section (7) below.

3 Prior approval may be in the form of standing orders issued by the
4 appointing authority. Failure to obtain prior approval may result in denial of any expense
5 claim (or excess amount) not pre-approved.

6 (3) Travel Authorization.

7 (A) Travel outside the State of California must be approved by the
8 Chief Executive Officer or designee. Requests for such travel shall be submitted to the
9 County Administrative Office on a travel request form.

10 (B) The appointing authority or designee shall initiate travel
11 requests. The Chief Executive Officer and Auditor-Controller/Treasurer/Tax Collector
12 shall be notified in writing of all such designees.

13 (C) The appointing authority or designee is authorized to approve
14 necessary travel within the State of California and use of transportation mode consistent
15 with this subdivision.

16 (4) Authorization for Attendance at Meetings.

17 (A) Appointing authorities may authorize attendance at meetings
18 at County expense when the program material is directly related to an important phase of
19 County service and holds promise of benefit to the County as a result of such attendance.

20 (B) Authorization for attendance at meetings without expense
21 reimbursement, but on County time, may be granted when the employee is engaged on
22 the County's behalf, but from which the gain will inure principally to the benefit of the
23 employee and only incidentally to the County.

24 (5) Records and Reimbursements.

25 (A) Requests for expense reimbursements should be submitted
26 once each month and within one year of the date that the expense was incurred.

27 (B) Receipts or vouchers which verify the claimed expenditures
28 will be required for all items of expense, except:

1 (I) Subsistence, except as otherwise provided in this
2 subdivision;

3 (II) Private mileage (e.g., mileage to the airport);

4 (III) Telephone or other communication-related charges
5 including Wi-Fi and internet access fees if needed to conduct County business;

6 (IV) Other authorized expenses of less than \$1.00.

7 (C) Claims for expense reimbursement totaling less than \$1.00 in
8 any fiscal year shall not be paid.

9 (D) Reimbursement shall not be made for any personal expenses
10 such as, but not limited to, entertainment, barbering, personal grooming, alcoholic
11 beverages, etc.

12 (E) Except as otherwise provided in this subdivision, expense
13 reimbursements shall be made on an actual cost basis.

14 (F) If the receipt is unavailable, the employee may submit a
15 signed statement with an explanation of expenses (i.e., itemized list of expenses with
16 location, date, dollar amount, and reason for expenses) and an explanation as to why the
17 receipt is unavailable.

18 (G) Expense reimbursements may be made via electronic fund
19 transfer into the financial institution of the employee's choice or by pay card. Employees
20 who fail to make arrangements for direct deposit shall receive reimbursements via pay
21 card.

22 (6) Transportation Modes.

23 (A) The general rule for selection of a mode of transportation is
24 that mode which represents the lowest expense to the County. Where an employee is
25 given the choice between several means of travel (e.g., use of County vehicle vs. own
26 personal vehicle, flying vs. driving, etc.) and the employee chooses the option that is more
27 costly, the employee shall only be reimbursed for the lesser cost option. For example, if
28 an employee chooses to drive his or her own vehicle when offered a County vehicle, the

1 employee shall not be entitled to any reimbursement. Similarly, if the cost of flying on an
2 airplane is less than the cost of driving, the employee shall only be reimbursed for the
3 amount the County would have paid for the flight.

4 (B) Travel via Private Automobile.

5 (I) Reimbursement for use of privately-owned
6 automobiles to conduct County business shall be at the IRS allowable rate.
7 Reimbursement at this rate shall be considered as full and complete payment for actual
8 necessary expenses for the use of the private automobile, insurance, maintenance and
9 all other transportation related costs. The County does not provide any insurance for
10 private automobiles used on County business. The owner of an automobile is responsible
11 for the personal liability and property damage insurance when the vehicle is used on
12 County business.

13 (II) When employees, traveling on official County
14 business, leave directly from their principal place of residence rather than from their
15 assigned work location, mileage allowed to the first work contact point shall be the
16 difference between the distance from the residence to the assigned work location and the
17 distance from the residence to the first work contact point. If the first work contact point
18 is closer than the assigned work location, no mileage shall be allowed. If the employee
19 departs from the last work contact point directly to the residence, the same principle
20 governs.

21 (III) Employees may have multiple assigned work
22 locations. Mileage allowed is based on the assigned work location for that day. When
23 employees have more than one assigned work location in a standard tour of duty, mileage
24 shall be allowed between assigned work locations. In no case will mileage be allowed
25 between the employee's residence and the assigned work location.

26 (C) Travel via Air.

27 (I) Commercial Aircraft. When commercial aircraft
28 transportation is approved, the "cost of public carrier" shall mean the cost of air coach

1 class rate including tax and security surcharges. Travel via charter aircraft shall be limited
2 to emergencies, or when other types of transportation are impractical or more expensive.
3 Specific prior approval for travel via charter aircraft must be obtained from the Chief
4 Executive Officer or designee.

5 (II) Private Aircraft. When private aircraft transportation is
6 approved by the Chief Executive Officer or designee, reimbursement will be as follows:

7 (i) Reimbursement for use of aircraft owned or
8 rented and flown by County personnel will be for equivalent road miles at the first mile
9 rate of the current private automobile use reimbursement schedule. Landing or tie-down
10 fees will be reimbursed similar to auto parking charges.

11 (ii) Reimbursement for trips to and from the
12 following destinations will be limited to the cost of public carrier except when justified by
13 unusual circumstances as determined by the Chief Executive Officer or designee:
14 Sacramento, San Francisco, Oakland and San Jose.

15 (iii) Authorized charter flights with a licensed charter
16 service providing the aircraft and pilot will be reimbursed at actual cost. Charter flights
17 must be individually approved by the Chief Executive Officer or designee prior to
18 departure.

19 (iv) The employee or owner of the aircraft must
20 maintain on file, with the County's Risk Management Department, a current policy for
21 aviation comprehensive general liability insurance, which includes the County as an
22 additional insured and covers all operations performed by or on behalf of the employee
23 or owner of the aircraft for bodily injury and property damage with a combined single limit
24 of not less than \$1,000,000.00, per occurrence and \$2,000,000.00, general aggregate.

25 (D) Travel via Rental Vehicles. Reimbursement will be provided
26 for the cost of a rental vehicle used for business purposes if such use is approved by the
27 appointing authority. Rental vehicles are covered for liability and vehicle physical damage
28 under the County's self-insurance program. Reimbursement will not be provided for the

1 additional costs incurred if any employee purchased any additional insurance or signs a
2 collision damage waiver (CDW) when renting a vehicle for County business. Requests
3 for reimbursement for gasoline for rental vehicles must be accompanied by a copy of the
4 rental agreement or rental receipt and gasoline receipt.

5 (E) Travel via Ride-Share Service, Taxi, or Public/Mass Transit.
6 Reimbursement will be provided for the cost of using a ride-share service, (e.g., Uber or
7 Lyft), taxi, or public/mass transit (e.g., bus, streetcar, and ferry) if such expenses are
8 incurred for County business and approved by the appointing authority.

9 (F) Incidental Travel Expenses. Reimbursement will be provided
10 for the cost of incidental travel expenses such as bridge tolls, road tolls and parking fees
11 if such expenses are incurred as part of County business and approved by the appointing
12 authority. Valet parking will not be reimbursed unless self-parking is not available or
13 security is a concern.

14 (7) Subsistence.

15 (A) Subsistence allowances for lodging and meals shall not be
16 allowed without prior approval of the appointing authority or designee as necessary for
17 the purpose of conducting County business. Meal and lodging selections should
18 represent a reasonable cost to the County and be generally consistent with the rates
19 established by the General Services Administration (GSA). Excess charges greater than
20 the allowances listed below in Subdivisions (B) and (C) may be authorized under special
21 conditions, such as a convention or conference requirement (e.g., lodging at the hotel
22 where the conference is held) or if County business requires lodging and meals in an area
23 of unusually high cost (i.e., Non-Standard Areas as established by the GSA). Employees
24 may be reimbursed for expenses in high cost areas for the actual cost incurred, but
25 generally not to exceed the per diem amounts established by the GSA for that area and
26 month. Receipts are mandatory to obtain reimbursement for all lodging expenses, and
27 except as provided below, for all meal expenses claimed.

28 (B) An employee may be reimbursed for lodging expenses at

1 actual cost, generally not to exceed the standard lodging per diem rate as established by
2 the GSA, except as otherwise provided in Subdivision (A) above.

3 (C) Except as otherwise provided in Subdivision (A) above,
4 reimbursements for meal expenses for up to three separate meals per day may be
5 provided as follows:

6 (I) With receipts. An employee may be reimbursed for
7 meal expense at actual cost not to exceed eleven dollars (\$11.00) for breakfast; fifteen
8 dollars (\$15.00) for lunch; and twenty-four dollars (\$24.00) for dinner, all plus tax and up
9 to 15 percent gratuity.

10 (II) Without receipts. An employee may be reimbursed for
11 meal expense at per diem rates not to exceed six dollars (\$6.00) for breakfast; nine dollars
12 (\$9.00) for lunch; and nineteen dollars (\$19.00) for dinner, all plus tax and up to 15 percent
13 gratuity.

14 (D) Where the cost of a meal is included as part of a registration
15 charge for an event (e.g., continental breakfast at a conference or training seminar) or in
16 the cost of lodging, an employee may not claim reimbursement for that meal.

17 (8) Expense Advances. Advancement of funds for business expenses
18 can be obtained from the Auditor-Controller/Treasurer/Tax Collector's Office through
19 submission of the appropriate form. Advancements shall not exceed the per diem
20 allowances set forth herein. The minimum amount to be advanced is \$50.00.

21 (9) County Credit Cards. The appointing authority may issue a County
22 credit card to an employee and require business expenses be paid for with said card. If
23 unauthorized charges are placed on the card, the employee shall be required to
24 reimburse the County.

25 (k) Medical Insurance and Retirement System Contributions.

26 (1) Medical Insurance Contributions.

27 (A) Section 125 Premium Conversion Plan.

28 (I) Eligible employees shall be provided with a Section

1 125 premium conversion plan. The purpose of the plan is to provide employees a choice
2 between paying premiums with either pre-tax salary reductions or after-tax payroll
3 deductions for medical insurance, dental insurance, vision insurance, voluntary life (to the
4 Internal Revenue Service (IRS) specified limit) and accidental death and dismemberment
5 insurance premiums currently maintained for Exempt Group employees or any other
6 programs(s). The amount of the pre-tax salary reduction or after-tax payroll deduction
7 must be equal to the required insurance premium.

8 (II) Medical and dental coverage elections shall not reduce
9 earnable compensation for purposes of calculating benefits or contributions for ~~the~~
10 SBCERA.

11 (III) To be eligible for the Section 125 premium conversion
12 plan, an employee must be eligible to participate in medical, dental, vision, AD&D, and/or
13 life insurance and have a premium deduction for these benefit plans.

14 (IV) Election of pre-tax salary reductions and after-tax
15 payroll deductions shall be made within 60 days of the initial eligibility period in a manner
16 and on such forms designated by Human Resources. Failure to timely submit appropriate
17 paperwork will result in after-tax payroll deductions for all eligible premiums for the
18 remainder of the plan year.

19 (V) Once a salary reduction has begun, in no event will
20 changes in elections be permitted during the plan year except to the extent permitted
21 under IRS rulings and regulations, and consistent with the County's Section 125 plan
22 document. The employee must submit request for a change due to a mid-year qualifying
23 event within 60 days of the qualifying event.

24 (B) Medical and Dental Subsidies.

25 (I) The County has established a medical premium
26 subsidy (MPS) to offset the cost of medical and dental plan premiums charged to eligible
27 employees. The MPS shall be applied first to medical plan premiums and then to dental
28 plan premiums. The applicable MPS amount shall be paid directly to the providers of the

County-sponsored medical and dental plans in which the eligible employee has enrolled. In no case, shall the MPS exceed the total cost of the medical and dental insurance premium for the coverage selected.

~~Effective February 10, 2024, the following MPS amounts apply:~~

Coverage Type	Scheduled for 40 to 60 Hours	Scheduled for 61 to 80 Hours
Employee Only	\$155.38	\$310.75
Employee + 1	\$249.94	\$499.87
Employee + 2	\$351.02	\$702.03

~~Effective July 13, 2024, the MPS amounts for employees scheduled for 61 to 80 hours, will increase for each tier (i.e., Employee Only, Employee + 1, Employee + 2) by 100% of the benefit plan year premium increase of the County's Blue Shield Signature HMO. This new MPS amount shall be the new basis for subsequent years. For example, if the 2024/2025 Benefit Plan Year premium for the Employee Only tier increases by \$20 per pay period, the MPS amount will increase by \$20 per pay period (i.e., 100% of \$20) and the total MPS for the Employee Only tier will be \$330.75. Employees scheduled for 40 to 60 hours will receive an amount equal to one-half of the MPS for employees scheduled for 61 to 80 hours.~~

~~Effective July 12, 2025, the MPS amounts for employees scheduled for 61 to 80 hours, will increase for each tier (i.e., Employee Only, Employee + 1, Employee + 2) by 100% of the benefit plan year premium increase of the County's Blue Shield Signature HMO. This new MPS amount shall be the new basis for subsequent years.~~

~~Employees scheduled for 40 to 60 hours will receive an amount equal to one-half of the MPS for employees scheduled for 61 to 80 hours.~~

Effective July 12, 2025, the following MPS amounts apply:

<u>Coverage Type</u>	<u>Scheduled for 40 to 60 Hours</u>	<u>Scheduled for 61 to 80 Hours</u>
<u>Employee Only</u>	<u>\$180.10</u>	<u>\$360.19</u>
<u>Employee + 1</u>	<u>\$299.39</u>	<u>\$598.77</u>
<u>Employee + 2</u>	<u>\$420.98</u>	<u>\$841.96</u>

Effective July 11, 2026, the MPS amounts for employees scheduled for 61 to 80 hours, will increase for each tier (i.e., Employee-Only, Employee + 1, Employee + 2) by 100% of the benefit plan year premium increase of the County's Blue Shield Signature HMO. This new MPS amount shall be the new basis for subsequent years.

Employees scheduled for 40 to 60 hours will receive an amount equal to one-half of the MPS for employees scheduled for 61 to 80 hours.

(II) The County has established a dental premium subsidy (DPS) for all employees who are enrolled in both County-sponsored medical and dental coverage whose premium costs for medical and dental exceeds the MPS. 1 The duration of such assignments to vacant higher positions are not
2 intended to exceed one calendar year except in unusual circumstances approved by both
3 the appointing authority and the Director of Human Resources or designee. Such
4 assignments in all circumstances are temporary assignments and at the conclusion of
5 such assignments the respective employee shall be returned to his or her previous

22 appellant and the County, shall be heard by the Civil Service Commission. If the appeal
23 is heard by a hearing officer, the Civil Service Commission shall either accept or reject
24 the hearing officer's findings and recommendations within 30 days of receipt by the
25 Commission.

Should such be the case, the Commission must state in writing specific reason(s) for the decision (1, 2, 3, 4, or 5) and subsequently conduct and complete a full and fair evidentiary hearing on the appeal within 30 days of rejecting the hearing officer's findings and recommendations unless the hearing cannot for good cause be completed within 30 days.

subsidy, opt-out/waive amount, vision care, retirement medical trust employer contribution, and life insurance which depend on the employee being in a paid status.

The following conditions apply:

(1) VTO may be taken in the same manner as vacation time except that VTO must be used in one-hour increments and is limited to 80 hours per calendar year.

(2) When VTO is taken, leave accruals continue as if the employee was on paid time. VTO time counts as time worked toward satisfying the minimum hour requirement to receive benefits, such as medical premium subsidy, dental premium subsidy, opt-out/waive amount, County-paid life insurance, and County-paid vision care.

(3) VTO does not count as hours worked for purposes of computing overtime, if applicable. County contribution to the retirement system under the retirement system contributions subsection will only be paid if the employee is in a paid status in any pay period in which VTO is used and the employee receives enough earnings to pay his or her retirement contribution in that pay period.

Pursuant to applicable law, Tier 1 retirement system members are eligible for full service credit for the pay period in which VTO is used and the employer contribution would be based on the employees' normal compensation earnable.

Pursuant to applicable law, Tier 2 retirement system members are eligible for a reduced service credit amount for the pay period in which VTO was used and the employer contribution would be based on the employees' actual earnings for that pay period.

(4) VTO may not be used for situations that would otherwise require leave without pay, such as an employee on short-term disability, or in conjunction with leave without pay.

(5) VTO is an entirely voluntary program. No employee may be required to take VTO.

(6) VTO may be taken by request of the employee and upon approval of the appointing authority.

Such annual payments shall be made in July of each year. The Chief Executive Officer may exclude from eligibility classifications or positions assigned to organizational units that must remain filled.

Unless waived by the Chief Executive Officer, vacant positions created by those employees receiving the retirement incentive shall not be filled for a period of five years. Alternatively, departments may fill vacated positions if other positions with an equivalent cost savings remain vacant for a period of five years.

Payments to an eligible employee under this program who returns to work for the County in any capacity after retiring shall be temporarily suspended until the employee again separates from employment with the County.

(kk) Retention Pay (formerly Longevity Pay). 8 returns to paid status in October 2017, the employee shall receive a prorated CPA stipend
9 payment for FY 2017/2018 upon their return to paid status but shall not receive the FY
10 2016/2017 stipend because the employee was not in paid status for the entire 2016/2017
11 fiscal year. Any employee separating from County employment at the conclusion of a
12 leave of absence shall not receive the CPA stipend.

13 (mm) Auditing Pay Differential. Employees in the classifications designated

Probation Retention pay shall be paid on all paid hours up to an employee's standard hours and shall be excluded when determining the appropriate rate of pay for promotion or demotion. Employees who qualify for Probation Retention pay shall begin to receive the pay following completion of the required service hours.

Completed Continuous Service Hours	Compensation
31,200 continuous service hours (15 years)	2.0%
41,600 continuous service hours (20 years)	An additional 2.0% for a total of 4.0%
52,000 continuous service hours (25 years)	An additional 4.0% for a total of 8.0%

For purposes of Probation Retention pay, a year of completed continuous service hours is defined as 2,080 service hours with the County.

Assignment of administrative duty and approval of compensation shall be made by the appointing authority based upon the needs of the department. 8 clothing purchase, maintenance, cleaning and replacement.

9 Employees on a leave of absence without pay in pay period 24 shall receive the
10 uniform allowance upon return to paid status, provided, however, that an employee who
11 is not in paid status during the entire year (i.e., not in paid status from pay period 24 of
12 one year through pay period 23 of the following year) shall not receive the annual Uniform
13 Allowance for the year(s) during which he/she was not in paid status. For example, if an
14 employee is not in paid status from October 2018 through January 2020, and then returns
15 to paid status in February 2020, the employee shall receive the allowance payment for
16 2019 upon return to paid status but shall not receive the 2018 allowance because the
17 employee was not in paid status from pay period 24/2018 through pay period 23/2019.

22 financial institution of their choice via electronic fund transfer. Employees who have not
23 made such arrangements by the end of the 4th pay period after their date of hire shall be
24 subject to disciplinary action. In cases where an employee is unable to make
25 arrangements for electronic fund transfer, the Director of Human Resources may allow
26 an exception to this subsection. Any exceptions granted may be reviewed periodically
27 for continuation, subject to the approval of the Director of Human Resources.

28 Employees who fail to make arrangements for direct deposit shall receive

1 paychecks and reimbursements via pay card.

2 (ss) Modified Benefit Option (MBO).

3 (1) General Provisions.

4 (A) All full-time employees in regular Exempt Group positions
5 shall be provided an opportunity to convert from a regular position with traditional benefits
6 (i.e., traditional benefit option) to a regular position with modified benefits and a wage
7 differential.

8 (B) Employees may choose to enroll in the MBO at hire or during
9 the annual open enrollment period and may choose to change to the traditional benefit
10 option during subsequent open enrollment periods.

11 (C) Employees who select the Modified Benefit Option must
12 commit to work a minimum of 1,560 hours per calendar year.

13 (D) In order to receive the benefits and wage differential of the
14 MBO, the employee must specifically choose the Option.

15 (2) Modified Benefit Option Wage Differential.

16 (A) Employees who select the MBO shall receive a wage
17 differential of 4% above the base rate of pay. The wage differential shall be paid on all
18 paid hours (e.g., REG, PTO, etc.).

19 (B) The wage differential shall be considered as part of the base
20 hourly rate when calculating the following: County contribution to the employee's
21 Retirement Medical Trust (RMT) account, County match to employee's contribution to
22 457(b) Deferred Compensation Plan, County match to employee's contribution to
23 County's 401(k) Defined Contribution Plan, differentials paid on a percentage basis (e.g.,
24 Retention Pay, POST), sick leave conversion cash-out pursuant to Subsections
25 13.0613(g)(1)(l) and 13.0613(k)(4), and other leave cash-outs if any. Provided below is
26 an example of how the County's contribution to the RMT would be calculated:

27 Example: Employee with 17 years of continuous County service and
28 an 80-hour per pay period schedule selects the MBO. The employee's base hourly rate

is \$70 per hour. This employee is eligible for a County contribution to the RMT equal to 3.75% of the employee's base bi-weekly salary. The County contribution to the RMT is calculated as follows:

80 hours X (\$70.00 per hour X 1.04 MBO Wage Differential) = \$5,824
base bi-weekly salary for purposes of County contribution to the RMT

\$5,824 X 3.75% Contribution Rate = \$218.40

The County will contribute \$218.40 to the RMT on behalf of the employee that pay period.

(3) Benefits and Leaves. Except as provided in this Subsection, employees who select the MBO shall receive the same benefits and leaves that employees who select the traditional benefit option receive.

(A) Medical Coverage. Employees who select the MBO shall have the same medical plan options as employees who select the traditional benefit option (e.g., Blue Shield HMO, Kaiser HMO, Blue Shield Access + HMO, Kaiser Choice HMO, and Blue Shield PPO).

(B) Medical Premium Subsidy (MPS).

(I) Employees who select the MBO shall receive MPS in the following amounts per pay period:

Effective July 15, 2023, the MPS amounts for employees who select the MBO shall increase to the following amounts per pay period:

Coverage Type	MPS
Employee Only	\$215.60
Employee + 1	\$392.21
Employee + 2	\$550.37

Effective February 10, 2024 through July 11, 2026, the MPS amounts for employees enrolled in the MBO will be based on a percent of the MPS amounts for the Traditional Benefit Option (i.e., 71% Employee Only; 82% Employee + 1; 82% Employee + 2).

(C) Dental Premium Subsidy (DPS). Employees who select the MBO and are enrolled in both County-sponsored medical and dental coverage whose premium costs for medical and dental exceeds the MPS shall be eligible to receive DPS up to \$9.46 per pay period, but not to exceed the combined total of the employee's out-of-pocket premium expenses.

(4) Paid Time Off (PTO).

(A) Definition. Employees who select the MBO shall be granted Paid Time Off (PTO) in lieu of any other Vacation or Sick accrual leave provisions. However, employees shall continue to be eligible to receive Administrative Leave as provided in Subsection 13.0613(p). Additionally, employees shall receive holiday pay in accordance with Subsection 13.0613(g)(3), except that employees shall not be eligible for the floating holiday.

(B) Accumulation. Employees who select the MBO shall accrue PTO each pay period as provided in the chart below and shall be eligible for prior service credit in accordance with Subsection 13.0613(g)(2)(D). Employees who have standard hours of less than eighty (80) hours per pay period shall accumulate PTO on a pro-rata basis; provided, however, that the maximum combined vacation and PTO accrual that may be carried over to future calendar years shall not be prorated. PTO shall be available for use on the first day following the pay period in which it is earned.

Service Hours	Annual PTO Allowance	Approximate Accrual Rate Per Pay Period	Maximum PTO Accrual That May Be Carried Over to a Future Calendar Year	Maximum Combined Vacation and PTO Accrual That May be Carried Over to a Future Calendar Year
0 through 8,320 service hours	120 hours	4.62 hours	272 hours	374 hours*
Over 8,320 through 18,720 service hours	160 hours	6.15 hours	362 hours	480 hours*
Over 18,720 service hours	200 hours	7.69 hours	452 hours	586 hours*

1 *The employee's maximum PTO accrual that may be carried over to a future calendar
2 year may not exceed 272, 362, or 452, as applicable. Additionally, the maximum
3 combined vacation and PTO accrual that may be carried over to a future calendar year
4 for an employee who has a grandfathered maximum vacation accrual balance of more
5 than 480 hours as allowed in Subsection 13.0613(g)(2)(B) shall be this employee's
6 grandfathered maximum vacation accrual balance plus 106 PTO hours. For example, if
7 employee's grandfathered maximum vacation accrual balance is 600 hours, the
8 maximum combined vacation and PTO accrual that may be carried over to a future
9 calendar year shall be 706 hours (600 vacation hours plus 106 PTO hours). As indicated
10 in Subsection 13.0613(g)(2)(B), the grandfathered maximum vacation accrual balance
11 shall be adjusted annually at the end of each calendar year and shall never be increased.

12 Any PTO accrual balance at the end of the calendar year in excess
13 of employee's maximum PTO accrual that may be carried over to a future calendar year
14 shall be automatically cashed out and paid in accordance with Subsection
15 13.0613(ss)(4)(E)(II). Additionally, any combined vacation/PTO accrual balance at the
16 end of the calendar year in excess of the employee's allowed maximum combined
17 vacation/PTO balance, in which vacation accruals do not exceed employee's allowed
18 maximum vacation accrual balance, shall be cashed out in PTO hours paid in accordance
19 with Subsection 13.0613(ss)(4)(E)(II). For example, if an employee with a maximum
20 combined accrual balance of 586 has 480 vacation hours (i.e., employee's vacation
21 maximum accrual balance) and 200 PTO hours for a combined accrual balance of 680
22 hours, 94 PTO hours shall be automatically cashed out in accordance with Subsection
23 13.0613(ss)(4)(E)(II).

24 (C) Administration.

25 (I) PTO for Vacation Leave Purposes. When PTO has
26 been requested for vacation leave purposes, PTO shall be administered according to
27 Subsection 13.0613(g)(2)(C).

28 (II) PTO for Sick Leave Purposes. When PTO has been

requested for sick leave purposes, PTO shall be administered according to Subsection 13.0613(g)(1)(D).

(D) Separation. Employees separating from County employment shall have any unused PTO administered in the same manner that Vacation Leave is administered at separation according to Subsection 13.0613(g)(2)(C)(IV).

Exempt employees who are subsequently hired into a position in a bargaining unit that does not contain the MBO, shall carry over their existing PTO balance and begin accruing vacation, floating holiday, and sick leave immediately.

(E) PTO Cash-Out.

(I) Elective Conversion. An employee may sell back PTO at the base hourly rate of the employee as hereinafter provided, upon approval of the appointing authority. Eligible employees may exercise these options under procedures established by the Director of Human Resources. In lieu of cash, the employee may designate that part or all of the value of PTO be contributed to the County's 401(k) Defined Contribution Plan or 457(b) Deferred Compensation Plan. In order to sell back PTO prior to termination or retirement, an employee may exercise the following options:

Option 1. Future Accruals. An employee must make an irrevocable election during the month of December, specifying the number of PTO hours to be sold back from the next calendar year's PTO accrual. Such election must be made in increments of not less than ten hours and may not exceed 160 hours. All designated hours remaining in the last period of the calendar year will automatically be converted into cash in the last period of the calendar year.

Option 2. Existing Accruals. Existing PTO accruals may be cashed out in whole hour increments with a minimum cash out of ten hours and will be subject to a ten percent penalty.

(II) Automatic Conversion. At the end of the last pay period of the calendar year, an employee shall automatically have any PTO accruals in excess of the employee's maximum PTO accrual balance converted to cash. Such

automatic PTO cash out shall be paid in pay period 1 of the next calendar year.

(F) Accrual Carryover Following Benefit Change.

(I) Traditional Benefit Option to Modified Benefit Option.

(i) Employees who convert from the traditional benefit option to the MBO shall carry over and may utilize their existing vacation, holiday, and sick leave balances; provided, however, that the employee shall no longer accrue vacation leave, sick leave, and a floating holiday after converting to the MBO. After converting to the MBO the employee shall be immediately eligible to accrue PTO.

Any vacation leave accrual balance carried over to the MBO that is in excess of the employee's allowed maximum vacation leave accrual balance at the end of the calendar year shall be cashed out and paid in accordance with Subsection 13.0613(g)(2)(E)(II). For example, an employee with a maximum vacation leave accrual balance of 480 hours begins MBO in pay period 16 and carries over 572 vacation hours. This employee then uses 20 vacation hours and has 552 vacation hours at the end of the last pay period of the calendar year. In this example, 72 vacation hours shall automatically cash out in pay period 1 of the next calendar year such that 480 vacation hours carries over to the next calendar year (552 hours – 72 hours = 480 hours).

(ii) Vacation Cash-Out. Employees who met the eligibility requirements for the vacation cash-out prior to selecting the MBO, and pre-designated to cash-out vacation leave during the required pre-designation period while in the traditional benefit option, shall remain eligible to cash-out vacation leave. However, employees enrolled in the MBO shall not be eligible to pre-designate to cash-out vacation leave while enrolled in the MBO unless employee intends to convert to the traditional benefit option during next calendar year's open enrollment period and start accruing vacation that calendar year.

Additionally, employees who select the MBO will continue to have the option to cash-out existing vacation accruals according to Subsection 13.0613(g)(2)(E).

(II) Modified Benefit Option to Traditional Benefit Option.

(i) Employees who convert from the MBO to the traditional benefit option shall carry over and may utilize their existing PTO balance (if any) and begin accruing vacation, floating holiday, and sick leave immediately; however, the maximum combined PTO and vacation accrual that may be carried over to a future calendar year shall not exceed this employee's allowed maximum vacation accrual balance at the end of the calendar year as established in Subsection 13.0613(g)(2)(B). Any combined excess leave hours at the end of the calendar year shall be cashed out as PTO hours and paid in accordance with Subsection 13.0613(ss)(4)(E)(II). For example, an employee with a maximum vacation accrual balance of 480 hours begins the traditional benefit option in pay period 16 and carries over 150 PTO hours and 375 Vacation Leave hours and accrues an additional 68 vacation hours through pay period 26 (i.e., total combined leave at the end of calendar year equals 593 hours). In this example, 113 PTO hours shall automatically cash out in pay period 1 of the next calendar year such that 480 total combined vacation/PTO hours carries over to the next calendar year (593 hours – 113 hours = 480 hours). If employee has a grandfathered maximum vacation accrual balance, the grandfathered vacation accrual balance shall be the maximum combined vacation and PTO balance that may be carried over.

(ii) PTO Cash-Out. Employees who met the eligibility requirements for the PTO cash-out prior to converting from the MBO to the traditional benefit option and predesignated to cash-out PTO during the required pre-designation period while in the MBO, shall remain eligible to cash-out PTO. However, employees enrolled in the traditional benefit option shall not be eligible to pre-designate to cash-out PTO while enrolled in the traditional benefit option unless employee intends to convert to the MBO during next calendar year's open enrollment period and start accruing PTO that calendar year.

Additionally, employees who convert from the MBO to the traditional benefit option will continue to have the option to cash-out existing PTO

1 according to Subsection 13.0613(ss)(4)(E)(I).

2 (tt) The Director of Human Resources may, in appropriate circumstances, provide
3 an employee who is separating from County employment up to six months of the
4 employee's annual salary and benefits in the form of administrative leave or a lump sum
5 payment. The Director of Human Resources, in consultation with County Counsel, is
6 authorized to approve the administrative leave or payment; provided, however, no
7 administrative leave may be granted or salary paid if allegations of conduct involving
8 misappropriation of public funds or property, misuse or destruction of public property, acts
9 that would constitute a felony or misdemeanor, malfeasance in office or conviction of a
10 crime involving moral turpitude are pending against the employee.

24 seasonal peak workloads; emergency extra work loads of limited duration; necessary
25 vacation, holiday or sick leave relief; and other situations involving a fluctuating staff. At

14 the approval of the Director of Human Resources; provided, however, that regular

16 compensated at the same step in the recurrent position as they are in their regular
