**FEDERAL BUREAU OF INVESTIGATION  
INLAND VIOLENT CRIME SUPPRESSION TASK FORCE  
MEMORANDUM OF UNDERSTANDING**

**PARTIES**

1. This Memorandum of Understanding (MOU) is entered into by and between the **Federal Bureau of Investigation (FBI)** and the County of San Bernardino, through its Sheriff/Coroner/Public Administrator and for the **San Bernardino County Sheriff's Department (SBCSD)** (the FBI and SBCSD are also individually referred to herein as a "Party" and collectively as "Parties"). Nothing in this MOU should be construed as limiting or impeding the basic spirit of cooperation which exists between these agencies.

**AUTHORITIES**

2. Authority for the FBI to enter into this agreement can be found at Title 28, United States Code (U.S.C.), Section (§) 533; 34 U.S.C. § 10211; Title 28, Code of Federal Regulations (C.F.R.), § 0.85; and applicable United States Attorney General's Guidelines.

**PURPOSE**

3. The purpose of this MOU is to delineate the responsibilities of the Inland Violent Crime Suppression Task Force (**IVCSTF**) personnel and formalize relationships between participating agencies for policy guidance, planning, training, public and media relations; and to maximize inter-agency cooperation. This MOU is not intended, and should not be construed, to create any right or benefit, substantive or procedural, enforceable at law or otherwise by any third party against the Parties, the United States, or the officers, employees, agents, or other associated personnel thereof. No assignment of rights, duties, or obligations of this MOU shall be made by any Party without the express written approval of a duly authorized representative of all other Parties.

**MISSION**

4. The mission of the IVCSTF is to identify and target for prosecution individuals and criminal enterprise groups responsible for violations of state and/or federal law, such as violent crimes occurring in a public place, mass killings, carjacking, robbery, kidnapping, and firearms violations, as well as pursue dangerous fugitives where there is or may be a federal investigative interest. The IVCSTF will enhance the effectiveness of federal/state/local law enforcement resources through well-coordinated investigations, seeking the most effective investigative/prosecutive avenues by which to convict and incarcerate dangerous offenders.

6. The Special Agent in Charge (SAC) of the FBI Los Angeles Field Office shall designate one Supervisory Special Agent (IVCSTF Supervisor) to supervise the IVCSTF. The IVCSTF Supervisor may designate a Special Agent to serve as the Inland Violent Crime Suppression Task Force Coordinator (Task Force Coordinator). Either the IVCSTF Supervisor or the Task Force Coordinator shall oversee day-to-day operational and investigative matters pertaining to the IVCSTF.
7. Conduct undertaken outside the scope of an individual's IVCSTF duties and assignments under this MOU shall not fall within the oversight responsibility of the IVCSTF Supervisor or Task Force Coordinator.
8. IVCSTF personnel will report to their respective agency for personnel and administrative matters. Each participating agency shall be responsible for the pay, overtime, leave, performance appraisals, and other personnel matters relating to its employees detailed to the IVCSTF. The FBI and the participating agency may provide for overtime reimbursement by the FBI by separate written agreement.
9. All FBI personnel will adhere to the FBI's ethical standards, including Department of Justice (DOJ)/FBI regulations relating to outside employment and prepublication review matters, and will remain subject to the Supplemental Standards of Ethical conduct for employees of the DOJ.

**B. Case Assignments**

States Attorney General's Guidelines.

14. Assignments of cases to personnel will be based on, but not limited to, experience, training, and performance, in addition to the discretion of the IVCSTF Supervisor.
15. For FBI administrative purposes, IVCSTF cases will be entered into the relevant FBI computer system.
16. IVCSTF personnel will have equal responsibility for each case assigned. IVCSTF personnel will be responsible for complete investigation from predication to resolution.

**C. Resource Control**

17. The head of each participating agency shall determine the resources to be dedicated by that agency to the IVCSTF, including personnel, and the continued dedication of those resources. The participating agency head or designee shall be kept fully apprised of all investigative developments by his or her subordinates.

**OPERATIONS**

**A. Investigative Exclusivity**

18. It is agreed that matters designated to be handled by the IVCSTF will not knowingly be subject to non-IVCSTF law enforcement efforts by any of the participating agencies. It is incumbent on each agency to make proper internal notification regarding the IVCSTF's existence and areas of concern.
19. It is agreed that there is to be no unilateral action taken on the part of the FBI or any participating agency relating to IVCSTF investigations or areas of concern as described in paragraph 4. All law enforcement actions will be coordinated and cooperatively carried out.
20. IVCSTF investigative leads outside of the geographic areas of responsibility for FBI Los Angeles Division will be communicated to other FBI offices for appropriate investigation.

**B. Confidential Human Sources**

21. The disclosure of FBI informants, or Confidential Human Sources (CHS), to non-IVCSTF personnel will be limited to those situations where it is essential to the effective performance of the IVCSTF and only with prior FBI approval. These disclosures will be consistent with applicable FBI guidelines and policy.
22. Non-FBI IVCSTF personnel may not make any further disclosure of the identities of any FBI CHS, including to other individuals assigned to the IVCSTF. No documents or

4

information which identify, tend to identify, or may indirectly identify any FBI CHS may be released without prior FBI approval.

23. In those instances where a participating agency provides any CHS, the FBI may, at the discretion of the SAC, become solely responsible for any CHS's continued development, operation, and compliance with necessary administrative procedures regarding operation and payment as set forth by the FBI.
24. The United States Attorney General's Guidelines and FBI policy and procedure for operating FBI CHS shall apply to all FBI CHS opened and operated in furtherance of IVCSTF investigations. Documentation of, and any payments made to, FBI CHS shall be in accordance with FBI policy and procedure.
25. Operation, documentation, and payment of any CHS opened and operated in furtherance of an IVCSTF investigation must be in accordance with the United States Attorney General's Guidelines, regardless of whether the handling agency is an FBI IVCSTF participating agency. Documentation of state, county, or local CHS opened and operated in furtherance of IVCSTF investigations shall be maintained at an agreed-upon location.

**C. Reports and Records**

26. All investigative reporting will be prepared in compliance with existing FBI policy. Subject to pertinent legal and/or policy restrictions, copies of pertinent documents created by IVCSTF personnel will be made available for inclusion in the respective investigative agencies' files, as appropriate.
27. IVCSTF reports prepared in cases assigned to IVCSTF personnel will be maintained at an FBI-approved location; original documents will be maintained by the FBI.
28. Records and reports generated in IVCSTF cases which are opened and assigned by the FBI Supervisory Special Agent (SSA) with designated oversight for investigative and personnel matters will be maintained in the FBI investigative file for IVCSTF.
29. IVCSTF investigative records maintained at the Los Angeles Field Office of the FBI will be available to all IVCSTF personnel, as well as their supervisory and command staff subject to pertinent legal, administrative, and/or policy restrictions.
30. All evidence and original tape recordings (audio and video) acquired by the FBI during the IVCSTF investigations will be maintained by the FBI. The FBI's rules and policies governing the submission, retrieval, and chain of custody will be adhered to by IVCSTF personnel.
31. All IVCSTF investigative records will be maintained at an approved FBI location. Placement of all or part of said information into participating agency files rests with the discretion of supervisory personnel of the concerned agencies, subject to SSA approval.

32. Classified information and/or documents containing information that identifies or tends to identify any FBI CHS shall not be placed in the files of participating agencies unless appropriate FBI policy has been satisfied and only with prior FBI approval.

**INFORMATION SHARING**

33. Records or reports created or obtained by the IVCSTF are the property of the FBI and disclosure of such records, if it occurs, shall be pursuant to applicable federal law, with the approval of FBI. If such records are shared outside of the IVCSTF with state and/or local law enforcement agencies, such records are merely loaned to the non-Federal agency and are subject to retrieval by the FBI at its discretion. If SBCSD receives a request pursuant to California's public records statute, the civil or criminal discovery process, or other judicial, legislative, or administrative process to disclose IVCSTF records, SBCSD will immediately notify the FBI of any such request to allow sufficient time for the FBI to seek to prevent disclosure through appropriate channels, if necessary.
34. No information possessed by the FBI, to include information derived from informal communications between IVCSTF personnel and FBI employees not assigned to the IVCSTF, may be disseminated by IVCSTF personnel to non-IVCSTF personnel without the approval of the IVCSTF Supervisor and in accordance with the applicable laws and internal regulations, procedures, or agreements between the FBI and the participating agencies that would permit the participating agencies to receive that information directly. Likewise, IVCSTF personnel will not provide any participating agency information to the FBI that is not otherwise available to it unless authorized by appropriate participating agency officials.
35. The Parties acknowledge that this MOU may provide IVCSTF personnel with access to information about United States persons which is protected by the Privacy Act of 1974 and/or Executive Order 12333. The Parties expressly agree that all such information will be handled lawfully pursuant to the provisions thereof. The Parties further agree that if this access to information by IVCSTF personnel requires a change in privacy compliance documents, those changes will be accomplished prior to access being granted.
36. Each Party that discloses Personally Identifying Information (information that can be used to distinguish or trace an individual's identity, either alone or when combined with other information that is linked or linkable to a specific individual) is responsible for making reasonable efforts to ensure that the information disclosed is accurate, complete, timely, and relevant.
37. The FBI is providing access to information from its records with the understanding that in the event the recipient becomes aware of any inaccuracies in the data, the recipient will promptly notify the FBI so that corrective action can be taken. Similarly, if the FBI becomes aware that information it has received pursuant to this MOU is inaccurate, it will notify the contributing Party so that corrective action can be taken.

38. Each Party is responsible for ensuring that information it discloses was not knowingly obtained or maintained in violation of any law or policy applicable to the disclosing Party, and that information is only made available to the receiving Party as may be permitted by laws, regulations, policies, or procedures applicable to the disclosing Party.
39. Each Party will immediately report to the other Party each instance in which data received from the other Party is used, disclosed, or accessed in an unauthorized manner (including any data losses or breaches).
40. Each Party agrees to provide, upon request, details regarding the handling and maintenance of data in electronic and paper recordkeeping systems maintained pursuant to the provisions of this MOU to allow the other Party to ensure that appropriate security and privacy protections are in place. Such information shall be provided to the extent allowable by the laws, regulations, and policies governing each Party.

**PROSECUTIONS**

41. IVCSTF investigative procedures, whenever practicable, are to conform to the requirements which would allow for either federal or state prosecution.
42. A determination will be made on a case-by-case basis on whether the prosecution of IVCSTF cases will be at the state or federal level. This determination will be based on the evidence obtained and a consideration of which level of prosecution would be of the greatest benefit to the overall objectives of the IVCSTF.
43. If a state or local matter is developed that is outside the jurisdiction of the FBI or it is decided to prosecute an IVCSTF case at the state or local level, the FBI agrees to provide all relevant information to state and local authorities in accordance with all applicable legal limitations.

**A. Investigative Methods/Evidence**

44. For cases assigned to an FBI Special Agent or in which FBI CHS are utilized, the Parties agree to conform to federal standards concerning evidence collection, processing, storage, and electronic surveillance. However, in situations where the investigation will be prosecuted in the state or local court where statutory or common law of the state is more restrictive than the comparable federal law, the investigative methods employed by FBI case agents shall conform to the requirements of such statutory or common law, pending a decision as to venue for prosecution.
45. In all cases assigned to state, county, or local law enforcement participants, the Parties agree to utilize federal standards pertaining to evidence handling and electronic surveillance activities as outlined in the United States Attorney General's Domestic Investigations and Operations Guide to the greatest extent possible. However, in

situations where the statutory or common law of the state is more restrictive than the comparable federal law, the investigative methods employed by state and local law enforcement agencies shall conform to the requirements of such statutory or common law pending a decision as to venue for prosecution.

46. The use of other investigative methods (search warrants, interceptions of oral communications, etc.) and reporting procedures in connection therewith will be consistent with the policies and procedures of the FBI.

**B. Undercover Operations**

47. All IVCSTF undercover operations will be conducted and reviewed in accordance with FBI guidelines and the United States Attorney General's Guidelines on Federal Bureau of Investigation Undercover Operations. All participating agencies may be requested to enter into an additional agreement if an employee of the participating agency is assigned duties which require the officer to act in an undercover capacity.

**USE OF LESS-LETHAL-DEVICES<sup>1</sup>**

48. The parent agency of each individual assigned to the IVCSTF will ensure that while the individual is participating in FBI-led task force operations in the capacity of a task force officer, task force member, or task force participant, the individual will carry only less-lethal<sup>2</sup> devices that the parent agency has issued to the individual, and that the individual has been trained on in accordance with the agency's policies and procedures.
49. The parent agency of anyone assigned to the IVCSTF will ensure that the agency's policies and procedures for use of any less-lethal device that will be carried by the task force officer, task force member, or task force participant are consistent with the DOJ policy statement on the Use of Less-Than-Lethal Devices.

---

<sup>1</sup> Pursuant to Section VIII of the DOJ Less-Than-Lethal Devices Policy dated May 16, 2011, all state/local officers participating in joint task force operations must be made aware of and adhere to the policy and its limits on DOJ officers.

<sup>2</sup> Less-lethal – When use of force is required, but deadly force may not be appropriate, law enforcement officers may employ less-lethal weapons to gain control of a subject. Less-lethal weapons are designed to induce a subject to submit or comply with directions. These weapons give law enforcement officers the ability to protect the safety of officers, subjects, and the public by temporarily incapacitating subjects. While less-lethal weapons are intended to avoid causing any serious harm or injury to a subject, significant injuries and death can occur from their use.

The term "less-than-lethal" is synonymous with "less-lethal," "non-lethal," "non-deadly," and other terms referring to devices used in situations covered by the DOJ Policy on the Use of Less-Than-Lethal Devices. "Less-lethal" is the industry standard and the terminology the FBI has elected to utilize in reference to this policy.

**DEADLY FORCE AND SHOOTING INCIDENT POLICIES**

50. IVCSTF personnel will follow their own agencies' policies concerning firearms discharge and use of deadly force.

**DEPUTATIONS**

51. Local and state law enforcement personnel designated to the IVCSTF, subject to a limited background inquiry, shall be sworn as federal task force officers by acquiring Title 18 U.S.C. authority (via the United States Marshals Service) and Title 21 U.S.C. authority (via the FBI, to participate in federal drug investigations). The FBI may likewise require federal LEOs who serve on the IVCSTF to be deputized while assigned to the IVCSTF. The FBI will secure the required deputation authorization(s). The deputation(s) should remain in effect throughout the tenure of each investigator's assignment to the IVCSTF or until the termination of the IVCSTF, whichever comes first.
52. Deputized IVCSTF personnel will be subject to the rules and regulations pertaining to such deputation. Administrative and personnel policies imposed by the participating agencies will not be voided by deputation of their respective personnel.
53. Under the terms of this MOU, the participating agency agrees that non-LEOs detailed to the IVCSTF will not: (1) participate in law enforcement activities; (2) carry a weapon, either lethal or less-lethal; or (3) participate in the execution of search/arrest warrants.

**VEHICLES**

54. In furtherance of this MOU, employees of participating agencies may be permitted to drive FBI-owned or -leased vehicles for official IVCSTF business, in accordance with applicable FBI rules and regulations, including those outlined in the FBI Government Vehicle Use Policy Guide (1093PG). The assignment of an FBI-owned or -leased vehicle to participating agency IVCSTF personnel will require the execution of a separate Vehicle Use Agreement.
55. The participating agencies agree that FBI vehicles will not be used to transport passengers unrelated to IVCSTF business.
56. Neither the FBI nor the United States shall be responsible for any civil liability arising from the use of an FBI-owned or -leased vehicle by the IVCSTF while engaged in any conduct other than their official duties and assignments pursuant to their federal deputation on the IVCSTF.
57. To the extent permitted by applicable law, SBCSD agrees to hold harmless the FBI and the United States for any claim for property damage or personal injury arising from any

SBCSD use of an FBI-owned or -leased vehicle by SBCSD's IVCSTF members which is outside the scope of their official duties and assignments.

**SALARY/OVERTIME COMPENSATION**

58. The FBI and each participating agency remain responsible for all personnel costs for their IVCSTF representatives, including salaries, overtime payments, and fringe benefits consistent with their respective agency, except as described in paragraph 60 below.
59. Subject to funding availability and legislative authorization, the FBI will reimburse to participating agencies the cost of overtime worked by non-FBI IVCSTF personnel assigned full-time to the IVCSTF, provided overtime expenses were incurred because of IVCSTF-related duties, and subject to the provisions and limitations set forth in a separate Cost Reimbursement Agreement to be executed in conjunction with this MOU. A separate Cost Reimbursement Agreement must be executed between the FBI and the participating agencies for full-time employee(s) assigned to the IVCSTF, consistent with regulations and policy, prior to any reimbursement by the FBI. Otherwise, overtime shall be compensated in accordance with applicable participating agency overtime provisions and shall be subject to the prior approval of appropriate personnel.

**PROPERTY AND EQUIPMENT**

60. Property utilized by the IVCSTF in connection with authorized investigations and/or operations, and in the custody and control and used at the direction of the IVCSTF, will be maintained in accordance with the policies and procedures of the agency supplying the equipment. Property damaged or destroyed which was utilized by the IVCSTF in connection with authorized investigations and/or operations, and in the custody and control and used at the direction of the IVCSTF, will be the financial responsibility of the agency supplying said property.

**FUNDING**

61. This MOU is not an obligation or commitment of funds, nor a basis for transfer of funds, but rather is a basic statement of the understanding between the Parties hereto of the tasks and methods for performing the tasks described herein. Unless otherwise agreed in writing, each Party shall bear its own costs in relation to this MOU. Expenditures by each Party will be subject to its budgetary processes and to the availability of funds and resources pursuant to applicable laws, regulations, and policies. The Parties expressly acknowledge that the above language in no way implies that Congress will appropriate funds for such expenditures.

**FORFEITURES**

62. The FBI shall be responsible for processing assets seized for federal forfeiture in conjunction with IVCSTF operations.
63. Asset forfeitures will be conducted in accordance with federal law, and the rules and regulations set forth by the FBI and DOJ. Forfeitures attributable to IVCSTF investigations may be equitably shared with the agencies participating in the IVCSTF.

**DISPUTE RESOLUTION**

64. In cases of overlapping jurisdiction, the participating agencies agree to work in concert to achieve the IVCSTF's objectives.
65. The participating agencies agree to attempt to resolve any disputes regarding jurisdiction, case assignments, workload, etc., at the field level first before referring the matter to supervisory personnel for resolution.

**MEDIA RELEASES**

66. All media releases and statements will be mutually agreed upon and jointly handled according to FBI and participating agency guidelines.
67. Press releases will conform to DOJ Guidelines regarding press releases. No release will be issued without FBI final approval.

**SELECTION TO IVCSTF AND SECURITY CLEARANCES**

68. If a participating agency candidate for the IVCSTF requires a security clearance, he or she will be contacted by FBI security personnel to begin the background investigation process prior to the assigned start date.
69. If, for any reason, the FBI determines that a participating agency candidate is not qualified or eligible to serve on the IVCSTF, the participating agency will be so advised and a request will be made for another candidate.
70. Upon being selected, each candidate will receive a comprehensive briefing on FBI field office security policies and procedures. During the briefing, each candidate will execute non-disclosure agreements (SF-312 and FD-868), as may be necessary or required by the FBI.
71. Before receiving unescorted access to FBI space identified as an open storage facility, IVCSTF personnel will be required to obtain and maintain a "Top Secret" security

clearance. IVCSTF personnel will not be allowed unescorted access to FBI space unless they have received a Top Secret security clearance.

72. Upon departure from the IVCSTF, anyone whose assignment to the IVCSTF is completed will be given a security debriefing and reminded of the provisions contained in the non-disclosure agreement to which he or she previously agreed.

**LIABILITY**

73. The participating agencies acknowledge that this MOU does not alter the applicable law governing civil liability, if any, arising from the conduct of personnel assigned to the IVCSTF.

74. Each Party agrees to notify the other in the event of receipt of a civil claim arising from the operational relationship with the IVCSTF. Both Parties agree to cooperate fully with one another in the event of any investigation arising from alleged negligence or misconduct arising from the operational relationship. Nothing in this paragraph prevents any Party from conducting an independent administrative review of any incident giving rise to a claim. If a civil claim or complaint is brought against a state or local officer assigned to the IVCSTF, the officer may request legal representation and/or defense by DOJ, under the circumstances and pursuant to the statutes and regulations identified below.

75. COMMON LAW TORT CLAIMS

- A. Congress has provided that the exclusive remedy for the negligent or wrongful act or omission of an employee of the United States Government, acting within the scope of his or her employment, shall be an action against the United States under the Federal Tort Claims Act, 28 U.S.C. § 1346(b), and §§ 2671-2680.
- B. Notwithstanding any other provision contained in this MOU, for the limited purpose of defending civil claims arising out of IVCSTF activity, any employee detailed from a participating agency who is acting within the course and scope of his or her official duties and assignments pursuant to this MOU may be considered an "employee" of the United States government, as defined at 28 U.S.C. § 2671. See 5 U.S.C. § 3374(c)(2).
- C. Under the Federal Employee Liability Reform and Tort Compensation Act of 1998 (commonly known as the Westfall Act), see 28 U.S.C. § 2679(b)(1), if an employee of the United States is named as a defendant in a civil action, the Attorney General or his or her designee may certify that the defendant acted within the scope of his or her employment at the time of the incident giving rise to the suit. 28 U.S.C. § 2679(d)(1)&(2). The United States can then be

substituted for the employee as the sole defendant with respect to any tort claims alleged in the action. 28 U.S.C. § 2679(d)(1)&(2). Decisions to certify that an employee was acting within the scope of his or her employment at the time of the incident giving rise to the suit, see 28 U.S.C. § 2679(d)(1)&(2), are made on a case-by case-basis, and such certification cannot be guaranteed.

- D. If the Attorney General declines to certify that an employee was acting within the scope of employment, “the employee may at any time before trial petition the court to find and certify that the employee was acting within the scope of his office or employment.” 28 U.S. C. § 2679(d)(3).
76. For the limited purpose of defending against a civil claim arising from an alleged violation of the United States Constitution pursuant to 42 U.S.C. § 1983 or Bivens v. Six Unknown Named Agents of the Federal Bureau of Narcotics, 403 U.S. 388 (1971): An individual assigned to the IVCSTF who is named as a defendant in a civil action as a result of or in connection with the performance of his or her official duties and assignments pursuant to this MOU may request individual-capacity representation by DOJ to defend against the claims. 28 C.F.R. §§ 50.15, 50.16. Any such request for individual-capacity representation must be made in the form of a letter from the individual defendant to the United States Attorney General. The letter should be provided to Chief Division Counsel (CDC) for the FBI Los Angeles Division, who will then coordinate the request with the FBI Office of the General Counsel. In the event of an adverse judgment against the individual, he or she may request indemnification from DOJ. 28 C.F.R. § 50.15(c)(4). Requests for DOJ representation and indemnification are determined by DOJ on a case-by-case basis. The FBI cannot guarantee the United States will provide legal representation or indemnification to any IVCSTF personnel.
77. Liability for any conduct by task force personnel undertaken outside of the scope of their duties and assignments pursuant to their federal deputation on the IVCSTF shall not be the responsibility of the FBI or the United States.

**DURATION**

78. The term of this MOU is for the duration of the IVCSTF's operations, contingent upon approval of necessary funding, but may be terminated at any time upon written mutual consent of the agencies involved.
79. Any participating agency may withdraw from the IVCSTF at any time by written notification to the SSA with designated oversight for investigative and personnel matters, or program manager of the IVCSTF, at least 30 days prior to withdrawal.
80. Upon termination of this MOU, all equipment provided to the IVCSTF will be returned to the supplying agency/agencies. In addition, when an entity withdraws from the MOU, the entity will return equipment to the supplying agency/agencies. Similarly, remaining

**MODIFICATIONS**

- 81. This agreement may be modified at any time by mutual written consent of the Parties.
