Briefly describe the general nature of the contract:

In accordance with Master Agreement No.08-5954S21, approval of Program Supplement Agreement No. 000000X79 is required prior to County invoicing Caltrans for reimbursement of costs associated with the development of the Local Roadway Safety Plan (LRSP). The LRSP is a requirement when submitting for future Highway Safety Improvement Project (HSIP) grant funding opportunities. The County's Department of Public Works shall receive \$180,000 of state funds to reimburse the cost of the LRSP development (\$200,000).

The program supplement sets out special covenants as a condition for the local agency to receive federal-aid through the State for a designated project. The program supplement also identifies the type of funds available for reimbursement.
