Ms. Duron,

It is really important to our desert community of Morongo Valley accepts the new L T O.  
Soda lights, security lights and floodlights around homes and buildings are extremely deleterious to the landscape, environment and all life.

I look out of my living room and look at 2 blinding soda lights almost 1/2 a mile away from my property, those lights disturb my vista and my ability to observe the stars and planets.

Please pass the new L T O.

Thank you in advance,

Jane Fawke
