Re: 2021 TDA Article 3 Award – Bloomington Area Schools Project

Dear Sri Srirajan:

It is our pleasure to inform you that on November 3, 2021, the San Bernardino County Transportation Authority (SBCTA) Board of Directors (Board) approved funding in the amount of \$85,500.00 from the Transportation Development Act (TDA) Article 3 Bicycle and Pedestrian Facilities Program for the Bloomington Area Schools Project. The SBCTA Board set the period of time for completion of your project to comply with TDA provisions, therefore this project must be completed by June 30, 2025.

Within six months (by **May 3, 2022**), or prior to requesting reimbursement of funds, whichever comes first, the County of San Bernardino must submit (1) a Claim Form and (2) an Authorizing Resolution. Forms and a sample resolution can be found at www.gosbcta.com/tda3 under the *Claims* section. Additionally, once all required forms are completed, they should be submitted via www.gosbcta.com/tda3 under the section title Claims by clicking on the *Submit Claim Form & Resolution* button.

Please note that the TDA Article 3 award is paid through a reimbursement process. The award is for a maximum reimbursable amount. Should your project exceed the maximum reimbursable amount, SBCTA will not provide any additional reimbursement. For projects completed under the awarded amount, the local match percentage of 50% (\$85,500.00 of the estimated \$171,000.00 total) as identified in your grant application will apply to the adjusted total. Additionally, sponsor agencies receiving an allocation of \$200,000 or less shall be reimbursed in arrears and upon proof of satisfactory project completion. Agencies receiving an allocation of \$200,000 or more may request progress payments; however, 10% of the awarded funds shall be held by SBCTA until proof of satisfactory project completion.

Congratulations on submitting a successful grant application. We look forward to the timely completion of your project. Should you have any questions please contact me at (909) 884-8276 or gkoblasz@gosbcta.com.

Sincerely,
