### Face coverings and COVID-19 testing requirements

A face covering is required by federal law when indoors at the airport and on board American Airlines flights. In addition, passengers flying to the U.S. from another country, including U.S. citizens, must show proof of a negative COVID-19 test taken within 3 days of departure, or documentation of recovery. These rules do not apply to children under 2. Passengers who may be exempt from wearing a face covering due to a disability must contact us before travel.

Award miles shown are the miles that can be earned for this flight. Mileage accrued will vary depending on the terms and conditions of your frequent flyer program. United MileagePlus mileage accrual and other benefits of MileagePlus associated with air travel are subject to the rules of the MileagePlus program.

You will not earn PQP or award miles for the full amount of the displayed price for these itineraries because the U.S. Federal Transportation tax is not eligible to earn PQP or miles.

The award miles and Premier qualifying points displayed are calculated using the base fare and any applicable carrier-imposed surcharges for the itinerary. The initial calculation of MileagePlus earnings in the flight search results may be different than the final calculation shown on the Review Trip Itinerary page.
