This item does not impact Discretionary General Funding (Net County Cost). The total increase of \$550,000 is 90% federally funded by the United States Department of Health and Human Services, Administration for Children and Families and 10% funded by the California Department of Education. BACKGROUND INFORMATION

PSD requires custodial services at all preschool locations, to maintain childcare licensing standards and remain in compliance with Health and Safety regulations. Moran Janitorial Services, LLC provides daily janitorial services for PSD sites without a custodian to meet the federal and state requirements and to be in compliance with California Health and Safety regulations.

Due to additional costs associated with the health and safety requirements of COVID-19, PSD is recommending an increase to the contract amount with Moran Janitorial Services, LLC to allow PSD to provide the necessary classroom deep cleanings due to the pandemic. Approval of Amendment No. 1 to the contract will increase the contract amount and update Attachment A – Scope of Work, expanding and delineating specified tasks required per COVID-19 guidelines for

PSD provides Head Start, Early Head Start, and State Preschool programs that include comprehensive child development and family services comprised of education, health, nutrition, parent involvement, and psychological services for children ages 0 to 5 and their families. The overall goal of these programs is to increase the health and school readiness of disadvantaged children and increase the self-sufficiency of low-income families.

Contractor performance will be monitored by review of monthly reports and an annual visit to ensure compliance with the administrative, program, and fiscal terms and conditions of the contract. Contractor will cooperate with the County in the monitoring and evaluation and comply with any and all reporting requirements established by this Contract. Contractor charges must be for eligible services under this funded program. PSD will review the invoice and other documents remitted by the Contractor prior to payment. The County reserves the right to request additional program and/or fiscal reports to facilitate this monthly review. The term of this Contract is three years. The County may terminate the Contract without cause with 30 days written notice.

PROCUREMENT

On July 8, 2020, as the result of a formal procurement, the County Purchasing Department approved Contract No. 4400014354 with Moran Janitorial Services, LLC to provide preschool classroom custodial services and building maintenance, in the amount of \$450,000 (\$150,000 annually), for the period of June 1, 2020 to June 30, 2023.

Due to the COVID-19 pandemic, Moran Janitorial Services agreed to provide expanded services for deep cleaning to prevent transmission based upon COVID-19 guidelines and California Health and Safety regulations.
