- A. The requested leave to intervene is granted. San Bernardino County is hereby made a party to this action and is bound by the terms of the Judgment after Trial, dated January 10, 1996 as thereafter amended.

If any party to this action opposes the intervention of San Bernardino County for any reason, that party shall file a written objection to the intervention with the Court no later than 30 days from the date that the Watermaster sends out written notice of this order.
- C. If any such objection is filed, the party filing the objection shall deliver a copy of that party's objection to the Watermaster no later than three court days after the filing date.
- D. The Watermaster shall promptly serve copies of the objection on all other parties and shall file a proof of service with the Court.
- E. Upon receiving a conformed copy of an objection, the Watermaster shall request a hearing date from the Court.
- F. If no objection is filed within the time specified above, then this order granting intervention and submitting the intervenor to the terms of the Judgment after Trial shall become final and unconditional without further order of this Court.
- G. If an objection is filed but overruled following a hearing on that objection, then the order shall become final and unconditional upon the entry of the order overruling that objection.
