WHEREAS, the San Bernardino County ("County") for and in consideration of the payments made to the County by the Colton Unified School District ("District"), as hereinafter set forth, does hereby agree to provide a full-time Probation Officer in the mutually agreed upon school(s) operated by the District. Probation Officer services will include the tasks outlined in the job description set forth by the County for the position of Probation Officer including, but not limited to, those described in the following Section I. The Probation Officer will be chosen by the County as agreed upon by the District.

WHEREAS, the District is entering into this Contract for such services.

I. Probation Officer Service Elements

The County will provide a Probation Officer pursuant to this Contract with the District. The Probation Officer shall be armed on and off school district property in the performance of his/her duties and is empowered through their position with the County to make decisions with regard to providing the full range of services for students violating the law or not complying with school regulations. Some of these services are described below. The parties believe that a Probation Officer with peace officer status encourages students and parents to cooperate.

1. Probation Officer Activities

The Probation Officer is aware of resources in the school community. These include, but are not limited to, counseling agencies, providers of parenting programs, anger management, gang intervention, drugs and alcohol rehabilitation programs etc. The Probation Officer will be utilized as a resource guide to work with students and their families regarding problems that reach beyond the school setting and which are affecting the students' academic progress. The Probation Officer:

- A.** Will provide assistance by locating resources for at risk youth who cannot be arrested or detained at the age of 11 or younger.
- B.** Will provide in-service training for school personnel. Specific training may be offered to school security, school police, teachers, counselors and administrators, which is targeted to their needs and the types of cases the Probation Officer contacts within the school.

- D.** Will obtain resources/make referrals for youth exhibiting incorrigible behavior and problems to appropriate agencies.
- E.** Will work as a team with the local school police or security, with youth who commit crimes on or around school campuses.
- F.** Will take a lead role in ensuring open communication between the probation and school systems. At the initial interview with referred students, the Probation Officer will obtain a signed release of information from students and students placed on informal or formal probation. The Probation Officer will review grades, attendance, juvenile citations (including traffic), community service assignments and completion of terms and conditions of probation. The Probation Officer will assist by notifying school officials (or the appropriate juvenile court) when the terms and condition are not met.
- G.** May carry a small caseload of students on probation at their specific school site.
- H.** May conduct home visits as necessary and in support of Student Attendance Review Board (SARB) and/or Independent Educational Plan activities and will attend SARB meetings on a regular basis.
- I.** Will perform the necessary pre-field case assessments, briefings and safety checks with applicable school personnel.
- J.** May perform any other duties as stated in the Penal Code and Welfare and Institutions Code, as appropriate.
- K.** Will support school personnel by providing "presence" before and after school, as well as during lunch periods.
- L.** Will work closely with school administration and school counselors to assist with proactive youth management by providing information to families as part of a disciplinary process.
- M.** Will participate in administrative meetings prior to the start of the year and attend in-service days throughout the year.

- N. May wear casual office wear (including denim jeans without rips, holes or distressed look) when participating in student field trips, coaching or similar activities with the approval of their Supervising Probation Officer.
- O. May provide transportation for suspended students who are on probation supervision when no parent/guardian is available

2. Disallowed Activities for School Probation Officers

- A. Providing security at school functions. This includes, but is not limited to, dances, sporting events, or field trips.
- B. Writing criminal citations against youth or parents/guardians for criminal activity or SARB violations.
- C. Assuming lead as contact with combative, multi-student disruptions, or other disruptive activities, but may provide assistance to protect the public and /or prevent injury to school personnel or students when assistance is needed.
- D. Taking possession of any property or evidence that may be involved in a new law violation.
- E. Providing transportation for suspended students with physical injuries when no parent/guardian is available.
- F. Responding to adjoining areas of the campus where students may congregate before or after school.
- G. Mobilizing a Probation team to respond to school disruptions, increase presence of Probation on campus or to respond to campus unrest. Requests for additional “presence” or assistance from Probation, in conjunction with law enforcement, must be submitted to the Supervising Probation Officer.
- H. Dressing in non-duty dress during regularly scheduled day to day school activities. Officer dress will be in accordance with Department and County policy at all times.

3. Targeted Youth Guidelines

These problematic behaviors may include, but are not limited to:

- A. School behavior or performance problems. These problems consist of three individual identifiers which are:

1. The District agrees, in consideration for services rendered by a full-time Probation Officer under this Contract, to pay to the County:
