## 46.0301 Franchise Formation and Terms.

- (a) The award by the Board of a franchise for Solid Waste Handling shall be evidenced by approval and execution of a Franchise Agreement. The Board may award exclusive or non-exclusive Solid Waste Handling franchises in the Unincorporated County, with or without competitive bidding, through individual Franchise Agreements. A Franchise Agreement shall be granted by the Board when it determines that public convenience and necessity are served by the award of the franchise, and where a partially or wholly exclusive franchise is awarded without competitive bidding, that the granting of such a franchise is in the best interests of County residents based on the health, safety and well-being of residents in the Franchise Area where the partially or wholly exclusive franchise is awarded. Each Franchise Agreement shall specify the specific Solid Waste Facility Fee to be provided by Grantee; a different Grantee may be granted a franchise to provide the same, or different, Solid Waste Facility Fee in the same Franchise Area.
  - (b) In order to qualify for the award of a franchise, an applicant must:
- (1) Have, or obtain prior to the approval of the Franchise Agreement by the County, and maintain for the term of its Franchise Agreement, a current Health and Safety Permit to the extent such a permit is required under the provisions of Article 2 of Chapter 8 of Division 3 of Title 3 of this Code in order to provide the Solid Waste Facility Fee to be provided under the Franchise Agreement; and

- (B) If the County and the Grantee so agree, the Franchise Agreement may allow the County to specify a different or additional Solid Waste Facility to which the Grantee will transport the Solid Waste collected pursuant to the Solid Waste Facility Fee provided under the Franchise Agreement. In such event, the Franchise Agreement may contain a cost per ton mile figure which sets forth the increase in the Grantee's demonstrable costs related to such a change.
- (C) If the County and the Grantee so agree, the Franchise Agreement may specify that upon the effective date of the Franchise Agreement the Grantee waives and forgoes any other rights it might have to provide Solid Waste Facility Fee in other specified portions of the Unincorporated County, including any rights it might otherwise have under Public Resources Code section 49520 or other law to receive

The action to not extend a Franchise Agreement must be taken no later than 60 days prior to the automatic renewal date of the Franchise Agreement. Such action shall terminate the automatic renewal and extension provision only and such Franchise Agreement shall remain in effect for the balance of the term then outstanding.

Grantee shall perform no Solid Waste Facility Fee under its Franchise Agreement without possessing the required Health and Safety Permit.
  - (g) Except when otherwise required by applicable Federal, State or local law,

- (D) That the proposed transferee or any company managed by the proposed new owner (or by the proposed management of the Grantee under the proposed new owner) conducts its Solid Waste management operations in accordance with sound waste management standards and practices and in full compliance with all Federal, State and local laws regulating the Collection and Disposal of waste;

#### 46.0304 Title to Solid Waste.

> 46.0403 Notice to Subscribers Regarding Certain Adjustments.

## 46.0401 Compensation.

- (a) Charges for Solid Waste Facility Fee (including, without limit, for use of a Solid Waste Facility) provided to Grantee's Subscribers shall be paid by such service Subscribers in accordance with the Total Rate approved by the Board in its approval or extension of the Franchise Agreement with Grantee, as such Total Rate is adjusted pursuant to section 46.0402.
- (b) All charges for services rendered by a given Grantee shall be uniform and non-discriminatory for the type of service provided and reasonably based upon the type and/or number of containers, type of Solid Waste, whether compacted or loose, number of separate pick-up points at any place of Collection, placement of container(s) or distance of carry-out, frequency of Collection, remote location, terrain, Disposal costs, and whether residential, commercial, construction or industrial Collection.
- (c) (1) In cases where Grantee includes a Solid Waste Facility Fee amount as a separate listing on a Subscriber's bill, the County shall prescribe the amount consistent with waste generation factors established in the Franchise Agreement and the applicable Solid Waste Facility Fee.
- (2) Grantee shall refund to each Subscriber, on a pro rata basis, any advance service payments made by such Subscriber for service not provided when service is discontinued by timely written notification to Grantee by the Subscriber. Grantee may not require written notice to be given more than 15 working (waste Collection) days prior to the date on which service is desired to be discontinued.
- (3) On a quarterly basis, the County shall be allowed to furnish, for inclusion with Grantee's billing, a message for the purpose of public education regarding waste Disposal, Recycling, or other environmental issues. If Grantee mails its billing in an envelope, two of the four County messages may be in the form of a one page insert, provided the insert is: print ready copy which conforms to Grantee's billing, is delivered to Grantee by the Division 15 working (waste Collection) days in advance of Grantee's billing date and does not cause an increase in the postal rates payable by Grantee for

 mailing its billing. If the message is not in the form of an insert, it shall be printed by Grantee on its bills. Such message shall not exceed 25 characters and shall be delivered to Grantee by the Division 15 working (waste Collection) days in advance of Grantee's billing date. Grantee shall include such insert in, or print such message on, each Subscriber's next billing.

# 46.0402 Adjustment to Total Rate.

The following annual and special rate adjustments shall be made to the Total Rate provided for in a Franchise Agreement. However, no rate adjustment shall be implemented for or during any period of time when the affected Grantee is not in substantial compliance with all material provisions of the County Code or the Franchise Agreement.

- (a) Cost of Living Adjustment. A cost of living adjustment set forth in a Franchise Agreement should be based on appropriate consumer or product price indices and the adjustment shall be a pass through of 100 percent of any increase or decrease as a part of the Total Rate.
- (b) Landfill Disposal Facility Fee. The landfill Disposal facility fee adjustment shall be the pass through of 100 percent of any increase or decrease in the fee charged to the Grantee for use of a landfill Disposal facility approved for use by the Division, calculated on a per Subscriber basis, and shall be effective as of the date of the change to such fee.
- (c) Franchise Fee Adjustment. The Franchise Fee adjustment shall be the pass through of 100 percent of any increase or decrease in the Franchise Fee and shall be effective as of the date the Franchise Fee increase or decrease is payable by the Grantee
- (d) Extraordinary Adjustment. The Franchise Agreement may allow for adjustments to the Total Rate to account for infrequent extraordinary events which, although they do not prevent either party from performing and do not implicate force majeure provisions, they nevertheless increase the cost of providing service such that

Grantee's compensation and the rate adjustment mechanism provided in the Franchise Agreement result in Grantee's suffering losses which are substantially outside the commercially reasonable expectations of the parties. In no event shall any extraordinary adjustment be effective prior to the Board's approval of an amendment to the applicable Franchise Agreement.

- (e) Change in Service Level Adjustments.
- (1) The Total Rate shall be increased (or decreased) by 100 percent of the increase (or decrease) or incremental increase (or incremental decrease), as the case may be, in the demonstrable costs (i.e., on any direct or indirect cost, whether fixed or variable) associated with the change in the level of the Solid Waste Facility Fee which may be required of, or agreed to by, a Grantee. A Change In Service Level Adjustment shall be effective on and after the actual date of the requirement to or agreement to change operations which results from the change in service, but, absent the consent of the Division, not sooner than the effective date of the change in service. In no event shall any Change In Service Level Adjustment be effective prior to the Board's approval of an amendment to the applicable Franchise Agreement.
- (2) In the event that the Division and the Grantee claiming to be affected by the change in service level cannot agree on either the existence, or the effect on demonstrable costs, of a change in service level, the dispute resolution provisions of the Franchise Agreement shall apply.
  - (f) Change in Law Adjustments.
- (1) The Total Rate shall be increased (or decreased) by 100 percent of the increase (or decrease) or incremental increase (or incremental decrease), as the case may be, in the demonstrable costs (i.e., on any direct or indirect cost, whether fixed or variable) associated with the change in the manner or nature of conducting Solid Waste Facility Fee necessitated by a Change In Law. A Change In Law Adjustment shall be effective on and after the actual date of the change in operations which resulted from the Change In Law, but, absent the consent of the Division, not sooner than the effective date

2NT7419

of the Change In Law. In no event shall any Change In Law Adjustment be effective prior to the Board's approval of an amendment to the applicable Franchise Agreement.

(2) In the event that the Division and the Grantee claiming to be affected by the Change In Law cannot agree on either the existence, or the effect on demonstrable costs, of a Change In Law, the dispute resolution provisions of the Franchise Agreement shall apply.

#### 46.0403 Notice to Subscribers Regarding Certain Adjustments.

No Change In Service Level Adjustment increase or Change In Law Adjustment increase which applies to 500 or more Solid Waste Handling Service Subscribers or to Subscribers cumulatively generating 1,500 or more cubic yards of Solid Waste per month may be implemented until at least ten days after completion of publication of a notice of the proposed increase as set forth in the Franchise Agreement.

#### 46.0404 Discontinuance of Service for Non-Uniform Handling Service.

Where a waiver from Uniform Handling Service has been granted, Grantee may discontinue service for non-payment of Subscriber's billing or Subscriber's failure to substantially comply with the requirements of the applicable provisions of State or local law which govern use, storage and Collection of Solid Waste. After the Grantee has given 15 days' written notice to Subscriber for non-payment, Grantee shall notify the Director in writing of any service termination including a written copy of the notice to the Subscriber. Upon payment of the Delinquent Fees, if applicable, Grantee shall resume Collection on the next regularly scheduled Collection day. Any Grantee operating in a Uniform Handling Area shall not discontinue service except as allowed in section 46.0507.

46.0501 Uniform Handling Service.

- (a) Uniform Handling Service shall be implemented in every Franchise Area, and imposed on the owners of all classes of dwellings or commercial or industrial units within a given uniform handling area, unless otherwise specified within a Franchise Agreement. All owners of a dwelling or a commercial or industrial unit within the uniform handling area who are required to have Uniform Handling Service shall, upon notice thereof, be required to accept Uniform Handling Service from the Grantee (or one of the Grantees) holding a Franchise Agreement for the uniform handling area and pay the rate for such services currently in effect under the Total Rate of the applicable Franchise Agreement.
- (b) Uniform Handling Service shall not be imposed on the owner of any class of dwelling or commercial or industrial unit located in an Agricultural Preserve Overlay District within the sphere of influence of the City of Chino or of the City of Ontario, as designated upon the land use district maps of the County General Plan.

## 46.0502 Owner Responsible for Payment for Uniform Handling Service.

(a) The owner of each dwelling or commercial or industrial unit subject to Uniform Handling Service shall be required to accept, and pay the applicable rate set out in the Total Rate for, the Uniform Handling Service rendered to such unit by a Grantee and shall place at a location accessible to the Grantee, a container(s) of adequate capacity and functional design in accordance with this Division 6 of Title 4 and with Division 3 of Title 3 of this Code for the storage of Solid Waste generated on the premises.

Such owner shall be responsible to provide such container(s) unless the Franchise Agreement requires the Grantee to provide such container(s).

(b) Nothing in this Section is intended to prevent the entering into of an arrangement, or the continuance of an existing arrangement, approved in writing by the Grantee, under which statements or invoices for Uniform Handling Service are billed to and payments are made by a tenant or tenants, or any agent, on behalf of the owner. However, unless otherwise provided therein, any such arrangement shall not lessen or substitute for the owner's obligation to the Grantee or, unless separately approved in writing by the Division, to the County under this Division 6.

#### 46.0503 Failure to Provide Sufficient Solid Waste Containers.

When in the judgment of the Director (whether or not at the request of the Grantee or owner) additional Solid Waste container(s) compatible with the Solid Waste Handling system are required, they must be provided by the owner, or by the Grantee if the Franchise Agreement requires the Grantee to provide container(s), upon written notification by the Director. All containers shall conform to the requirements of sections 33.0806 and 33.0807 of this Code.

## 46.0504 Self-Haul Exemption from Uniform Handling Service.

- (a) Dwellings.
- (1) The owner of any dwelling may apply to the Division for an exemption from Uniform Handling Service by submitting a uniform handling exemption request form to the Director or designee accompanied by required documentation identified in the form and a non-refundable application fee requesting a permit to provide Self-Haul Solid Waste Handling. The owner may be granted an exemption provided he/she can adequately document that all Solid Waste generated at the dwelling is transported in a safe and sanitary manner to a landfill Disposal facility owned by San Bernardino County and to proper Recycling and organic Processing facilities (pursuant to conditions listed on exemption application). Upon approval of the exemption request, the Director will notify the owner and the Grantee of the exemption. Exemptions are issued on an annual basis,

July 1 through June 30. Exemptions that are not obtained or renewed prior to July 1 of each year will not be effective until the next billing period in accordance with the Franchise Agreement applicable to the owner's dwelling.

- (2) The exemption and renewal applications shall be made on forms approved by the Director or designee.
- (3) The application fee shall include an administrative fee, if any, as determined by the Board, in addition to the pre-payment of the average annual landfill Disposal cost for County residents as determined by the Director. Each application for annual renewal of such an exemption shall be accompanied by the administrative fee plus the applicant's required pre-payment of the average annual landfill Disposal cost. This pre-payment will be retained by the Division as a pre-payment for one year's weekly Solid Waste Disposal. The pre-payment requirement shall be waived with respect to residences located within those land use areas for which parcel fees are collected for the operation of County Solid Waste Disposal System.
- (4) The Director shall provide the owner who pays the pre-payment of the average annual landfill Disposal cost with a card or other document which attests to such pre-payment and which allows weekly Disposal privileges at all facilities within the County Solid Waste Disposal System in a manner consistent with the Disposal rights of a resident who has paid a parcel fee for the operation of County Solid Waste Disposal System.
- (5) Should the owner violate any provisions of Division 6 of Title 4 or of any provision of Chapter 7 or Chapter 8 of Division 3 of Title 3 of the San Bernardino County Code, the Director may, upon advance written notice to the owner, revoke the exemption and require the owner to subscribe to and pay for Uniform Handling Service as described in this Chapter.
  - (b) Commercial/Industrial Units.
- (1) The owner of any commercial or industrial unit may apply for exemption from Uniform Handling Service by submitting a written application to the

Director on a form issued by the Director, accompanied by a non-refundable application fee, requesting a permit to provide Self-Haul Solid Waste Handling and transportation. This permit, if approved, shall be valid for one year, and must be renewed annually thereafter at the discretion of the Director upon submittal of application and application fees to the Director.

- (2) The exemption and renewal applications shall be on a form approved by the Director.
- (3) The owner may be granted an exemption provided he or she can establish to the satisfaction of the Director that he or she can properly transport all Solid Waste generated on the premises, to an approved Solid Waste facility and Recycling and organic Processing facilities (pursuant to conditions listed on exemption application), in a safe and sanitary manner in accordance with each of the following conditions:
- (A) The vehicles and equipment to be used for transporting the Solid Waste shall be identified in the application by the owner;
- (B) The vehicles used shall meet all the standards, if any, prescribed for such use by the California Vehicle Code; and
- (C) A credit account with the Division must be maintained in good standing.
- (4) The Director may require the owner to furnish evidence of such delivery of Solid Waste.
- (5) The application fee shall include an administrative fee, if any, as determined by the Board.
- (6) Should the owner violate any provision of this Division 6 of Title 4 or any provision of Chapter 7 or Chapter 8 of Division 3 of Title 3 of the San Bernardino County Code, the Director may, upon advance written notice to the owner, revoke the exemption and require the owner to subscribe to and pay for Uniform Handling Services as described in this Chapter.

46.0505 Temporary Suspension of Service or Waiver of Fees.

- (a) Any Residentialowner may suspend Uniform Handling Service by a Grantee up to 45 consecutive days during a given fiscal year (i.e., July 1 June 30).
- (b) The owner shall give written notification to the Grantee at least 15 working (waste Collection) days prior to the first day of the period for which suspension of service is requested pursuant to this section.
- (c) Should an owner, after suspending service, request that service be reestablished, the Grantee may charge a resumption fee not to exceed 50 percent of the cost of one month's regular Uniform Handling Service as specified in the applicable Franchise Agreement. In no event shall a resumption fee exceed \$50.00.
- (d) Any suspension of service established pursuant to this Section shall be canceled if the Director determines that the conditions cited in subsection (a) of this section no longer exist.
- (e) In addition, the Director and/or each Grantee servicing a Franchise Area is authorized to waive the Total Rate established in the applicable Franchise Agreement for an individual owner under circumstances approved by the Director or designee, including but not limited to infrequent use of the dwelling or when the property does not require regular Collection service.

## 46.0506 Handling of Delinquent Accounts.

- (a) The Total Rate owed by the owner of a dwelling or commercial or industrial unit for Uniform Handling Service rendered to such owner's property (or which have been attempted to be rendered, if Uniform Handling Service is not allowed to be provided by action of the owner or tenant) shall be a civil debt owed to the Grantee providing the Uniform Handling Service.
- (b) Any Delinquent Fees, and the related penalties and interest and costs of Collection, shall be considered a debt owed to the County.
- (c) Annually each Grantee shall provide a list to the Division of all accounts which have Delinquent Fees. This list shall set out the amount of the Delinquent Fees, the time period for which the services related to the Delinquent Fees were provided, the

identity of the property to which the service has been provided and the owner of such property.

- (d) Pursuant to Health and Safety Code sections 5473 through 5473a, the County elects to have Delinquent Fees, and the related penalties and interest and costs of Collection, collected on the tax roll in the same manner, by the same Person, and at the same time as, together with but not separately from, its general taxes. This election shall remain in effect until June 30, 2025.
- (1) Pursuant to Health and Safety Code section 5473.10 the County hereby imposes:
- (A) A basic penalty of 10 percent of the Delinquent Fees, which shall be assessed and shall be due and owing at the same time and in the same manner as the Delinquent Fees; and
- (B) Simple interest on the Delinquent Fees of one and one-half percent per month, which interest shall be assessed and shall be due and owing at the same time and in the same manner as the Delinquent Fees.
- (2) The County shall cause a written report to be prepared each year and filed with the Clerk of the Board. The report shall contain a description of each parcel of real property receiving Uniform Handling Service for which Delinquent Fees exist, and the amount of the Delinquent Fees (and the associated basic penalty and interest and costs of Collection) related to that real property.
- (3) After providing any statutorily required notice and holding any statutorily required hearing, and following the final determination of the Board as to the Delinquent Fees detailed in the report, pursuant to Health and Safety Code section 5473.4, the Clerk of the Board shall, on or before August 10 of each year, file with the County Auditor/Controller-Recorder a copy of the report with a statement endorsed thereon over his or her signature that the report has been finally adopted by the Board. The Auditor/Controller-Recorder shall then enter the amounts of the Delinquent Fees (and the associated basic penalty and interest and costs of Collection) against the respective

 lot or parcel of land as they appear on the current assessment roll. Pursuant to Health and Safety Code sections 5473.5 and 5473.6, the amount of charges shall constitute a lien against the lot or parcel of land against which the charge has been imposed and the tax collector shall include the amount of charges on bills for taxes levied against the respective lots and parcels of land.

- (e) Any Delinquent Fees (and the associated basic penalty and interest and costs of Collection) which are collected by the County shall be allocated as follows:
- (1) First, to the County up to the amount of the County's costs of Collection;
- (2) Next, to the Grantee which provided the Uniform Handling Service which gave rise to the Delinquent Fees, up to the amount of the Delinquent Fees and the associated interest provided for in Subdivision (d)(1)(B); and
  - (3) The remainder, if any, to the County.
- (f) As used herein, the County's costs of Collection include, but are not limited to, any staff time and related expenses or Division charges involved in preparing the report, placing the Delinquent Fees on the tax roll, collecting or distributing the Delinquent Fees and determining which monies received by the Division from the tax collector relate to which Delinquent Fees account.
- (g) The County has no liability to pay the Grantee any amount or sum for any Delinquent Fees and/or the associated interest to the extent same are not collected by the County.

#### 46.0507 Discontinuance of Service.

Unless Grantee is otherwise directed by Director, Grantee shall not refuse to provide, or discontinue the providing of, Solid Waste Handling service to any Subscriber in a uniform handling area required to subscribe for Uniform Handling Service.

#### 46.0508 Penalties for Violations.

Except as otherwise allowed in sections 46.1301, 46.1302, 46.1303, and 45.1304, it shall be unlawful for any Person to fail or refuse to subscribe or pay for Uniform Handling

Within uniform handling areas, at the direction of the County, Grantee agrees to bill Subscribers for and Collect an illegal dumping retrieval service fee as established from time to time by the Board as part of the County Code. **CHAPTER 6:** COMMERCIAL SOLID WASTE AND **ORGANIC** WASTE RECYCLING PROGRAM

#### Section

46.0601 Purpose. 46.0602 Definitions. 46.0603 Commercial Solid Waste Recycling. 46.0604 Commercial Organics Recycling/Diversion. 46.0605 Donate or Sell of Recyclables.

- (b) A Business that generates four or more cubic yards of commercial Solid Waste per week or is a multifamily Residentialdwelling of five units or more shall arrange for Recycling services, consistent with State and local laws by taking at least one of the following actions:
- (1) Source separate Recyclables from the Solid Waste being discarded and subscribe to the Grantee for the location of the Business, for the pickup and Diversion of the Recyclables separately from the discarded Solid Waste.
- (2) Source separate Recyclables from the Solid Waste being discarded and Self-Haul the Recyclables to a permitted Materials Recovery Facility, Recycling facility, or other Mixed Waste Processing facility for Diversion from Disposal in a landfill.

- (g) The County may grant, on a case by case basis and subject to the discretion of the Director or the Director's designee, an exemption (which exemption may be revoked by the Director or the Director's designee upon 30 days written notice to Business) to a Business from compliance with this section for any of the following reasons:

#### 46.0801 General.

- (a) Each Grantee shall keep, maintain, and furnish copies of such operating records and reports as may be requested by the Division to ascertain compliance with Division 6 and as set forth in the Franchise Agreement. The Division reserves the right to request that additional information be provided to it, as necessary to meet its needs, including but not limited to AB 939, AB 341, AB 1826 and SB 1383, as may be amended, and other applicable reporting requirements.
- (b) All information required to be kept, maintained or furnished to County shall be maintained a minimum of seven years after the entry of the most recent item therein.
- (c) The Grantee's financial and accounting records required to be maintained under the provisions of this Division 6 shall be maintained on an accrual basis in accordance with the most current edition of Generally Accepted Accounting Principles published by the American Institute of Certified Public Accountants. Unless inconsistent with Generally Accepted Accounting Principles, Gross Receipts must be recorded as revenues.
- (d) Data and information pertaining to services performed under any Franchise Agreement become the property of the County upon submittal to the Division.

#### 46.0802 Types of Reports.

Each Franchise Agreement shall require the Grantee to provide specific information to the County related to the operation of the franchise, including but not limited to the following types of reports:

- (a) Each month the Grantee shall complete report forms provided by the Division containing sufficient information to identify the source of generation, e.g., residential, commercial, and multi-jurisdictional reports that contain accurate source information collected from the driver of the refuse truck at each landfill and split source and tonnage information, for Solid Waste loads from more than one community.
- (b) Each quarter, except as otherwise directed in writing by the Director, each Grantee shall submit quarterly reports identified as the Collection information reports, service performance report, the program implementation, and a report summarizing calculation of the Franchise Fee. To the extent permitted by Applicable Law, financial information submitted to County by the Grantee pursuant to this Subdivision will be kept confidential and will be available to County personnel only on a need-to-know basis.
- (c) Each year, the Grantee shall submit reports to the Division, covering operations for each calendar year, including a summary of information contained in the quarterly reports required to be provided quarterly pursuant to Subdivision (b) above ("summary reports"), a complete inventory of Collection equipment and other major equipment which is or may be used in its operations ("equipment inventory report"), a report that identifies all future programs and facilities that may be needed but have not been planned for ("future programs report"), declarations of the current status of all pending criminal or civil litigation, if any, against the Grantee and its parent company, and all other subsidiaries of such parent company that may have an effect on the Grantee's ability to meet the obligations of its agreement or provide a satisfactory level of service ("litigation information report").
- (d) Within 120 days following the close of Grantee's fiscal year, Grantee shall furnish a summary of the reports required to be provided quarterly pursuant to subdivision (b), above. The summary must be reviewed by the Grantee's independent certified public account, in accordance with the standards of the accounting industry, and include the appropriate statement from said accountant relative to his or her review.
  - (e) Within 120 days following the close of Grantee's fiscal year, Grantee shall

organize, summarize and make available for review full and complete financial information, consistent with the preparation of the Grantee's financial statements, with respect to the operations necessary to provide the services required under its Franchise Agreement, including revenues, costs and expenses. Such information is not required to be certified by an independent certified public accountant. The Grantee shall make the financial information available for the review by the Division, or its designee, at the local office of Grantee.

- (f) Periodic revenue, cost and expense information reports are required from Grantees as soon as possible in advance of the negotiations on a proposed Franchise Agreement, and again at least three months prior to the date that a decision would be made under section 46.0301(d)(2) of this code regarding the denial of an extension of the term of a Franchise Agreement. Such reports shall organize, summarize and make available for review full and complete financial information, consistent with the preparation of the Grantee's financial statements, with respect to the operations necessary to provide the services required under its Franchise Agreement, including revenues, costs and expenses. Such information is required to be certified by an independent certified public accountant. The Grantee shall make the financial information available for the review by the Division, or its designee, at the local office of Grantee. Notwithstanding the forgoing, if Grantee and any company which is within a "controlled group of corporations" with Grantee (within the meaning of 26 U.S.C. section 1563) have, in the aggregate, 15 or fewer full time employees, and Grantee petitions the Director that the cost of required certification would pose an undue hardship, the Director may waive the certification requirement and may, at Division expense, engage a certified public account of his or her choice to conduct the necessary certification.
- (g) Grantee shall be required to provide audited financial statements upon 120 days advance written notice by the Division, for its most recently completed fiscal year, together with the related opinion of the independent certified public accountant who certified such audited financial statement. The Grantee shall make the audited financial

Grantee shall make its Subscriber base and business, operational and financial records available to the Division, or its designee, for audit at reasonable times for purposes relevant to review of performance and rate adjustment issues relevant to the Grantee's Franchise Agreement. In the event an audit is undertaken and shows that the Franchise Fee paid by Grantee to the County (relative to any period of time in excess of three months) has been understated by at least \$50,000 or two percent, whichever is less, then Grantee shall reimburse County for the cost of such audit and shall, in addition, pay the County the amount of the understated Franchise Fee, plus simple interest on such understated amount at the rate of 10 percent per annum from the date originally due until paid.

statement and related opinion available for the review by the Division, or its designee, at

the local office of Grantee. If Grantee is a subsidiary of another corporation, Grantee

shall provide the audited financial statement of such parent corporation and need only

provide a copy of the financial statement of Grantee utilized in the preparation of the

audited financial statement of the parent corporation. Notwithstanding, the forgoing, if

Grantee and any company which is within a "controlled group of corporations" with

Grantee (within the meaning of 26 U.S.C. section 1563) have, in the aggregate, 15 or

fewer full time employees, and Grantee petitions the Director that the cost of an audited

#### 46.0901 Indemnification of County.

Separate and distinct from the insurance provisions required by this Division 6, each Franchise Agreement shall require each Grantee to appear and defend (with counsel approved by County) all actions against the Division and the County, and the Grantee agrees to defend (with counsel approved by County), indemnify, and hold the County and/or its officers, agents, volunteers and employees harmless from and against, any and all claims and demands, causes of action of every kind and description, damages, liabilities, costs or expenses for any damages or injuries to any Person or property, including, but not limited to, injury to Grantee's officers, agents, or employees which arise directly or indirectly from or are connected with or are caused or claimed to be caused by acts, errors or omissions of Grantee, or its officers, agents, or employees, in exercising its rights or in performing its duties under its Franchise Agreement or under this Division 6, and all costs and expenses of investigating and defending against same, except to the extent such indemnification is prohibited by law.

#### 46.0902 Hazardous Waste Indemnification.

Without limiting the generality of the foregoing, if Grantee has negligently or willfully acted or failed to act with respect to the Collection, handling or transportation of Hazardous Waste, Grantee shall indemnify, defend (with counsel approved by County), protect and hold harmless the County and its respective officers, employees, agents, volunteers, assigns, and any successor or successors harmless from and against all claims, actual damages (including, but not limited to, special and consequential damages), natural resources damage, punitive damages, injuries, costs, response remediation and removal costs, losses, demands, debts, liens, liabilities, causes of action, suits, legal or administrative proceedings, interest, fines, charges, penalties, and

46.0903 Insurance Requirements.

(a) In order to accomplish the indemnifications provided above, but without limiting the duty, each Grantee shall secure and maintain at its sole cost throughout the term of its respective Franchise Agreement, insurance issued by companies acceptable to the County's Risk Manager with limits as may be reasonably prescribed by the County's Risk Manager as a reflection of the County's risk in respect to operations under a particular Franchise Agreement, and with such terms and provisions as may be required from time to time by the County's Risk Manager. At a minimum such insurance policies include, but are not limited to:

expenses (including, but not limited to, attorneys and expert witness fees and costs

incurred in connection with defending against any of the foregoing or in enforcing this

indemnity) of any kind whatsoever paid, incurred or suffered by, or asserted against,

County or its respective officers, employees, agents, or Grantees arising from or

attributable to any repair, cleanup or detoxification, or preparation and implementation of

any removal, remedial response, closure or other plan (regardless of whether undertaken

due to governmental action) concerning any Hazardous Waste which Grantee has

negligently or willfully acted or failed to act with respect to its Collection, handling or

transportation at any place where Grantee stores, handles, transports or disposes of Solid

Waste pursuant to its Franchise Agreement. The foregoing indemnity is intended to

operate and shall operate as an agreement pursuant to section 107(e) of the

Comprehensive Environmental Response, Compensation and Liability Act, "CERCLA" 42

U.S.C. section 9607(e) and Health and Safety Code section 25364, to insure, protect,

indemnify, and hold the County harmless from liability.

- (2) Comprehensive general and automobile liability insurance.
- (3) Environmental liability.
- (b) Prior to commencing operations under a Franchise Agreement, Grantee shall furnish to the Division certificates of insurance evidencing the required insurance

2NT7419 57

coverage. Each such certificate shall provide that the insurance coverage evidenced thereby shall not be expired, canceled, terminated or reduced in amount without at least 30 days advance written notice to the Division. Within 60 days after the effective date of a Franchise Agreement, the Grantee shall furnish to the Division certified copies of all of the policies and endorsements required by this Section. Proofs of renewal or of substitution of carriers shall be provided to the Division promptly as such events occur.

- (c) All insurance requirements are subject to annual review by the County, with the results of such review to be provided to a Grantee on or before the anniversary of the effective date of its Franchise Agreement. If the County's Risk Manager determines at any annual review that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the County's Risk Manager is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk. Any such change shall be treated as a Change In Law Adjustment, under the provisions of Division 6.
- (d) Grantee shall not be required to maintain separate policies of insurance for any type of insurance required under both this section and Chapter 8 of Division 3 of Title 3 of this Code. However, Grantee must maintain the level of insurance which is the higher of that required in this section and Chapter 8 of Division 3 of Title 3 of this Code, and must obtain and maintain insurance coverage which satisfies all of the provisions of this section and Chapter 8 of Division 3 of Title 3 of this Code, including without limit, providing certificates of insurance to all specified departments of the County and requiring notification of the cancellation or termination of any insurance policy be given by the insurance company to all specified departments of the County.

#### 46.0904 Performance Bonds or Other Security.

Grantee shall furnish to the County, without additional charge, a corporate surety bond, a letter of credit or other Security device acceptable to the Division, as Security for

performance under its Franchise Agreement (collectively "Security"). The amount of the Security shall be the average of one month's expected Gross Receipts less Disposal charge. Adequate proof of the existence of the Security shall be provided (e.g., a certificate from the surety showing that the bond premiums have been paid in full shall accompany the bond and each renewal thereof). The surety on the bond, the bank on which the letter of credit is drawn and the surety for any other Security device shall be a company or financial institution acceptable to the County and shall be authorized to do business in the State of California. A surety company shall be as defined in Code of Civil Procedure section 995.120 or any successor section. The surety must be acceptable to the County and may be subject to objection to sufficiency pursuant to Code of Civil Procedure sections 995.660 et seq., or any successor sections.

#### 46.0905 Liquidated Damages Deposit.

Each Grantee shall be required to maintain a bank account from which the Division will have the ability to remove, on the sole signature of the Director, sums of money equal to any liquidated damages assessed against Grantee under the provisions of section 46.1002 of this code.

#### 46.0906 Modification.

The requirements of this Chapter may be modified or waived in writing by the Board upon the request of Grantee, provided the Board reasonably determines such modification or waiver is in the best interest of County and of the public welfare, considering all relevant factors, including acceptable financial guarantees provided by Grantee or by a parent company of Grantee.

- If the Director determines at any time that the Grantee's performance of the Solid Waste Facility Fee authorized or required in its Franchise Agreement, or any of its other actions, are not in conformity with the provisions of the Franchise Agreement, the provisions of this Code, the requirements of the CalRecycle, or its successor agency, including but not limited to, requirements for source reduction and Recycling (as to the waste stream subject to the Franchise Agreement) or any other applicable Federal, State, or local law or regulation, including but not limited to, the laws governing Collection, Transfer, storage and/or Disposal of Solid Waste, the Director will notify Grantee in writing of such deficiencies ("notice of deficiency") as shall be defined in the Franchise Agreement with the Grantee.
- (b) The notice of deficiency may provide a reasonable time within which correction of all noted deficiencies is to be made. Some deficiencies are by their nature not curable, and no time period to correct or remedy such deficiency shall be given in the notice of deficiency.
- (c) The Director shall review the Grantee's response to the notice of deficiency. If the Director determines that the Grantee has not cured the deficiency, or if there is no cure period provided in the notice of deficiency given the nature of the deficiency, the Director shall either:
- (1) Refer the matter directly to the Board for decision pursuant to Subdivision (d); or
  - (2) Decide the matter and notify the Grantee of that decision, in writing.
- (A) The decision of the Director may be to terminate the Franchise Agreement or may be to impose some lesser sanction;
- (B) The decision of the Director shall be final and binding on Grantee unless the Grantee files a "notice of appeal" with the Director within 30 days of

receipt of the Director's decision. The notice of appeal shall be in writing, shall contain a detailed and precise statement of the basis for the appeal, and shall be accompanied by the fee, if any, which is applicable to the filing of such an appeal.

- (C) Within ten working days of receipt of a notice of appeal, the Director shall either refer the appeal to the Board for proceedings in accordance with subdivision (d), or refer the matter to a hearing officer for proceedings pursuant to Chapter 27 of Division 2 of Title 1 of this Code.
- (d) (1) Should the Director refer the notice of deficiency to the Board in the first instance, or if the matter reaches the Board pursuant to a notice of appeal, the Board shall either:
- (A) Refer the matter to a hearing officer for proceedings pursuant to Chapter 27 of Division 2 of Title 1 of this Code; or
  - (B) Set the matter for hearing.
  - (2) If the Board sets the matter for hearing:
- (A) The Board shall give Grantee, and any interested Person requesting the same, 14 days written notice of the time and place of the public hearing. At the hearing, the Board shall consider the report of the Director indicating the deficiencies, and shall give the Grantee, or its representatives and any other interested Person, a reasonable opportunity to be heard.
- (B) Based on the evidence presented at the public hearing, the Board shall decide the appropriate action to be taken. If, based upon the record, the Board determines that as noted in the notice of deficiency, the Grantee's performance of the Solid Waste Facility Fee authorized or required in its Franchise Agreement, or any of its other actions, are not in conformity with the provisions of the Franchise Agreement, the provisions of this Code, the requirements of the CalRecycle, or its successor agency, including but not limited to, requirements for source reduction and Recycling (as to the waste stream subject to the Franchise Agreement) or any other applicable Federal, State, or local law or regulation, including but not limited to the laws governing Collection,

13

Transfer, storage and/or Disposal of Solid Waste, then the Board, in the exercise of its sole discretion, may terminate the Franchise Agreement immediately or impose such lesser sanction as it deems appropriate. The decision of the Board shall be final and conclusive.

- (e) Grantee's performance under its Franchise Agreement is not excused during the period of time prior to the Director's or the Board's final determination, as the case may be, regarding the validity of, and appropriate response to, the deficiencies noted in the notice of deficiency.
- (f) In the event Grantee: (i) has received a notice of deficiency and fails to perform Solid Waste Facility Fee; or (ii) has had its Franchise Agreement terminated; the County, acting through the Division, reserves the right, in addition to all other rights available to the County, to take any one or combination of the following actions:
- (1) To rent or lease from Grantee, at its respective fair and reasonable rental value, all or any part of the Grantee's equipment (including Collection containers utilized by Subscribers and office equipment and billing programs), equipment yard and office utilized by Grantee in providing the Solid Waste Facility Fee required under its Franchise Agreement. The County may rent or lease such equipment and real property for a period not to exceed 6 months, for the purpose of performing the Solid Waste Facility Fee, or any part thereof, which Grantee is (or was) obligated to provide pursuant to its Franchise Agreement. The County may use said rented equipment and real property to directly perform such Solid Waste Handling service or to assign it to some other Grantee or Person to act on the County's behalf. Grantee shall be held responsible for the costs to insure the County or its assignee from all liability resulting from the operation of Grantee's equipment. In the case of equipment or real property not owned by Grantee, Grantee shall assign to the County, to the extent Grantee is permitted to do so under the instruments pursuant to which Grantee possesses such equipment or real property, the right to possess the equipment or real property.
  - (2) As used in this Subdivision, means the rate for such equipment as

listed in the State Department of Transportation publication, Labor Surcharge and Equipment Rental Rates, in effect at the time the County leases the equipment. If a particular piece of equipment is not listed in said publication or if said publication is not current, the reasonable rental value may be established by the Director by any equitable alternative method. For real property, the REASONABLE RENTAL VALUE means its market rental rate as established by the Director using an equitable method.

- (3) If the County exercises its rights under this Subdivision, the County shall pay or owe Grantee the reasonable rental value of the equipment and real property so used for the period of the County's possession thereof. The County may offset any amounts due to Grantee pursuant to this provision against any amounts due to County from Grantee.
- (4) All revenues owed by Subscribers which are attributable to services performed by or at the direction of the County during County's assumption of Grantee's Solid Waste Handling duties shall be billed by and paid to the County. To the extent Grantee receives such revenue after County's assumption of Grantee's Solid Waste Handling duties, Grantee shall pay such revenue to County promptly after receipt thereof (or promptly after County has performed the services related to such revenue, if the revenue was received by the Grantee prior to the County's assumption of duties) and Grantee shall be deemed to have assigned to County all of Grantee's right and interest to any such revenues.
- (g) The County rights set forth in this Section are in addition to, and not in limitation of, any other powers or rights available to the County upon failure of Grantee to perform its obligations under Division 6 or its Franchise Agreement. Further, by entering into its Franchise Agreement issued pursuant to Division 6 each Grantee acknowledges that its violation of the terms of Division 6 or its breach of the terms of its Franchise Agreement shall cause the County to suffer irreparable injury and damages sufficient to support injunctive relief to enforce the provisions of the Franchise Agreement, and to enjoin the breach thereof.

(h) This Section shall not apply to violations or deficiencies which fall within the sole jurisdiction of the County's Department of Public Health, Division of Environmental Health Services under Grantee's required Health and Safety Permit and which are not, and do not become, violations or deficiencies under Division 6.

#### 46.1002 Liquidated Damages.

- (a) Each Franchise Agreement shall provide for a process to establish that Grantee has met its service obligations under the Franchise Agreement and shall provide a schedule of liquidated damages for each violation or breach which has been verified to the satisfaction of the Division.
- A high level of Collection service quality and Subscriber satisfaction and (b) therefore consistent and reliable service is of utmost importance to the County and the Solid Waste Facility Fee Subscriber. County will have considered and relied on Grantee's representations as to its quality of service commitment in approving any Franchise Agreement, and any violation or breach by Grantee of its Solid Waste Handling service obligations referenced in this Section represents a loss of bargain to the County. The Grantee further acknowledges that quantified standards of performance are necessary and appropriate to ensure such consistent and reliable Collection service, and if Grantee fails to meet service obligations referenced in this Section, County will suffer damages (including but not limited to, its Subscribers inconvenience; complaints by Subscribers; lost Board and staff time; and loss of bargain) and that it is and will be impracticable and extremely difficult to ascertain and determine the value thereof. Therefore, the County and Grantee acknowledge that the liquidated damages established by schedules to each Franchise Agreement, represent a reasonable estimate of the amount of such damages, considering all of the circumstances, including the relationship of the amount of the liquidated damages to the range of harm to County that reasonably could be anticipated and the anticipation that proof of actual damages would be extremely costly and inconvenient for both the Grantee and County. By entering into its Franchise Agreement, the Grantee will specifically affirm the accuracy of the statements made relating to

2NT7419 64

liquidated damages and the fact that Grantee will have had ample opportunity to consult with legal counsel and obtain an explanation of the liquidated damage provision contained therein.

(c) The rights of the County set forth in this Section are in addition to, and not a limitation on, any other rights which County may have against Grantee for the failure to observe any condition or term of Division 6 or its Franchise Agreement, including the violations or breaches of same set forth in this Section for which liquidated damages are provided.

#### 46.1003 Resolution of Subscriber Complaints.

Procedures for resolution of complaints and other disputes shall be as follows:

- (a) A Subscriber dissatisfied with Grantee's decision regarding a complaint may ask the Director to review the complaint. To obtain this review, the Subscriber may request County review within 30 days of receipt of Grantee's response to the complaint, or within 45 days of submitting the complaint to the Grantee, if the Grantee has failed to respond to the complaint. The Director may extend the time to request the County's review for good cause.
- (b) Before reviewing the complaint, the Director shall refer it to the Grantee. If the Grantee fails to cure the complaint within ten days after such referral, the Director shall review the complaint and determine if further action is warranted. The Director may request written statements from the Grantee and Subscriber, or oral presentations or both written and oral presentations.
- (c) The Director shall determine if the Subscriber's complaint is justified, and if so, what remedy, if any, shall be applied. The remedy provided to the Subscriber under this Section shall be limited to a refund of Subscriber charges related to the period of violation of any of the terms of Division 6 or of the breach of any term of the applicable Franchise Agreement. In addition to any other remedy of County contained in this Section, County may impose liquidated damages of up to \$100.00 payable to the County for any single event or series of related events, or actual damages as demonstrated during the

resolution procedure.

- (d) The Director may delegate the duties under this Section to a designee. The decision of the Director or a designee shall be final on any matter of \$5,000.00 or less. In the event of a decision on a matter awarding more than \$5,000.00, Grantee may seek review pursuant to the notice of appeal procedure contained in section 46.0801.
- (e) This Section shall not apply to disputes involving the implementation of the Total Rate approved by the Board or the adjustments thereto specifically authorized by Division 6.

#### 46.1004 Notices.

Except as otherwise required by governing law, any notice, information, request or reply ("notice") required or permitted to be given under the provisions of Division 6 shall be in writing and shall be given or served either personally or by mail. If given or served by mail, such notice shall be deemed sufficiently given if: (1) (i) deposited in the United States mail, certified mail, return receipt requested, postage prepaid, or (ii) sent by express mail, Federal Express, or other similar overnight service, provided proof of service is available; and (2) addressed to (i) the Grantee at its most recent address of record with the Division or (ii) to the Director at the then-current address of the Division, as the case may be.
