As a condition of employment, Contractor does hereby agree to follow and uphold the Conflict of Interest policy of the County's Personnel Rules as follows:

No official or employee shall engage in any business or transaction or shall have a financial or other personal interest or association, direct or indirect, which is in conflict with the proper discharge of official duties or would tend to impair independence of judgment or action in the performance of official duties. Personal, as distinguished from financial interest, includes an interest arising from blood or marriage relationships, or close business, personal or political associations. This section shall not serve to prohibit independent acts or other forms of enterprise during those hours not covered by active County employment, providing such acts do not constitute a conflict of interest as defined herein. Contractor is also subject to the provision of California Government Code Sections 1090, 1126, 87100, and any other conflict of interest code applicable to County employment.

III. TERM

This Contract shall be effective November 19, 2022 and shall remain in effect through November 18, 2023, subject to the termination provisions below. The Assistant Executive Officer of Department Operations or the Director of Public Health is authorized to execute amendments to the Contract to extend the term of this Contract for a maximum of two (2) successive one-year periods. Notwithstanding the foregoing, either party may terminate this Contract at any time, without cause, with a fourteen (14) day prior written notice to the other party. This Contract may be terminated for just cause immediately by the County. Contractor shall serve at the pleasure of the appointing authority, who shall have the full authority and discretion to exercise County rights under this paragraph.

IV. COMPENSATION OF CONTRACTOR

Upon the effective date of this Contract, Contractor shall be considered a Contract employee in the County's Unclassified Service. Contractor shall receive only the benefits and compensation specifically set forth in this Contract. This Contract provides for the full compensation to Contractor for the services required hereunder. This Contract supersedes any prior employment Contract of Contractor.

A. SALARY RATE

Contractor shall be compensated for services at a rate of \$33.30 per hour, which is equivalent to Step 1 of Range 60 of the current salary schedule for employees in the Administrative Services Unit. Contractor shall not to exceed forty (40) hours per workweek unless expressly authorized, pursuant to the Overtime provision of this Contract. Contractor shall be evaluated and will be eligible to receive one step increase at the beginning of the pay period following each completion of 1,040 service hours, up to the top step of the range, based on a meets standards work performance evaluation.

Contractor shall receive salary adjustments, including across-the-board adjustments, in the same amount and at the same time as employees in the Administrative Services Unit.

Contractor does not gain probationary or regular status during the term of this Contract. Payment for services shall be made bi-weekly during the term specified in Section III of this Contract.

B. OVERTIME

Overtime shall be defined as all hours actually worked in excess of forty (40) hours a work period. For purposes of defining overtime, paid leave time, excluding sick leave, shall be considered as time actually worked. If Contractor is authorized by the Appointing Authority, or designee, to work overtime, Contractor shall be eligible to receive overtime compensation at one and one half (1½) times the Contractor's regular rate of pay.

In lieu of cash payment, upon request of the Contractor and approval of the appointing authority, Contractor may accrue compensating time off at premium hours. Cash payment at the Contractor's regular rate of pay shall automatically be paid for any compensating time, which exceeds eighty (80) hours, or for any hours on record immediately prior to termination of Contract.

C. LEAVE PROVISIONS

Contractor shall receive, or be subject to, the following Leave Provisions in the same manner and amount as employees in the Administrative Services Unit: Bereavement, Blood Donation, Holiday, Jury Duty, Sick, and Vacation.

Refer to Item P in this Section for processing of leave balances upon termination of this Contract.

D. MEDICAL AND DENTAL COVERAGE

Contractor must enroll in a medical and dental plan offered by the County, unless enrolled in other comparable employer sponsored coverage. If eligible, Contractor shall receive the Medical Premium Subsidy (MPS) in the same manner as the Administrative Unit to offset the cost of medical plan premiums charged to Contractor. The MPS shall not be considered compensation earnable for purposes of calculating benefits or contributions for the San Bernardino County Employee's Retirement Association. The applicable MPS shall be paid directly to the provider of the County-sponsored medical plan in which the eligible Contractor has enrolled. In no case shall the MPS exceed the total cost of the medical insurance premium for the coverage selected (e.g., when the MPS amounts exceed the lowest HMO cost).

To be eligible for the MPS and DPS, Contractor must be scheduled for a minimum of forty (40) hours per pay period and have received pay for at least one-half plus one hour of scheduled hours in a pay period.

Contractor shall not receive Flex Dollars if Contractor chooses to "opt-out" or "waive" from the County-sponsored health plans.

E. VISION CARE INSURANCE

Subject to carrier requirements, the County shall pay the premiums for vision care insurance in the same manner as the Administrative Services Unit for Contractor (employee-only coverage) if Contractor is in a paid status and is scheduled for at least forty-one (41) hours per pay period.

F. LIFE INSURANCE

The County shall pay premiums for a term life insurance policy for Contractor in the same manner and amount as employees in the Administrative Services Unit. County-paid life insurance will become effective the first pay period in which contractor is in a paid status and shall continue for each pay period Contractor is in a paid status. For pay periods in which Contractor does not meet the paid hours' requirement, Contractor shall have the option of continuing life insurance coverage at Contractor's expense.

G. ACCIDENTAL DEATH AND DISMEMBERMENT

Contractor shall be eligible to purchase Accidental Death and Dismemberment Insurance coverage and additional supplemental term life insurance in the same manner and amount as offered by the County to employees in the Administrative Services Unit.

H. EXPENSE REIMBURSEMENT

Contractor shall be eligible for expense reimbursement in the same manner and amount as employees in the Administrative Services Unit.

I. RETIREMENT PLAN

If Contractor is regularly scheduled for and regularly works a minimum of forty (40) hours per pay period, Contractor shall participate in the County's general employee retirement system during the term of this Contract. Contractor shall pay the required employee contribution for the term of the Contract. Contractor's participation in the general retirement system shall be in accordance with the applicable terms of the County Employee Retirement Law of 1937, the California Public Employees' Pension Reform Act of 2013 (Gov't Code section 7522 et seq.), and the By-Laws and other requirements of the San Bernardino County Employees' Retirement Association.

If Contractor has attained the age of sixty (60) prior to employment, Contractor may waive membership, at the time of hire, in the San Bernardino County Employee's Retirement Association. If

Contractor regularly works less than forty (40) hours per pay period, waives membership, or otherwise does not meet the definition of a member of the retirement system, Contractor shall instead participate in the County's PST Deferred Compensation Retirement Plan.

J. RETIREMENT MEDICAL TRUST ("Trust")

Upon termination of this Contract, Contractor shall be eligible to convert the cash value of unused Sick Leave to the Trust in the same manner and amount as employees in the Administrative Services Unit, provided the Contractor meets the eligibility requirements (e.g., years of service, etc.) for participation. Contractor shall not receive County contributions to the Trust.

Refer to Item P in this section for processing of unused Sick Leave balances upon termination of this Contract.

K. SALARY SAVINGS PLAN

Contractor shall be eligible to participate in the County's 457(b) Salary Savings Plan, per the Plan Document. Contractor shall not receive County match contributions with respect to participation in such plan.

M. LEGALLY REQUIRED BENEFITS

Contractor shall receive all benefits as required by law when eligible (e.g., FMLA, ACA, Military Leave, Time Off for Voting, and Medicare). Where the County provides a greater benefit than is required by law, Contractor shall only receive the minimum benefit in accordance with the law, unless the greater benefit is specifically provided for in another provision of this Contract.

N. SHORT TERM DISABILITY

Contractor shall be eligible to receive the same Short-Term Disability insurance benefits as offered to employees in the Administrative Services Unit.

O. SERVICE AND EFFECT ON BENEFITS

If Contractor was a County Contract employee immediately prior to entering into this contract, without separation from County employment, execution of this Contract shall not result in separation in County employment for purposes of determining eligibility for level of benefits including, but not limited to, health benefits, leave accrual rates, and retirement benefits. Thus, Contractor's rate for leave accruals is based on the start date of the period of continuous County employment that is extended by this Contract. Contractor shall maintain and carry forward Holiday, Vacation, other paid leave, and Sick leave balances. Contractor's retirement contribution rate is based on the date Contractor began participating in the County's general employee retirement system.

P. BENEFITS UPON TERMINATION OF CONTRACT

Contractor Separated from County Service

Upon separation from County employment, Contractor shall be compensated for any unused Vacation and Holiday Leave at the then base rate of pay. Contractor will be eligible to convert the cash value of unused Sick Leave to the Retirement Medical Trust Fund in the same manner and amount as employees in the Administrative Services Unit, if eligibility requirements are met. If eligibility requirements are not met at the time of separation, unused Sick Leave shall be forfeited.

Contractor to Regular County Employment

In the event this Contract is terminated because Contractor is appointed to a regular County position without a break in service, the Contractor shall be provided a new date of hire (i.e., Regular Hire Date). Eligibility for benefits, including, but not limited to, retirement system contributions, health benefits, and leave accrual rates shall be based upon the provisions of the applicable Memorandum of

Understanding (MOU) or ordinance in effect at the time Contractor is appointed to a regular County position. Seniority, for purposes of layoff, shall be determined by the most recent Regular Hire Date or as otherwise provided in the applicable MOU.

At the sole discretion of the appointing authority of the County department or office in which appointment to the regular position is made, unused leave balances may be maintained and carried over. Any leave balances carried over shall be in accordance with the applicable MOU for the bargaining unit associated with the position into which the Contractor was hired. Any leave balances not authorized to be carried over shall be distributed as outlined in "Contractor Separated from County Service" above.

Contractor to New Contract Position

In the event the Contractor accepts another Contract position with the County without a break in service, at the sole discretion of the appointing authority of the County department or office in which appointment to the Contract position is made, leave accrual rates and unused leave balances may be maintained and carried over. Any leave balances carried over shall be in accordance with the applicable MOU for the bargaining unit associated with the position into which the Contractor was hired. Any leave balances not authorized to be carried over will be distributed as outlined in "Contractor Separated from County Service" above.

V. GENERAL PROVISIONS RELATING TO CONTRACTOR

A. TOUR OF DUTY

Contractor's standard tour of duty (regularly scheduled workweek) shall be established by the Appointing Authority, or designee. The Appointing Authority, or designee, may modify or change the number of hours in a standard day, tour of duty or shift to meet the needs of the service. Contractor shall not work more than Forty (40) hours per workweek though hours may vary depending on the department's needs. If the services to be performed under this Contract require Contractor to drive a vehicle, Contractor must possess a valid California Driver License at all times during the performance of duties under this Contract.

Contractor agrees to allow the County to obtain a Department of Motor Vehicles report of Contractor's driving record.

In order for Contractor to be able to use a private vehicle during the performance of duties under this Contract, Contractor shall be covered by vehicle liability insurance at least equal to the minimum requirements of the California Vehicle Code. Such requirements currently are:

1. Fifteen thousand dollars (\$15,000) for single injury or death;

2. Thirty thousand dollars (\$30,000) for multiple injury or death;
3. Five thousand dollars (\$5,000) for property damage.

Contractor shall submit to and successfully complete a pre-employment background check, including a medical examination through the County's Center for Employee Health and Wellness before employment commences. This provision is satisfied if Contractor is a current employee or Contractor who previously met the requirements of this provision.

In addition, Contractor shall, to the fullest extent practicable, utilize local transportation services, including but not limited to Ontario Airport, for all such travel.
