Locust Avenue is a two-lane road, with one lane of travel in each direction. There are multiple residential properties on both sides of the road. Commercial trucks parked overnight on Locust Avenue close to the residential houses have been causing noise issue and generating trash and oil on the roadway.

A request to enforce a “No Parking of Vehicles/Tow-Away Zone for Commercial Trucks” was received, prompting the Department to conduct a traffic engineering investigation along Locust Avenue from Marygold Avenue to Valley Boulevard, for a distance of approximately 1,350 feet, in the Bloomington area. Based upon the Department’s traffic engineering investigation, the Department recommends the Board of Supervisors adopt a Resolution to establish a “No Parking of Vehicles/Tow-Away Zone for Commercial Trucks” along Locust Avenue from
