Day at the Capitol is a full day of meeting with key legislators and staff in Sacramento to discuss the workforce development goings-on in our members' local areas, as well as to inform legislators about the bills that the California Workforce Association is sponsoring, supporting, and opposing that are coming before them.

CWA's Day at the Capitol is the best chance we have to meet and greet local legislators, from those in leadership to representatives of our home districts.

Registration is now open and will close December 31, 2022.

We strongly encourage early registration and request that each workforce board send a team of no more than five individuals. NOTE: Some meetings may limit attendees to only three people depending on the Legislator.

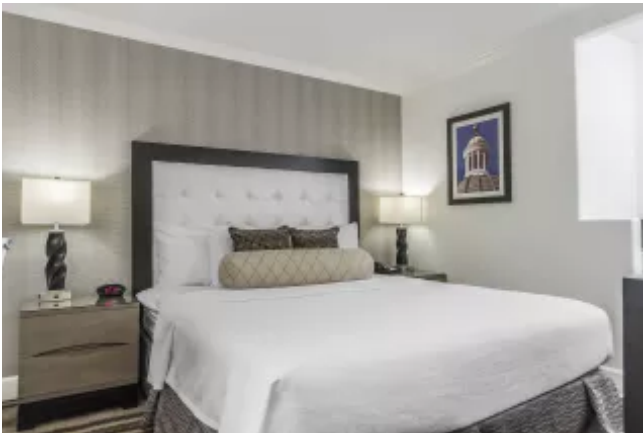

A legislative reception will follow directly after.

For any questions related to Day at the Capitol, feel free to email Isis Medina Orellana, Policy Analyst at iorellana@calworkforce.org.
