Project Description

Applicant

Title: Cactus Trail (F02858)

Project Location: West side of Cactus Avenue between Rialto Avenue and Baseline Road, Rialto, CA.

Project Description: Adopt Resolution making responsible agency findings pursuant to the California Environmental Quality Act regarding the project consisting of installing approximately 7,400 lineal feet of trail fence (may be wood, vinyl or cable railing) within the 8' parkway adjacent to an existing pedestrian/bicycle trail. The project also includes placing 3/4" decorative rock within the 8' wide parkway for an approximate total coverage area of 1.36 acres.

The trail fence installation and rock placement are part of the Cactus Trail Improvement Project in the City of Rialto, consisting of an existing 12'-wide impermeable path (pedestrian/bicycle trail). A trail fence will be installed on center within the 8' pervious parkway beginning near Baseline Road (northern boundary) towards Rialto Avenue (southern boundary). The parkway is bounded by the Rialto Channel and the pedestrian walkway to the west and by Cactus Avenue to the east. Trail fence material will be of either wood, vinyl or cable railing, with either two or three rails; the fence will have a height of 42". Project landscaping of the 8' parkway will include 3/4" decorative rock at a 4" thickness along the entire trail fence installation.

This is to advise that the San Bernardino County Flood Control District has approved the above-described Lead Agency Responsible Agency

Project on _____ and has made the following determinations regarding the above-described project: *Date*

- 1. The project [will will not] have a significant effect on the environment.
- 2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
- 3. Mitigation measures [were were not] made a condition of the approval of the project.
- 4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
- 5. A statement of Overriding Considerations [was was not] adopted for this project.
- 6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that in compliance with CEQA Guidelines, Section 15096(i), the San Bernardino County Flood Control District finds that based upon the review of the mitigation measures contained within the Recirculated Draft Initial Study with Proposed Mitigated Negative Declaration for the Cactus Trail Improvements Project (SCH2020070213), certified by the City of Rialto in 2020, adequate mitigation has been provided to avoid direct and/or indirect environmental effects of the exchange of easements described herein.
