C. D. Permission is hereby granted to Town to enter upon Seller’s land where necessary within the certain area shown in “Attachment 3,” attached hereto and made a part hereof, for the construction of a bridge, sidewalk, and the temporary staging of construction equipment during the construction period.

E. This Temporary Construction Easement shall begin May 31, 2023, and terminate May 31, 2028.

G. The parties desire by this Agreement to provide the terms and conditions for the purchase and sale of the Easement Property.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises, the mutual covenants and obligations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Seller and Buyer hereto agree as follows:

1. RECITALS. The recitals set forth above are true and correct and incorporated herein by this reference.

2. PURCHASE AND SALE.

Buyer agrees to buy, and Seller agrees to sell and convey the Easement Property for the purchase price and upon the terms and conditions set forth in this Agreement.

The total purchase price for the Easement Property shall be the sum of **TWO THOUSAND DOLLARS AND ZERO CENTS (\$2,000.00)**. The purchase price shall be paid by Buyer to Seller in cash at the Close of Escrow. Buyer shall deposit prior to Close of Escrow the funds required in order to allow the Escrow to close.

3. ESCROW.

Within five (5) days of the execution of this Agreement by all Parties, the Parties shall open an escrow (the "Escrow") with *FIRST AMERICAN TITLE* (the "Escrow Holder"), for the purpose of consummating the purchase and sale of Seller's interest in the Easement Property as described herein. The Parties hereto shall execute and deliver to Escrow Holder such escrow instructions prepared by Escrow Holder as may be required to consummate the transaction contemplated by this Agreement.

The Escrow instructions shall not conflict with, amend, or supersede any provisions of this Agreement. If there is any inconsistency between such instructions and this Agreement, this Agreement shall control unless the Parties expressly agree otherwise in writing. The Escrow Instructions shall include the following terms and conditions of sale:

3.1 Close of Escrow.

Escrow shall close on or before Forty-Five (45) days following the execution of this Agreement (the "Close of Escrow"). If Escrow is not in a condition to close by the Close of Escrow, and the failure to close is due to unforeseen conditions of title or interest of third parties in the Easement Property that cannot be resolved in Escrow, then Buyer may, at its option, request the cancellation of Escrow and this Agreement, and request the return of any funds it has deposited into Escrow. Upon the cancellation of Escrow and return of Buyer's funds, all obligations and liabilities of the Parties under this Agreement shall cease and terminate. If no such request is made, Escrow shall be closed as soon as possible thereafter.

3.2 Condition of Title to Easement Property.

Seller shall convey its interests in the Easement Property to Buyer as evidenced by a CLTA Standard Form Policy or Binder of Title Insurance ("Title Policy") issued by *FIRST AMERICAN TITLE* (the "Title Company") in an amount equal to the purchase price. The Title Policy shall show as exceptions with respect to the Easement Property only matters approved in writing by Buyer. Notwithstanding the foregoing, any exceptions to title representing monetary liens or encumbrances are hereby disapproved by Buyer, and Escrow Holder is hereby authorized and instructed to cause the reconveyance, partial reconveyance, or subordination, as the case may be, of any such monetary exceptions to Buyer's title to the Easement Property at or prior to the Close of Escrow.

3.3 Possession and Use.

It is agreed and confirmed by the Parties hereto that notwithstanding other provisions in this contract, the right of possession and use of the subject Easement Property by the Town, including the right to remove and dispose of improvements, shall commence on the date the amount of funds as specified in Clause 2 herein are deposited into the escrow controlling this transaction. The amount shown in Clause 2 herein includes, but is not limited to, full payment for such possession and use, including damages, if any, from said date.

3.4 Costs of Escrow and Title Policy and Closing Costs.

Buyer shall pay the cost of the Title Policy, the Escrow fees, and all other costs and expenses incurred herein.

3.5 Property Taxes and Assessments.

Because of Buyer's status as a public agency, no documentary transfer tax will be payable with respect to this conveyance, pursuant to California Revenue and Taxation Code Section 11922. Similarly, no recording fees will be payable with respect to the recording of the Grant Deed, pursuant to Government Code Section 27383.

To the extent that Seller has prepaid any taxes or assessments attributable to the Easement Property, Seller shall be solely responsible for obtaining any refund due thereon from the taxing authority. Upon written request, Buyer shall assist Seller, at Seller's sole cost, in obtaining said refund, if any; however, in no case shall Buyer credit or otherwise pay Seller for that refund, if any, through or outside of Escrow.

3.6 Deposit of Funds and Documents.

Prior to the Close of Escrow, Buyer shall deposit into Escrow (i) all Escrow and Closing Costs as described in Section 3.4 above; (ii) the purchase price to be paid to

Seller through Escrow; (iii) such other documentation as is necessary to close Escrow.

Prior to the Close of Escrow, Seller shall deposit into Escrow (i) the properly executed Grant Deed, which form is provided in Exhibit C, for the conveyance of Seller's interests in the Easement Property to Buyer; and (ii) such other documents and sums, if any, necessary to close Escrow in conformance herewith.

3.7 Buyer's Conditions Precedent to Close of Escrow.

(a) All representations and warranties of Seller set forth in this Agreement shall be true and correct as of the date of the Close of Escrow; and

(b) Seller shall timely perform all obligations required by the terms of this Agreement to be performed by them.

F. Seller has and shall have paid, before Close of Escrow, Seller's pro rata share of all taxes and assessments levied and assessed against the Easement Property. If not paid prior to Close of Escrow, Seller hereby authorizes Escrow Holder to disburse to the taxing authority, from funds otherwise due to Seller, an amount sufficient to satisfy Seller's pro rata share of said taxes and/or assessments; and

G. Seller warrants and represents to Buyer that Seller is not aware that any such Hazardous Substances have been generated, stored or disposed of upon or under the Easement Property.

H. The covenants, representations and warranties of Seller under this Section shall be true on and as of the Close of Escrow and shall survive the Close of Escrow. Seller shall defend, indemnify and hold Buyer harmless from and against any and all claims, liabilities, obligations, losses, damages, costs and expenses, including, without limitation, reasonable attorney's fees, court costs and litigation expenses, which Seller may reasonably incur or sustain by reason of or in connection with any misrepresentation made by Seller pursuant to this Section.

I. Buyer represents and warrants to Seller that no broker or finder has been engaged by Buyer in connection with the transaction contemplated by this Agreement, or to Buyer's knowledge is in any way connected with such transaction. If any such claims for brokers' or finders' fees or commissions are asserted in connection with the negotiation, execution or consummation of this Agreement, then Buyer shall indemnify, save harmless and defend Seller from and against such claims if they shall be based upon any statement, representation or agreement made by Buyer, and Seller shall indemnify, save harmless and defend Buyer if such claims shall be based upon any statement, representation or agreement made by Seller. Buyer hereby discloses that Buyer's agent involved in the negotiation and execution of this Agreement (or his or her affiliate or employer) may be a licensed real estate broker or salesperson, but will not receive any brokerage commission in connection with the contemplated transaction.

5. REPRESENTATIONS AND WARRANTIES OF BUYER.

Buyer makes the following representations and warranties with respect to the Easement Property, each of which shall survive Close of Escrow:

D. Neither the execution of this Agreement nor the consummation of the transaction contemplated hereby shall result in a breach of or constitute a default under any other agreement, document, instrument or other obligation to which BUYER is a party or by which BUYER may be bound, or under law, statute, ordinance, rule governmental regulation or any writ, injunction, order or decree of any court or governmental body applicable to BUYER.

6. ACKNOWLEDGMENT OF FULL BENEFITS AND RELEASE.

A. Through execution of this Agreement, Seller, on behalf of itself, its heirs, executors, administrators, successors and assigns, hereby acknowledges that this Agreement provides full payment for the acquisition of the Easement Property by Buyer, and Seller hereby expressly and unconditionally waives any claim for compensation for injury to the remainder (“severance damages”); pre-condemnation damages; claims for inverse condemnation; loss of goodwill and/or lost profits; loss or impairment of any “bonus value” attributable to any lease; damage to or loss of improvements pertaining to the realty; damage to or loss of machinery, fixtures, inventory, equipment and/or personal property; any right to repurchase, leaseback from Seller, or receive any financial gain from, the sale of any portion of the Easement Property, or challenge Buyer’s adoption of a resolution of necessity, pursuant to Code of Civil Procedure sections 1245.245; any right to receive any notices pursuant to Code of Civil Procedure section 1245.245; any right to enforce any other obligation placed upon Seller pursuant to Code of Civil Procedure sections 1245.245, 1263.025 and 1263.615; any other rights conferred upon Defendants pursuant to Code of Civil Procedure sections 1245.245 and 1263.615 and 1263.025; and attorney’s fees and costs. Seller, on behalf of itself, its heirs, executors, administrators, successors and assigns, hereby fully releases Buyer, its successors, agents, representatives (including attorneys), and assigns, and all other persons and associations, known or unknown, from all claims and causes of action by reason of any

damage which has been sustained by Seller, or may be sustained by Seller, as a result of Buyer's efforts to acquire the Easement Property or to construct the works of improvement thereon, or any preliminary steps thereto. This Agreement does not, and shall not be construed to, require Seller to indemnify Buyer for damages which may arise as a result of Buyer's efforts to construct improvements on the Easement Property.

C. Seller hereby acknowledges that it either has consulted with legal counsel, or had an opportunity to consult with legal counsel, regarding the provisions of the California Civil Code section 1542, which provides as follows:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor."

Seller acknowledges that it may have sustained damage, loss, costs or expenses which are presently unknown and unsuspected, and such damage, loss, costs or expenses which may have been sustained, may give rise to additional damage, loss, costs or expenses in the future. Nevertheless, Seller hereby acknowledges that this Agreement has been negotiated and agreed upon in light of that situation, and hereby expressly waives any and all rights which they may have under California Civil Code Section 1542, or under any statute or common law or equitable principal of similar effect.

This acknowledgment and release shall survive the Close of Escrow.

D. Upon the Close of Escrow, BUYER, on behalf of itself and its successors, waives and releases SELLER and its successors and assigns from any and all costs or expenses whatsoever (including, without limitation, attorneys' fees and costs), whether direct or indirect, known or unknown, foreseen or unforeseen, arising from or relating to any of the following matters and conditions relating to the Easement Property which exist as of the date of the applicable Close of Escrow: the physical condition of the Easement Property or any above ground or underground improvements thereon, the condition of the soils, the suitability of the soils for the improvement of any proposed project, or any law or regulation applicable thereto. By execution of this Agreement, BUYER acknowledges that it fully understands the foregoing, and with this understanding, nonetheless elects to and does assume all risk for claims known or unknown, described in this section without limiting the generality of the foregoing:

The undersigned acknowledges that it has been advised by legal counsel and is familiar with the provisions of California Civil Code Section 1542, which provides as follows:

Grantee shall have the right to access the Right of Way Strip per the Grant of Easement (Access & Maintenance) recorded on _____ as Instrument number _____ of Official Records, in the Office of the San Bernardino County Recorders.

Grantor hereby also grants to Grantee, its successors and assigns, and its and their contractors, agents, and employees, the right to clear and to keep clear said Right of Way Strip, free from explosives, buildings, equipment, brush, combustible material and any and all other obstructions of any kind (except for those herein provided) and the right to trim or remove any tree or shrub which in the opinion of Grantee, may endanger said electric lines or any part thereof or interfere with the exercise of the rights herein granted.

Grantor reserves for Grantor and Grantor's successors and assigns, across (but not longitudinally along) said Right of Way Strip, rights for (1) underground water pipelines, (2) farm, grazing or pasture fences, and (3) roads, provided, however, that the exercise of such rights does not interfere with or endanger, in the reasonable opinion of Grantee, the operation or maintenance of the electric lines of Grantee, or Grantee's ready access to its said electric lines, or the exercise of any of the rights herein granted to Grantee.

The Grant of Easement is subject to all permits, agreements, licenses, leases, easements, reservations, restrictions, conditions, covenants, encumbrances, liens, right of ways, and claims of title which may affect Grantor's real property, whether recorded or not ("Encumbrances"). Grantor, to the best of its knowledge as of the Effective Date, and without any duty of inquiry or investigation, is unaware of any unrecorded Encumbrances. The use of the word "grant," herein shall not imply any warranty on the part of the Grantor with respect to the Right of Way Strip or this Grant of Easement. This Grant of Easement is further subject to Grantors right to use the Right of Way Strip for Grantor's operations and Grantor expressly reserves for itself and its successors and assigns, the continuing right to use the Right of Way Strip or to grant other easements or licenses at the same location so long as such use(s) do not unreasonably interfere with the rights herein granted.

This Grant of Easement is given on the express condition that that Grantor is to be free from all liability by reason of injury or death to persons or damage to property or damages of any kind, from whatever cause arising from the exercise of Grantee's rights set forth herein, or any acts or omissions, negligence, or intentional misconduct of Grantee or any third parties acting on behalf of Grantee. Grantee hereby agrees to indemnify, defend (with counsel reasonably approved by Grantor) and hold harmless Grantor, San Bernardino County, and their authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages, and/or liability arising out of this Grant of Easement from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by Grantor on account of any claim arising out of Grantee's exercise of the rights granted hereunder or any acts or omissions, negligence, or intentional misconduct of Grantee or Grantee's contractors, agents, and employees except where such indemnification is prohibited by law. Grantee's indemnification obligation herein shall survive for four (4) years after the termination of this Grant of Easement.

In the event of use of the Right of Way Strip is abandoned by Grantee, this Grant of Easement shall terminate, and Grantee shall thereupon, without cost to Grantor, restore the Right of Way Strip to a condition as near as possible to that which existed on the Effective Date, and deliver to Grantor a

Non-use of the Right of Way Strip for a period of ten (10) years or more and/or failure to construct all or any portion of the Grantee's System within ten (10) years from the Effective Date shall constitute conclusive evidence of such abandonment.

FOR VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, the **SAN BERNARDINO COUNTY FLOOD CONTROL DISTRICT**, a body corporate and politic, hereinafter referred to as "**Grantor**", does hereby **grant** to the **SAN BERNARDINO COUNTY SERVICE AREA 64**, hereinafter referred to as "**Grantee**", a perpetual non-exclusive easement and right of way (hereinafter "easement" or "grant") to install, construct, enlarge, survey, reconstruct, remove and replace, operate, maintain, repair, improve and relocate underground pipeline(s) and necessary devices and appurtenances thereto ("Pipelines"), including, without limitation, appurtenances such as culverts, slopes, embankments, curbs and sidewalks and utilities located on a certain portion ("**Easement Property**") of **Grantor's** real property ("**Fee Property**") situated in the County of San Bernardino, State of California and more particularly described in **Exhibit "A"**, Legal Description attached hereto and made a part hereof, and shown on **Exhibit "B"**, Plat, attached hereto and made a part hereof.

This easement is granted subject to all permits, agreements, licenses, leases, easements, reservations, restrictions, terms, conditions, covenants, encumbrances, liens and claims of title which may affect said **Easement Property**. The use of the word "grant" herein shall not imply any warranty on the part of the **Grantor** with respect to the **Easement Property**.

Mail Tax Statement As Directed Above

This easement is also subject to the following terms, conditions and restrictions:

1. This easement is subject to the **Grantor's** superior right to use the **Easement Property**, and **Grantor** reserves to itself and its successors and assigns a continuing right to use and make any improvements to the **Easement Property** for **Grantor's** use. All of said easement rights are non-assignable and are to be exercised solely by Grantee. The **Easement Property** shall revert back to Grantor in the event **Grantee** is dissolved or is annexed by another local agency. Such reversion shall not affect the prior rights, if any, possessed by **Grantee** in its pre-existing waterline easement located in the road right of way.
2. **Grantor** may grant further permits, agreements, licenses, leases, easements, reservations, restrictions, terms, conditions, covenants, encumbrances, liens, or other rights over the **Easement Property** (or portions thereof) for the benefit of other entities not parties to this grant, provided that such further grants do not materially and adversely interfere with **Grantee's** use of the **Easement Property**, as determined by **Grantor** in its sole discretion.
3. Prior to commencing the construction or replacement of **Grantee's** Pipelines, and appurtenances pursuant to this grant, **Grantee** shall submit all plans for the excavation, construction, installation, removal, and replacement of such improvements to **Grantor** for **Grantor's** review and approval with **Grantor** to issue to **Grantee** a permit if such plans are approved by **Grantor** in **Grantor's** sole discretion. The existence of **Grantee's** street, highway, road and/or bridge and attendant easement does not give **Grantee** any rights to do further work of any type within the **Easement Property** without first obtaining additional permit(s) from **Grantor** pursuant to the above-stated requirements and conditions.
4. **Grantee** shall be responsible for securing and maintaining all necessary permits and approvals from other appropriate local, state and federal agencies for its use of the **Easement Property**, and **Grantee** shall comply with all applicable laws and regulations concerning the construction of the Pipelines and its use of **Easement Property**.
5. Any Pipelines constructed by or on behalf of **Grantee** on the **Easement Property** shall be designed to not interfere with or impede **Grantor's** conveyance of storm water or **Grantor's** flood control improvements, if any, now existing or later installed on the **Easement Property** by **Grantor**. **Grantee's** construction of its Pipelines shall be in accordance with the plan approved by **Grantor** in accordance with paragraph 3 and must further meet all applicable construction standards and applicable laws,
6. **Grantee** shall not change the existing grade, modify the topography, or impede or diminish the floodwater conveyance capacity of the **Easement Property** or the **Fee Property** without prior written consent of **Grantor** (in **Grantor's** sole discretion).
7. **Grantee shall at all times**, and at its sole cost and expense, maintain the **Easement Property** and its Pipeline improvement project constructed (or caused to be constructed) by **Grantee** and/or its agents in good condition and repair, and free of trash, debris weeds and unauthorized uses. **Grantee** shall perform all necessary maintenance associated with the entire Pipeline improvement project and appurtenant structures constructed within the **Easement Property** and shall remove graffiti, and any unauthorized uses or encroachments within or on any part of its appurtenances, as well as performing all necessary weed abatement work within the **Easement Property**.
8. **Grantor shall at all times** have free and clear access through and over the **Easement Property** (except as temporarily approved by **Grantor** during periods of **Grantee's** construction and/or maintenance).
9. Any costs incurred by **Grantor** for **Grantor's** use of the **Easement Property**, including (but not limited

to) any costs incurred by **Grantor** for the construction, reconstruction, maintenance, and use of any **Grantor** flood control improvements, if any, now existing or later installed on the **Easement Property** or the **Fee Property** attributable to the presence of **Grantee's** Pipelines shall be borne by **Grantee**, at **Grantee's** sole cost. In the event that **Grantor** requires that **Grantee's** Pipelines located on the **Easement Property** be relocated, modified, or protected due to **Grantor's** existing or future use of the **Easement Property** or the **Fee Property**, **Grantee** shall promptly relocate, modify, or protect **Grantee's** Pipelines as directed by **Grantor** and **Grantee** shall bear, at its sole expense, all such relocation, modification and protection costs. **Grantee** shall pothole its facilities and provide such information to **Grantor** upon **Grantor's** request, or **Grantor** shall perform such potholing at **Grantee's** expense. Notwithstanding anything to the contrary in this paragraph, prior to relocation, modification or protection of **Grantee's** Pipelines except in cases of emergency as determined by **Grantor** in its sole discretion when no prior notice is required, **Grantor** shall provide **Grantee** with written notice and 2 years to complete any required relocation, modification or protection within the **Easement Property**.

10. **Grantor** shall not be required to contribute any part of the costs associated with **Grantee's** street, highway, road and/or bridge on the **Easement Property** and furthermore, if **Grantor** is included in an assessment district to pay such costs, **Grantee** shall promptly reimburse **Grantor** for any assessment therefore levied upon it upon **Grantor** demand.

11. **Grantee** agrees to indemnify, defend (with counsel reasonably approved by **Grantor**) and hold harmless the **Grantor**, **San Bernardino County**, and their authorized officers, employees, agents and volunteers (**Indemnitees**) from any and all claims, actions, losses, damages, and/or liability arising out of this grant of easement from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by **Grantor**, **said County** or **Indemnitees** on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of **Grantor**, **said County** or **Indemnitees**. The **Grantee's** indemnification obligation applies to **Grantor's**, **said County's** and **Indemnitees'** "active" as well as "passive" negligence but does not apply to the **Grantor's**, **said County's** or **Indemnitees'** "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782.

12. **Grantee** agrees to comply with the following insurance requirements (for the purpose of this paragraph, **Grantor** shall be deemed to include **San Bernardino County**):

A. Additional Insured - All policies, except for the Workers' Compensation policy, shall contain endorsements naming the **Grantor** and its officers, employees, agents and volunteers as additional insureds with respect to liabilities arising out of this easement. The additional insured endorsements shall not limit the scope of coverage for the **Grantor** to vicarious liability but shall allow coverage for the **Grantor** to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

B. Waiver of Subrogation Rights - **Grantee** shall require the carriers of required coverages to waive all rights of subrogation against the **Grantor**, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit **Grantee** and **Grantee's** employees or agents from waiving the right of subrogation prior to a loss or claim. **Grantee** hereby waives all rights of subrogation against the **Grantor**.

C. Policies Primary and Non-Contributory - All policies required herein are to be primary and noncontributory with any insurance or self-insurance programs carried or administered by the **Grantor**.

D. Severability of Interests - **Grantee** agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross-liability exclusions that

preclude coverage for suits between **Grantee** and the **Grantor** or between the **Grantor** and any other insured or additional insured under the policy.

E. Proof of Coverage - **Grantee** shall furnish Certificates of Insurance to **Grantor** evidencing the insurance coverage, including endorsements, as required, prior to **Grantee's** execution of this easement document, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to **Grantor**, and **Grantee** shall maintain such insurance throughout the term of the easement. Within fifteen (15) days of the **Grantee's** acceptance of this easement, **Grantee** shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

F. Acceptability of Insurance Carrier - Unless otherwise approved by the San Bernardino County Department of Risk Management (hereinafter "Risk Management"), insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

G. Deductibles and Self-Insured Retention - Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

H. Failure to Procure Coverage - In the event that any policy of insurance required under this easement does not comply with the requirements, is not procured, or is canceled and not replaced, the **Grantor** has the right but not the obligation or duty to obtain insurance if it deems necessary and any premiums paid by the **Grantor** will be promptly reimbursed by **Grantee**.

I. Insurance Review - Insurance requirements are subject to periodic review by the **Grantor**. **Grantor's** Director of Risk Management or designee is authorized, but not required, to increase, reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or needed, or not needed, to protect the interests of the **Grantor**. In addition, if Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the **Grantor**, inflation, or any other item reasonably related to the **Grantor's** risk.

J. Any failure, actual or alleged, on the part of the **Grantor** to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the **Grantor**.

K. **Grantee** agrees to provide insurance set forth in accordance with the requirements herein. If **Grantee** uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, **Grantee** agrees to amend, supplement or endorse the existing coverage to do so. The type(s) of insurance required is determined by the scope of this easement.

L. Without in any way affecting the indemnity herein provided and in addition thereto, **Grantee** shall secure and maintain throughout the duration of the easement the following types of insurance with limits as shown:

(1) Workers' Compensation/Employers Liability - A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the

Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons including volunteers providing services on behalf of Grantee and all risks to such persons under this easement.

If **Grantee** has no employees, it may certify or warrant to the **Grantor** that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the **Grantor's** Director of Risk Management.

With respect to **Grantees** that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

(2) Commercial/General Liability Insurance - **Grantee** shall carry General Liability Insurance covering all operations performed by or on behalf of **Grantee** providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000), per occurrence. The policy coverage shall include:

- (a) Premises operations and mobile equipment.
- (b) Products and completed operations.
- (c) Broad form property damage (including completed operations).
- (d) Explosion, collapse and underground hazards.
- (e) Personal injury
- (f) Contractual liability.
- (g) \$2,000,000 general aggregate limit.

(3) Automobile Liability Insurance – Primary insurance coverage shall be written on ISO Business Auto coverage form for all owned, hired and non-owned automobiles or symbol 1 (any auto). The policy shall have a combined single limit of not less than one million dollars (\$1,000,000) for bodily injury and property damage, per occurrence. If **Grantee** is transporting one or more non-employee passengers in **Grantee's** use of the **Easement Property**, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence. If **Grantee** owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

(4) Umbrella Liability Insurance - An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.

(5) Environmental Liability Insurance with a combined single limit of not less than two million (\$2,000,000) per claim or occurrence. The required additional insured endorsement shall protect **Grantor** without any restrictions.

If insurance coverage is provided on a "claims made" policy, the "retroactive date" shall be shown and must be before the date the easement was signed by **Grantor**. The claims made insurance shall be maintained or

"tail" coverage provided throughout the duration of the easement and for a minimum of five (5) years after termination of this easement.

(6) Subcontractor Insurance Requirements. **Grantee** agrees to require all parties, including (but not limited to) subcontractors, architects, or others it hires or contracts with related to the excavation, construction, installation, replacement, maintenance and repair, removal, use, or any other work performed by or on behalf of **Grantee** for the street, highway, road and/or bridge at the **Easement Property** to provide insurance covering the contracted operation with the same policies and provisions required of **Grantee** in this easement and with builder's risk property insurance, providing all risk, including theft coverage for all property and materials to be used for or related to the street, highway, road and/or bridge and said insurance policies shall not have any coinsurance penalty. All policies required under this provision shall include waiver of subrogation rights against **Grantor** and shall name **Grantor** as an additional insured. **Grantee** agrees to monitor and review all such coverage and assumes all responsibility ensuring that such coverage is provided as required herein.

13. In the event of **Grantee's** default of the terms, conditions and/or restrictions set forth herein, **Grantor** shall give written notice to **Grantee** of the same. Except in the case of the emergency as determined by **Grantor** in its sole discretion, **Grantee** shall have thirty (30) calendar days from the date of the **Grantor's** notice to cure the default. If **Grantee**, within thirty (30) calendar days from the date of the **Grantor's** notice to cure the default (except in the case of an emergency as determined by **Grantor** in its sole discretion), commences the elimination of such default and continuously and diligently proceeds in good faith to eliminate such default, then the period for correction shall be extended for such length of time as is reasonably necessary to complete such correction. In the event **Grantee** fails to cure the default within the time prescribed herein, **Grantor** has the right but not the obligation to cure said default at the sole expense of **Grantee**, or **Grantee's** successors and assigns, and without liability to **Grantor** for loss thereof. **Grantee** and **Grantee's** successors and assigns agree to pay **Grantor** on demand all expenses incurred by **Grantor** in curing such default of **Grantee**. In addition, **Grantor** may pursue all other remedies available to it at law or in equity and such remedies shall be cumulative.

14. The easement, as well as the terms, conditions and restrictions, created hereby shall constitute covenants running with the land and shall be binding upon and shall benefit all successors and assigns of **Grantor** and **Grantee** respectively.

15. This easement shall be governed by the laws of the State of California.

16. This grant may only be amended by a writing executed by both **Grantor** and **Grantee** and recorded in the Official Records of San Bernardino County.

17. If any legal action is instituted to enforce any party's rights hereunder, each party shall bear its own costs and attorneys' fees, regardless of who is the prevailing party. This paragraph shall not apply to those costs and attorneys' fees directly arising from a third-party legal action against a party hereto and payable under paragraph 11.

18. If a court of competent jurisdiction declares any provision of this easement invalid, illegal, or otherwise unenforceable, the remaining provisions shall continue in full force and effect, unless the purpose of this easement is frustrated.

IN WITNESS WHEREOF **Grantor** and **Grantee** have executed this Easement Deed for street, highway,

FOR VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, the **SAN BERNARDINO COUNTY FLOOD CONTROL DISTRICT**, a body corporate and politic, hereinafter referred to as "**Grantor**", does hereby **grant** to the **TOWN OF APPLE VALLEY, a California municipal corporation**, hereinafter referred to as "**Grantee**", a **non-exclusive, permanent roadway easement** (hereinafter "easement" or "grant") for public purposes, including but not limited to street, highway, sewer, drainage, public utilities, and public access, including, without limitation, appurtenances such as culverts, slopes, embankments, curbs and sidewalks and utilities located on a certain portion ("**Easement Property**") of **Grantor's** real property ("**Fee Property**") situated in the County of San Bernardino, State of California and more particularly described in **Exhibit "A"**, Legal Description attached hereto and made a part hereof, and shown on **Exhibit "B"**, Plat, attached hereto and made a part hereof. Grantor and Grantee may be referred to individually as a "Party" or collectively referred to as the "Parties."

This easement is granted subject to all permits, agreements, licenses, leases, easements, reservations, restrictions, terms, conditions, covenants, encumbrances, liens and claims of title which may affect said **Easement Property**. The use of the word "grant" herein shall not imply any warranty on the part of the **Grantor** with respect to the **Easement Property**.

This easement is also subject to the following terms, conditions and restrictions:

1. This easement is subject to the **Grantor's** superior right to use the **Easement Property**, and **Grantor** reserves to itself and its successors and assigns a continuing right to use and make any improvements to the **Easement Property** for **Grantor's** use.
2. **Grantor** may grant further permits, agreements, licenses, leases, easements, reservations, restrictions, terms, conditions, covenants, encumbrances, liens, or other rights over the **Easement Property** (or portions thereof) for the benefit of other entities not parties to this grant, provided that such further grants do not materially and adversely interfere with **Grantee's** use of the **Easement Property**, as determined by the Parties.
3. Unless in the case of emergency or to maintain the Easement Property as required by this grant, prior to commencing the construction or replacement of **Grantee's** street, highway, road and/or bridge, and appurtenances pursuant to this grant, **Grantee** shall submit all plans for the excavation, construction, installation, removal, and replacement of such improvements to **Grantor** for **Grantor's** review and approval with **Grantor** to issue to **Grantee** a permit if such plans are approved by **Grantor** in **Grantor's** sole discretion, which shall not be unreasonably withheld. The existence of **Grantee's** easement does not give **Grantee** any rights to do further work of any type within the **Easement Property** without first obtaining additional permit(s) from **Grantor** pursuant to the above-stated requirements and conditions.
4. **Grantee** shall be responsible for securing and maintaining all necessary permits and approvals from other appropriate local, state and federal agencies for its use of the **Easement Property**, and **Grantee** shall comply with all applicable laws and regulations concerning the construction of the street, highway, road and/or bridge and its use of **Easement Property**.
5. Any street, highway, road, bridge or culvert constructed by or on behalf of **Grantee** on the **Easement Property** shall not interfere with or impede **Grantor's** conveyance of storm water or **Grantor's** flood control improvements, if any, now existing or later installed on the **Easement Property** by **Grantor**. **Grantee's** construction of its street, highway, road, bridge or culvert shall be in accordance with the plan approved by **Grantor** in accordance with paragraph 3 and must further meet all applicable construction standards and applicable laws.
6. **Grantee** shall not change the existing grade, modify the topography, or impede or diminish the floodwater conveyance capacity of the **Easement Property** or the **Fee Property** without prior written consent of **Grantor** (in **Grantor's** sole discretion).
7. **Grantee** shall at all times, and at its sole cost and expense, maintain the **Easement Property** and its street, highway, road and/or bridge improvement project constructed (or caused to be constructed) thereon by **Grantee** and/or its agents in good condition and repair, and free of trash, debris weeds and unauthorized uses, except to the extent caused by **Grantor**. **Grantee** shall perform all necessary maintenance associated with the entire improvement project, such as bridge structure, box culverts and appurtenant structures including but not limited to wingwalls, curb and gutter, sidewalks and appurtenances thereto constructed within the **Easement Property** in conjunction with the street, highway, road and/or bridge project, and shall remove graffiti, and any unauthorized uses or encroachments within or on any part of the structure and its

appurtenances, as well as performing all necessary weed abatement work within the **Easement Property**.

8. **Grantor** shall at all times have free and clear access through and over the **Easement Property** (except as temporarily approved by **Grantor** during periods of **Grantee's** construction and/or maintenance).

9. **Grantor** shall not be required to contribute any part of the costs associated with **Grantee's** street, highway, road and/or bridge on the **Easement Property** and furthermore, if **Grantor** is included in an assessment district to pay such costs, **Grantee** shall promptly reimburse **Grantor** for any assessment therefore levied upon it upon **Grantor** demand

10. **Grantee** agrees to indemnify, defend and hold harmless the **Grantor, San Bernardino County,** and their authorized officers, employees, agents and volunteers (**Indemnitees**) from any and all claims, actions, losses, damages, and/or liability arising out of this grant of easement from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by **Grantor, said County** or **Indemnitees** on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of **Grantor, said County** or **Indemnitees**. The **Grantee's** indemnification obligation does not apply to the **Grantor's, said County's** or **Indemnitees'** "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782.

11. Grantee agrees to comply with the following insurance requirements (for the purpose of this paragraph, Grantor shall be deemed to include San Bernardino County):

Grantor and Grantee are authorized self-insured public entities for purposes of Professional Liability, General Liability, Automobile Liability, Worker's Compensation and Property Damage and warrant that through their respective programs of self-insurance, they have adequate coverage or resources to protect against liabilities arising out of the performance of the terms, conditions or obligations of this Contract.

(1) Subcontractor Insurance Requirements. **Grantee** agrees to require all parties, including (but not limited to) subcontractors, architects, or others it hires or contracts with related to the excavation, construction, installation, replacement, maintenance and repair, removal, use, or any other work performed by or on behalf of **Grantee** for the street, highway, road and/or bridge at the **Easement Property** to provide insurance covering the contracted operation with the same policies and provisions required of **Grantee** in this easement and with builder's risk property insurance, providing all risk, including theft coverage for all property and materials to be used for or related to the street, highway, road and/or bridge and said insurance policies shall not have any coinsurance penalty. All policies required under this provision shall include waiver of subrogation rights against **Grantor** and shall name **Grantor** as an additional insured. **Grantee** agrees to monitor and review all such coverage and assumes all responsibility ensuring that such coverage is provided as required herein.

12. In the event of **Grantee's** default of the terms, conditions and/or restrictions set forth herein, **Grantor** shall give written notice to **Grantee** of the same. Except in the case of the emergency as determined by **Grantor** in its sole discretion, **Grantee** shall have thirty (30) calendar days from the date of the **Grantor's** notice to cure the default. If **Grantee**, within thirty (30) calendar days from the date of the **Grantor's** notice to cure the default (except in the case of an emergency as determined by **Grantor** in its sole discretion), commences the elimination of such default and continuously and diligently proceeds in good faith to eliminate such default, then the period for correction shall be extended for such length of time as is reasonably necessary to complete such correction. In the event **Grantee** fails to cure the default within the time prescribed herein, **Grantor** has the right but not the obligation to cure said default at the sole expense of **Grantee**, or **Grantee's** successors and assigns, and without liability to **Grantor** for loss thereof. **Grantee** and **Grantee's** successors and assigns agree to pay **Grantor** on demand all expenses incurred by Grantor in curing such default of **Grantee**. In addition, **Grantor** may pursue all other remedies available to it at law or in equity and such remedies shall be cumulative.

13. The easement, as well as the terms, conditions and restrictions, created hereby shall constitute covenants running with the land and shall be binding upon and shall benefit all successors and assigns of **Grantor** and **Grantee** respectively.

14. This easement shall be governed by the laws of the State of California.

15. This grant may only be amended by a writing executed by both **Grantor** and **Grantee** and recorded in the Official Records of San Bernardino County.

This paragraph shall not apply to those costs and attorneys' fees directly arising from a third-party legal action against a party hereto and payable under paragraph 10.

17. If a court of competent jurisdiction declares any provision of this easement invalid, illegal, or otherwise unenforceable, the remaining provisions shall continue in full force and effect, unless the purpose of this easement is frustrated.

This easement is also subject to the following terms, conditions and restrictions:

1. This easement is subject to the **Grantor's** superior right to use the **Easement Property**, and **Grantor** reserves to itself and its successors and assigns a continuing right to use and make any improvements to the **Easement Property** for **Grantor's** use.
2. **Grantor** may grant further permits, agreements, licenses, leases, easements, reservations, restrictions, terms, conditions, covenants, encumbrances, liens, or other rights over the **Easement Property** (or portions thereof) for the benefit of other entities not parties to this grant, provided that such further grants do not materially and adversely interfere with **Grantee's** use of the **Easement Property**, as determined by the Parties.
3. Unless in the case of emergency or to maintain the Easement Property as required by this grant, prior to commencing use of **Grantee's** easement, and appurtenances pursuant to this grant, **Grantee** shall submit all plans for any proposed excavation, construction, installation, removal, or replacement of improvements to **Grantor** for **Grantor's** review and approval with **Grantor** to issue to **Grantee** a permit if such plans are approved by **Grantor** in **Grantor's** sole discretion, which shall not be unreasonably withheld. The existence of **Grantee's** easement and attendant easement does not give **Grantee** any rights to do further work of any type within the **Easement Property** without first obtaining additional permit(s) from **Grantor** pursuant to the above-stated requirements and conditions.
4. **Grantee** shall be responsible for securing and maintaining all necessary permits and approvals from other appropriate local, state and federal agencies for its use of the **Easement Property**, and **Grantee** shall comply with all applicable laws and regulations concerning construction of improvements and its use of **Easement Property**.
5. Any improvements constructed by or on behalf of **Grantee** on the **Easement Property** shall not interfere with or impede **Grantor's** conveyance of storm water or **Grantor's** flood control improvements, if any, now existing or later installed on the **Easement Property** by **Grantor**. **Grantee's** construction of its improvements shall be in accordance with the plan approved by **Grantor** in accordance with paragraph 3 and must further meet all applicable construction standards and applicable laws.
6. **Grantee** shall not change the existing grade, modify the topography, or impede or diminish the floodwater conveyance capacity of the **Easement Property** or the **Fee Property** without prior written consent of **Grantor** (in **Grantor's** sole discretion).
7. **Grantee** shall at all times, and at its sole cost and expense, maintain the **Easement Property** and any improvements constructed (or caused to be constructed) thereon by **Grantee** and/or its agents in good condition and repair, and free of trash, debris weeds and unauthorized uses, except to the extent caused by **Grantor**. **Grantee** shall perform all necessary maintenance associated with its improvements, including but not limited to wingwalls, curb and gutter, sidewalks and appurtenances thereto constructed within the **Easement Property** in conjunction with the easement, and shall remove graffiti, and any unauthorized uses or encroachments within or on any part of the Easement Property structures and its appurtenances, as well as performing all necessary weed abatement work within the **Easement Property**.

8. **Grantor** shall at all times have free and clear access through and over the **Easement Property** (except as temporarily approved by **Grantor** during periods of **Grantee's** construction and/or maintenance).

9. **Grantor** shall not be required to contribute any part of the costs associated with **Grantee's** street, highway, road and/or bridge on the **Easement Property** and furthermore, if **Grantor** is included in an assessment district to pay such costs, **Grantee** shall promptly reimburse **Grantor** for any assessment therefore levied upon it upon **Grantor** demand.

10. **Grantee** agrees to indemnify, defend and hold harmless the **Grantor, San Bernardino County**, and their authorized officers, employees, agents and volunteers (**Indemnitees**) from any and all claims, actions, losses, damages, and/or liability arising out of this grant of easement from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by **Grantor, said County or Indemnitees** on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of **Grantor, said County or Indemnitees**. The **Grantee's** indemnification obligation does not apply to the **Grantor's, said County's or Indemnitees' "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782.**

11. **Grantee** agrees to comply with the following insurance requirements (for the purpose of this paragraph, **Grantor** shall be deemed to include **San Bernardino County**):

Grantor and Grantee are authorized self-insured public entities for purposes of Professional Liability, General Liability, Automobile Liability, Worker's Compensation and Property Damage and warrant that through their respective programs of self-insurance, they have adequate coverage or resources to protect against liabilities arising out of the performance of the terms, conditions or obligations of this Contract.

(1) Subcontractor Insurance Requirements. **Grantee** agrees to require all parties, including (but not limited to) subcontractors, architects, or others it hires or contracts with related to the excavation, construction, installation, replacement, maintenance and repair, removal, use, or any other work performed by or on behalf of **Grantee** for the street, highway, road and/or bridge at the **Easement Property** to provide insurance covering the contracted operation with the same policies and provisions required of **Grantee** in this easement and with builder's risk property insurance, providing all risk, including theft coverage for all property and materials to be used for or related to the street, highway, road and/or bridge and said insurance policies shall not have any coinsurance penalty. All policies required under this provision shall include waiver of subrogation rights against **Grantor** and shall name **Grantor** as an additional insured. **Grantee** agrees to monitor and review all such coverage and assumes all responsibility ensuring that such coverage is provided as required herein.

12. In the event of **Grantee's** default of the terms, conditions and/or restrictions set forth herein, **Grantor** shall give written notice to **Grantee** of the same. Except in the case of the emergency as determined by **Grantor** in its sole discretion, **Grantee** shall have thirty (30) calendar days from the date of the **Grantor's** notice to cure the default. If **Grantee**, within thirty (30) calendar days from the date of the **Grantor's** notice to cure the default (except in the case of an emergency as determined by **Grantor** in its sole discretion), commences the elimination of such default and continuously and diligently proceeds in good faith to eliminate such default, then the period for correction shall be extended for such length of time as is reasonably necessary to complete such correction. In the event **Grantee** fails to cure the default within the time prescribed herein, **Grantor** has the right but not the obligation to cure said default at the sole expense of **Grantee**, or **Grantee's** successors and assigns, and without liability to **Grantor** for loss thereof. **Grantee**

and **Grantee's** successors and assigns agree to pay **Grantor** on demand all expenses incurred by Grantor in curing such default of **Grantee**. In addition, **Grantor** may pursue all other remedies available to it at law or in equity and such remedies shall be cumulative.

13. The easement, as well as the terms, conditions and restrictions, created hereby shall constitute covenants running with the land and shall be binding upon and shall benefit all successors and assigns of **Grantor** and **Grantee** respectively.

14. This easement shall be governed by the laws of the State of California.

15. This grant may only be amended by a writing executed by both **Grantor** and **Grantee** and recorded in the Official Records of San Bernardino County.

16. If any legal action is instituted to enforce any party's rights hereunder, each party shall bear its own costs and attorneys' fees, regardless of who is the prevailing party. This paragraph shall not apply to those costs and attorneys' fees directly arising from a third-party legal action against a party hereto and payable under paragraph 10.

17. If a court of competent jurisdiction declares any provision of this easement invalid, illegal, or otherwise unenforceable, the remaining provisions shall continue in full force and effect, unless the purpose of this easement is frustrated.
