14 waste is: waste from a franchised or permitted waste hauler (or  
15 from a city, if the city collects its citizens' waste) and is brought in  
16 a front-, rear-, or side-loading refuse vehicle (i.e., packer truck); or  
17 waste brought from a Materials Recovery Facility or where  
18 collection or processing includes a recycling component and the  
19 waste contains only an incidental amount of inseparable  
20 recyclable materials; or waste generated by a commercial  
21 enterprise that has been reviewed and determined by the San  
22 Bernardino County Department of Public Works–Solid Waste  
23 Management Division to be sufficiently source separated as to not  
24 contain more than an incidental amount of inseparable recyclable  
25 materials.)

26 (C) For loads in excess of one ton, the per ton charge shall be  
27 prorated for any fraction of a ton of the total weight of the load.

28 (2) Uncovered/Unsecured Loads: To encourage the entrance into County

1 waste facilities of loads that are properly secured or covered pursuant to  
2 applicable State or local laws and in deflection of the additional costs  
3 incurred because of waste escaping such vehicles, loads brought to  
4 such facilities which are not properly secured or covered will be required  
5 to pay an additional Solid Waste Management Disposal Site Fee equal  
6 to the normal applicable disposal gate fee (including any applicable  
7 perchlorate add-on fee) for such waste. This will apply to both minimum  
8 and per ton loads, and also loads which would otherwise pay no gate  
9 fee, given the payment of a Land Use Fee pursuant to the provisions of  
10 Section 16.0222(c).

11 (b) Fee Adjustments: Whenever use of a disposal site financed by land use fees is  
12 restricted by order of the Board of Supervisors and refuse is thereby hauled to  
13 other sites, the Board of Supervisors may permit acceptance of such refuse  
14 without charge at the receiving sites.

15 (c) Solid Waste Management Disposal Facility Fees:

16 (1) The following annual refuse disposal land use fees, based on the County  
17 Assessor's Land Use Codes, shall apply in the following areas. Where  
18 the Land Use Fee for any Use Code contains a schedule of fees based  
19 on the building size or number of dwelling units per parcel, but the  
20 relevant data base does not disclose sufficient building size or unit  
21 information to determine the correct category for a particular parcel, said  
22 parcel shall be charged as though it were the third smallest sized  
23 category if there are five or six size categories. If paid, such land use  
24 fees shall constitute, relative to ordinary refuse (excluding demolition  
25 waste, tires and hard to handle and special handling items) generated on  
26 the parcel of property for which the fee is paid, payment of the ordinary  
27 refuse per ton fee as set forth in Subsection 16.0222(a)(1), and the  
28 passenger/light use vehicle and trailer fee as set forth in Subsection

15 (c) Deposits for Developer Deposit Accounts and Project Trust Accounts – Land  
 16 Use Services Department and Department of Public Works (collectively  
 17 referred to in this subsection as “Department”):

18 An initial deposit is required for each actual cost service or process. The initial  
 19 deposit is as specified in the code. If no amount is specified, the initial deposit  
 20 is the Department's initial estimate of the actual cost of the service or process.  
 21 The Department may revise its estimate at any time during the processing of  
 22 the project. If a revised estimate is higher than a previous estimate, the  
 23 Department may require an additional deposit. Notice of any required  
 24 additional deposit shall be mailed (including e-mail) to the applicant. The notice  
 25 shall include the date by which the deposit must be made, and shall inform the  
 26 applicant that unless provision for payment is made by the date specified, the  
 27 application will be deemed denied without prejudice, without further action by  
 28 the County. Notwithstanding Section 86.08.010, any such denial without

1 prejudice is not appealable. Each estimate shall be a good faith attempt to  
2 determine the probable actual cost of the service or process, based on the  
3 nature of the project, the Department's experience in processing similar  
4 services or processes, and applicable rates. Initial deposits and any additional  
5 deposits for all services or processes related to a project shall be placed and  
6 combined into a Project Trust Account. Such combined deposited funds will be  
7 utilized as the source of payment for any flat fee service, security deposit, or  
8 actual cost service on that project. In addition, deposits may also be placed in  
9 a Developer Deposit Account. Deposited funds in a Developer Deposit  
10 Account may be used by an individual or entity to fund various Project Trust  
11 Accounts.

12 (d) Applicant's obligation to pay actual cost – Land Use Services Department and  
13 Department of Public Works:

14 The applicant shall pay the actual cost of the project, regardless of any  
15 estimate; except that the applicant is not obligated for costs incurred after the  
16 applicant delivers to the Department of Public Works and/or the Land Use  
17 Services Department either an unconditional written withdrawal of the  
18 application, or a written notice to stop work which includes a waiver of any  
19 applicable time limits for processing the application.

21 Pursuant to Government Code section 29373.1, the applicant shall not be
