Borrower shall not use the Development Loan for any other purpose without the prior written consent of the Authority. Borrower's obligation to repay the Development Loan is evidenced by the Note. The Development Loan shall not be used to fund construction of the Market Rate Units. Borrower shall provide the Authority such evidence reasonably requested by the Authority to evidence the use of the Development Loan.

Section 2.2 Interest.

(a) <u>Development Loan</u>. Subject to the provisions of Subsection (b) below, simple interest will accrue on the outstanding principal balance of the Development Loan at a per annum rate of interest equal to three percent (3%), commencing on the date of disbursement.

(b) <u>Default Rate</u>. In the event of a Default, interest on the Development Loan will begin to accrue, as of the date of Default and continue until such time as the Development Loan is repaid in full or the Default is cured, at the default rate of the lesser of ten percent (10%), compounded annually, or the highest rate permitted by law (the "<u>Default Rate</u>").

Section 2.3 <u>Security</u>.

In consideration of the Development Loan, Borrower shall (i) secure its obligation to repay the Development Loan, as evidenced by the Note, by executing the Deed of Trust, and cause or permit it to be recorded as a lien against the Development, and (ii) execute the Regulatory Agreement, and cause or permit it to be recorded against the Development. Subject to the requirements of Section 2.4, the Deed of Trust may be subordinate in lien priority to the deeds of trust securing the Construction Bank Loan, the Permanent Bank Loan and the AHSC Loan. (a) Any agreement by the Authority to subordinate the Deed of Trust to an encumbrance securing and/or evidencing the Construction Bank Loan, the Permanent Bank Loan, or any loan obtained by Borrower to refinance the Construction Bank Loan, or the Permanent Bank Loan (the "Senior Loan") will be subject to the satisfaction of each of the following conditions:

(1) All of the proceeds of the Senior Loan, less any transaction costs, are used to provide acquisition, construction and/or permanent financing for the Development.

(3) Borrower demonstrates to the Authority's satisfaction that subordination of the Deed of Trust is necessary to secure adequate acquisition, construction, and/or permanent financing to ensure the viability of the Development, including the operation of the Development as affordable housing, as required by the Loan Documents. To satisfy this requirement, Borrower must provide to the Authority, in addition to any other information reasonably required by the Authority, evidence demonstrating that the proposed amount of the Senior Loan is necessary to provide adequate acquisition, construction, and/or permanent financing to ensure the viability of the Development, and adequate financing for the Development would not be available without the proposed subordination.

(4) The subordination agreement(s) is structured to minimize the risk that the Deed of Trust will be extinguished as a result of a foreclosure by the holder of the Senior Loan. To satisfy this requirement, the subordination agreement must provide the Authority with adequate rights to cure any defaults by Borrower, including: (1) providing the Authority or its successor with copies of any notices of default at the same time and in the same manner as provided to Borrower; and (2) providing the Authority with a cure period of at least sixty (60) days to cure any default.

(6) The subordination does not limit the effect of the Deed of Trust before a foreclosure, nor require the consent of the holder(s) of the Senior Loan prior to the Authority exercising any remedies available to the Authority under the Loan Documents.

(b) Upon a determination by the Authority's Executive Director that the conditions in Subsection (a) have been satisfied, the Executive Director will be authorized to execute the approved subordination agreement without the necessity of any further action or approval.

The construction contract will include all applicable requirements set forth in Section 4.3 of the Authority Regulatory Agreement. The Authority's approval of the construction contract may not be deemed to constitute approval of or concurrence with any term or condition of the construction contract except as such term or condition may be required by this Agreement.

(b) Upon receipt by the Authority of the proposed construction contract, the Authority shall promptly review same and approve or disapprove it within ten (10) days. If the construction contract is not approved by the Authority, the Authority shall set forth in writing and notify Borrower of the Authority's reasons for withholding such approval. Borrower shall thereafter submit a revised construction contract for Authority approval, which approval is to be granted or denied in ten (10) days in accordance with the procedures set forth above. The Authority has the right but not the obligation, to be present and at any construction draw meeting with the General Contractor. If the Authority objects to any draw package, it shall provide such reasonable detail regarding the basis of its objection so as to allow Borrower an opportunity to address the issues raised. Borrower may revise a draw request that was the subject of an objection and such resubmitted draw package will be reviewed in accordance with the provisions of this Section 3.7. If the Authority does not object prior to or at the draw meeting, the draw package will be deemed approved.

The requirements in this Section survive the repayment of the Development Loan, and the reconveyance of the Deed of Trust.

Section 3.9 <u>Accessibility</u>.

Section 3.10 Equal Opportunity.

During the construction of the Improvements there shall be no discrimination on the basis of race, color, creed, religion, age, sex, sexual orientation, marital status, national origin, ancestry, or disability in the hiring, firing, promoting, or demoting of any person engaged in the construction work.

(a) Borrower is responsible for the coordination and scheduling of the work to be performed so that commencement and completion of the construction of the Improvements will take place in accordance with this Agreement.

(b) Borrower is solely responsible for all aspects of Borrower's conduct in connection with the Development, including (but not limited to) the quality and suitability of the plans and specifications, the supervision of construction work, and the qualifications, financial condition, and performance of all architects, engineers, contractors, subcontractors, suppliers, consultants, and property managers. Any review or inspection undertaken by the Authority with reference to the Development is solely for the purpose of determining whether Borrower is properly discharging its obligations to the Authority, and should not be relied upon by Borrower or by any third parties as a warranty or representation by the Authority as to the quality of the design or construction of the Development and does not relieve Borrower, or its consultants, from any applicable requirement to obtain City approval and/or inspections.

Section 3.12 Mechanics Liens, Stop Notices, and Notices of Completion.

(a) If any claim of lien is filed against the Development or a stop notice affecting the Development Loan is served on the Authority or any other lender or other third party in connection with the Development, then Borrower shall, within thirty (30) days after such filing or service, either pay and fully discharge the lien or stop notice, effect the release of such lien or stop notice by delivering to the Authority a surety bond from a surety acceptable to the Authority in sufficient form and amount (as such stop notice relates to the Development Loan), or provide the Authority with other assurance satisfactory to the Authority that the claim of lien or stop notice will be paid or discharged.

(b) If Borrower fails to discharge any lien, encumbrance, charge, or claim in the manner required in this Section, then in addition to any other right or remedy, the Authority may (but shall be under no obligation to) discharge such lien, encumbrance, charge, or claim at Borrower's expense. Alternately, the Authority may require Borrower to immediately deposit with the Authority the amount necessary to satisfy such lien or claim and any costs, pending resolution thereof. The Authority may use such deposit to satisfy any claim or lien that is adversely determined against Borrower. (c) Borrower shall file a valid notice of cessation or notice of completion as applicable, upon cessation of construction of the Development for a continuous period of thirty (30) days or more or completion of construction, as applicable, and take all other reasonable steps to forestall the assertion of claims of lien against the Property and/or Development. Borrower authorizes the Authority, but without any obligation, to record any notices of completion or cessation of labor, or any other notice that the Authority deems necessary or desirable to protect its interest in the Property and/or Development.

Section 3.13 Inspections.

Borrower shall permit and facilitate, and shall require its contractors to permit and facilitate, observation and inspection at the Development by the Authority and by public authorities during reasonable business hours for the purposes of determining compliance with this Agreement. Such inspections do not relieve Borrower, or its contractors, from any applicable requirement to obtain City inspections in connection with the construction of the Improvements.

Section 3.14 <u>Development Budget; Revisions to Budget</u>.

As of the date of this Agreement, the Authority has approved the Development Budget set forth in <u>Exhibit B</u>. Borrower shall submit any required amendments to the Development Budget to the Authority for approval within five (5) days of the date Borrower receives information indicating that actual costs of construction of the Development vary or will vary by more than One Hundred Fifty Thousand Dollars (\$150,000) from the costs shown on the Development Budget. Written consent of the Authority will be required to amend the Development Budget.

(b) No later than one hundred fifty (150) days following completion of construction of the Development, Borrower shall submit an audited financial report showing the sources and uses of all funds utilized for the Development. This requirement may be satisfied by providing the Final Cost Certification to the Authority. "<u>Final Cost Certification</u>" means the Final Cost Certification Sources and Uses of Funds prepared by Borrower for the Development that: (i) Borrower submits to the California Tax Credit Allocation Committee; and (ii) has been prepared using generally accepted accounting procedures in effect in the United States from time to time, consistently applied.

Section 4.2 <u>Annual Operating Budget</u>.

At the beginning of each year of the Term, Borrower shall provide to the Authority an annual budget for the operation of the Development. The Authority may request additional information to assist the Authority in evaluating the financial viability of the Development. Unless rejected by the Authority in writing within fifteen (15) days after receipt of the budget, the budget will be deemed accepted. If rejected by the Authority in whole or in part, Borrower shall submit a new or corrected budget within thirty (30) calendar days of notification of the Authority's rejection and the reasons therefor. The provisions of this Section relating to time periods for resubmission of new or corrected budgets will continue to apply until such budget has been approved by the Authority.

Section 4.3 <u>Records</u>.

Borrower shall keep and maintain at the Development, or elsewhere with the Authority's written consent, full, complete and appropriate books, records and accounts relating to the Development, including all such books, records and accounts necessary or prudent to evidence and substantiate in full detail Borrower's compliance with the terms and provisions of this Agreement. Books, records and accounts relating to Borrower's compliance with the terms, provisions, covenants and conditions of this Agreement shall be kept and maintained in accordance with generally accepted accounting principles consistently applied, and shall be consistent with requirements of this Agreement. All such books, records, and accounts shall be open to and available for inspection and copying by the Authority, its auditors or other authorized representatives at reasonable intervals during normal business hours. Borrower shall permit any duly authorized representative of the Authority to inspect and copy such records. Such records shall include all invoices, receipts, and other documents related to expenditures from the Development Loan and must be kept accurate and current. Borrower shall maintain complete, accurate, and current records pertaining to the Development for a period of not less than five (5) years after the creation of such records for all expenditures. If any litigation, claim, negotiation, audit exception, monitoring, inspection or other action relating to the use of the Development Loan is pending at the end of the record retention period stated herein, then Borrower shall retain such records until such action and all related issues are resolved.

Section 4.4 Information; Audits.

(a) Borrower shall provide any information reasonably requested by the Authority in connection with the Development.

(b) Within ninety (90) days after the close of each fiscal year, Borrower shall provide the Authority with a copy of Borrower's and the sole member of Borrower's general partner's annual audited financial statements, which is to include information on all of their respective activities, and not just those pertaining to the Development.

(c) Borrower shall make available for examination at reasonable intervals and during normal business hours to Authority all books, accounts, reports, files, and other papers or property with respect to all matters covered by this Agreement, and shall permit Authority to

audit, examine, and make excerpts or transcripts from such records. Authority may make audits of any conditions relating to this Agreement.

Section 4.5 <u>Hazardous Materials</u>.

(a) Borrower shall keep and maintain the Development in compliance with, and shall not cause or permit the Development to be in violation of any federal, state or local laws, ordinances or regulations relating to industrial hygiene or to the environmental conditions on, under or about the Development including, but not limited to, soil and ground water conditions. Borrower shall not use, generate, manufacture, store or dispose of on, under, or about the Development or transport to or from the Development any flammable explosives, radioactive materials, hazardous wastes, toxic substances or related materials, including without limitation, any substances defined as or included in the definition of "hazardous substances," hazardous wastes," "hazardous materials," or "toxic substances" under any applicable federal or state laws or regulations (collectively referred to hereinafter as "<u>Hazardous Materials</u>") except such of the foregoing as may be used in construction of the Development or customarily kept and used in and about residential property of this type.

(b) Borrower shall immediately advise the Authority in writing if at any time it receives written notice of (i) any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted, completed or threatened against Borrower or the Development pursuant to any applicable federal, state or local laws, ordinances, or regulations relating to any Hazardous Materials, ("<u>Hazardous Materials Law</u>"); (ii) all claims made or threatened by any third party against Borrower or the Development relating to damage, contribution, cost recovery compensation, loss or injury resulting from any Hazardous Materials (the matters set forth in clauses (i) and (ii) above are hereinafter referred to as "<u>Hazardous Materials Claims</u>"); and (iii) Borrower's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Development that could cause the Development or any part thereof to be subject to any restrictions on the ownership, occupancy, transferability or use of the Development under any Hazardous Materials Law.

(c) The Authority shall have the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims and to have its reasonable attorneys' fees in connection therewith paid by Borrower.

(d) Borrower shall indemnify and hold harmless the Authority and its commissioners, directors, officers, employees, agents, successors and assigns from and against any loss, damage, cost, fine, penalty, judgment, award, settlement, expense or liability, directly or indirectly arising out of or attributable to: (i) any actual or alleged past or present violation of any Hazardous Materials Law; (ii) any Hazardous Materials Claim; (iii) any actual or alleged past or present use, generation, manufacture, storage, release, threatened release, discharge, disposal, transportation, or presence of Hazardous Materials on, under, or about the Development; (iv) any investigation, cleanup, remediation, removal, or restoration work of site conditions of the Development relating to Hazardous Materials (whether on the Development or any other property); and (v) the breach of any representation of warranty by or covenant of Borrower in this Section 4.5, and Section 4.14 (l). Such indemnity shall include, without limitation: (x) all consequential damages; (y) the costs of any required or necessary investigation,

repair, cleanup or detoxification of the Development and the preparation and implementation of any closure, remedial or other required plans; and (z) all reasonable costs and expenses incurred by the Authority in connection with clauses (x) and (y), including but not limited to reasonable attorneys' fees and consultant fees. This indemnification applies whether or not any government agency has issued a cleanup order. Losses, claims, costs, suits, liability, and expenses covered by this indemnification provision include, but are not limited to: (1) losses attributable to diminution in the value of the Development, (2) loss or restriction of use of rentable space on the Development, (3) adverse effect on the marketing of any rental space on the Development, and (4) penalties and fines levied by, and remedial or enforcement actions of any kind issued by any regulatory agency (including but not limited to the costs of any required testing, remediation, repair, removal, cleanup or detoxification of the Development and surrounding properties). This obligation to indemnify will survive termination of this Agreement and will not be diminished or affected in any respect as a result of any notice, disclosure, knowledge, if any, to or by the Authority of Hazardous Materials.

Without the Authority's prior written consent, which shall not be (e) unreasonably withheld, Borrower shall not take any remedial action in response to the presence of any Hazardous Materials on, under or about the Development, nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent decree or compromise might, in the Authority's reasonable judgment, impair the value of the Authority's security hereunder; provided, however, that the Authority's prior consent shall not be necessary in the event that the presence of Hazardous Materials on, under, or about the Development either poses an immediate threat to the health, safety or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is not reasonably possible to obtain the Authority's consent before taking such action, provided that in such event Borrower shall notify the Authority as soon as practicable of any action so taken. The Authority agrees not to withhold its consent, where such consent is required hereunder, if either (i) a particular remedial action is ordered by a court of competent jurisdiction, (ii) Borrower will or may be subjected to civil or criminal sanctions or penalties if it fails to take a required action; (iii) Borrower establishes to the reasonable satisfaction of the Authority that there is no reasonable alternative to such remedial action which would result in less impairment of the Authority's security hereunder; or (iv) the action has been agreed to by the Authority.

(f) Borrower hereby acknowledges and agrees that (i) this Section is intended as the Authority's written request for information (and Borrower's response) concerning the environmental condition of the Development as required by California Code of Civil Procedure Section 726.5, and (ii) each representation and warranty in this Agreement (together with any indemnity obligation applicable to a breach of any such representation and warranty) with respect to the environmental condition of the Development is intended by the Parties to be an "environmental provision" for purposes of California Code of Civil Procedure Section 736.

(g) In the event that any portion of the Development is determined to be "environmentally impaired" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an "affected parcel" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(1)), then, without otherwise limiting or in any way affecting the

Authority's or the trustee's rights and remedies under the Deed of Trust, the Authority may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to (i) waive its lien on such environmentally impaired or affected portion of the Development and (ii) exercise (1) the rights and remedies of an unsecured creditor, including reduction of its claim against Borrower to judgment, and (2) any other rights and remedies permitted by law. For purposes of determining the Authority right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), Borrower shall be deemed to have willfully permitted or acquiesced in a release or threatened release of hazardous materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of Hazardous Materials was knowingly or negligently caused or contributed to by any lessee, occupant, or user of any portion of the Development and Borrower knew or should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by the Authority in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Development is environmentally impaired, plus interest thereon at the Default Rate until paid, shall be added to the indebtedness secured by the Deed of Trust and shall be due and payable to the Authority upon its demand made at any time following the conclusion of such action.

Section 4.6 <u>Maintenance and Damage</u>.

If there arises a condition in contravention of this requirement, and if Borrower has not cured such condition within thirty (30) days after receiving a notice from the Authority of such a condition, then in addition to any other rights available to the Authority, the Authority shall have the right to perform all acts necessary to cure such condition, and to establish or enforce a lien or other encumbrance against the Development.

(b) Subject to the requirements of senior lenders, and if economically feasible in the Authority's reasonable judgment after consultation with Borrower, if any improvement now or in the future on the Development is damaged or destroyed, then Borrower shall, at its cost and expense, diligently undertake to repair or restore such improvement consistent with the plans and specifications approved by the Authority with such changes as have been approved by the Authority. Such work or repair shall be commenced no later than the later of one hundred twenty (120) days, or such longer period approved by the Authority in writing, after the damage or loss occurs or thirty (30) days following receipt of the insurance or condemnation proceeds, and shall be complete within one (1) year thereafter. Any insurance or condemnation proceeds collected for such damage or destruction shall be applied to the cost of such repairs or restoration and, if such insurance or condemnation proceeds shall be insufficient for such purpose, then Borrower shall make up the deficiency. If Borrower does not make repairs, then any insurance or condemnation proceeds collected for such damage or destruction are to be promptly delivered by Borrower to the Authority as a special repayment of the Development Loan, subject to the rights of senior lenders.

Section 4.7 <u>Fees and Taxes</u>.

Borrower shall be solely responsible for payment of all fees, assessments, taxes, charges, and levies imposed by any public authority or utility company with respect to the Development to the extent owned by Borrower, and shall pay such charges prior to delinquency. However, Borrower shall not be required to pay and discharge any such charge so long as (a) the legality thereof is being contested diligently and in good faith and by appropriate proceedings, and (b) if requested by the Authority, Borrower deposits with the Authority any funds or other forms of assurance that the Authority in good faith from time to time determines appropriate to protect the Authority from the consequences of the contest being unsuccessful. The Authority acknowledges that Borrower has the right to claim a "welfare exemption" to the payment of ad valorem taxes on the Property under California Revenue and Taxation Code Section 214(g).

Section 4.8 <u>Notices</u>.

Borrower shall promptly notify the Authority in writing of any and all of the following:

(a) Any litigation known to Borrower materially affecting Borrower, or the Property and of any claims or disputes that involve a material risk of litigation;

(b) Any written or oral communication Borrower receives from any governmental, judicial, or legal authority giving notice of any claim or assertion that the Development fails in any respect to comply with any applicable governmental law;

(c) Any material adverse change in the physical condition of the Development (including any damage suffered as a result of fire, earthquakes, or floods);

(d) Any material adverse change in Borrower's financial condition, any material adverse change in Borrower's operations, or any change in the management of Borrower;

(e) That any of the statements in Section 4.14(l) regarding Hazardous Materials are no longer accurate;

(f) Any Default or event which, with the giving of notice or the passage of time or both, would constitute a Default; and

(g) Any other circumstance, event, or occurrence that results in a material adverse change in Borrower's ability to timely perform any of its obligations under any of the Loan Documents.

Section 4.9 <u>Operation of Development as Affordable Housing</u>.

Borrower shall continuously operate and maintain the Development as affordable housing rented to tenants in conformity with (i) the Loan Documents, and (ii) and any regulatory agreements recorded against Borrower's Leasehold Estate.

Section 4.10 <u>Non-Discrimination</u>.

Borrower covenants by and for itself and its successors and assigns that there shall be no discrimination against or segregation of a person or of a group of persons on account of race, color, creed, ancestry, national origin, religion, sex, sexual orientation, marital status, age, disability, medical condition, familial status, source of income or any other arbitrary basis in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Development, nor shall Borrower or any person claiming under or through Borrower establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Development.

(g) <u>Assignment; Attachment</u>. Borrower shall have assigned its assets for the benefit of its creditors or suffered a sequestration or attachment of or execution on any substantial part of its property, unless the property so assigned, sequestered, attached or executed upon shall have been returned or released within ninety (90) days after such event or, if sooner, prior to sale pursuant to such sequestration, attachment, or execution. general partner unless the removal and replacement of the Borrower's managing general partner in accordance with Section 4.12(d), within the time frame set forth in Section 5.5 cures such a default.

Section 5.2 <u>Remedies</u>.

The occurrence of any Default hereunder following the expiration of all applicable notice and cure periods will, either at the option of the Authority or automatically where so specified, relieve the Authority of any obligation to make or continue the Development Loan and shall give the Authority the right to proceed with any and all remedies set forth in this Agreement and the Loan Documents, including but not limited to the following:

(a) <u>Acceleration of Note</u>. The Authority shall have the right to cause all indebtedness of Borrower to the Authority under this Agreement and the Note, together with any accrued interest thereon, to become immediately due and payable. Borrower waives all right to presentment, demand, protest or notice of protest or dishonor. Subject to the provisions of Section 2.9, the Authority may proceed to enforce payment of the indebtedness and to exercise any or all rights afforded to the Authority as a creditor and secured party under the law including the Uniform Commercial Code, including foreclosure under the Deed of Trust. Borrower shall be liable to pay the Authority on demand all reasonable expenses, costs and fees (including, without limitation, reasonable attorney's fees and expenses) paid or incurred by the Authority in connection with the collection of the Development Loan and the preservation, maintenance, protection, sale, or other disposition of the security given for the Development Loan.

(b) <u>Specific Performance</u>. The Authority shall have the right to mandamus or other suit, action or proceeding at law or in equity to require Borrower to perform its obligations and covenants under the Loan Documents or to enjoin acts or things which may be unlawful or in violation of the provisions of the Loan Documents.

(c) <u>Right to Cure at Borrower's Expense</u>. The Authority shall have the right (but not the obligation) to cure any monetary default by Borrower under a loan other than the Development Loan. Borrower agrees to reimburse the Authority for any funds advanced by the Authority to cure a monetary default by Borrower upon demand therefore, together with interest thereon at the Default Rate from the date of expenditure until the date of reimbursement.

Section 5.3 <u>Right of Contest</u>.

Borrower shall have the right to contest in good faith any claim, demand, levy, or assessment the assertion of which would constitute a Default hereunder. Any such contest shall be prosecuted diligently and in a manner unprejudicial to the Authority or the rights of the Authority hereunder.

Section 5.4 <u>Remedies Cumulative</u>.

No right, power, or remedy given to the Authority by the terms of this Agreement or the Loan Documents is intended to be exclusive of any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right,

power, or remedy given to the Authority by the terms of any such instrument, or by any statute or otherwise against Borrower and any other person. Neither the failure nor any delay on the part of the Authority to exercise any such rights and remedies shall operate as a waiver thereof, nor shall any single or partial exercise by the Authority of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

Section 5.5 Notice and Cure Rights of Investor Limited Partner.

The Authority agrees to provide the Investor Limited Partner a duplicate copy of all notices of default that the Authority may give to or serve in writing upon Borrower pursuant to the terms of the Loan Documents, at the address set forth in Section 6.10 hereof, provided, the Authority shall have no liability to the Investor Limited Partner for its failure to do so. The Investor Limited Partner shall have the right, but not the obligation, to cure any Default of Borrower set forth in such notice, during any applicable cure period described in the Loan Documents, and the Authority will accept tender of such cure as if delivered by Borrower. If the Investor Limited Partner is unable to cure a Default because Borrower's general partner is in bankruptcy and/or because the cure requires removal of the general partner of Borrower and the Investor Limited Partner is proceeding diligently to remove the general partner of Borrower in order to effect a cure of the Default, the cure period shall be extended for such reasonable time as is necessary for the Investor Limited Partner to effect a cure of the Default, but in no event longer than sixty (60) days after the date of receipt by the Investor Limited Partner of written notice of the Default; provided, however, such sixty (60) day time period will be subject to tolling for any period for which an automatic stay is in effect. The address of the Investor Limited Partner set forth in Section 6.10 may be changed upon written notice delivered to the Authority in the manner specified in Section 6.10 herein below.

ARTICLE 6 GENERAL PROVISIONS

Section 6.1 <u>Relationship of Parties</u>.

Nothing contained in this Agreement shall be interpreted or understood by any of the parties, or by any third persons, as creating the relationship of employer and employee, principal and agent, limited or general partnership, or joint venture between the Authority and Borrower or Borrower's agents, employees or contractors, and Borrower shall at all times be deemed an independent contractor and shall be wholly responsible for the manner in which it or its agents, or both, perform the services required of it by the terms of this Agreement. In regards to the development of the Development, Borrower shall be solely responsible for all matters relating to payment of its employees, including compliance with Social Security, withholding and all other laws and regulations governing such matters, and shall include requirements in each contract that contractors shall be solely responsible for similar matters relating to their employees. Borrower agrees to be solely responsible for its own acts and those of its agents and employees.

Section 6.2 <u>No Claims</u>.

Nothing contained in this Agreement shall create or justify any claim against the Authority, by any person Borrower may have employed or with whom Borrower may have contracted relative to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the development of the Development, and Borrower shall include similar requirements in any contracts entered into for the development of the Development.

Section 6.3 <u>Amendments</u>.

No alteration or variation of the terms of this Agreement shall be valid unless made in writing by the Parties and approved by the Authority Board.

Section 6.4 <u>Entire Understanding of the Parties</u>.

This Agreement constitutes the entire understanding and agreement of the Parties with respect to the Development Loan.

Section 6.5 <u>Indemnification</u>.

Except as directly caused by the Authority's gross negligence or willful misconduct, Borrower shall indemnify, protect, hold harmless and defend (by counsel reasonably satisfactory to the Authority) the Authority and its commissioners, officers and employees, from all suits, actions, claims, causes of action, costs, demands, judgments and liens arising out of: (i) Borrower's performance or non-performance of its obligations under this Agreement; (ii) Borrower's ownership of the Development; (iii) the development, marketing, rental and operation of the Development, or (iv), any documents executed by Borrower in connection with the Development. taken by the Executive Director without further approval by the Authority Board, and any such action shall be in writing.

Any consents or approvals required under this Agreement shall not be unreasonably withheld or made, except where it is specifically provided that a sole discretion standard applies. The Executive Director is also hereby authorized to approve, on behalf of the Authority, requests by Borrower for reasonable extensions of time deadlines set forth in this Agreement. The Authority shall not unreasonably delay in reviewing and approving or disapproving any proposal by Borrower made in connection with this Agreement.

Section 6.9 <u>Waivers</u>.

Any waiver by the Authority of any obligation or condition in this Agreement must be in writing. No waiver will be implied from any delay or failure by the Authority to take action on any breach or default of Borrower or to pursue any remedy allowed under this Agreement or applicable law. Any extension of time granted to Borrower to perform any obligation under this Agreement shall not operate as a waiver or release from any of its obligations under this Agreement. Consent by the Authority to any act or omission by Borrower shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for the Authority's written consent to future waivers.

Section 6.10 Notices, Demands and Communications.

Formal notices, demands, and communications between the Authority and Borrower shall be sufficiently given if and shall not be deemed given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered by express delivery service, return receipt requested, or delivered personally, to the principal office of the Authority and Borrower as follows:
