FINANCIAL IMPACT

Approval of this item will not impact Discretionary General Funding (Net County Cost). Funding for Project-Based Vouchers (PBV) is derived from the Housing Authority of the County of San Bernardino's (HACSB) regular annual allocation of subsidies under the Housing Choice Voucher Program administered by HACSB on behalf of the U.S. Department of Housing and Urban Development (HUD), for a term of 20 years, subject to federal government appropriations.

BACKGROUND INFORMATION

On May 1, 2018 (Item No. 59) the Board of Governors approved a commitment of 38 PBV to Golden Apartments San Bernardino, LP, for a 20-year term to support the development of a permanent supportive housing apartment complex specifically for chronically homeless individuals. This is HACSB's first Permanent Supportive Housing development in partnership

with Housing Partners I, Inc. (HPI), the City of San Bernardino, the County of San Bernardino (County) and Inland Empire Health Plan (IEHP). The commitment of PBV at Golden Apartments will generate the rent revenues necessary to operate the site as a permanent supportive housing resource for homeless and chronically homeless individuals in direct support of the County's efforts to address chronic homelessness. In addition to creating a quality living space, the purpose of this project is also to provide extended social services on-site, in order to better serve the needs of the residents. HACSB has partnered with the County's Department of Behavioral Health (DBH) and IEHP to deliver the ongoing supportive services to the future residents of Golden Apartments. Originally, all 38 PBV rental subsidies were committed for chronically homeless households referred through the Coordinated Entry System (CES). Approval of this amended commitment will allocate five of the 38 PBV's to IEHP homeless clients of who may also be experiencing a mental and/or physical disability, and of which will not be referred through CES. The five PBV designated for IEHP will provide much needed housing for its homeless clients that are in acute need of its services. IEHP clients, although homeless, may not be defined as chronically homeless as previously set forth in the original commitment of PBV to this site. IEHP will also provide services to other eligible residents at the property.

The San Bernardino County Housing Commission reviewed this item on July 9, 2019, and recommended approval to the Board of Governors.

PROCUREMENT

Pursuant to HACSB's Local PBV program, HACSB has been authorized to utilize PBV at properties owned by HACSB or an affiliate of HACSB without requiring a competitive selection process as mandated by federal regulations. The commitment of PBV at Golden Apartments is therefore proposed to be made to an ownership entity consisting of a Limited Partnership between HACSB and HPI, HACSB's development nonprofit affiliate.
