WITNESSETH

WHEREAS, DISTRICT and LICENSEE now desire to enter into a license agreement for the use of a certain portion of the DISTRICT-owned radio vault space and antenna tower space at the Site, as more specifically described in this License; and,

COVENANTS AND AGREEMENTS:

1. **USE:** The DISTRICT grants a non-exclusive license for the use of the Premises to LICENSEE for the purpose of installing, operating, repairing and maintaining a telemetry communication facility comprised of one (1) NEMA 4X stainless steel radio equipment cabinet mounted on the north exterior wall of the District's equipment shelter, two (2) Laird Omnidirectional antennas Model #FG9023 mounted on the District's north antenna tower maintaining 10' minimum vertical separation and mounted on opposite sides of the tower on existing cross arms, one (1) Free Wave Plus Model #FGR2-PE-U radio and one (1) W Spread Spectrum, Radio Model #FGR-115RC (collectively, the "LICENSEE's Authorized Equipment") which equipment is more particularly described on Exhibit "B" attached hereto and made a part hereof.

DISTRICT shall give reasonable advance notice either verbally or in writing of its intent to enter and cross the Premises.

2. **TERM:** The initial term of the License shall be five (5) years, commencing upon full execution of this License as evidenced by the date the last of parties to this License executes it (the "Commencement Date") and ending on the day immediately preceding the fifth (5th) anniversary of the Commencement Date (the "Initial Term"). The Initial Term, together with any Extended Terms are referred to collectively as the "Term".

3. **OPTION TO EXTEND TERM:** DISTRICT gives LICENSEE the option to extend the term of the License on the same provisions and conditions, except for the license fee for two (2) five-year periods ("Extended Terms") following expiration of the Initial Term or any Extended Term, provided that at the time of exercise of the applicable option, LICENSEE is not in default with respect to any of the terms, covenants or conditions to be observed or performed by LICENSEE hereunder, by LICENSEE giving written notice of exercise of the option to DISTRICT at least one (1) year, but not more than eighteen (18) months, prior to the

expiration of the preceding Term. Said options shall be deemed to be independent and consecutive, with LICENSEE's right to exercise the second of said options terminating upon LICENSEE's failure to exercise the first option. The Parties agree that this administrative charge represents a fair and reasonable estimate of the costs that DISTRICT will incur by reason of late payment by LICENSEE. J. Insurance Review – Insurance requirements are subject to periodic review by the DISTRICT. The DISTRICT's Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever the DISTRICT's Department of Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the DISTRICT. In addition, the DISTRICT's Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the DISTRICT, inflation, or any other item reasonably related to the DISTRICT's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this License. LICENSEE agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of RESA or DISTRICT to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of RESA or the DISTRICT.

K. Deductibles and Self-Insured Retention - Any and all deductibles or self-insured retentions in excess of Ten Thousand Dollars (\$10,000.00) shall be declared to and approved by DISTRICT's Risk Management Department.

L. Failure to Procure Insurance. All insurance required must be maintained in force at all times by LICENSEE. Failure to maintain said insurance, due to expiration, cancellation, etc., shall be cause for the DISTRICT to give notice to immediately suspend all LICENSEE's business activities on the Premises. Failure to reinstate said insurance within the ten (10) days of notice to do so shall be cause for termination and for forfeiture of this License, and/or DISTRICT, at its discretion, may procure or renew such insurance and pay any and all premiums in connection therewith, and all monies so paid by DISTRICT shall be repaid by LICENSEE to DISTRICT upon demand but only for the pro rata period of non-compliance.

M. DISTRICT shall have no liability for any premiums charged for such coverage(s). The inclusion of DISTRICT as additional named insured is not intended to and shall not make a partner or joint venturer with LICENSEE in LICENSEE's operations.

The LICENSEE agrees to require all parties or subcontractors, or others it hires or contracts with related to the use of this License to provide insurance covering such use with the basic requirements and naming the DISTRICT as additional insured. LICENSEE agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided as required herein.

18. **TAXES, ASSESSMENTS AND LICENSES:** LICENSEE shall pay before delinquency any and all taxes, if any, assessments, fees, or charges, including possessory interest taxes, which may be levied or assessed upon any personal property, improvements or fixtures, if any, installed or belonging to LICENSEE and located within the Premises. LICENSEE shall also pay all license or permit fees necessary or required by law for the conduct of its operation and/or in accordance with Section 107 of the California Revenue and Taxation Code. LICENSEE recognizes and understands that this License may create a possessory interest subject to property taxation and that the LICENSEE may be subject to the payment of property taxes levied on such interest, unless the Parties otherwise agree in writing prior to the start of construction or installation.

19. **BUILDING AND SAFETY REQUIREMENTS:** All LICENSEE's activities under this license must conform to all applicable rules, regulations, laws, ordinances, codes, statutes or orders of any governmental authority, Federal, State or local lawfully exercising authority over LICENSEE's operations. In the event that the LICENSEE's use of the Premises conflicts in any way with other uses at the property of which the Premises is a part (DISTRICT's determination of such conflicting uses shall be conclusive), or in the event the LICENSEE's use of the Premises is in violation of any of said rules, regulations, ordinances, statutes or orders, the LICENSEE shall remove or modify the LICENSEE's Authorized Equipment to conform with the applicable regulations within thirty (30) days of receipt of written notice to do so from the DISTRICT.

20. **GENERAL COVENANTS AND AGREEMENTS:**

A. At any time during the life of this License, the DISTRICT may revise, modify, or add provisions to the License as may be required to meet the DISTRICT's obligations and purposes so long as any revisions, modifications, etc., do not unreasonably interfere with LICENSEE's use of the Premises.

B. LICENSEE agrees not to use said Premises, or any part thereof, for any purpose which causes injury to any neighboring property, nor for any purpose in violation of valid applicable laws or ordinances.

C. No political signs shall be permitted at the Site.

D. Uses granted to LICENSEE under this License are valid only to the extent of the DISTRICT's existing rights and may be subject to other existing easements and encumbrances. Rights granted to the LICENSEE are not exclusive.

E. If the LICENSEE should refuse or neglect to comply with the provisions of the License, or the orders of the DISTRICT, the DISTRICT may have such provisions or orders carried out by others at the expense of the LICENSEE. All the terms, covenants and conditions set forth herein are to be strictly complied with by the LICENSEE. Any failure to comply therewith shall be grounds for immediate cancellation of the license.

F. This license is valid only to the extent of DISTRICT jurisdiction. Permits required by other interested agencies shall be the responsibility of the LICENSEE. NOTHING CONTAINED IN THIS LICENSE SHALL BE CONSTRUED AS A RELINQUISHMENT OF ANY RIGHTS NOW HELD BY THE DISTRICT.

21. **TERMINATION:** LICENSEE or DISTRICT may terminate this License at any time and for any reason by giving the other Party written notice of any termination pursuant to this paragraph at least one years' notice prior

to the date of termination. LICENSEE shall perform all necessary removals on or before the expiration of the License.

22. **INCORPORATION OF PRIOR AGREEMENT:** This License contains all of the agreements of the parties hereto with respect to any matter covered or mentioned in this License, and no prior agreement or understanding pertaining to any such matter shall be effective for any purpose.

23. **WAIVERS:** No waiver by either Party of any provisions of this License shall be deemed to be a waiver of any other provision hereof or of any subsequent breach by either Party of the same or any other provisions.

24. **AMENDMENTS:** No provision of this License may be amended or added to except by an agreement in writing signed by the Parties hereto or their respective successor in interest, expressing by its terms an intention to modify this License.

25. **SUCCESSORS:** This License shall inure to the benefit of and be binding upon the heirs, executors, administrators, successors, and assigns of the Parties hereto.

26. **PROVISIONS ARE COVENANTS AND CONDITIONS:** All provisions, whether covenants or conditions, on the part of either party shall be deemed to be both covenants and conditions.

27. **CONSENT:** Except as otherwise expressly specified, whenever consent or approval of either Party is required that Party shall not unreasonably withhold such consent or approval.

28. **EXHIBITS:** All exhibits referred to are attached to this License and incorporated by reference.

29. **LAW:** This license shall be construed and interpreted in accordance with the laws of the State of California.

30. **CAPTIONS AND COVER PAGE:** The paragraph captions and the cover page of this License shall have no effect on its interpretations.

31. **SEVERANCE:** If any provision of this License is determined to be void by any court of competent jurisdiction, then such determination shall not affect any other provision of this License, and all such other provisions shall remain in full force and effect provided, however, that the purpose of the License is not frustrated. It is the intention of the Parties hereto that if any provision of this License is capable of two constructions, one of which would render the provision void and the other of which would render the provision valid, then the provision shall have the meaning which renders it valid.

32. **NOTICES:** Any notice, demand, request, consent, approval, or communication that either Party desires or is required to give to the other Party or any other person shall be in writing and either served personally or sent by United States, postage prepaid, first-class mail, certified or registered, return receipt requested. 34. **VENUE:** The Parties acknowledge and agree that this License was entered into and intended to be performed in San Bernardino County, California. The Parties agree that the venue for any action or claim brought by any party to this License will be the Superior Court of California, County of San Bernardino. This License shall be construed and interpreted in accordance with the laws of the State of California.

This paragraph shall not apply to those costs and attorneys' fees directly arising from any third party legal action against a Party hereto and payable under Paragraph 16, INDEMNIFICATION and those arising from DISTRICT's collection efforts (whether prior to or as a result of a court action) due to non-payment of the fee or any other amounts overdue under this License.

If this License is terminated according to this provision, the DISTRICT is entitled to pursue any available legal remedies.

38. **INTERPRETATIONS:** As this License was jointly prepared by both Parties, the language in all parts of this License shall be construed, in all cases, according to its fair meaning, and not for or against either Party hereto.

39. **DISCLOSURE:** All information received by the DISTRICT from any source concerning this License, including the License itself, may be treated by the DISTRICT as public information subject to disclosure under the provisions of the California Public Records Act, Government Code section 6250 et seq. (the "Public Records Act"). LICENSEE understands that although all materials received by the DISTRICT in connection with this License are intended for the exclusive use of the DISTRICT, they are potentially subject to disclosure under the provisions of the Public Records Act. In the event a request for disclosure of any part or all of any information which a LICENSEE has reasonably requested DISTRICT to hold in confidence is made to the DISTRICT, the DISTRICT shall notify the LICENSEE of the request and shall thereafter disclose the requested information unless the LICENSEE, within five (5) days of receiving notice of the disclosure request, requests nondisclosure,
