

SIDE LETTER AGREEMENT

Effective upon the San Bernardino County Human Services Program Integrity Division (PID) becoming certified by the California Commission on Peace Officer Standards and Training (POST) as a POST Certified agency, the probationary period for the following classifications shall be 2,080 service hours.

- Supervising Fraud Investigator II
- Supervising Fraud Investigator I
- Fraud Investigator

Employees who are hired into one of the above classifications prior to PID becoming POST certified, and who have not completed their probationary period upon the effective date of PID becoming POST certified, shall be grandfathered and subject to the current 1,600 service hour probationary period. For example, an employee is hired by PID as a Fraud Investigator and begins work on September 28, 2019. On January 1, 2020 PID becomes a POST certified agency. Because this employee was hired prior to PID becoming POST certified the employee would be grandfathered and subject to a 1,600 service hour probationary period. In this example, the employee's probationary period would end on or about July 3, 2020.
