

ENTRY PERMIT AND SITE LICENSE FOR TELECOMMUNICATIONS CABLE

Permission is given to **SOUTHERN CALIFORNIA EDISON** ("SCE") to enter upon the building/premises owned by **COUNTY OF SAN BERNARDINO**, located at **8303 Haven Avenue, Rancho Cucamonga, CA 91730** for the purpose of installing and thereafter maintaining fiber optic cable and telecommunications equipment as described on Exhibit "A".

PURPOSE: Site license to permit the installation and periodic maintenance of fiber optic cables and telecommunication equipment in the areas of the building and pursuant to the specifications attached hereto as Exhibit "A".

TERM: This permit is effective on the date signed by the property owner below and shall run until terminated by either party as set forth below.

FEE: Consideration: Gratis and other valuable consideration, receipt of which is hereby acknowledged.

ACCESS: Carriers shall access the premises during normal business hours and shall provide the underlying ownership or its representative with reasonable advanced notice.

TERMINATION: This permit is revocable by either party upon one hundred eighty (180) days prior written notice. Upon termination, Carriers shall remove the subject equipment or may, (subject to the consent of the owner) abandon such facilities in place.

COMPLIANCE WITH LAW: Carriers shall comply with all applicable permits and laws in the conduct of its activities.

Construction Notes

ECS cable located along Haven on the west side of the building but existing conduit to buildings MPOE is on the east side of the building creating a potential additional footage of trench/bore. Project will require easement acquisition as well. Tap on Manhole 9300328 and bore from Haven to Aspen. Intercept & utilized existing Customer conduit to the MPOE.
