Project Narrative

San Bernardino County is the largest county in the contiguous United States. Crime victims often live many miles from the nearest victim witness service center in dense sprawling urban communities, remote isolated desert areas, and insular mountain ranges hours from the nearest courthouse or victim services center. Field visits are conducted by the victim advocates where all mandatory and optional services, under California Penal Code 13835, are offered to victims who are unable to reach a victim services center due to lack of transportation, a medical condition, or limiting physical mobility. Funding will allow the Bureau of Victim Services to maintain and improve the services provided to victims.

The Bureau of Victim Services advocates working under the Victim/Witness Assistance program grant allocate 100% of their time to the Victim/Witness Assistance program. Victim advocates are highly qualified, well trained professionals that have met the mandatory educational requirements. They advise clients of their rights as victims under Marsy's Law and provide trauma informed services such as applying for assistance through the California Victim Compensation Board program, emergency relocation, temporary lodging, funeral/burial assistance and court accompaniment.

The primary program goal of the San Bernardino County District Attorney's Bureau of Victim Services is to provide mandatory services expeditiously to victims of all crime types to minimize the terrible impact of crime upon the victim. Assistance includes crisis intervention and conducting field visits to aid

Subrecipient: County of San Bernardino DA Subaward #: VW19 38 0360

victims living in remote areas who do not have the ability to reach a center. To accomplish our goal of providing comprehensive assistance to crime victims, advocate staff are assigned to all District Attorney offices, the Children's Assessment Center of San Bernardino, Arrowhead Regional Medical Center Emergency Room and the San Bernardino County Sheriff's Department Headquarters. The victim advocates are assigned to general prosecution felony and misdemeanor units as well as specialized prosecutorial units that are primarily focused on crimes related to human trafficking, gangs, elder abuse, family violence, crimes against children, cold case, parole unit, and major crime units.

The District Attorney's Information Technology Department developed and maintains a comprehensive database (CRM) which tracks the number of victims assisted and types and number of services provided in compliance with the requirements set forth by the Office of Victims of Crime (OVC) for the Performance Measurement Tool. The database will be used to track services provided to victims and the performance measures can be easily collected from the database. The supervising victim advocates, victim advocates and office assistants update the database each time contact is made with a victim and services have been provided. For each victim, the database contains their name, address, e-mail address, telephone number, date of birth, crime type and services provided. Any supervisor, victim advocate or office assistant that has contact with a victim will be able to immediately identify when and what

type of previous contact has been made and what services have been provided to that victim. The information will be used for reporting performance measures for the grant. Supervisors can monitor the database for quality assurance and run reports as needed for performance measures. Caseloads are monitored throughout the grant year to assess needs and determine where advocates are needed.

Referrals to our program are received by police departments, sheriff's substations, fire departments, Loma Linda University Children's Medical Center, the Children's Assessment Center of San Bernardino, various local hospitals, Children and Family Services, Adult Protective Services, city and county schools, and deputy district attorneys from all regional offices. Our services also extend to the Native American community; Services are offered to the Chemehuevi, Mohave and San Manuel tribes.

Victim advocates will continue to provide all mandatory and optional services to victims including crisis intervention, referrals to other agencies, orientation to the criminal justice system to include case updates and providing court accompaniment and assisting the victim in completing the California Victim Compensation Board program application. Victim advocates work closely with court staff, law enforcement, staff from the Department of Motor Vehicles, the District Attorney's Restitution and Victims of Crime Claims units, to assist the victim with various services to lessen the impact of the crime. All Victim advocates have, and new advocates will, complete the Cal-OES mandated

Subrecipient: County of San Bernardino DA Subaward #: VW19 38 0360

crisis response training, Critical Incident Stress Management, Compassion Fatigue, as well as other trainings to improve their skills and trainings that lessen the impact of secondary trauma. Outreach activities will continue to be conducted on a regular basis, victim advocates will attend meetings and events at local colleges, community centers, senior centers, town hall meetings, County fairs, local civic gatherings and Cal OES mandatory events: National Crime Victims' Rights Week and National Night Out.

Volunteers are recruited through the District Attorney website and through the outreach efforts made by our staff at local community centers and at various college campuses. Individuals interested in volunteering contact the volunteer coordinator and are given complete information and instructions as to the process of volunteering and what the volunteering position entails. All prospective volunteers are required to complete an application that is screened by the volunteer coordinator. The volunteer coordinator and a supervising victim advocate will interview the volunteer, asking a series of questions regarding their interest in our program and past experience they have working with victims. The District Attorney's Bureau of Investigations conducts a background check on qualified candidates and the individual is fingerprinted by the San Bernardino County Sheriff's Department. Once the applicant has received clearance they are then required to attend a 4-hour CLETS/Computer use training. The volunteers are then trained on the job and assist by requesting police reports, contacting victims for missing information for claims, updating

Subrecipient: County of San Bernardino DA Subaward #: VW19 38 0360

cases, translating, sending victim contact letters and assisting the victim advocate in court. Volunteers are required to complete a weekly time sheet, which is then approved by their supervisor and submitted to the volunteer coordinator.

Specialized Units Supported by Victim Witness Funding

Major Crimes Advocates

In December 2012, The San Bernardino County District Attorney created the Major Crimes Against Children (MCAC) Unit, which is dedicated to pursuing justice for these most vulnerable victims. Specially selected deputy district attorneys, local law enforcement, victim advocates and medical partners work to ensure that these cases continue to receive the priority they deserve.

Camp Good Grief

Camp Good Grief Special Victims Program was established in March 2005. The 4-day grief camp is for children ages 10-16 who have lost a loved one to a violent crime. The San Bernardino County District Attorney's Office, in partnership with Loma Linda University Children's Hospital, offers this unique four-day camp that provides a relaxed, supportive and safe environment for children to enjoy the typical activities of a summer camp, as well as to have opportunities to work with professionals to share their feelings related to their loss, learn new ways to cope, and interact with other children and teens in an atmosphere of love and acceptance.

Subrecipient: County of San Bernardino DA Subaward #: VW19 38 0360

A future goal for FY 19/20, our office is seeking approval to place a victim advocate at Loma Linda University Children's Hospital to build upon the success of Camp Good Grief, as well as provide victim assistance to crime victims admitted to the hospital's ER and trauma center. Our office intent is for the Loma Linda advocate to model our advocate staff at Arrowhead Regional Medical Center.

Children's Assessment Center Advocates

The Bureau of Victim Services has staff assigned to the Children's Assessment Center of San Bernardino. A supervising victim advocate, three victim advocates, and an office assistant have been placed in this critical location to provide intake work and mandatory services to children who are victims of physical and sexual abuse. The advocates and office assistant participate in the bi-weekly case review meetings.

Arrowhead Regional Medical Center Advocate

The Victim Services program at the county's Arrowhead Regional Medical Center (ARMC) was established in 2007. ARMC is the county's leading trauma center and a critical location for Victim Services because it allows victim advocates to be on hand immediately when crime victims are admitted to the emergency room. While assigned to the ARMC, the victim advocate can quickly identify and assist as many victims as possible, including unserved/underserved LGBTQ and elderly victims. Initially, a victim advocate was placed in the emergency room at ARMC, and then a second advocate

Subrecipient: County of San Bernardino DA Subaward #: VW19 38 0360

was added in 2011. To reach a broader area of victims, the second advocate was moved to the high desert regional office where the advocate was able to reach and provide services to even more victims.

Family Violence Advocates

The San Bernardino County District Attorney's office has three family violence units. Victim advocates are assigned to each of these units that are in our San Bernardino, Rancho Cucamonga and Victorville offices. They have many duties including assisting victims of child molestation and domestic violence, and unserved/underserved victims such as victims of elder abuse. The cases are filed by family violence attorneys and all cases are vertically prosecuted with the advocate remaining with the victim beginning with pre-trial and following through to post-trial.

Gang Prosecution

The District Attorney's office has gang prosecution units throughout the county where specially trained prosecutors seek gang-enhanced charges whenever possible, which increases the penalty against the offenders. Victim Services has victim advocates assigned to gang prosecutorial units, providing services to victims at all stages of prosecution. The gang advocates work closely with the gang attorneys and gang officers, assisting these victims who are difficult to get to court due to fear and intimidation by the gangs. The victim advocates attend monthly meetings to share information with law enforcement, Probation, Corrections and other agencies that handle gang crimes.

Domestic Violence

In October 2004, the family violence unit was created. Within the unit, domestic violence advocates provide a full range of victim services to all victims of domestic violence. These advocates attend quarterly Family Violence Unit meetings. High desert advocates work with tribal members at the Fort Mojave Domestic Violence Shelter in Needles and the Drop-In Center at the Chemehuevi Indian Tribe Reservation. As mentioned earlier, these advocates are specially trained to understand and work with the cultural issues of this unserved/underserved community, and they have a close working relationship.

Special Victims K-9 Unit

In June 2015, the District Attorney's office established a Special Victims K-9 Unit. Two victim advocates from our existing staff are the primary handlers of our specially trained facility dogs. The facility dogs are used to provide support to children and reduce the fears that a child has about participating in the criminal justice system. We are currently using the facility dogs to provide support to children during meet and greets in the District Attorney's Office and when they are interviewed in preparation for court. In August 2015, the facility dogs and their handlers/victim advocates were trained to provide support to children in the courtroom when they are required to testify in court. The facility dogs have been successful in providing support to children in both juvenile and adult court as well as responding to mass critical incidents. Our goal for FY

Subrecipient: County of San Bernardino DA Subaward #: VW19 38 0360

19/20 will be to add an additional K9 facility dog and handler to support the increasing demand.

Human Trafficking Prosecution Unit

The District Attorney's office established the Human Trafficking Prosecution Unit (H.T. Unit) in February 2013. The H.T. Unit works closely with the Coalition Against Sexual Exploitation (C.A.S.E.), local law enforcement, school districts and non-governmental victim-support agencies to ensure that no case of human trafficking or sexual exploitation goes unreported to law enforcement.

Advocates are regionally assigned and are responsible for providing comprehensive services to all victims of human trafficking to include victims who are foreign national, legal permanent residents, and commercially sexual exploited children. Additionally, our advocates are trained to assist HT victims that identify as male and females notwithstanding binary designation or identification.

Lifer Parole Unit

On January 6, 2013, the District Attorney created the lifer parole unit. The lifer parole unit is responsible for attending all post-conviction parole hearings within the state of California. The hearings are conducted in person at the inmate's assigned penal institution or telephonically at our regional offices upon request of the victim. Recognizing the special needs for victims requiring post-conviction court support during parole hearings, an advocate is regularly deployed to penal institutions to assist victims at parole hearings. The lifer unit

Subrecipient: County of San Bernardino DA Subaward #: VW19 38 0360

advocate has traveled to various department of correction institutions, provided court support to help reduce and prevent new traumatic experienced to our victims.

MVA Components

Crisis Response Plan

On March 23, 2018, the District Attorney's Office established and developed a completed crisis response plan and protocol. The plan contains structured provisions related to need assessments, emergency assistance, resource and referral, and advocate mobilization protocols within the District Attorney's office. Additionally, the plan highlights advocate responses and advocate/officewide expectations before, during, and after a critical incident of mass violence. Moreover, our plan provides guidance on responding with, and providing mutual aid, for neighboring victim witness assistance centers, the California Victim Compensation Board program and Cal OES. Our plan and protocols will be reviewed yearly for updates and reviewed for revisions, best practices, and emerging trends by the Victim Services Bureau Chief and the Assistant Chief.

Mutual Aid Memorandums and Memorandums of Understanding

The District Attorney's office does not have operational mutual aid memorandums and memorandums of understanding with community partners and stakeholders at this time. However, we are a part of the CCVAA Southern Regional Crisis Response Team that includes the following counties: Riverside, San Diego, Orange, and Imperial counties. Meetings are held quarterly. Our goal is to

Subrecipient: County of San Bernardino DA Subaward #: VW19 38 0360

have mutual aid agreements and memorandums of understandings in place with sister counties for FY 19/20.

MVA Outreach and Community Events.

Our MVA, management, and supervisory advocate staff are actively conducting community outreach and participate in community meetings related to critical incidents of mass violence. For example, during FY 18/19, our team attended regular meetings with the San Bernardino County Sheriff Coroner's Office, San Bernardino Unified School District Police Division, San Bernardino County Office of Emergency Services, and the Department of Behavioral Health. All within the context of critical incidents of mass violence. Our team successfully provided presentations on crisis response, under the umbrella of victim services, and obtained invaluable community partnerships that we intend to incorporate in our regional crisis response team meetings. We anticipate building stronger professional bonds with the above- mentioned agencies.

MVA Presentations

During this fiscal year, MVA presentations included the following: University of Redlands Police Dept, California State University Police Department, Loma Linda University and the United Way of the Inland Empire 2-1-1.

MVA Funding

During FY 18/19, MVA funding was used to maintain go-bags. The go-bags, in the event of a crisis, will be used to provide deployed advocates with essential items they may need for personal and professional comfort for themselves as

Subrecipient: County of San Bernardino DA Subaward #: VW19 38 0360

responders. The purchased items included the following: tactical clipboards, writing utensils, cellular/smart phone mobile charging devices, eye nose and ear protection, personal hygiene cleansers, mylar blankets, and water beverage containers.

Funding was also used to provide in-house training courses to advocate staff, and future funding will also be utilized accordingly. During the current reporting period, MVA funding was utilized to train our team with the following: Critical Incident Stress Management, Compassion Fatigue, Burnout and Self-Care, and Death Notification Training.

MVA Emergency Fund

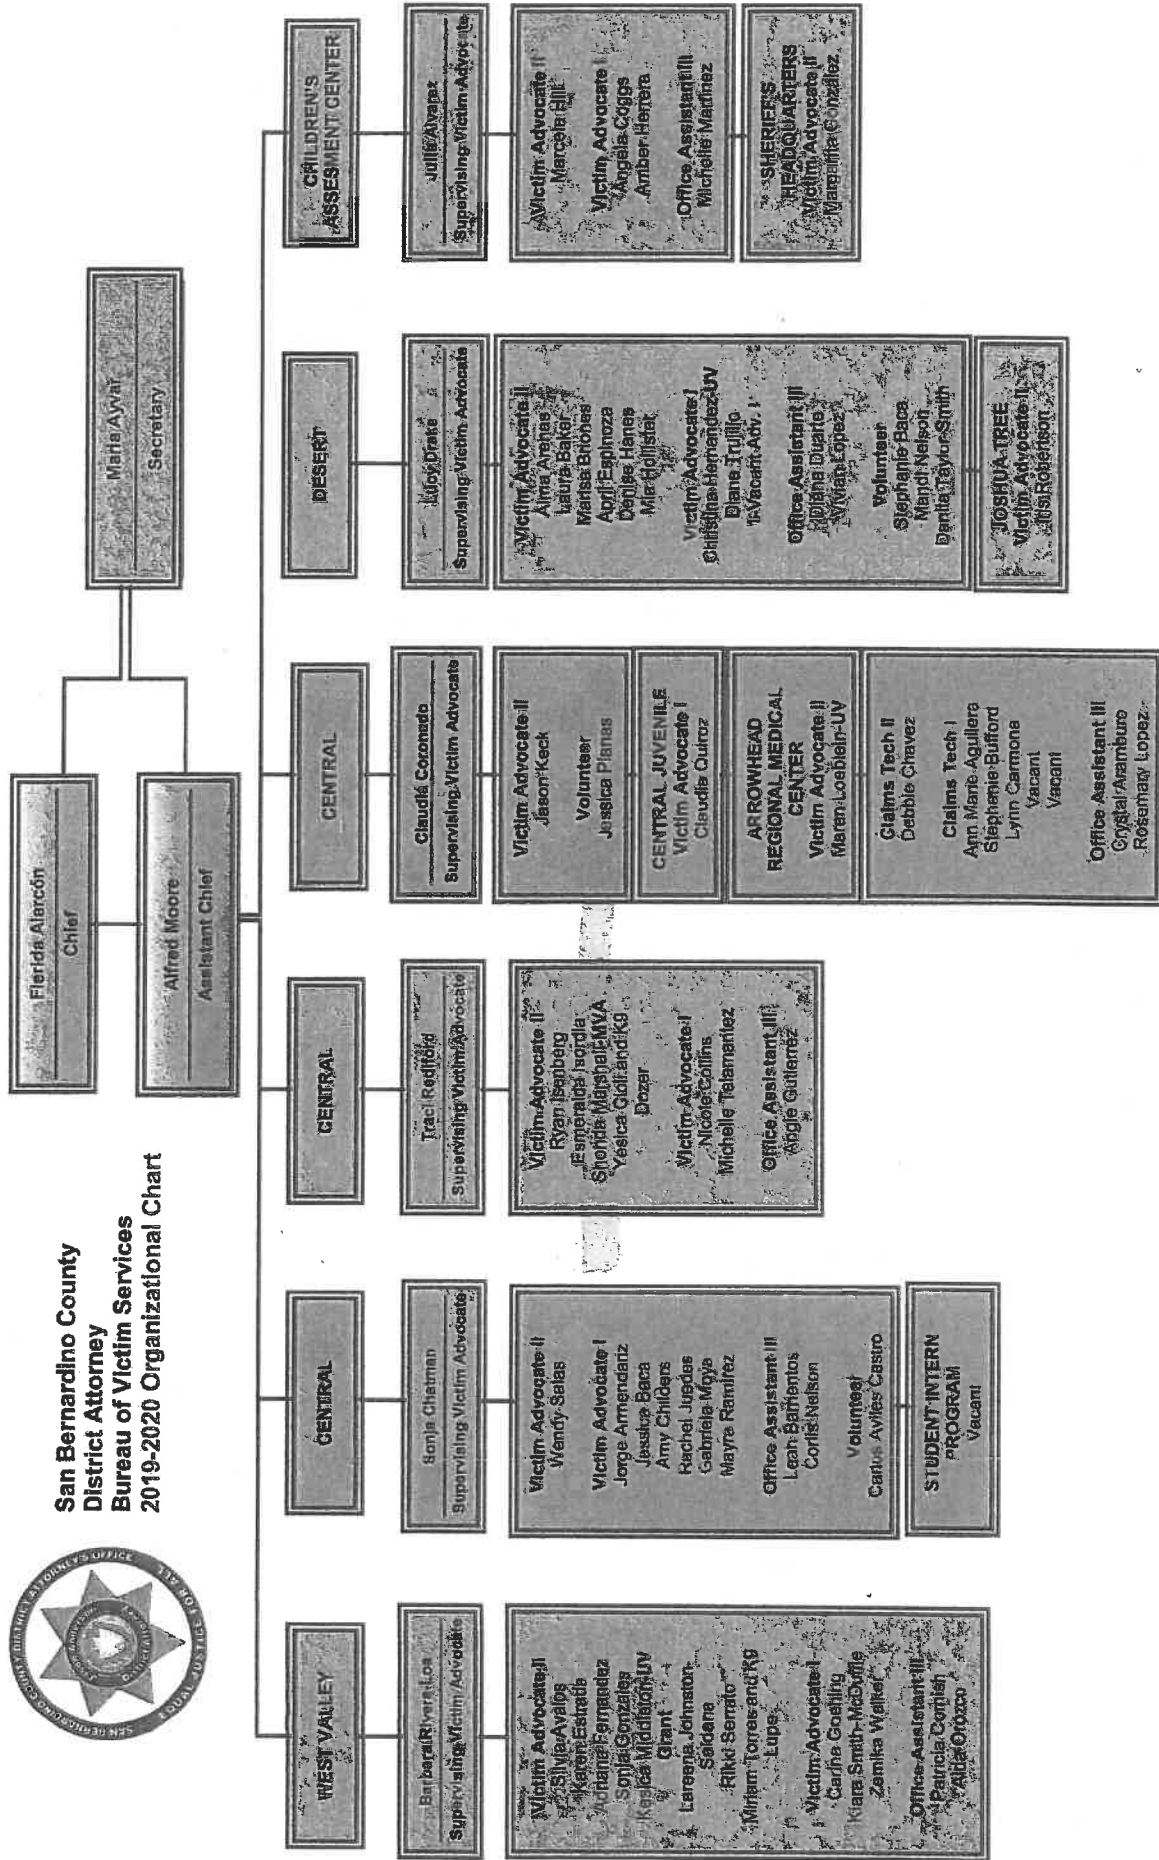

The office is not requesting to establish an MVA emergency fund at this time as we already have an emergency fund line item in the overall VW grant budget.

MVA Trainings

The MVA has attended the following training: San Francisco Mass Casualty Summit, Critical Incident Stress Management, Death Notification and Compassion Fatigue, Burnout and Self-Care. The MVA and relevant advocate staff have received CCVAA Entry Level and Advanced Advocate Training and are scheduled to attend the CCVAA Crisis Response Training.

MEMORANDUM

DATE: September 27, 2019 **PHONE:** (909) 382-3870
FROM: ALFRED MOORE
ASSISTANT CHIEF, BUREAU OF VICTIM SERVICES
TO: CASSANDRA BURGESS-ALEX
PROGRAM ANALYST, CAL OES

SUBJECT: Justification for Request to Purchase Vehicle
Cal OES 2019 Victim Witness Program Grant Application

The Office of the District Attorney, Bureau of Victim Services (BVS) requests \$40,000 of funding to purchase a sport utility vehicle (SUV) in the 2019 Victim Witness Program grant application. The purpose of the vehicle is to safely transport a third facility dog that will be purchased in the fall of 2019. The dog and handler will be assigned to serve victims and witnesses in the High Desert region of San Bernardino County.

Currently BVS offers an innovative facility dog program with two dogs that provide an enhanced level of service to crime victims and witnesses. They serve as quiet companions for child victims and witnesses during forensic interviews, courtroom proceedings, and sensitive legal meetings between the Deputy District Attorneys and victims.

Trained handlers (Victim Advocate IIs) care for the dogs and each is assigned a Sport Utility Vehicle (SUV) that are outfitted for their safe transportation. The vehicles are a critical component to safely transport a valuable County K9 asset. If granted funding for a vehicle, BVS will coordinate the purchase through the County's Fleet Management department and follow the County's established procurement procedures.

MEMORANDUM

DATE: September 27, 2019 **PHONE:** (909) 382-3870
FROM: FLERIDA ALARCON
CHIEF OF BUREAU OF VICTIM SERVICES
TO: CASSANDRA BURGESS-ALEX
PROGRAM ANALYST, CAL OES

SUBJECT: Justification for Request to Purchase Furniture
Cal OES 2019 Victim Witness Program Grant Application

The Office of the District Attorney, Bureau of Victim Services (BVS) requests \$54,800 of funding for four furniture and configuration projects. Three of the projects are located at the central office at 303 West 3rd Street in San Bernardino, CA. The fourth project is located at Loma Linda University Children's Hospital (LLUCH) in Loma Linda, CA.

The first project is to purchase furniture and reconfigure the public lobby to create a welcoming space for victims and witnesses of crimes. The second project is to purchase furniture and small appliances to provide a beverage station for victims and witnesses. The third project is to purchase furniture and reconfigure the break room for BVS staff. Below is a description and estimated cost of each project. The fourth project is to install furniture in an office space provided by LLUCH at their facility for one of our Victim Advocate IIs to assist child victims.

Public lobby reconfiguration and new furniture

BVS requests funding to purchase better furniture and reconfigure the space to create a welcoming environment in the lobby. The existing furniture and space configuration do not provide confidentiality or a protective environment where victims or witnesses can discuss their cases. In addition, there is not a child-friendly area for children waiting with their parent or guardian.

Project cost

A County-contracted vendor provided an informal quote of \$35,000 for the project. It was determined that Victim Services would request funding of \$20,000 based on the number of victims and witnesses that come to the central office for meetings and to prepare for Court. The remaining cost will be paid from the DA's general fund budget.

Beverage center furniture and small appliances

BVS requests funding to create a beverage and snack station. When victims of crime and witnesses come to our office for meetings or to prepare for Court, staff can offer a hot or cold beverage and snacks for the children.

Project cost

A County-contracted vendor provided an informal quote of \$7,000 for the project.

Breakroom Reconfiguration

BVS requests funding to purchase suitable furniture and storage cabinets and reconfigure the small breakroom used by staff. The room is 9' x 10' and the reconfiguration will maximize space to accommodate seating, tabletop, water cooler, storage, and refrigerator.

Project cost

A County-contracted vendor provided an informal quote of \$13,000 for the project.

Office furniture for Advocate assigned to LLUCH

BVS requests funding to install furniture and to outfit an office that will be provided by LLUCH for a DA Victim Advocate II. Furniture for a waiting area will also need to be purchased. The Victim Advocate II will provide services to child victims or child witnesses of crime and their families.

Project cost

Costs are estimated at \$14,800 based on a similar project completed by the DA's office in 2019. Office furniture is estimated to cost \$8,500 and waiting room furniture is estimated to cost \$6,300.
