16.0207A Booking or Other Processing Services.

A criminal justice administrative fee for booking or other processing in the maximum amount of \$102.42 is imposed. The fee is imposed upon a city, special district, school district, community college district, college, or university for each person arrested by an employee of that entity and brought to a County detention facility or jail for booking or detention. For purposes of this subsection, an "employee" shall include any person making an arrest on behalf of an agency enumerated above, including those arrests made on behalf of an agency contracting for law enforcement services with the County. The criminal justice administrative fee shall apply to any arrest attributable to an above-specified entity where an arrestee is brought to a County detention facility or jail for booking or detention.

The criminal justice administrative fee shall only apply to original or "fresh" arrests, and shall not apply to holds placed, commitments, warrants, remands, bail bond surrenders, enroutes (temporary holds placed by agencies transporting prisoners), temporary detention at a court facility where the arrestee has been previously booked at a County detention facility, orders of production, orders of return, rollups (inmates returning from work release), or escapees from county, state or federal detention or corrections facilities. The criminal justice administrative fee shall not be charged when multiple law enforcement agencies participate in a particular arrest and one of the agencies is the San Bernardino County Sheriff's Department not acting on behalf of a contract law enforcement city, or when a formal task force, as defined by Government Code section 29550(b)(8), has made the arrest, or where an arrest is made during any riot, disturbance, or event that is subject to a declaration of state of emergency by the Governor, or where such fee is otherwise prohibited by law.

The criminal justice administrative fee shall apply to all applicable booking or other processing services rendered on or after July 1, 1990. The County shall prepare

1 and send invoices to each city, special district, school district, community college
2 district, college, or university, and said invoices shall include the name of each arrestee
3 for which an agency is billed and the date(s) the services were provided. An invoice
4 shall be due and payable 30 days after the date of the invoice. Delinquent fees may be

To encourage the entrance into County waste facilities of loads that are

properly secured or covered pursuant to applicable State or local laws and in deflection of the additional costs incurred because of waste escaping such vehicles, loads brought to such facilities which are not properly secured or covered will be required to pay an additional Solid Waste Management Disposal Site Fee equal to the normal applicable disposal gate fee (including any applicable perchlorate add-on fee) for such waste. This will apply to both minimum and per ton loads, and also loads which would otherwise pay no gate fee, given the payment of a Land Use Fee pursuant to the provisions of Section 16.0222(c).

(b) Fee Adjustments:

Whenever use of a disposal site financed by land use fees is restricted by order of the Board of Supervisors and refuse is thereby hauled to other sites, the Board of Supervisors may permit acceptance of such refuse without charge at the receiving sites.

(c) Solid Waste Management Disposal Facility Fees:

- (1) The following annual refuse disposal land use fees, based on the County Assessor's Land Use Codes, shall apply in the following areas. Where the Land Use Fee for any Use Code contains a schedule of fees based on the building size or number of dwelling units per parcel, but the relevant data base does not disclose sufficient building size or unit information to determine the correct category for a particular parcel, said parcel shall be charged as though it were the third smallest sized category if there are five or six size categories. If paid, such land use fees shall constitute, relative to ordinary refuse (excluding demolition waste, tires and hard to handle and special handling items) generated on the parcel of property for which the fee is paid, payment of the ordinary refuse per ton fee as set forth in Subsection 16.0222(a)(1), and the passenger/light use vehicle and trailer fee as set forth in Subsection

10		the extent applicable, any surcharges as set forth in Subsection	
11		16.0222(h).	
12	(d)	Contracts with Cities or Other Users of the Refuse Disposal Sites:	
13		Notwithstanding any other provision of this Section 16.0222, the method of	
14		calculation of the disposal facility usage fee owed by a city or any other user of a	
15		refuse disposal site may be established by written agreement between such city	
16		(or other user, as the case may be) and the County. Upon expiration or	
17		termination of any such written agreement, the disposal facility usage fee	
18		otherwise set forth in the appropriate subsection of this Section 16.0222 shall

20	(e)	Septic Tank Pumping:

26	(f)	Disposal Fee:	
27		Each refuse hauler using a County disposal facility that does not levy a fee at

8 and computed at the current rate per ton charged at the refuse disposal
9 site located nearest to said City.

10 Current California Department of Finance population estimates for each city
11 shall be used as a basis for determining the population of each city. Per capita
12 rates, when requested, shall be available only to haulers serving cities having
13 contract use agreements with the Solid Waste Management Division. Payment
14 of the permit fee shall not constitute payment of any fee required in section
15 16.0222 for the disposal of tires or the handling of hard-to-handle or special
16 handling items.

17 (g) Contractually Set Disposal Fee:

18 Notwithstanding the provisions of Subsection 16.0222(f), the method of
19 calculation of the permit fee set forth in Subsection 16.0222(f) and the entity
20 obligated for the payment thereof may be established by written agreement
21 between any city and the County. Upon expiration or termination of any such
22 written agreement, the permit fee as provided in Subsection 16.0222(f) shall
23 again be applicable.

24 (h) Alternative Charges and Surcharges to the Per Ton Solid Waste Management
25 Disposal Site Fees and the Land Use Solid Waste Disposal Facility Fees:

27 than 300 pounds of refuse (excluding tires) for disposal shall pay a

15	to in this subsection as “Department”):	
16	An initial deposit is required for each actual cost service or process. The initial	
17	deposit is as specified in the code. If no amount is specified, the initial deposit is	
18	the Department's initial estimate of the actual cost of the service or process.	
19	The Department may revise its estimate at any time during the processing of the	
20	project. If a revised estimate is higher than a previous estimate, the Department

27	appealable. Each estimate shall be a good faith attempt to determine the	
28	probable actual cost of the service or process, based on the nature of the	

project, the department's experience in processing similar services or processes, and applicable rates. Initial deposits and any additional deposits for all services or processes related to a project shall be placed and combined into a Project Trust Account. Such combined deposited funds will be utilized as the source of payment for any flat fee service, security deposit, or actual cost service on that project. In addition, deposits may also be placed in a Developer Deposit Account. Deposited funds in a Developer Deposit Account may be used by an individual or entity to fund various Project Trust Accounts.
