12	(3) Deposits for Developer Deposit Accounts and Project Trust Accounts:	
13	An initial deposit is required for each actual cost service or process. The	
14	initial deposit is as specified in this ordinance. If no amount is specified,	
15	the initial deposit is the San Bernardino County Flood Control District's	
16	initial estimate of the actual cost of the service or process. The San	
17	Bernardino County Flood Control District may revise its estimate at any	
18	time during the processing of the service or process. If a revised estimate	
19	is higher than a previous estimate, the San Bernardino County Flood	
20	Control District may require an additional deposit. Notice of any required	
21	additional deposit shall be mailed (including email) to the applicant. The	
22	notice shall include the date by which the deposit must be made, and shall	
23	inform the applicant that unless provision for payment is made by the date	
24	specified, the application will be deemed denied without prejudice, without	
25	further action by the San Bernardino County Flood Control District. Any	
26	such denial without prejudice is not appealable. Each estimate shall be	
27	the result of a good faith attempt to determine the probable actual cost of	
28	the service or process based on the nature of the project, the District's	

1 experience in processing similar services or processes, and applicable
2 rates. In addition, the Flood Control Engineer or designee has the
3 authority, with agreement of the applicant, to increase or decrease the
4 required initial deposit amounts based on the complexity of the service or
5 process. Initial deposits or any additional deposits for all services or
6 processes related to a project shall be placed and combined into a Project
7 Trust Account. Such combined deposited funds will be utilized as the
8 source of payment for any flat fee service, security deposit, or actual cost
9 service on that project. In addition, deposits may also be placed in a
10 Developer Deposit Account. Deposited funds in a Developer Deposit
11 Account may be used by an individual or entity to fund various Project
12 Trust Accounts.

13 (4) Applicant's obligation to pay actual cost:

14 The applicant shall pay the actual cost of the project, regardless of any
15 estimate; except that the applicant is not obligated for costs incurred after
16 the applicant delivers to the San Bernardino County Flood Control District
17 either an unconditional written withdrawal of the application, or a written
18 notice to stop work which includes a waiver of any applicable time limits
19 for processing the application.

20 (i) Returned check fee:

- 21 (1) A fee of \$25.00 per item shall be charged for each negotiable item
22 returned unpaid by the drawn financial institution for any reason, including,
23 but not limited to, non-sufficient funds or closed accounts.

24 (j) Waiver/refund of fees:

- 25 (1) Except as otherwise provided by law, the San Bernardino County Flood
26 Control District Board of Supervisors, by Board action, can waive, defer
27 payment of, or refund any fee set forth in this ordinance or any other fee
28 levied by the Flood Control District provided one of the following

conditions is met:

- (A) The service for which the fee was levied has not and will not be performed; or
- (B) The fee was collected in error; or
- (C) For other good cause shown, provided such waiver/refund would serve a San Bernardino County Flood Control District purpose.

(2) Subdivision (2) is effective the date the ordinance is effective. In the event of a disaster, or other good cause shown to serve a San Bernardino County Flood Control District purpose, the Chief Flood Control Engineer may defer payment of, waive, or refund any fee set forth in this ordinance or any other fee levied by the San Bernardino County Flood Control District provided all of the following conditions are met:

- (A) Exigent conditions exist whereby obtaining Board approval of the fee waiver/refund/deferral would not be immediately feasible; and
- ~~(B) The amount of the waiver/refund would not exceed \$3,000 per event; and~~
- ~~(CB)~~ The San Bernardino County Flood Control District receives concurrence from the County ~~Administrative~~ Chief Executive Officer.

(3) The Chief Flood Control Engineer, or designee, may refund any fee or deposit set forth in this ordinance provided one of the following conditions is met:

- (A) The service for which the fee or deposit was levied has not and will not be performed; or
- (B) The fee or deposit was collected in error; or
- (C) Unused deposit monies remain on actual cost projects when all charges for the project have been recorded.

(4) ~~Agencies with an elected board and cities are exempt from the filing fees~~
