What is Phase 2?

#SBCountyTogether

Serving **you** during COVID-19

State of California Phase 2 Reopening Standards

**County openings dependent on state guidelines to be shared on Thursday, 5/7. All information below obtained from Governor Newsom's press release on 5/4.*

Early Phase 2 (starting Friday)

Opening of some retail, manufacturing, and logistics businesses that comply with all modifications that lower the risk of transmission, including curbside pick-up.

Early Phase 2 openings Include (as examples):

Bookstores
Clothing stores
Florists
Sporting goods stores

Early Phase 2 openings don't include (as examples):

Offices (can telework)
Seated dining at restaurants
Shopping malls

Timeline to move through Phase 2 and into Phase 3

**All information below obtained from Governor Newsom's press release on 5/4.*

- The timeline for how quickly we move through Phase 2 is up to us
- Counties have the ability to move more quickly through Stage 2 if we meet the state's readiness criteria via the creation of a County readiness plan

Recommended Next Steps

- Request staff return to the Board with recommendations following release of the state's guidelines for Phase 2 reopening
- Request staff to finalize the details and logistics surrounding the COVID Compliant Business Partnership Program
- Consider drafting a letter to Governor Newsom for Supervisors and Mayors to sign, asking Governor Newsom to give the County local control and flexibility
