**Briefly describe the general nature of the contract:** *Bloomington Recreation and Park District (BRPD), obtained several grants through contracts with State of California, Department of Parks and Recreation (State) for the existing Ayala Park property. As a condition of replacing the existing Park property with State grant funds, BRPD is statutorily required to enter into the Agreement with the State to establish the terms for the replacement Park property, which requires a deed restriction on the replacement property to be owned by BRPD and be bound to the same restrictions of those contracts in the original State grants.*
