2. University liability insurance only covers students, faculty and staff on University property, and not in Probation or County school facilities. University employees and students are approved Probation Volunteers, and have received confidentiality training.
3. Probation employees performing services covered under this Agreement are San Bernardino County employees. Employees of University, The Beat Within and Schools are their respective employees only and are not to be considered employees of Probation in performing any services under this Agreement. University students are also not to be considered employees of Probation in performing any services under this Agreement.

B. THE BEAT WITHIN and UNIVERSITY

1. Additional Insured

All policies, except for Worker's Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming the County and its officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder. The additional insured endorsements shall not limit the scope of coverage for the County to vicarious liability but shall allow coverage for the County to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

2. Waiver of Subrogation Rights

The Beat Within and University shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit The Beat Within's employees or agents from waiving the right of subrogation prior to a loss or claim. The Beat Within and University hereby waives all rights of subrogation against the County.

3. Policies Primary and Non-Contributory

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.

4. Severability of Interests

The Beat Within and University agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between The Beat Within, University and the County or between the County and any other insured or additional insured under the policy.

5. Proof of Coverage

The Beat Within and University shall furnish Certificates of Insurance to the County Department administering the Agreement evidencing the insurance coverage at the time the Agreement is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to Probation, and The Beat Within and University shall maintain such insurance from the time The Beat Within and University commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this Agreement, The Beat Within and University shall furnish a copy of the Declaration page for all

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

8. Failure to Procure Coverage

In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to cancel the Agreement or obtain insurance if it deems necessary and any premiums paid by the County will be promptly reimbursed by The Beat Within or County payments to The Beat Within and University will be reduced to pay for County purchased insurance.

9. Insurance Review

Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this contract. The Beat Within agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

10. The Beat Within and University agrees to provide insurance set forth in accordance with the requirements herein. If The Beat Within uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, The Beat Within agrees to amend, supplement or endorse the existing coverage to do so.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

- a) Workers' Compensation/Employer's Liability – A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons

If The Beat Within and University has no employees, it may certify or warrant to the County that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the County's Director of Risk Management.

With respect to Contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

If The Beat Within and University are transporting one or more non-employee passengers in performance of contract services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence.

If The Beat Within and University owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.
