HOSPITAL hereby waives all rights of subrogation against ICEMA.

7.4 Policies Primary and Non-Contributory

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the ICEMA.

7.5 Severability of Interests

HOSPITAL agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the HOSPITAL and ICEMA or between ICEMA and any other insured or additional insured under the policy.

7.6 Proof of Coverage

HOSPITAL shall furnish Certificates of Insurance to the San Bernardino County Department administering the CONTRACT evidencing the insurance coverage at the time the CONTRACT is executed, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not

be terminated or expire without thirty (30) days written notice to the Department, and HOSPITAL shall maintain such insurance from the time HOSPITAL commences performance of services hereunder until the completion of such services. Within fifteen (15) days of the commencement of this CONTRACT, HOSPITAL shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

7.7 Acceptability of Insurance Carrier

Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

7.8 Deductibles and Self-Insured Retention

Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by Risk Management.

7.9 Failure to Procure Coverage

In the event that any policy of insurance required under this CONTRACT does not comply with the requirements, is not procured, or is canceled and not replaced, ICEMA has the right but not the obligation or duty to cancel the CONTRACT or obtain insurance if it deems necessary and any premiums paid by ICEMA will be promptly reimbursed by HOSPITAL or County payments to HOSPITAL will be reduced to pay for ICEMA purchased insurance.

7.10 Insurance Review

Insurance requirements are subject to periodic review by ICEMA. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of ICEMA. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against ICEMA, inflation, or any other item reasonably related to the ICEMA's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this CONTRACT. HOSPITAL agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of ICEMA to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of ICEMA.

7.11 HOSPITAL agrees to provide insurance set forth in accordance with the requirements herein. If HOSPITAL uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, HOSPITAL agrees to amend, supplement or endorse the existing coverage to do so.
