**Briefly describe the general nature of the contract:**

The BSCC is providing \$7 million for local corrections agencies for a statewide mental health training initiative. The funding was distributed on a per capita basis to local sheriff departments, police departments, and probation agencies for mental health related training delivered to their STC-eligible staff. The funds, available through the BSCC, will be distributed in two priority areas:

1. Mental health related training for local corrections staff;
2. Instructor training for the new behavioral health training included in all three STC core training programs (Juvenile Corrections Officer, Adult Corrections Officer, and Probation Officer).
