

PURCHASE AND SALE AGREEMENT

This PURCHASE AND SALE AGREEMENT (this "Agreement") is dated as of _____, 2020 (the "Execution Date"), and is entered into by and between San Bernardino County Flood Control District, a body corporate and politic ("DISTRICT") and the City of Yucaipa, a municipal corporation ("BUYER").

RECITALS

A. DISTRICT and BUYER entered into a Memorandum of Understanding (MOU) dated June 4, 2013 regarding the Wilson III Project ("Basin and Appurtenant Channel Improvements") and the sale of District Property located in the City of Yucaipa.

B. DISTRICT is the owner of the fee simple interest in real property referenced as San Bernardino County Assessor's Parcel Number ("APN") 0303-181-19, consisting of approximately 42.93 acres ("DISTRICT's Property").

C. In accordance with the MOU, the parties desire for the BUYER to purchase from DISTRICT, in fee simple, an approximately 3.24-acre portion of the DISTRICT's Property described on Exhibit "A" (the "Subject Property") as a site for the future development of the Yucaipa City Yard.

D. DISTRICT and BUYER agree that the fair market value of the Subject Property is Eighty-Four Thousand Seven Hundred Fifteen Dollars (\$84,715.00) ("Fair Market Value"), based on an approved appraisal and market study, and BUYER agrees that the purchase of the Subject Property is AS-IS, except as specifically provided in this Agreement

E. The Subject Property will be encumbered by a power of termination, as set forth in the Grant Deed, in favor of the District, limiting the use of the Subject Property to a municipal City yard and prohibiting the sale, lease, or other conveyance of the Subject Property to any person or entity.

NOW, THEREFORE, in consideration of the foregoing, and the terms and conditions of this Agreement, DISTRICT and BUYER hereby agree as follows:

Section 1. Purchase and Sale of Subject Property.

Subject to all of the terms, conditions and provisions of this Agreement and for the consideration set forth below, DISTRICT hereby agrees to sell, convey and transfer to BUYER and BUYER hereby agrees to acquire all of the right, title and interest of DISTRICT in and to the Subject Property.

Section 2. Consideration.

BUYER shall pay to DISTRICT total consideration in the amount of Eighty-Four Thousand Seven Hundred Fifteen Dollars (\$84,715.00) ("Purchase Price") for the Subject Property.

Section 3. Escrow

This transaction shall be completed through an escrow established with First American Title Company ("Escrow Holder") located at 3400 Central Avenue, Suite 100, Riverside, California

92506. Escrow shall be deemed open upon Purchaser's delivery of a fully executed Agreement to the Escrow Holder, which shall occur within ten (10) business days after the Execution Date ("Opening Date").

Section 4. Encroachment Agreement. BUYER and DISTRICT acknowledge that they are parties to a separate Encroachment Permit/Agreement, which permits the Buyer to grade and place equipment on the Subject Property prior to the Closing Date as shown on Exhibit "C". It is a condition to the effectiveness of this Agreement that such Encroachment Permit/Agreement shall be approved, executed and delivered by both parties.

Section 5. Due Diligence Period.

(a) As used herein, the term "business days" means Monday through Friday, except for state and federal holidays. For a period of ten (10) business days commencing from the Date of Execution of this Agreement (the "Due Diligence Period"), BUYER shall have the right to inspect and approve all physical, environmental, legal and any other matters relating to the Subject Property (including zoning, land use and similar public agency or governmental conditions or approvals with respect to ownership, operation and use of the Subject Property) as BUYER may, in BUYER's judgment, elect to investigate at BUYER's cost; and, during the Due Diligence Period, BUYER shall be permitted to make complete physical, environmental, legal and other inspections of the Subject Property (at BUYER's sole cost) and to make and remove copies of any and all records of DISTRICT and files regarding the Subject Property; provided, however, neither BUYER nor any agent or consultant acting on behalf of BUYER shall conduct a Phase II environmental testing, boring, or other entry or disturbance of any sort on the Subject Property without prior notice to and written consent of DISTRICT. If BUYER, in BUYER's sole and absolute discretion, is satisfied with all of the inspections and investigations BUYER elects to undertake as described above, BUYER shall give written notice of such satisfaction to DISTRICT prior to the end of the Due Diligence Period ("Notice of Due Diligence Approval"). If BUYER does not provide a Notice of Due Diligence Approval, BUYER shall have conclusively been deemed to have approved its due diligence investigation of the Property.

(b) Subject to DISTRICT's obligations under California law as a seller of real property to disclose to BUYER all material facts relating to the Subject Property that are known to DISTRICT and not known to BUYER, BUYER shall accept the delivery of possession of the Subject Property (including but not limited to; subterranean structures and soil conditions), in the proposed condition, but otherwise "As Is," "Where is," and "Subject to all Faults" condition. BUYER hereby acknowledges that it has relied solely upon its own investigation of the Subject Property and its own review of such information and documentation as it deems appropriate. BUYER is not relying on any statement or representation by DISTRICT, any employee, official or consultant of DISTRICT relating to the condition of the Subject Property. DISTRICT makes no representations or warranties as to whether the Subject Property presently complies with environmental laws nor whether it shall comply after completion of the activities by BUYER. Furthermore, to the extent that DISTRICT has provided BUYER with information relating to the condition of the Subject Property, DISTRICT makes no representation or warranty with respect to the accuracy, completeness or methodology or content of such reports or information.

(c) Effective as of the Closing Date, subject to DISTRICT's obligations under California law as a seller of real property to disclose to BUYER all material facts relating to the Subject Property that are known to DISTRICT and not known to BUYER, BUYER, on behalf of itself, and its successors, shall, and by the execution of this Agreement, hereby does, forever release

DISTRICT, its officers, directors, agents and employees, and its and their respective successors, of and from any and all losses, liabilities, damages, claims, demands, causes of action, costs and expenses, whether known or unknown, arising out of or in any way connected with the Subject Property, including the condition of title to the Subject Property (and DISTRICT's interest in and ownership thereof) and the environmental, seismic and structural condition of the Subject Property (herein, "Losses").

(d) BUYER expressly waives any rights or benefits available to it with respect to the foregoing release under any provision of applicable law which generally provides that a general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time the release is agreed to, which, if known to such creditor, would materially affect a settlement. BUYER, by the execution of this Agreement, acknowledges that it fully understands the foregoing, and with this understanding, nonetheless elects to and does assume all risk for Losses known or unknown, described in this Section 5 and which are released pursuant to subsection (c) above. Without limiting the generality of the foregoing, THE UNDERSIGNED ACKNOWLEDGES THAT IT HAS BEEN ADVISED BY LEGAL COUNSEL AND IS FAMILIAR WITH THE PROVISIONS OF CALIFORNIA CIVIL CODE SECTION 1542, WHICH PROVIDES AS FOLLOWS:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER, MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

THE UNDERSIGNED, BEING AWARE OF THIS CODE SECTION, HEREBY EXPRESSLY WAIVES ANY RIGHTS IT MAY HAVE THEREUNDER, AS WELL AS UNDER ANY OTHER STATUTES OR COMMON LAW PRINCIPLES OF SIMILAR EFFECT.

BUYER's Initials: _____

(e) This Agreement gives permission to BUYER and its agents and contractors to enter the Subject Property for the purpose of conducting the necessary due diligence. The separate Encroachment Permit/agreement between BUYER and DISTRICT permits other activities of BUYER on the Subject Property prior to the close of escrow. Any other use of the Subject Property by BUYER, its agents and contractors is deemed unauthorized and may, in DISTRICT's sole discretion, be cause for termination of this Agreement if such use by BUYER is not discontinued within five business days after written notice from DISTRICT.

Signature by the Permittee or Permittee's Authorized Agent on Page 1 of this Permit shall indicate the Permittee's agreement to assume all responsibility and to adhere to the Permit terms and fees from the date of Permit issuance.
2. This permit is issued for the sole purpose of rough grading activities only, as depicted on the attached plan "***Exhibit A***" and corresponding SWPPP.

GENERAL PROVISIONS

1. It shall be the responsibility of the Permittee to adhere to all applicable Federal, State and local laws and regulatory requirements. The Permittee shall comply with the District's Stormwater Ordinance 3588 and all applicable National Pollutant Discharge Elimination System (NPDES) requirements to reduce or eliminate pollution of stormwater discharges into waters of the United States. In this regard, the Permittee shall utilize Best Management Practices (BMPs) in the construction and subsequent operation of the permitted activity to prevent any pollutants (including sediment) from being discharged into any storm drain and/or channel systems.

The following items must also be adhered to:

- Appropriate BMPs should be utilized during all phases of work.
 - All pollutant impacts from spills, drips, overspray, and/or other accidental releases to soil shall be mitigated in a timely manner. Mitigation typically includes disposal of impacted soils through appropriate hazardous waste procedures.
 - Upon the completion of the project or portion of the project covered under this Flood Control Permit, all trash and/or debris shall be removed. No waste shall be disposed of in any District facility.
 - Permittee shall, at all times, exercise proper dust control and dust abatement.
2. The use of any District-owned property, easement areas, or areas covered under any agreement involving the District for conservation or mitigation purposes by any entity other than the District is expressly prohibited under this Permit, unless such conservation or mitigation has been specifically listed as an authorized Permit activity on Page 1 of this Permit. This prohibition shall remain in perpetuity regardless of approvals that the Permittee or Permittee's authorized agent may obtain within environmental permits or documents from any and all environmental regulatory agencies prior to issuance of the District's Permit.
 3. The review and inspection fees for this Permit shall be based on the District's Schedule of Fees Ordinance in effect at the time of District review and/or inspection. Upon completion of the permitted activity, the District will compile all District costs as outlined on the appropriate Schedule of Fees. In the event costs exceed the deposit amount, the Permittee will be billed for the overage and hereby agrees to pay such amount to the District. In the event costs are less than deposit amount, the excess will be refunded to the Permittee.

4. The District's Schedule of Fees Ordinance is subject to change by the District Board of Supervisors. The Board typically considers changes in the Schedule of Fees Ordinance to take effect at the beginning of each fiscal year (July 1). Should the borrow fee rate be adjusted at any time during the life of this Permit in accordance with changes to the Schedule of Fees Ordinance, the Permittee shall have the right to continue soil removal based on the new rate or request cancellation of its Permit prior to the effective date of the new rate. Upon cancellation, the Permittee shall be responsible for restoring the work area to the satisfaction of the District prior to vacating District right-of-way. The District shall not be responsible for any impact to contractual obligations the Permittee may have as a result of revisions to the District's Schedule of Fees Ordinance.
5. The term of construction activities shall be completed prior to the Permit expiration date. The District will coordinate an extension(s) to the Permit term upon receipt of a completed Flood Control Permit Amendment Application at least thirty days prior to the expiration date.
6. This Permit is valid only to the extent of the District's jurisdiction. Permits or other approvals required by other agencies or underlying fee owners of District easement lands shall be the responsibility of the Permittee. Nothing contained in this Permit shall be construed as a relinquishment of any rights now held by the District.
7. Should any survey monumentation be located during the course of construction and it is further determined that such monumentation will be disturbed or destroyed during construction, then a Licensed Land Surveyor or Registered Civil Engineer authorized to practice land surveying shall submit a corner record showing pre-construction ties prior to disturbing the monument with the County Surveyor prior to the start of construction. The monuments shall be reset in a surface of the new construction, with a suitable monument box placed thereon, or set with permanent witness monuments. A corner record shall be filed with the County Surveyor for reset of monuments and evidence submitted prior to finalizing the Permit. All work shall be performed under the direction of a licensed land surveyor or registered civil engineer at the expense of the Permittee.
