WHEREAS, the Improvements were originally required to be completed by July 2, 2004 (original completion due date); and

WHEREAS, Principal applied for, and the County granted time extensions on the original completion due date, such that the last completion due date was July 2, 2012; and

WHEREAS, Principal has not satisfied the terms of the Agreements, as the required Improvements were not completed by July 2, 2012; and

WHEREAS, Principal also submitted a cash staking deposit in the amount of \$4,500 to guarantee the installation of final monuments and payment to the engineer of record; and

WHEREAS, Principal applied to revert the lots identified in Tract Map 10608-2 to acreage; and

WHEREAS, such application was reviewed and approved by the County of San Bernardino Planning Commission and the Board of Supervisors on February 6, 2014, and November 4, 2014, respectively; and

WHEREAS, Principal transferred its interest in Tract Map 10608-2 to Rancho Mirage Tourism, LP ("New Owner"); and

WHEREAS, New Owner was working with Lake Arrowhead Community Services District ("LACSD") in updating the water and sewer improvement plans; and

WHEREAS, once the above-described plans were updated, it was County's understanding that New Owner would then enter into the new improvement agreements and post the replacement securities; and

WHEREAS, on June 14, 2016, the Parties entered into the Tolling Agreement to toll the statute of limitations period associated with the Agreements and Securities to July 2, 2017, in order to provide additional time for New Owner to finalize its improvement plans and post the new improvement agreements and replacement securities acceptable to County; and

WHEREAS, on June 13, 2017, the Parties approved Amendment No. 1 to the Tolling Agreement to extend the terms of the Tolling Agreement by one year, from July 2, 2017, to July 2, 2018; and

WHEREAS, on June 11, 2019, the Parties approved Amendment No. 3 to the Tolling Agreement to extend the terms of the Tolling Agreement by one year, from July 2, 2019, to July 2, 2020; and

WHEREAS, County was informed that New Owner may be transferring some or all of the property identified in Tract Map 10608-2 to another party and needs additional time to finalize the transfer; and

WHEREAS, if the above-described property is transferred, the party that acquires it will need more time to either finalize the improvement plans for water and sewer infrastructure and post the new improvement agreements and replacement securities acceptable to County or, alternatively, process a reversion to revert the lots identified in Tract Map 10608-2 to acreage; and

WHEREAS, the Parties desire to extend the tolling period identified in the Tolling Agreement by one year, from July 2, 2020, to July 2, 2021, with no other changes to the Tolling Agreement.

NOW, THEREFORE, the Parties agree as follows:
