Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so. - C. Contractor shall not offer (either directly or through an intermediary) any improper consideration such as, but not limited to, cash, discounts, service, the provision of travel or entertainment, or any items of value to any officer, employee or agent of the County in an attempt to secure favorable treatment regarding this Contract.

The County, by written notice, may immediately terminate any contract if it determines that any improper consideration as described in the preceding paragraph was offered to any officer, employee or agent of the County with respect to the proposal and award process. This prohibition shall apply to any amendment, extension or evaluation process once a contract has been awarded.

Contractor shall immediately report any attempt by a County officer, employee or agent to solicit (either directly or through an intermediary) improper consideration from Contractor. The report shall be made to the supervisor or manager charged with supervision of the employee or to the County Administrative Office. In the event of a termination under this provision, the County is entitled to pursue any available legal remedies.

- D. Time is of the essence in performance of this Contract and each of its provisions. Except as otherwise provided herein, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within twenty-four (24) hours, give notice thereof, including all relevant information with respect thereto, to the other party.

- E. All equipment, materials, supplies or property of any kind (including vehicles, publications, copyrights, etc.) which has a single unit cost of five hundred dollars (\$500) or more, including tax, purchased with funds received under the terms of this Contract and not fully consumed in one (1) year shall be the property of the County, unless otherwise required by Funding Source, and shall be subject to the provisions of this paragraph. The disposition of equipment or property of any kind shall be determined by County when the Contract is terminated. Additional terms are as follows:
1. The purchase of any furniture or equipment which exceeds a single unit cost of five hundred dollars (\$500) and/or was not included in Contractor's approved budget, shall require the prior written approval of County, and shall fulfill the provisions of this Contract which are appropriate and directly related to Contractor's services or activities under the terms of the Contract. County may refuse reimbursement for any cost resulting from such items purchased, which are incurred by Contractor, if prior written approval has not been obtained from County.
 2. Before equipment purchases made by Contractor are reimbursed by County, Contractor must submit paid vendor receipts identifying the purchase price, description of the item, serial numbers, model number and location where equipment will be used during the term of this Contract.
 3. Contractor shall submit an inventory of equipment purchased under the terms of this Contract as part of the monthly activity report for the month in which the equipment is purchased.
 4. At the termination of this Contract, Contractor shall provide a final inventory to County and shall at that time query County as to requirements, including the manner and method in returning said equipment to County. Final disposition of such equipment shall be in accordance with instructions from County.
- F. County shall have a royalty-free, non-exclusive and irrevocable license to publish, disclose, copy, translate, and otherwise use, copyright or patent, now and hereafter, all reports, studies, information, data, statistics, forms, designs, plans, procedures, systems, and any other materials or properties developed under the Contract including those covered by copyright, and reserves the right to authorize others to use or reproduce such material. All such materials developed under the terms of the Contract shall acknowledge San Bernardino County as the funding agency and Contractor as the creator of the publication. No such materials or properties produced in whole or in part under the Contract shall be subject to private use, copyright or patent right by Contractor in the United States or in any other country without the express written consent of County. Copies of all educational and training materials, curricula, audio/visual aids, printed material, and periodicals, assembled pursuant to the Contract must be filed with County prior to publication. Contractor shall receive written permission from County prior to publication of said training materials.
- G. All documents, data, products, graphics, computer programs and reports prepared by Contractor pursuant to the Contract shall be considered property of the County upon payment for services (and product, if applicable). All such items shall be delivered to County at the completion of work under the Contract, subject to the requirements of Section VIII, Term. Unless otherwise directed by County, Contractor may retain copies of such items.
- H. No waiver of any of the provisions of the Contract shall be effective unless it is made in a writing which refers to provisions so waived and which is executed by the Parties. No course of dealing and no delay or failure of a Party in exercising any right under the Contract shall affect any other or future exercise of that right or any exercise of any other right. A Party shall not be precluded from exercising a right by its having partially exercised that right or its having previously abandoned or discontinued steps to enforce that right.
- I. Any alterations, variations, modifications, or waivers of provisions of the Contract, unless specifically allowed in the Contract, shall be valid only when they have been reduced to writing, duly signed and approved by the Authorized Representatives of both parties as an amendment

to this Contract. No oral understanding or agreement not incorporated herein shall be binding on any of the Parties hereto.

- J. If any provision of the Contract is held by a court of competent jurisdiction to be unenforceable or contrary to law, it shall be modified where practicable to the extent necessary so as to be enforceable (giving effect to the intention of the Parties) and the remaining provisions of the Contract shall not be affected.
- K. This Contract shall be governed by and construed in all aspects in accordance with the laws of the State of California without regard to principles of conflicts of laws. The Parties agree to the exclusive jurisdiction of the federal court located in the County of Riverside and the state court located in the County of San Bernardino, for any and all disputes arising under this Contract, to the exclusion of all other federal and state courts.
- L. In the event the County determines that service is unsatisfactory, or in the event of any other dispute, claim, question or disagreement arising from or relating to this Contract or breach thereof, the parties hereto shall use their best efforts to settle the dispute, claim, question or disagreement. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both parties.
- M. The parties actions under the Contract shall comply with all applicable laws, rules, regulations, court orders and governmental agency orders. The provisions of this Contract are specifically made severable. If a provision of the Contract is terminated or held to be invalid, illegal or unenforceable, the validity and enforceability of the remaining provisions shall remain in full effect.
- N. In the event that a subpoena or other legal process commenced by a third party in any way concerning the services provided under this Contract is served upon Contractor or County, such party agrees to notify the other party in the most expeditious fashion possible following receipt of such subpoena or other legal process. Contractor and County further agree to cooperate with the other party in any lawful effort by such other party to contest the legal validity of such subpoena or other legal process commenced by a third party as may be reasonably required and at the expense of the party to whom the legal process is directed, except as otherwise proceed herein in connection with defense obligations by Contractor for County.
