ICEMA and HOSPITAL are hereinafter collectively referred to as the "Parties".

WHEREAS, ICEMA has implemented a ST Elevation Myocardial Infarction (STEMI) Critical Care System; and,

WHEREAS, HOSPITAL is willing to accept designation as a STEMI Receiving Center; and

WHEREAS, HOSPITAL by virtue of the Parties' execution of this CONTRACT will be designated by ICEMA as a STEMI Receiving Center under the terms of the CONTRACT;

NOW, THEREFORE, ICEMA and HOSPITAL mutually agree to the following terms and conditions:

1. DEFINITIONS

- 1.1 Continuous Quality Improvement (CQI) Program:** The multi-disciplinary peer-review committee, comprised of representatives from the STEMI Receiving Centers and other professionals designated by ICEMA, which audits the STEMI Critical Care System, makes recommendations for system improvements, and functions in an advisory capacity on other STEMI Critical Care System issues. Committee members designated by ICEMA may include, but are not limited to, STEMI Receiving Center medical directors and program managers, representatives from other local hospitals, interventional and non-interventional cardiologists, emergency medicine sub-specialists, and representatives from ground and flight EMS providers.
- 1.2 EMTALA:** The Emergency Medical Treatment and Active Labor Act (42 U.S.C § 1395dd).
- 1.3 HIPAA:** The Health Insurance Portability and Accountability Act of 1996, including regulations promulgated thereunder, as amended from time to time.
- 1.4 STEMI Patient:** A person evaluated by EMS field personnel, physician, nursing or other clinical personnel according to the policies and procedures established by ICEMA, as may be amended from time to time, and been found to require STEMI Receiving Center services due to symptoms of myocardial infarction in association with ST-Segment Elevation in an Electrocardiogram (ECG).

- 1.8 STEMI Information System:** The computer information system maintained by each STEMI Receiving Center which captures the presentation, diagnostic, treatment and outcome data sets required by ICEMA and the STEMI Receiving Center standards.
- 1.9 STEMI Receiving Center Standards:** The standards applicable to STEMI critical care receiving center designation as set forth in the attached Exhibit I of this CONTRACT, and ICEMA policies and protocols, as may be amended from time to time.

2. TERM OF CONTRACT

The term of this CONTRACT is effective July 1, 2020, and expires June 30, 2025, but may be terminated earlier in accordance with provisions of this CONTRACT.

3. FISCAL PROVISIONS

HOSPITAL shall pay ICEMA a fee of \$17,445 per year. The fee shall be utilized to offset ICEMA's costs of administering, monitoring and evaluating the STEMI Critical Care System including designation of STEMI Centers, STEMI referral centers, prehospital care provider performance, quality improvement programs, field education and medical control protocols including interfacility transfer policies. The fee shall be revaluated on an annual basis to ensure system costs are being properly assessed and shall be

If this CONTRACT is implemented in the middle of a fiscal year, the annual fee shall be prorated based upon signing date. In the event of the termination of this CONTRACT by ICEMA or HOSPITAL without cause, ICEMA shall return to HOSPITAL a prorated amount of the annual fee paid by HOSPITAL for that year for the period of time remaining in the fiscal year after the effective date of termination. The fee is not otherwise refundable in whole or in part.

4. HOSPITAL RESPONSIBILITIES

HOSPITAL shall, at a minimum, collect and maintain the data specified in the STEMI Receiving Center standards unless additional data points are adopted by the CQI Program. HOSPITAL acknowledges and agrees that ICEMA is a regulatory agency and the disclosure of patient records by the HOSPITAL to ICEMA is in compliance with HIPAA, necessary to enable ICEMA to carry out its regulatory function, and a condition of the HOSPITAL's STEMI Receiving Center designation.
- 4.13** HOSPITAL shall attend a minimum of two (2) hours of ICEMA STEMI registry training annually.

Nothing contained in this CONTRACT shall be construed as creating a joint venture, partnership, or employment arrangement between the Parties hereto, nor shall either Party have the right, power or authority to create an obligation or duty, expressed or implied, on behalf of the other Party hereto.

6.34 Release of Information

No news releases, advertisements, public announcements or photographs arising out of the CONTRACT or HOSPITAL's relationship with ICEMA and/or County may be made or used without prior written approval of ICEMA.

6.35 Representation of ICEMA

6.37 Subcontracting

HOSPITAL agrees not to enter into any subcontracting agreements for work contemplated under the CONTRACT without first obtaining written approval from ICEMA. Any subcontracting shall be subject to the same terms and conditions as HOSPITAL. HOSPITAL shall be fully responsible for the performance and payments of any subcontractor's CONTRACT.

The Parties acknowledge and agree that this CONTRACT was entered into and intended to be performed in San Bernardino County, California. The Parties agree that the venue of any action or claim brought by any Party to this CONTRACT will be the Superior Court of California, County of San Bernardino, San Bernardino District. Each Party hereby waives any law or rule of the court, which would allow them to request or demand a change of venue. If any action or claim concerning this CONTRACT is brought by any third-party and filed in another venue, the Parties hereto agree to use their best efforts to obtain a change of venue to the Superior Court of California, County of San Bernardino, San Bernardino District.

6.42 Conflict of Interest

HOSPITAL shall make all reasonable efforts to ensure that no conflict of interest exists between its officers, employees, or subcontractors and ICEMA. HOSPITAL shall make a reasonable effort to prevent employees, HOSPITAL, or members of governing bodies from using their positions for purposes that are, or give the appearance of being motivated by a desire for private gain for themselves or others such as those with whom they have family business, or other ties. Officers, employees, and agents of cities, counties, districts, and other local agencies are subject to applicable conflict of interest codes and state law. In the event ICEMA determines a conflict of interest situation exists, any increase in costs, associated with the conflict of interest situation, may be disallowed by ICEMA and such conflict may constitute grounds for termination of the CONTRACT. This provision shall not be construed to prohibit employment of persons with whom HOSPITAL's officers, employees, or agents have family, business, or other ties so long as the employment of such persons does not result in increased costs over those associated with the employment of any other equally qualified applicant.

Neither HOSPITAL nor ICEMA shall exert any direct or indirect influence that would cause or contribute to the transport of STEMI patients to a facility other than the closest STEMI Receiving Center, except as specifically authorized by ICEMA policies or procedures. ICEMA also reserves the right to obtain the requested information by way of a background check performed by an investigative firm. The HOSPITAL also may be requested to provide information to clarify initial responses. Negative information discovered may result in CONTRACT termination.

HOSPITAL is required to disclose whether the firm, or any of its partners, principals, members, associates or key employees (as that term is defined herein), within the last ten years and continuing throughout the term of this CONTRACT, has been indicted on or had charges brought against it or them (if still pending) or convicted of any crime or offense arising directly or indirectly from the conduct of the firm's business, or whether the firm, or any of its partners, principals, members, associates or key employees, has within the last ten years and continuing throughout the term of this CONTRACT, been indicted on or had charges brought against it or them (if still pending) or convicted of any crime or offense involving financial misconduct or fraud. No such materials, or properties produced in whole or in part under this CONTRACT shall be subject to private use, copyright or patent right by HOSPITAL in the United States or in any other country without the express written consent of ICEMA. Copies of all educational and training materials, curricula, audio/visual aids, printer material, and periodicals, assembled pursuant to this CONTRACT must be filed with ICEMA prior to publication.

6.46 Artwork, Proofs and Negatives

All artwork, proofs, and/or negatives in either print or digital format for anything produced under the terms of this CONTRACT are the property of ICEMA. These items must be returned to ICEMA within ten (10) days, upon written notification to the HOSPITAL. In the event of a failure to return the documents, ICEMA is entitled to pursue any available legal remedies. In addition, the HOSPITAL will be barred from all future solicitations, for a period of at least six (6) months.

6.50 Public Health Authority

ICEMA is a public health authority as that term is defined in 45 CFR 164.501, and is authorized by law to collect and receive protected health information as set forth in 45 CFR 164.512.

6.51 No Third-Party Beneficiaries

The Parties do not intend to confer and this CONTRACT shall not be construed to confer any rights to any person, group, corporation or entity other than the Parties.

6.52 Mutual Cooperation

It is agreed that mutual non-competition among the designated STEMI Receiving Centers, as well as their associated helicopter services, is vital to providing optimal medical care under the STEMI Critical Care System. In furtherance of such cooperation, HOSPITAL agrees to provide access to the helipad, if any, located at HOSPITAL to all helicopter services, to the extent necessary to triage and/or transport STEMI patients to HOSPITAL. HOSPITAL will not charge helicopter services for such landing privileges.

6.53 Assignment

HOSPITAL shall not delegate its duties and responsibilities or assign its rights hereunder, or both, either in whole or in part, without the prior written consent of ICEMA. This provision shall not be applicable to services CONTRACTS or similar arrangements usually and customarily entered into by medical facilities to obtain or arrange for professional medical services, administrative support, equipment, supplies or technical support.

6.54 Waiver

No delay or failure to require performance of any provision of this CONTRACT shall constitute a waiver of that provision as to that or any other instance. Any waiver granted by a Party must be in writing, and shall apply to the specific instance expressly stated.

7. INDEMNIFICATION AND INSURANCE REQUIREMENTS

7.1 Indemnification

The HOSPITAL agrees to defend and hold harmless the ICEMA, its officers, employees, agents, and volunteers for any and all claims, losses, actions, damages and/or liability arising out of any negligent act or omission of the HOSPITAL, its officers, employees, agents or volunteers while performing its duties under this CONTRACT, including any costs or expenses incurred by the ICEMA, except as prohibited by law.

ICEMA agrees to indemnify and hold harmless the HOSPITAL, its officers, employees, agents and volunteers from any and all liabilities for injury to persons and damage to property arising out of any negligent act or omission of ICEMA, its officers, employees, agents or volunteers while performing its duties under this CONTRACT.

In the event that the ICEMA and/or HOSPITAL are determined to be comparatively at fault for any claim, action, loss or damage which results from their respective obligations under this CONTRACT, ICEMA and/or HOSPITAL shall indemnify the other to the extent of its comparative fault.

7.2 Insurance

ICEMA and HOSPITAL are authorized self-insured entities for purposes of Professional Liability, General Liability, Automobile Liability and Workers' Compensation and warrant that through its respective programs of self-insurance, they have adequate coverage or resources to protect against liabilities arising out of the performance of the terms, conditions or obligations of this CONTRACT.

HOSPITAL shall require the carriers of required coverages to waive all rights of subrogation against ICEMA, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the HOSPITAL and HOSPITAL's employees or agents from waiving the right of subrogation prior to a loss or claim. The HOSPITAL hereby waives all rights of subrogation against the ICEMA or San Bernardino County.

8. FINANCIAL RESPONSIBILITY

ICEMA shall not be liable for any costs or expenses incurred by HOSPITAL to satisfy HOSPITAL's responsibilities under this CONTRACT, including any costs or expenses incurred by HOSPITAL for services provided to STEMI patients lacking the ability to pay for services. This provision shall in no way affect ICEMA's obligations, if any, under Section 7 ("Indemnification and Insurance Requirements") of this CONTRACT.
