I. DEFINITIONS

- A. Children and Family Services (CFS) – The County department that administers programs designed to address child abuse and neglect. CFS provides family-centered programs and services that strengthen, preserve, and ensure children have access to safe and permanent family units. CFS provides support for families to reduce risk and harm to children, improve parenting skills, and develop strong social support networks for families.
- B. Child Welfare Services (CWS) – A safety net for children who have been abused and/or neglected. The CWS provides 24-hour out-of-home care to children in need of temporary or long-term substitute parenting because their own families are unable or unwilling to care for them. The purpose of foster care or juvenile probation is to keep children safe and secure while services are provided to them in the hope the child(ren) may be reunited with their families or other suitable permanent and stable placement (e.g., adoption or guardianship). Foster care and juvenile probation are primary pieces of the CWS system.
- C. County – County, as used throughout this document, including its possessive form (County's), refers to the County of San Bernardino.
- D. Court Appointed Special Advocate (CASA) – A national association in the United States that supports and promotes court appointed special advocates for abused or neglected children in order to provide children with a safe and healthy environment in permanent homes. The organization recruits and trains volunteers who are appointed by Juvenile Court Judges to investigate the situations of dependent children and make recommendations regarding their best interests to the Juvenile Court.
- E. Family Search and Engagement – A program that locates, engages, and connects children in the dependency system with biological family, near kin, Non-Related Extended Family Member (NREFM), and other adults with whom they can make permanent, lifelong connections utilizing information obtained from the child and CFS social worker combined with internet search technology and other sources.
- F. Foster Care – The temporary placement of a child in a home outside of his or her family, which is required for the safety and well-being of the child. Children are placed in foster care until their parents or caregivers are able to provide a safe environment for them or until a permanent placement such as adoption or guardianship becomes available. Social workers visit the foster home on a regular basis to support the children's needs. Foster parents receive financial assistance to support the child(ren) placed in their homes. CFS provides information, training, and support to those interested in becoming foster or adoptive parents.
- G. Human Services (HS) – The County of San Bernardino Human Services, a system of integrated services, where the programs and resources of nine (9) County departments come together to provide a rich, more complete array of services to the citizens of San Bernardino County under one coordinated effort.
- H. Social Worker – Social workers are employed by CFS to investigate reports of child abuse and neglect. Where cases are substantiated, social workers provide CWS including, but not limited to, parenting classes, counseling, guidance, referral, child advocacy, assessment, reunification, support, case management, respite care (alternative care for the child for a short time to provide a break for the parents), and other social services to enhance the social conditions of the community and specifically the disadvantaged.
- I. Volunteer – A person who has been recruited, screened, selected, and trained; is being supervised and supported by the CASA program; and has been appointed by the juvenile court as a sworn officer of the court to help define the best interest of children or nonminors in juvenile court dependency and wardship proceedings.

3. Waiver of Subrogation Rights – The Contractor shall require the carriers of required coverages to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, contractors and subcontractors. 10. Insurance Review – Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Contract. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

11. The Contractor agrees to provide insurance set forth in accordance with the requirements herein. If the Contractor uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the Contractor agrees to amend, supplement or endorse the existing coverage to do so. The type(s) of insurance required is determined by the scope of the contract services.

Without in anyway affecting the indemnity herein provided and in addition thereto, the Contractor shall secure and maintain throughout the contract term the following types of insurance with limits as shown:

AA. Contractor agrees to and shall comply with the County’s Equal Employment Opportunity Program, Employment Discrimination, and Civil Rights Compliance requirements:

- 1. Equal Employment Opportunity Program – The Contractor agrees to comply with the provisions of the Equal Employment Opportunity Program of the County of San Bernardino and all rules and regulations adopted pursuant thereto: Executive Orders 11246, as amended by Executive Order 11375, 11625, 12138, 12432, 12250; Title VII of the Civil Rights Act of 1964; Division 21 of the California Department of Social Services Manual of Policies and Procedures; California Welfare and Institutions Code section 10000), the California Fair Employment and Housing Act; and other applicable federal, state, and county laws, regulations and policies relating to equal employment or social services to welfare recipients, including laws and regulations hereafter enacted.

2. Employment Discrimination – During the term of the Contract, Contractor shall not discriminate against any employee or applicant for employment or service recipient because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, sexual orientation, age, or military and veteran status. Contractor shall comply with Executive Orders 11246, 11375, 11625, 12138, 12432, 12250, 13672, Title VII of the Civil Rights Act of 1964, the California Fair Housing and Employment Act and other applicable Federal, State and County laws and regulations and policies relating to equal employment and contracting opportunities, including laws and regulations hereafter enacted.
3. Civil Rights Compliance – The Contractor shall develop and maintain internal policies and procedures to assure compliance with each factor outlined by state regulation. These policies must be developed into a Civil Rights Plan, which is to be on file with the County Human Services Contracts Unit within thirty (30) days of awarding of the Contract. The Plan must address prohibition of discriminatory practices, accessibility, language services, staff development and training, dissemination of information, complaints of discrimination, compliance review, and duties of the Civil Rights Liaison. Upon request, the County shall supply a sample of the Plan format. The Contractor shall be monitored by the County for compliance with provisions of its Civil Rights Plan. Contractor is required to maintain and provide a current Civil Rights Plan for the duration of the Contract and submit the Assurance of Compliance form (Attachment B) annually. Additionally, the Contractor shall submit to County an Assurance of Compliance with the California Department of Social Services Nondiscrimination in State and Federally Assisted Programs Statement annually.
4. Equity – Contractor shall adhere to and participate in County efforts ensuring all individuals and communities have equal access and opportunity to health and wellbeing by providing culturally and linguistically appropriate services to all people of color and culture, age, disabilities, gender, sexual orientation or gender identity including people with limited English proficiency (LEP). Services provided must be respectful of and responsive to the cultural and linguistic needs of County residents.
 - a. Contractor shall assess the demographic make-up and population trends of its service area to identify the cultural and linguistic needs of the eligible service population. Such studies are critical to designing and planning for providing appropriate, effective and equitable services.
 - b. Contractor shall partner with and support community partners in addressing disparities in family stability, health and mental wellness, education, employment, housing and overall delivery of human services. Partnering includes opportunities for partners and community members to design, implement and evaluate practices, and services ensuring equity and cultural and linguistic appropriateness.
 - c. Contractor shall work with County to communicate and provide opportunities for individuals and communities of color and culture to provide feedback on progress and outcomes achieved to address disparities in family stability, health and mental wellness, education, employment, housing and overall delivery of human services.
 - d. Contractor shall recruit, promote and support a culturally and linguistically diverse workforce that is responsive to and represents the population being served. This includes trained and competent bilingual staff.
 - e. Contractor shall provide training to enhance its workforce knowledge on cultural and linguistic competence. Becoming culturally and linguistically competent is a developmental process and incorporates at all levels the importance of culture, the assessment of cross-cultural relations, vigilance towards the dynamics that result from cultural differences, the expansion of cultural knowledge, and the adaptation of services to meet culturally-unique needs. Providing services in a culturally appropriate and responsive manner is fundamental in any effort to ensure success

of high quality and cost-effective health and human services. Offering those services in a manner that fails to achieve its intended result due to cultural and linguistic barriers does not reflect quality of care and is not cost-effective.

- f. To ensure equal access to quality care for diverse populations, Contractors providing health and health care services may adopt the Federal Office of Minority Health Culturally and Linguistically Appropriate Services (CLAS) national standards.
 - g. Upon request, Contractor will provide County Human Services evidence of adherence to requirements listed above.

- DD. If the amount available to Contractor under this Contract, as specified in Section VI, Paragraph A, exceeds \$100,000, Contractor agrees to comply with the Clean Air Act (42 U.S.C. Section 7606), section 508 of the Clean Water Act (33 U.S.C. section 1368), Executive Order 11738 and Environmental Protection Agency regulations (40 C.F.R. section 1.1 et seq.).
- EE. In accordance with County Policy 11-08, the County prefers to acquire and use products with higher levels of post-consumer recycled content. Environmentally preferable goods and materials must perform satisfactorily and be available at a reasonable price. The County requires Contractor to use recycled paper for any printed or photocopied material created as a result of this Contract. Contractor is also required to use both sides of paper sheets for reports submitted to the County whenever practicable.

To assist the County in meeting the reporting requirements of the California Integrated Waste Management Act of 1989 (AB 939), Contractor must be able to annually report the County's environmentally preferable purchases. Contractors must also be able to report on environmentally preferable goods used in the provision of Services to the County, utilizing a County approved form.
- FF. Contractor understands and agrees that any and all legal fees or costs associated with lawsuits concerning this Contract against the County shall be the Contractor's sole expense and shall not be charged as a cost under this Contract. In the event of any Contract dispute hereunder, each Party to this Contract shall bear its own attorney's fees and costs regardless of who prevails in the outcome of the dispute.
- GG. Contractor shall register with 211 San Bernardino County Inland Empire United Way within thirty (30) days of contract effective date and follow necessary procedures to be included in the 211 database. The Contractor shall notify the 211 San Bernardino County Inland Empire United Way of any changes in program services, location or contact information within ten (10) days of any change. Services performed as a result of being included in the 211 database, are separate and apart from the services being performed under this Contract and payment for such services will not be the responsibility of the County.

defined in Public Contract Code section 2202(e)) engaging in investment activities in Iran described in subdivision (a) of Public Contract Code section 2202.5, or as a person described in subdivision (b) of Public Contract Code section 2202.5, as applicable.

Contractors are cautioned that making a false certification may subject the Contractor to civil penalties, termination of existing contract, and ineligibility to bid on a contract for a period of three (3) years in accordance with Public Contract Code section 2205. Contractor agrees that signing the Contract shall constitute signature of this Certification.

- JJ. Contractor shall comply with the Environmental Tobacco Smoke/Pro-Children Act of 1994 (20 U.S.C 6081 et seq.).

 - 2. Any conflict between the parties shall be resolved so that conflict between the two agencies does not affect funding of the CASA program's ability to retain an independent evaluation separate from that of the contributing agency's; and
 - 3. It is agreed that this Contract shall be submitted to and approved by Judicial Council staff.
- B. When an issue arises (e.g., conflict, disagreement, or difficulty) between the CFS caseworker (i.e., Social Services Practitioner (SSP) or Social Worker) and the CASA Advocate, and the CFS caseworker and the CASA Advocate cannot resolve the issue, the following steps will be followed:
 - 1. The CFS caseworker shall communicate the issue to his/her CFS Supervisor (i.e., Supervising Social Services Practitioner (SSSP)). The CFS caseworker and the CFS Supervisor shall contact the CASA Advocate Supervisor in an attempt to resolve the issue.

Any such advance will cause the amounts payable to Contractor in subsequent months to be reduced to the amount determined by dividing the balance left by the number of months remaining in the contract term. No advance will increase the amount shown in Paragraph A of this Section. In the event of early termination, the Contractor shall pay the remaining balance due to the County within thirty (30) calendar days.

The Contractor shall request a budget amendment, in writing, in advance of expenditures: 1) when aggregate expenditures are expected to exceed an approved budgeted line item by more than fifteen (15%) percent; or 2) to add a new budget line item. The written request must specify the changes requested, by line item and amount, and must include justification. Prior to implementation of a budget revision, the County shall approve (or deny) the budget revision request. The County has the authority to approve line item budget changes to the budget herein, as long as these changes do not exceed the total contract amount. County shall notify the Contractor in writing of the status of the budget revision request within fourteen (14) calendar days of receipt of the Contractor's written request. Full cooperation shall be given by Contractor in any auditing or monitoring conducted. Contractor shall repay to the County within thirty (30) days of receipt of audit findings any reimbursements made by County to Contractor that are determined by subsequent audit to be unallowable pursuant to the terms of this Contract or by law.

- D. All records pertaining to service delivery and all fiscal, statistical and management books and records shall be available for examination and audit by county, federal and state representatives for a period of three (3) years after final payment under the Contract or until all pending county, state, and federal audits are completed, whichever is later. Records of the Contractor which do not pertain to the services under this Contract may be subject to review or audit unless provided in this or another Contract. Technical program data shall be retained locally and made available upon the County's reasonable advance written notice or turned over to County. If said records are not made available at the scheduled monitoring visit, Contractor may, at County's option, be required to reimburse County for expenses incurred due to required rescheduling of monitoring visit(s). Such reimbursement will not exceed \$50 per hour (including travel time) and may be deducted from the following month's claim for reimbursement.
- E. Contractor shall provide all reasonable facilities and assistance for the safety and convenience of County's representatives in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work of the Contractor.
- F. Upon County request, Contractor shall hire a licensed Certified Public Accountant, approved by the County, who shall prepare and file with County, within sixty (60) days after the termination of the Contract, a certified fiscal audit of related expenditures during the term of the Contract and a program compliance audit.

Unless a remedy is specifically designated as exclusive, no remedy conferred by any of the specific provision of the Contract is intended to be exclusive of any other remedy, and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder, now or hereafter existing at law or in equity or by statute or otherwise. The election of any one (1) or more remedies by either Party shall not constitute a waiver of the right to pursue other available remedies.

- I. Any alterations, variations, modifications, or waivers of provisions of the Contract, unless specifically allowed in the Contract, shall be valid only when they have been reduced to writing, duly signed and approved by the Authorized Representatives of both parties as an amendment to this Contract.
