Briefly describe the general nature of the contract: *This agreement sets for the roles and responsibilities of the County of San Bernardino (County) and Redlands for administering and funding the proposed East Valley Corridor Bike Route Interconnect project (Project) located within the County's unincorporated areas of Redlands and Redlands city limits. The Project consists of a (1) Class II Bike Lane on San Bernardino Avenue, between Mountain View Avenue and Alabama Street; (2) Class II Bike Lane on Alabama Street, between Lugonia Avenue and Pioneer Avenue; and (3) Class I and IV Bike Paths on Alabama Street, between River Bluff to Highland/San Bernardino city limits.*

The total estimated cost to construct the Project is \$2,773,401. The Project has been awarded three (3) grants to offset this cost. The first grant in the amount of \$2,063,000 is funded by the Active Transportation Program (ATP) Cycle 3; the second grant in the amount of \$49,000 is funded by ATP Cycle 3 Augmentation; and the last grant in the amount of \$264,401 is funded by the Transportation Development Act (TDA) Article 3 (grant award total is \$2,376,401). The remaining cost will be shared between Redlands (\$221,000) and County (\$176,000). This Project will close a number of gaps in the existing cycling infrastructure, provide improved bike circulation for users between downtown Redlands, Highland, the Citrus Plaza/Mountain Grove shopping centers, and the planned Santa Ana River Trail, and improve cycling safety in the western portion of Redlands.
