Medtronic hereby waives all rights of subrogation against Customer.

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the Customer.

Medtronic agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between Medtronic and Customer or between Customer and any other insured or additional insured under the policy.

8. INDEMNIFICATION.

Medtronic will indemnify, defend, and hold harmless Customer and its officers, employees, agents and volunteers, from any and all third party claims, costs (including without limitation reasonable attorneys' fees), and losses for infringement of any United States patent, copyright, trademark or trade secret (Intellectual Property Rights) by any Products sold or subject to this Agreement. If a credible claim is made or threatened, including without limitation the filing of a lawsuit against

Customer, or Customer receives a demand or notice claiming actual or potential infringement or misappropriation of any Intellectual Property Rights, Customer will use reasonable efforts to notify Medtronic promptly of such lawsuit, claim or election. However, Customer's failure to provide or delay in providing such notice will relieve Medtronic of its obligations only if and to the extent that such delay or failure materially prejudices Medtronic's ability to defend such lawsuit or claim. Customer will give Medtronic sole control of the defense (with counsel reasonably acceptable to Customer) and settlement of such claim; provided that Medtronic may not settle the claim or suit absent the written consent of Customer, which shall not be unreasonably withheld, unless such settlement (a) includes a release of all claims pending against Customer, (b) contains no admission of liability or wrongdoing by Customer, and (c) imposes no obligations upon Customer other than an obligation to stop using the Products that are the subject of the claim. In the event that Medtronic fails to or elects not to defend Customer against any claim for which Customer is entitled to indemnity by Medtronic, then Medtronic shall reimburse Customer for all reasonable attorneys' fees and expenses within thirty (30) days from date of invoice or debit memo from Customer. This shall not apply to any judgment or settlement amount, which amounts Customer shall be entitled to notify, invoice or debit Medtronic's account at any time; and Customer, at its sole discretion, may settle the claim or suit.

If, in Medtronic's opinion, any goods or services sold or provided by Medtronic subject to this Agreement become, or are likely to become, the subject of a claim of infringement of Intellectual Property Rights, Medtronic may, at its option: (i) procure for Customer the right to continue using the goods or receiving the services; (ii) replace or modify the goods or services to be non-infringing, without incurring a material diminution in performance or function; or (iii) if neither of the foregoing is feasible, in the reasonable judgment of Medtronic, Customer shall cease use of the goods or services upon written notice from Medtronic, and Medtronic shall provide Customer with a pro-rata refund of the unearned fees paid by Customer to Medtronic for such goods or services.

Medtronic also agrees to indemnify, defend (with counsel reasonably approved by Customer) and hold harmless the Customer and its authorized officers, employees, agents and volunteers from any and all third party claims, actions, losses, damages and/or liability to the extent caused by a malfunction or defect of a Product provided pursuant to this Agreement, except where such indemnification is prohibited by law.

Medtronic and its representatives are not covered entity(s) under HIPAA, but may receive PHI, as defined by the HIPAA Privacy Rule, for functions such as payment/billing and invoicing of its medical devices, providing technical support related to medical devices and for public health activities in fulfilling its obligations regarding FDA reporting and data collection (e.g. device tracking) or for other purposes related to the quality, safety and effectiveness of FDA regulated products. Customer acknowledges Medtronic's use and disclosure of PHI for these purposes. Medtronic will use and disclose PHI in accordance with applicable state and federal laws. Medtronic will also implement reasonable safeguards to prevent inappropriate access to and disclosure of PHI to the extent required.

As to such discounts and rebates, the parties agree to fulfill their obligations under the Safe Harbor and the Customer agrees to report the discounts and rebates to its state or federal payors in accordance with the requirements of the Medicare/Medicaid Anti-Kickback Statute and Regulations and any applicable state or federal laws or regulations.

12. COMPLIANCE WITH LAWS. Each party shall comply with its obligations under federal, state or other applicable laws or regulations with respect to the performance of the Agreement. The parties acknowledge that it is their intent to establish a business relationship in which rebates, discounts, payments and credits provided to Customer comply with the exceptions to the Medicare and Medicaid Anti-Kickback statute set forth at 42 U.S.C. § 1320a-7b(b)(3) and the "Safe Harbor" regulations regarding discounts set forth in 42 C.F.R. § 1001.952(h); and the parties believe that the relationship contemplated by this Agreement is in compliance with those requirements.

13. STATEMENT REGARDING DEBARMENT/ SUSPENSION / EXCLUSION ISSUES. Medtronic certifies that it has not been excluded, debarred or suspended from and is not, in any other way, ineligible to participate in any state or federal governmental program. Prior to hiring any applicant for employment, Medtronic: (1) conducts a criminal background check (since 1996); (2) requires a pre-employment mandatory drug screening test (since 2000); (3) determines whether the applicant appears on the list of excluded individuals and entities maintained by the Office of Inspector General for the United States Department of Health and Human Services ("excluded list"); and (4) determines whether the applicant is in the Excluded Parties List System (EPLS), which is a government-wide compilation of individuals and firms ineligible to participate in Federal procurement and non-procurement programs, maintained by the United States General Services Administration. In addition, at least once annually, Medtronic screens all employees against the "excluded list" and the EPLS. Effective November 2005, no applicant is hired who is on either the "excluded list" or in the EPLS. Effective November 2006, Medtronic terminates the employment of any current employee who is found to be in either system. As a public company, Medtronic is required on an annual basis to make a disclosure to the United States Securities and Exchange Commission regarding any director, person nominated to become a director or executive officer who was, during the preceding five years, convicted in a criminal proceeding or the named subject of a pending criminal proceeding (excluding traffic violations and other minor offenses). Medtronic makes inquiry of each such persons on an annual basis and has not, during the previous five years, made any disclosure responsive to this requirement. Medtronic's most recent quarterly report on Form 10-Q or annual report on Form 10-K disclosed material pending legal proceedings as

of that date, including material legal proceedings known to be contemplated by governmental authorities.

14. ACCESS TO RECORDS. During the Term of this Agreement, plus 4 years after the Term, both parties will comply with all applicable requirements of 42 CFR Section 420.302, including without limitation: (i) retaining required documents, and (ii) giving the US Comptroller General, HHS, and their duly authorized representatives access to its contract, books, documents, and records related to the sale under this Agreement and those of any organizations related to the parties.

15. ASSIGNMENT. Except for assignment to an affiliate, neither party may assign its rights, obligations, or duties under this Agreement to any third-party without the prior written consent of the other party. Medtronic shall provide written notice to Customer at least 30 days prior to its assignment of this Agreement to an affiliate.

16. ENTIRE AGREEMENT / MODIFICATIONS / WAIVER. This Agreement, including the exhibits hereto, sets forth the entire agreement and understanding between the parties, and supersedes all prior agreements, understandings and discussions, regarding the subject matter hereof. This Agreement may be amended, changed, or modified only by mutual written agreement of the parties. This Agreement may not be amended by an agreement required by Customer for Medtronic's representatives to gain access to Customer's facility. No waiver of a breach by a party will be a waiver of any subsequent breach.

17. FORCE MAJEURE. In any event, neither party shall be liable to the other party in respect of any delay or failure to perform that result from any event of cause that is beyond the reasonable control of the party obligated to perform.

18. AUTHORITY. The parties represent that they have the authority to enter into this agreement. The parties further represent that the terms of this agreement are not inconsistent with any other contractual obligations, express or implied, that they may have.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Medtronic Spine LLC (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the "I agree" button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign "Withdraw Consent" form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
