approved by the County. For the purposes of this Agreement "Developer Fee" has the meaning set forth in California Code of Regulations, Title 4, Section 10302."

**Section 16. Amendment to Section 3.10.** The Original Agreement is hereby amended to add a new Section 3.10, to read as follows:

"(a) Subordination. The County shall not subordinate the Regulatory Agreement, without prior approval of the County Board of Supervisors. No encumbrances will be allowed to be recorded against the County's fee interest in the Property, with the sole exception of a lease rider, if required under the TCAC regulations, and any lease rider required by the California Department of Housing and Community Development associated with an approved or permitted Senior Lien.

(b) Subordination of DDLA and Leasehold Deed of Trust. The County agrees to subordinate this Agreement and the Leasehold Deed of Trust to other Approved Financing as well as any refinancing of any Approved Financing so long as the refinancing loan does not exceed the then outstanding principal balance of the existing loan being refinanced plus any commercially reasonable closing costs associated with such refinancing plus any reserves or holdbacks reasonably required by such refinancing lender that do not exceed Five Hundred Thousand Dollars (\$500,000) (in each case, a "Senior Lien"), but only on condition that all of the following conditions are satisfied:

(ii) The proposed lender (each, a "Senior Lender") must be a state or federally chartered financial institution, an entity qualified to make loans in the State of California, a nonprofit corporation or a public entity that is not affiliated with the Developer, AMCAL or any AMCAL Affiliate, other than as a depositor or a lender.

(iii) The Developer must demonstrate to the County's reasonable satisfaction that subordination of the Leasehold Deed of Trust is necessary to secure adequate construction, rehabilitation and/or permanent financing to ensure the viability of the Development, including the operation of the Development as affordable housing, as required by this Agreement, with County hereby agreeing that subordination to any Approved Financing (or refinancing of any Approved Financing so long as the term of the refinancing loan does not exceed the then outstanding principal balance of the existing Senior Lien plus any commercially reasonable closing costs associated with such refinancing plus any reserves or holdbacks reasonably required by such refinancing lender that do not exceed Five Hundred Thousand Dollars (\$500,000)) is hereby deemed necessary. Except as set forth above, to satisfy this requirement, the Developer must provide to the County, in addition to any other information reasonably required by the County, evidence demonstrating that the proposed amount of the loan or refinanced loan is necessary to provide adequate construction and/or permanent financing to ensure the viability of the Development, and adequate financing for the Development would not be available without the proposed subordination.

(iv) The subordination agreement(s) must be structured to minimize the risk that this Agreement and the Leasehold Deed of Trust would be extinguished as a result of a foreclosure by the Senior Lender or other holder of the Senior Lien. To satisfy this requirement, the subordination agreement must provide the County with adequate rights to cure any defaults by the Developer, including: (1) providing the County or its successor with copies of any notices of default at the same time and in the same manner as provided to the Developer; and (2) providing the County with a cure period of at least sixty (60) days to cure any default.

(v) The subordination(s) described in this Section may be effective only during the original term of the Senior Loan and any extension of its term or refinancing permitted herein or approved in writing by the County.

(vi) No subordination may limit the effect of the Leasehold Deed of Trust before a foreclosure, nor require consent of the holder of the Senior Loan to exercise any remedies by the County under the Loan Documents.

(vii) Upon a determination by the County Executive Officer that the conditions in this Section have been satisfied, the County Executive Officer or the County Executive Officer's designee will be authorized to execute the approved subordination agreement without the necessity of any further action or approval by the Board of Supervisors. Execution of any subordination agreement will evidence and constitute the determination of the County that all requirements of this Section 2.5 have been satisfied or waived.

(c) The County will not subordinate the Regulatory Agreements to an encumbrance securing any other financing. In no event shall the County subordinate its fee interest in any portion of the Property to any mortgage, deed of trust, or regulatory agreement, with the exception of that certain Lease Rider Agreement required by TCAC to be recorded against the County's fee interest in the Property. The County acknowledges that it may be requested to record or attach a lease rider on the Housing Lease, as required by TCAC, and the consent to the recordation of such document against Borrower's leasehold interest in the Property will not be unreasonably conditioned, delayed or withheld.

The Lessee acknowledges that, pursuant to Revenue and Taxation Code Section 107.6, the Lessee's leasehold interest in the Property created pursuant to this Lease may be subject to the payment of property taxes levied against the Lessee's leasehold interest and the Lessee shall be responsible for the payment of all such property taxes, if applicable. In the event the Improvements or any possessory interest with respect thereto, should at any time be subject to ad valorem taxes or privilege taxes levied, assessed or imposed on such property, the Lessee shall pay taxes upon the assessed value of the entire Property and the Improvements thereon and not merely upon the assessed value of its leasehold interest, as provided in California Health and Safety Code Section 33673.

(b) Payment of Fees. #### Section 4.6 Assistance in Making Payments.

The parties acknowledge that Lessee is responsible under this Lease for making various payments to third parties, such as tax and utility payments in accordance with the provisions of this Article 4. In case any person or entity to whom any sum is directly payable by the Lessee under any of the provisions of this Lease (e.g., a tax collector or utility company) shall refuse to accept payment of such sum from the Lessee (due to the fact that the Lessee is not the fee owner of the Property or for any other reason), the Lessee shall thereupon give written notice of such fact to the County and shall pay such sum directly to County at the address specified in Section 11.2 hereof, and County shall thereupon pay such sum to such person or entity.

#### Section 4.7 Hazardous Materials.

(a) Covenants and Agreements. The Lessee hereby covenants and agrees that:

(1) The Lessee shall not knowingly permit the Development or the Property or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Materials or otherwise knowingly permit the presence of Hazardous Materials in, on or under the Property or the Development in violation of any applicable law;

or (iv) the Lessee's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Development classified as "borderzone property" under the provisions of California Health and Safety Code Section 25220 et seq., or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability or use of the Development under any Hazardous Materials Laws. If the County reasonably determines that the Lessee is not adequately responding to a Hazardous Materials Claim, the County shall have the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any such Hazardous Materials Claims and to have its reasonable attorney's fees in connection therewith paid by the Lessee.

(4) Without the County's prior written consent, which shall not be unreasonably withheld or delayed, the Lessee shall not take any remedial action in response to the presence of any Hazardous Materials on, under, or about the Development (other than in emergency situations or as required by governmental agencies having jurisdiction), nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Materials Claims.

(b) Indemnity. Without limiting the generality of the indemnification set forth in Section 6.4, the Lessee hereby agrees to indemnify, protect, hold harmless and defend (by counsel reasonably satisfactory to the County) the County, its board members and councilmember's, officers, and employees from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including, but not limited to, attorney's fees and expenses), arising directly or indirectly, in whole or in part, out of:

(1) the failure of the Lessee or any other person or entity, during the Lease Term, to comply with any Hazardous Materials Law relating in any way whatsoever to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Materials into, on, under or from the Development;

(2) the presence in, on or under the Property or the Development of any Hazardous Materials or any releases or discharges during the Lease Term of any Hazardous Materials into, on, under or from the Property or the Development; or

(3) any activity carried on or undertaken on or off the Property or the Development, during the Lease Term, and whether by the Lessee or any employees, agents, contractors or subcontractors of the Lessee, or any third persons occupying or present on the Property or the Development, in connection with the handling, treatment, removal, storage, decontamination, cleanup, transport or disposal of any Hazardous Materials located or present on or under the Development (collectively "Indemnification Claims").

The foregoing indemnity shall further apply to any residual contamination on or under the Property or the Development, or affecting any natural resources, and to any contamination of any property or natural resources, in each case, arising in connection with the Indemnification Claims and irrespective of whether any of such activities were or will be undertaken in accordance with Hazardous Materials Laws; provided, however, the foregoing

indemnity shall not apply to any Indemnification Claims arising directly or indirectly, in whole or in part, from the County's gross negligence or willful misconduct. This obligation to indemnify, set forth in this Section 4.7(b) shall survive termination of this Lease.

(c) No Limitation. The Lessee hereby acknowledges and agrees that the Lessee's duties, obligations and liabilities under this Lease, including, without limitation, under subsection (b) above, are in no way limited or otherwise affected by any information the County may have concerning the Development and/or the presence within the Development of any Hazardous Materials, whether the County obtained such information from the Lessee or from its own investigations.

(d) Environmental Work. The Lessee shall be responsible for performing the work of any investigation and remediation that may be required by applicable law on the Property in order to develop the Development. The determination as to whether any such remediation is needed, and as to the scope and methodology thereof, shall be made by mutual agreement of the governmental County with responsibility for monitoring such remediation and the County and the Lessee. The Lessee shall notify the County promptly upon discovery of any actionable levels of Hazardous Materials, and upon any release thereof, and shall consult with the County in order to establish the extent of remediation to be undertaken and the procedures by which remediation thereof shall take place. The Lessee shall comply with, and shall cause its agents and contractors to comply with, all laws regarding the use, removal, storage, transportation, disposal and remediation of Hazardous Substances. The investigation and remediation work shall be carried out in accordance with all applicable laws (including Hazardous Materials Laws) and such other procedures and processes as may be described in this Lease.

#### Section 4.8 Nondiscrimination.

The Lessee shall not, in the selection or approval of tenants or provision of services or in any other matter relating to the development and operation of the Development, discriminate against any person or group of persons on the grounds of race, color, creed, religion, sex, sexual orientation, marital status, national origin, ancestry, age, source of income, or disability.

#### Section 4.9 Management Responsibilities.

The Lessee is responsible for all management functions with respect to the Development, including without limitation the selection of residents, certification and recertification of household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items, and security. The County shall have no responsibility over management of the Development. The Lessee shall retain a professional property management company, approved by the County in its reasonable discretion, to perform its management duties hereunder. A resident manager shall also be required. At least six (6) months prior to completion of construction of the Development, and annually thereafter, Lessee shall submit a proposed Management Plan to the County for approval by the County. The County shall approve or disapprove (with written explanation for disapproval) of the proposed management plan by notifying the Lessee in writing within fifteen (15) business days of the date of submission to the County.

#### Section 4.10 Management Agent; Periodic Reports.

The Development shall at all times be managed by an experienced management agent reasonably acceptable to the County, with demonstrated ability to operate residential facilities like the Development in a manner that will provide decent, safe, and sanitary housing (as approved, the "Management Agent"). The Lessee shall submit for the County's approval the identity of any proposed Management Agent and on-site resident manager. The Lessee shall also submit such additional information about the background, experience and financial condition of any proposed Management Agent and on-site resident manager as is reasonably necessary for the County to determine whether the proposed Management Agent or on-site resident manager meets the standard for a qualified Management Agent or on-site resident manager set forth above. If the proposed Management Agent or on-site resident manager meets the standard for a qualified Management Agent or on-site resident manager set forth above, the County shall approve the proposed Management Agent or on-site resident manager by notifying the Lessee in writing. Unless the proposed Management Agent or on-site resident manager is disapproved by the County within thirty (30) days, which disapproval shall state with reasonable specificity the basis for disapproval, it shall be deemed approved. The County hereby approves FPI Management, Inc., as the initial Manager Agent.

#### Section 4.11 Performance Review.

The County reserves the right to conduct an annual (or more frequently, if deemed reasonably necessary by the County) review of the management practices and financial status of the Development. The purpose of each periodic review will be to enable the County to determine if the Development is being operated and managed in accordance with the requirements and standards of this Lease. The Lessee shall cooperate with the County in such reviews.

#### Section 4.12 Books, Records and Reports.

For purposes of such periodic reviews, the Lessee and the Management Agent shall make available to the County for inspection all books and records with respect to the Development. In addition, the Lessee shall provide the County with: (1) by not later than thirty (30) days prior to commencement of each Fiscal Year, the annual budget for the upcoming calendar; (2) within ninety (90) days following the end of each Fiscal Year, a report showing the actual income and expenditures with respect to the Development for the immediately preceding calendar year and the status of all reserve funds; and (3) within one hundred twenty (120) days following the end of each Fiscal Year, a copy of the Lessee's federal income tax filings for the calendar year.

#### Section 4.13 Replacement of Management Agent or On-Site Resident Manager.

(a) If, as a result of a periodic review, the County determines in its reasonable judgment that the Development is not being operated and managed in accordance with any of the requirements and standards of this Agreement or the Regulatory Agreement, the County shall deliver notice to the Developer of such operational issues which notice shall describe the management deficiencies with specificity along with the actions the County deems necessary to cure said deficiencies along with a period in which the deficiencies shall be cured. Within thirty

(30) days of receipt by the Lessee of such written notice, County staff and the Lessee shall meet in good faith to consider methods for improving the financial and operating status of the Development, including, without limitation, replacement of the Management Agent.

(b) If, after such meeting, County staff recommends in writing the replacement of the Management Agent, with the reasonable concurrence of the partners of the Lessee and any Approved Lender, the Lessee shall promptly dismiss the then Management Agent, and shall appoint as the Management Agent a person or entity meeting the standards for a Management Agent set forth in Section 4.10 above and reasonably approved by the County pursuant to Section 4.10 above.

(c) Any contract for the operation or management of the Development entered into by the Lessee shall provide that the contract can be terminated as set forth above. Failure to remove the Management Agent in accordance with the provisions of this Section shall constitute a Lessee Event of Default under this Agreement, and the County may enforce this provision through legal proceedings as specified in Section 10.1(b) below.

#### Section 4.14 Approval of Management Plan.

The Lessee shall submit to the County an initial proposed Management Plan no later than six (6) months after the commencement of construction of the Development pursuant to the Schedule of Performance as set forth in Section 4.3 of the Disposition Agreement. Each year, within sixty (60) days of the end of the Lessee's Fiscal Year, the Lessee shall submit to the County any proposed changes to the Management Plan. The County shall approve or disapprove the proposed changes to the Management Plan in writing within fifteen (15) calendar days following the County's receipt of the request to amend Management Plan, which approval shall not be unreasonably denied. If the proposed change to the Management Plan is disapproved by the County, the County shall deliver a written notice to the Lessee setting forth, in reasonable detail, the reasons for such disapproval. The Lessee shall have fifteen (15) calendar days following the receipt of such notice to submit a revised Management Plan modification in any way necessary to ensure that such policies comply with the provisions of this Lease. The County's approval of the amendments to the Management Plan shall not be unreasonably withheld.

#### Section 4.15 Resident Services Plan and Resident Services Budget.

Lessee hereby agrees to hire and employ a resident services coordinator at least one (1) month prior to completion of the Improvements pursuant to Section 4.4 of the Disposition Agreement. The Lessee shall submit to the County an initial proposed Resident Services Plan and Resident Services Budget no later than six (6) months after the commencement of construction of the Development pursuant to the Schedule of Performance as set forth in Section 4.3 of the Disposition Agreement. Each year, within sixty (60) days of the end of the Lessee's Fiscal Year, the Lessee shall furnish to the County a draft Resident Services Plan and Resident Services Budget. Upon receipt by the County of the proposed Resident Services Plan and Resident Services Budget, the County shall promptly review same and approve or disapprove the Resident Services Plan and the Resident Services Budget within ten (10) working days. If the Resident Services Plan or Resident Services Budget are not approved by the County, the County

shall set forth in writing and notify the Lessee of the County's reasons for withholding such approval, which may include a request by the County for a change in the nature or scope of resident services or a change in service provider. The Lessee shall thereafter submit a revised Resident Services Plan and Resident Services Budget for County approval, which approval shall be granted or denied within five (5) working days in accordance with the procedures set forth above.

#### Section 4.16 Public Safety.

### ARTICLE 5. APPROVED LOANS

#### Section 5.1 Loan Obligations.

Nothing contained in this Lease shall relieve the Lessee of its obligations and responsibilities under any Approved Loans to operate the Development as set forth in the applicable Approved Loan Documents.

#### Section 5.2 Liens and Encumbrances Against Lessee's Interest in the Leasehold Estate.

(a) Lessee shall have the right to encumber the leasehold estate created by this Lease and the Improvements with: (1) the lien or liens securing one or more Approved Loans, subject to the County's review and prior approval of the Approved Loan Documents which approval shall not be unreasonably withheld or conditioned, it being expressly understood that as of the Commencement Date, the County has approved the recordation of the liens securing the

Approved Loans; and (2) after receipt of a certificate of occupancy, the lien or liens securing any lender that refinances any Approved Loan, so long as such refinancing does not exceed the then outstanding principal balance of the replaced Approved Loan, plus any commercially reasonable closing costs associated with such refinancing, plus any reserves or holdbacks reasonably required by such refinancing lender that do not exceed Five Hundred Thousand Dollars (\$500,000). Within fifteen (15) days following receipt of the proposed Approved Loan Documents along with Lessee's written notice requesting approval of such documents, the County shall review and either approve or disapprove the Approved Loan Documents.

(b) The Lessee shall not have the right to encumber the County's fee interest in the Property and the reversionary interest in the Improvements with a lien of an Approved Loan or any Loan.

(c) For as long as there is any lien securing any Approved Loans :

(1) The County shall not agree to any mutual termination or cancellation or accept any surrender of this Lease (including, without limitation, in connection with any casualty or condemnation of the Premises), nor shall the County consent to any amendment or modification of this Lease, without prior written consent of all Approved Lenders that have an outstanding Approved Loan and any such termination, cancellation, surrender, amendment or modification of this Lease without all such consents shall not be valid or effective.

(2) Notwithstanding any default by the Lessee under this Lease, the County shall have no right to terminate this Lease unless the County has given all Approved Lenders which have an outstanding Approved Loan and the Investor written notice of such default pursuant to the requirement of Sections 5.2(c)(vii) and 11.2 and the Investor and/or such Approved Lenders have failed to remedy such default or acquire the Lessee's leasehold estate created by this Lease or commence foreclosure or other appropriate proceedings as set forth in, and within the time specified by this subsection 5.2(c), as applicable. If the County receives competing or conflicting offers to cure any default, then the County shall accept the offers to cure in the following order: first, the Lessee, then each Approved Lender in the relative priority of their respective deeds of trust, and then the Investor. Notwithstanding the foregoing, an Approved Lender shall not be required to obtain possession or commence or continue foreclosure proceedings as a prerequisite to curing a default by the Lessee.

(3) Any Approved Lender which has an outstanding Approved Loan or the Investor shall have the right, but not the obligation, at any time to pay any or all of the Rent or Added Rent due pursuant to the terms of this Lease, and do any other act or thing required of the Lessee by the terms of this Lease, to prevent termination of this Lease. Each Approved Lender and the Investor shall have sixty (60) days after receipt of notice from the County (describing the default and Lessee's failure to cure the same within any applicable notice and cure periods) to cure monetary defaults and ninety (90) days after receipt of notice from the County (describing the default and Lessee's failure to cure the same within any applicable notice and cure periods) to cure nonmonetary defaults (the "Lender Cure Period"). All payments so made and all things so done shall be as effective to prevent a termination of this Lease as the same would have been if made and performed by the Lessee instead of by the Approved

Lender(s) or the Investor and the costs thereof may be added to the security interest and the lien securing the Approved Loans(s) thereof.

(4) In addition to the cure period provided in paragraph (ii) above, if the default is such that possession of the Development may be reasonably necessary to remedy the default, any Approved Lender which has an outstanding Approved Loan shall have a reasonable time after the expiration of the Lender Cure Period within which to remedy such default, provided that:

(A) such Approved Lender has fully cured any default in the payment of any monetary obligations of the Lessee under this Lease within the Lender Cure Period and shall continue to pay currently such monetary obligations when the same are due;

(B) such Approved Lender has acquired the Lessee's leasehold estate hereunder or commenced foreclosure or other appropriate proceedings prior to or within such period, and shall be diligently prosecuting the same; and

(C) after gaining possession of the Development, the Approved Lender promptly commences cure, and thereafter diligently prosecutes the same, of all non-monetary defaults capable of cure by the Approved Lender and otherwise performs all obligations of the Lessee capable of performance by the Approved Lender when the obligations are due.

(5) Any default under this Lease which by its nature cannot be remedied by any Approved Lender shall be deemed to be remedied if:

(A) within ninety (90) days after receiving written notice from the County (describing the default and the Lessee's failure to cure the same within any applicable notice and cure periods), or prior thereto, any Approved Lender has acquired the Lessee's leasehold estate or commenced foreclosure or other appropriate proceedings;

(B) the Approved Lender diligently prosecutes any such proceedings to completion;

(C) the Approved Lender has fully cured any default in the payment of any monetary obligations of Lessee hereunder which does not require possession of the Development; and

(D) after gaining possession of the Development, the Approved Lender performs all other obligations of Lessee hereunder capable of performance by the Approved Lender when the obligations are due.

(6) If Approved Lenders are prohibited, stayed, or enjoined by any bankruptcy, insolvency, or other judicial proceedings involving the Lessee from commencing or prosecuting foreclosure or other appropriate proceedings, then the times specified for commencing or prosecuting such foreclosure or other proceedings shall be extended for the period of such prohibition, so long as the Approved Lender claiming the extension has fully cured any default in the payment of any monetary obligations of Lessee under this Lease,

continues to pay currently such monetary obligations when the same fall due, and does not interfere with the County's efforts to seek compliance by the Lessee with any non-monetary obligation under this Lease.

(7) The County shall mail or deliver to any Approved Lenders which have any outstanding Approved Loan and the Investor a duplicate copy of all notices which the County may from time to time give to the Lessee pursuant to this Lease. All notices delivered by the County to any Approved Lenders or the Investor shall also comply with the notice provisions of Section 11.2. County agrees to accept the performance of the Investor.

(8) The conveyance of the Lessee's interest in the Development to a Foreclosure Transferee by means of a foreclosure or a deed in lieu of foreclosure shall not be subject to the County's prior consent. In the event Foreclosure Transferee becomes the Lessee under this Lease by means of foreclosure or deed in lieu of foreclosure or pursuant to any new lease obtained under subsections (10) and (11) below, the County shall recognize the Foreclosure Transferee and the Foreclosure Transferee shall be personally liable under this Lease or such new lease only for the period of time that the Foreclosure Transferee remains the lessee. Nothing in this section obligates any Foreclosure Transferee to remedy any default of the Lessee, and any failure of any Approved Lender to complete any such cure after commencing the same shall not give rise to any liability of the Approved Lender to the County.

(9) If any Foreclosure Transferee shall acquire the Lessee's interest in the Development, such Foreclosure Transferee shall thereafter have the right to assign or transfer such interest in the Development to an assignee, subject to the consent provisions of Article 8 below. The Foreclosure Transferee shall be released and relieved of any liability under this Lease for acts occurring after the assignment and under any other document entered into in connection herewith upon assignment of all of the Foreclosure Transferee's interest in the Development.

(10) If a Foreclosure Transferee becomes the legal owner of the leasehold estate, and upon written request by the Foreclosure Transferee or its permitted transferee within sixty (60) days after such termination or becoming the legal owner of the leasehold estate, the County shall enter into a new lease of the Property with the Foreclosure Transferee or its permitted transferee for the remainder of the Lease Term with the same agreements, covenants, reversionary interests, and conditions (except for any requirements which have been fulfilled by the Lessee prior to termination) as are contained in this Lease and with priority equal to this Lease, so long as the Foreclosure Transferee or its permitted transferee promptly cures any existing defaults by the Lessee susceptible to cure by the Foreclosure Transferee or its permitted transferee.

(11) If this Lease is terminated for any reason (including, without limitation, a termination or rejection through or by a bankruptcy proceeding, foreclosure, or by other operation of law), then the County shall, upon request by an Approved Lender or its permitted transferee, execute a new lease of the Property to the Approved Lender or other transferee, as the case may be, on the same terms and conditions as this Lease, except that the term will commence on the date of the new lease and will continue for the remaining unexpired term of this Lease. If the County receives conflicting requests for a new lease of the Property,

then the County shall execute a new lease of the Property with the requesting Approved Lender having the most senior deed of trust.

(12) After any termination and cancellation of the Lease set forth in clause (10) or clause (11) above, and prior to the expiration of any period within which an Approved Lender may elect to obtain a new lease from County, County shall refrain from terminating any existing sublease or otherwise encumbering the Property, the Improvements and the Day Care Improvements without the prior written consent of all Approved Lenders that have an outstanding Approved Loan. Any new lease granted an Approved Lender or Foreclosure Transferee shall be in the form substantially similar to this Lease and shall enjoy the same priority in time and in right as this Lease over any lien, encumbrance or other interest created by County before or after the date of such new lease and shall vest in such Approved Lender or Foreclosure Transferee all right, title, interest, power and privileges of Lessee hereunder in and to the Property, the Improvements and the Day Care Improvements, including, without limitation, the assignment of Lessee's interest in and to all then existing subleases and sublease rentals and the automatic vesting of title to all Improvements and Day Care Improvements, fixtures and personal property of Lessee in such Approved Lender or Foreclosure Transferee. Such new lease shall provide, with respect to each and every permitted sublease which immediately prior to the termination of this Lease was superior to the lien of such Approved Lender or Foreclosure Transferee shall be deemed to have recognized the sublessee under the sublease, pursuant to the terms of the sublease as though the sublease had never terminated but had continued in full force and effect after the termination of this Lease, and to have assumed all the obligations of the sublessor under the sublease accruing from and after the termination of the Lease, except that the obligation of the new lessee, as sublessor, under any covenant of quiet enjoyment, expressed or implied, contained in any such sublease shall be limited to the acts of such new lessee and those claiming by, under or through such new lessee. If more than one entity claims to be the lender that is entitled to a new lease pursuant to this subsection, County shall enter into such new lease with the lender whose mortgage or deed of trust is prior in lien. County without liability to Lessee or any lender with an adverse claim, may rely upon a lender title insurance policy issued by a responsible title insurance company doing business in the state where the Property is located as the basis for determining the appropriate lender who is entitled to such new lease and the lender which executes the new lease shall indemnify and hold County harmless against any claims by Lessee or any other lender with respect to such determination.

(13) The County shall cooperate in including in this Lease by suitable amendment from time to time any provision which may reasonably be requested by any proposed leasehold mortgagee for the purpose of allowing such leasehold mortgagee reasonable means to protect or preserve the lien of the leasehold mortgage and the value of its security. The County shall execute and deliver (and acknowledge, if necessary, for recording purposes) any agreement necessary to effect any such amendment, so long as such amendment does not in any way affect the Lease Term or Rent or Added Rent under this Lease or otherwise in any material respect adversely affect any rights of the County under this Lease.

#### Section 5.3 Cost of Approved Loans to be Paid by Lessee.

The Lessee shall bear all of the costs and expenses in connection with (a) the preparation and securing of the Approved Loans, (b) the delivery of any instruments and documents and their

filing and recording, if required, and (c) all taxes and charges payable in connection with the Approved Loans.

#### Section 5.4 Proceeds of Approved Loans.

All Approved Loan proceeds shall be paid to and become the property of the Lessee, and the County shall have no right to receive any such Approved Loan proceeds.

#### Section 5.5 Notice and Right to Cure Defaults Under Approved Loans.

Lessee shall include in all Approved Loan Documents (which may be in a subordination or intercreditor agreement) that, in the event of default by the Lessee under an Approved Loan, notice shall be given to the County at the same time given to the Lessee, and the County shall have the right, but not the obligation, to cure the default with a cure period which extends not less than ninety (90) days beyond the cure period provided to the Lessee under the applicable Approved Loan Document. Notwithstanding the foregoing, in no event shall County have the right to terminate this Lease as a result of Lessee's failure to cure an event of default under any Approved Loan, including the County Loan, or the failure of Lessee to repay County for any amounts paid by County to cure an event of default under any Approved Loan, including the County Loan, and no Approved Lender shall be obligated to cure any such default. Nothing contained in Section 5.5 or elsewhere within this Lease shall require the consent of the County to exercise any remedies by such Approved Lender under its Approved Loan Documents.

#### Section 5.6 Modifications.

If an Approved Lender should, as a condition of providing financing for development of all or a portion of the Development, request any modification of this Lease in order to protect its interests in the Development or this Lease, the County shall consider such request in good faith consistent with the purpose and intent of this Lease and the rights and obligations of the Parties under this Lease.

#### Section 5.7 Estoppel Certificates.

The County and the Lessee agree that at any time and from time to time upon not less than twenty (20) days prior written notice by the other party, or upon request from the Investor or any Approved Lender or a permitted assignee or other interested party, the County or the Lessee will execute, acknowledge and deliver to the other party or to such other parties a statement in writing in form and content reasonably acceptable to the County, substantially in the form provided to such Approved Lender on or about the date of this Lease, certifying: (a) that this Lease is unmodified and in full force and effect; (b) the date through which the Rent and Added Rent has been paid; and (c) that, to the knowledge of the certifier (if such be the case), there is no default, set-off, defense or other claim against the County or the Lessee, as applicable, other than those, if any, so specified under the provisions of this Lease. It is intended that any such statement may be relied upon by any persons proposing to acquire the interest of the County, the Lessee or any Approved Lender or the Investor, as the case may be, in this Lease or by any assignee of any Approved Lender.

## ARTICLE 6. INSURANCE

### Section 6.1 Required Insurance Coverage.

The Lessee shall furnish to the County the type and amounts of insurance specified in Exhibit B. The County shall be named as an additional insured on the policies specified in Exhibit B. The Lessee shall insure that all workers' compensation insurance policies carried by the general contractor and subcontractors working on the Development include a waiver of subrogation in favor of the County. Any Approved Lender may be named as an additional insured or loss payee under any insurance coverages maintained by Lessee and may participate in the settlement of any proceeds therefrom (as further discussed below).

### Section 6.2 Insurance Policies and Premiums.

All liability policies required by this Lease or any Approved Loan Document shall comply with the requirements set forth in Exhibit B.

(a) Insurance shall be placed with insurers with a current Best Rating of no less than A:VII. Any deductible or self-insured retention shall be disclosed to and approved by the County.

(b) The Lessee shall furnish the County with certificates and original endorsements effecting the required coverage promptly upon request. The endorsements shall be signed by persons authorized by the insurer to bind coverage on its behalf. The endorsements shall be on forms provided by the County or as approved by the County. If the Lessee does not keep all required insurance policies in full force and effect, then the County may, in addition to other remedies under this Lease, and upon not less than fifteen (15) days prior written notice and the failure of the Lessee to obtain such insurance within such fifteen (15) day period, take out the necessary insurance, and the Lessee shall pay the cost of such insurance.

(c) Promptly upon the County's request from time to time during the Lease Term, the Lessee shall increase the amount of the insurance policies, or otherwise modify such policies set forth in Exhibit B, so long as sufficient funds are reasonably available to pay for such increases.

### Section 6.3 Proceeds of Insurance.

For so long as any Approved Loan on the Development is outstanding or as required under Section 7.2 below, the disposition of all commercial property insurance (including builder's risk) proceeds shall be governed by the Approved Loan Documents. If the Improvements are not repaired or rebuilt, all such proceeds shall be applied in a manner consistent with the terms of the Approved Loans, with any conflicts resolved in accordance with the relative priority of their respective deeds of trust.

If the Lessee fails to agree in writing within thirty (30) days after payment of the proceeds of insurance that such repair or rebuilding is economically feasible and the Improvements as so restored will be economically viable, then within an additional sixty (60)

days, Lessee shall commence to demolish and clear the Property of the Improvements, unless otherwise directed by the County, and this Lease shall terminate at the option of the County upon the completion of the clearance of the Property by the Lessee.

Section 6.4 Indemnification.

The Lessee agrees to indemnify, protect, hold harmless and defend (by counsel reasonably satisfactory to the County) the County, its board members, officers and employees, from all suits, actions, claims, causes of action, costs, demands, judgments and liens arising out of the Lessee's performance or non-performance under this Lease, or any other agreement executed pursuant to this Lease, or arising out of acts or omissions of any of Lessee's contractors, subcontractors, or persons claiming under any of the aforesaid, except as directly caused by the County's willful misconduct or gross negligence. The provisions of this section shall survive expiration of the Lease Term or other termination of this Lease, and shall remain in full force and effect.

ARTICLE 7.

CONDEMNATION, DAMAGE OR DESTRUCTION OF THE IMPROVEMENTS

Section 7.1 Condemnation.

If the Improvements or the Property or any part thereof is taken or condemned, for any public or quasi-public purpose or use by any competent entity in appropriate proceedings, or by any right of eminent domain, then the County and Lessee shall request that awards and other payments on account of a taking of the Improvements and the Property (less costs, fees and expenses incurred by the County and Lessee in connection with the collection thereof) be divided by the presiding court between loss of value of the County's reversionary fee interest in the Property and reversionary interests in the Improvements and loss of value of the Lessee's leasehold estate in the Property and fee interest in the Improvements. In any case, subject to the rights of Approved Lenders under the Approved Loan Documents (with any conflicts resolved in accordance with the relative priority of their respective deeds of trust), such awards and payments shall be applied as follows:

(a) Net awards and payments received on account of a partial taking of the Improvements, other than a taking for a temporary use not exceeding one (1) year, shall be allocated and paid in the following order of priority:

(1) If the Lessee reasonably believes restoration is economically feasible, and unless the Approved Lenders under the Approved Loan Documents require that the proceeds be applied to the outstanding indebtedness under the Approved Loans, first, to pay the cost of restoration of the Improvements, provided that the extent of the Lessee's obligations to restore the Improvements shall be limited to the amount of the net award and payment received by and available to Lessee on account of the taking. In such event, the condemnation proceeds shall be paid into the Construction Fund described in Section 7.2 below, subject to the rights of Approved Lenders to collect and disburse such funds.

(2) Second (or first if (i) the Lessee does not believe that restoration is economically feasible or viable as described above, or (ii) the Approved Lender(s) under the Approved Loan Documents require(s) that such proceeds be applied to the outstanding indebtedness under the Approved Loan(s)) to any Approved Lenders (in the order of their respective lien priority, if there is more than one Approved Lender) in an amount necessary to reduce the outstanding indebtedness under the approved Loan(s) to the extent required by the Approved Lender(s).

(3) The balance, if any, shall be divided between the County and the Lessee in the manner specified in subparagraph (e) below.

(b) Net awards and payments received on account of a partial or total taking of only the County's fee interest in the Property or the reversionary interest in the Improvements (that is, a taking of the County's fee interest in the Property or the County's reversionary interest in the Improvements that has no effect on the value of the Lessee's leasehold interest in the Property or the Lessee's fee interest in the Improvements), including severance damages, shall be paid to the County which amount shall be free and clear of any claims of the Lessee, or any other persons claiming rights to the Property through or under the Lessee.

(c) Net awards and payments received on account of a taking for temporary use not exceeding one (1) year and relating to a period during the Lease Term shall be paid to the Lessee; however, if such taking for temporary use has resulted in any damage to or destruction of the Development, then such net awards and payments shall be first applied to pay the cost of restoration if the Lessee determines that restoration is economically feasible. Net awards and payments received on account of a taking for temporary use not exceeding one (1) year and relating to a period beyond the Lease Term shall be paid to the County.

(d) Net awards and payments received on account of a total taking of the Development shall be allocated and paid in the following order of priority:

(1) First, to any Approved Lenders with then-outstanding Approved Loans secured by the Development (in the order of their respective lien priority, if there is more than one Approved Lender), an amount equal to the unpaid balance secured by their respective Approved Loans up to the total amount of such awards and payments;

(2) The balance, if any, shall be divided between the County and the Lessee in the manner specified in subparagraph (e) below.

(e) For purposes of subsections (a)(iii) and (d)(ii) above, proceeds shall be paid in the following manner: first, the Lessee shall receive reimbursement for any funds it has reasonably expended for repair and/or reconstruction of the Development (other than funds received from Approved Lenders). Second, the balance, if any, shall be paid to the Lessee and the County *pari passu*. The Lessee shall receive the portion of the payment attributable to the Improvements, Lessee's leasehold interest, and Lessee's trade fixtures and personal property. The County shall receive the portion of the payment attributable to the County's fee interest in the Property and the County's reversionary interest in the Improvements.

(f) The Lessee shall receive any award granted for or allocated to trade fixtures, moving expenses or loss of business.

Section 7.2 Administration of Construction Fund in the Event of Condemnation, or Damage or Destruction of Development.

In the event the Approved Loans have not been paid in full, then the Approved Lender with the deed of trust with the most senior loan priority may act as the disbursing agent for any insurance proceeds or condemnation award for the repair or reconstruction of the Improvements (and Day Care Improvements, as applicable) in accordance with its standard practices for administering construction loans. If the Approved Loans have been paid in full or as otherwise required under Section 6.3 above, and if the Improvements, or any part of it, is to be repaired or reconstructed after damage or destruction or condemnation, then all proceeds collected under any and all policies of insurance referred to in Article 6 above covering such damage or destruction, or all compensation received for such taking by the exercise of the power of eminent domain, shall be paid into a special trust fund to be created and held by the Lessee during such repairing or reconstructing (the "Construction Fund"). Any surplus of such insurance or condemnation proceeds remaining in the Construction Fund after the completion of all payments for such repairing or reconstructing shall be held or applied by the Lessee in a manner consistent with the applicable provision of this Article 7.

Section 7.3 Lessee, County, Approved Lenders to be Made Parties in Legal Proceedings.

(a) In the event proceedings shall be instituted (i) for the exercise of the power of eminent domain, or (ii) as a result of any damage to or destruction of the Development, the resulting proceeds shall be paid to the Approved Lenders for application or disbursement in accordance with the Approved Loan Documents (in the order of their respective lien priority, if there is more than one such Approved Lender). The Lessee, County, and, as necessary, any Approved Lender with a then-outstanding Approved Loan shall be made parties to those proceedings, and if not made parties by the petitioning party, shall be brought into the proceedings by appropriate proceedings of the other parties so that adjudication may be made of the damages, if any, to be paid to the Lessee, the County and Approved Lenders as compensation for loss of their rights in the Improvements or the Property, or for damage to or destruction of the Development. Should the County or Lessee receive notice of institution of any proceedings subject to Section 7.1, the Party receiving such notice shall notify the other Party not later than thirty (30) days after receiving such notice.

(b) The County and the Lessee shall cooperate and consult with each other in all matters pertaining to the settlement, compromise, arbitration, or adjustment of any and all claims and demands for damages on account of damage to, or destruction of, the Development, or for damages on account of the taking or condemnation of the Improvements or the Property.

Section 7.4 Termination.

In the event of a total taking or in the event of damage, destruction, or a partial taking, other than a temporary taking of the Development, which the Lessee reasonably determines

renders continued operation of the Development infeasible both as a whole and in substantial part, this Lease shall terminate at the option of the County (except if the Lessee is rebuilding the Development in accordance with the terms of this Lease), and in such event any proceeds shall be allocated pursuant to Section 6.3 or Article 7, as appropriate. In the event of a partial taking that does not result in termination pursuant to this Section 7.4, this Lease shall remain in full force and effect as to the portion of the Development remaining. Notwithstanding the foregoing, County shall not terminate this Lease on account of such damage, destruction or taking without the prior written consent of any Approved Lender with an outstanding Approved Loan.

## ARTICLE 8. ASSIGNMENT AND TRANSFERS

### Section 8.1    Definitions.

As used in this Article 8, the term "Transfer" means:

- (a) Any total or partial sale, assignment or conveyance, or any trust or power, or any transfer in any other mode or form, of or with respect to this Lease or of the Property or any part thereof or any interest therein or of the Development constructed thereon, or any contract or agreement to do any of the same; or
- (b) Any total or partial sale, assignment or conveyance, or any trust or power, or any transfer in any other mode or form, of or with respect to any ownership interest in the Lessee, or any contract or agreement to do any of the same.

### Section 8.2    Purpose of Restrictions on Transfer.

This Lease is entered into solely for the purpose of development and operation of the Development on the Property and its subsequent use in accordance with the terms of this Lease. The qualifications and identity of the Lessee are of particular concern to the County, in view of:

- (a) The importance of the redevelopment of the Property to the general welfare of the community; and
- (b) The fact that a Transfer as defined in Section 8.1 above is for practical purposes a transfer or disposition of the Property.

It is because of the qualifications and identity of the Lessee that the County is entering into this Lease with the Lessee and that Transfers are permitted only as provided in this Lease.

### Section 8.3    Prohibited Transfers.

The limitations on Transfers set forth in this Section 8.3 shall apply for the Lease Term. Except as expressly permitted in this Lease, the Lessee represents and agrees that the Lessee has not made or created, and will not make or create or suffer to be made or created, any Transfer, either voluntarily or by operation of law, without the prior approval of the County. The County may approve any such Transfer in its sole discretion. The Parties agree and acknowledge that at

all times prior to any conveyance of the Lessee's interest in the Development to a Foreclosure Transferee, an AMCAL Affiliate shall remain the managing general partner of the Lessee throughout the Lease Term. Any Transfer made in contravention of this Section 8.3 shall be void and shall be deemed to be a default under this Lease, whether or not the Lessee knew of or participated in such Transfer.

#### Section 8.4 Permitted Transfers.

Notwithstanding the provisions of Section 8.3, the following Transfers shall be permitted without the prior written consent of the County (subject to satisfaction of the conditions of Section 8.5):

(a) Any Transfer creating a lien or trust relationship pursuant to an Approved Loan, and after receipt of a certificate of occupancy, any Transfer creating a lien or trust relationship to refinance any Approved Loan, so long as such refinancing does not exceed the then outstanding principal balance of the replaced Approved Loan plus any commercially reasonable closing costs associated with such refinancing plus any reserves or holdbacks reasonably required by such refinancing lender that do not exceed Five Hundred Thousand Dollars (\$500,000);

(b) Any Transfer directly resulting from the foreclosure of an Approved Loan or the granting of a deed in lieu of foreclosure of an Approved Loan;

(c) The leasing of residential units within the Development in accordance with the Regulatory Agreement, provided, however, the leasing of any residential unit(s) within the Development that is not done in accordance with the Regulatory Agreement shall not give the County any right to terminate this Lease; instead, the County's remedies for such violation of the Regulatory Agreement shall be as set forth in the Regulatory Agreement;

(d) The leasing and subleasing of the Day Care Improvements pursuant to Section 2.6(a);

(e) At all times prior to any conveyance of the Lessee's interest in the Development to a Foreclosure Transferee, a transfer of any partnership interest in Lessee to any affiliate of AMCAL or as collateral for any Approved Loan;

(f) The granting of easements, licenses, or permits to facilitate the development of the Property;

(g) The County hereby approves a Transfer of a limited partnership interest in the Lessee to the Investor, or to an affiliate of the Investor or which is controlled by Hudson Housing Capital LLC, a change in the beneficial ownership of the Investor, so long as such entity remains controlled by Hudson Housing Capital LLC or an affiliate thereof; (iii) the pledge and encumbrance of the interests of the Investor to or for the benefit of any financial institution which enables the Investor to make its capital contributions to the Borrower; as well as the taking of such interests by such financial institution and their admission as a partner in the Borrower and issuance of membership interests in the Borrower equal to 99.99% of the profits, losses, credits, distributions and other interests in the Borrower to the Investor of the Borrower

(provided such affiliate provides documentation reasonably acceptable to the County that the affiliate has sufficient financial capability to provide the capital contributions set forth in the Financing Plan) and future transfers of such interest provided that:

(1) the Lessee's partnership agreement provides for capital contributions of the limited partners consistent with Financing Plan and is first approved by the County in its reasonable discretion;

(2) all documents, including but not limited to the associated with the tax credit syndication of the Development are submitted to the County for approval prior to execution, which approval shall not be unreasonably withheld; and

(3) in subsequent transfers the Investor (or an affiliate of the Investor or of Hudson Housing Capital LLC) remains liable for all unpaid capital contributions.

The Parties agree and acknowledge that an AMCAL Affiliate shall remain the administrative general partner of the Lessee throughout the Lease Term. In the event the general partner of the Lessee is removed by the limited partner of the Lessee for cause following default under the Lessee's partnership agreement, the County hereby approves the transfer of the general partner interest to an entity that is an affiliate of the Investor and/or Hudson Housing Capital LLC. Any replacement general partner that is not such an affiliate shall be selected by the Investor and approved in advance and in writing by the County, which approval shall not be unreasonably withheld.

#### Section 8.5 Procedure for Approval of Certain Transfers.

Except as otherwise permitted pursuant to Section 8.4 above, the County shall in its sole discretion approve or disapprove a request for a Transfer made by the Lessee upon the Lessee's delivery of written notice to the County requesting such approval. Such notice shall be accompanied by evidence regarding the proposed Transfer in reasonably sufficient detail to enable the County to evaluate the proposed Transfer, including, without limitation, transferee financial statements, information regarding prior transferee experience, and information regarding transferee's proposed use and/or development of the Property. Within thirty (30) days after receipt of the Lessee's written notice requesting County approval of a proposed Transfer, the County shall either reasonably approve or disapprove such proposed Transfer, or shall respond in writing by stating what further information, if any, the County reasonably requires in order to determine whether or not to grant the requested approval. Upon receipt of such a response, the Lessee shall promptly furnish to the County such further information as may be reasonably requested. Within ten (10) days after the County's receipt of the Lessee's submittal of the requested further information, the County shall either reasonably approve or disapprove such proposed Transfer. The County's failure to respond within such ten (10) day period to any such request for approval shall be deemed to be the County's approval thereof.

Upon the County granting approval of such proposed Transfer, the person or entity to which such Transfer is made, by an instrument in writing prepared by the County and in form recordable among the land records of the County of San Bernardino, shall expressly assume the obligations of the Lessee under this Lease and agree to be subject to the conditions and

restrictions to which the Lessee is subject arising during this Lease, to the fullest extent that such obligations are applicable to the particular portion of or interest in the Development conveyed in such Transfer.

Section 8.6    Assignments.

Any assignment of rights and/or delegation of obligations under this Lease in connection with a Transfer (whether or not County approval is required) shall be in writing executed by the Lessee and the assignee or transferee, with a copy thereof delivered to the County within thirty (30) days after the effective date thereof. Upon assignment or transfer of the Development pursuant to an assumption agreement described in Section 8.5 above, the assignor shall be relieved of liability with respect to any such obligations relating to the Development assumed by the assignee. Notwithstanding the foregoing, unless such assignee specifically assumes the obligations under this Lease with respect to the Development, the assignor will retain such obligations and remain jointly and severally liable for such obligations with such assignee. In the absence of specific written agreement by the County (which the County may grant or withhold in its sole discretion), no Transfer permitted by this Lease or approved by the County shall be deemed to relieve the transferor from any obligation under this Lease.

ARTICLE 9.  
REPRESENTATIONS AND ASSURANCES

Section 9.1    County to Give Peaceful Possession.

Lessee shall have, hold, and enjoy, during the Lease Term, peaceful, quiet, and undisputed possession of the Property without hindrance or molestation by or from the County so long as the Lessee is not in default under this Lease following the expiration of all applicable notice and cure periods.

Section 9.2    Lessee Representations.

The Lessee represents and warrants, as of the Commencement Date, as follows:

(a)    Organization. The Lessee is a duly organized, validly existing California limited partnership, and is in good standing under the laws of the State of California and has the power and authority to own its property and carry on its business as now being conducted.

(b)    Authority of Lessee. The Lessee has full power and authority to execute and deliver this Lease, and all documents to be executed and delivered, pursuant to this Lease, and to perform and observe the terms and provisions of this Lease and of all documents to be executed and delivered pursuant to this Lease.

(c)    Authority of Persons Executing Documents. This Lease and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Lease have been executed and delivered by persons who are duly authorized to execute and deliver the same for and on behalf of Lessee, and all actions required under the Lessee's organizational documents and applicable governing law for the authorization, execution, delivery

and performance of this Lease and all other documents or instruments executed and delivered, or to be executed and delivered, pursuant to this Lease, have been duly taken.

(d) Valid Binding Agreements. This Lease and all other documents or instruments which have been executed and delivered pursuant to or in connection with this Lease constitute or, if not yet executed or delivered, will when so executed and delivered constitute, legal, valid and binding obligations of the Lessee enforceable against it in accordance with their respective terms.

(e) No Breach of Law or Agreement. Neither the execution nor delivery of this Lease or of any other documents or instruments executed and delivered, or to be executed or delivered, pursuant to this Lease, nor the performance of any provision, condition, covenant or other term hereof or thereof, will conflict with or result in a breach of any statute, rule or regulation, or any judgment, decree or order of any court, board, commission or County whatsoever binding on the Lessee, or any provision of the organizational documents of the Lessee, or will conflict with or constitute a breach of or a default under any agreement to which the Lessee is a party, or will result in the creation or imposition of any lien upon any assets or property of the Lessee, other than liens established pursuant hereto.

(f) Compliance With Laws; Consents and Approvals. The construction of the Improvements will comply with all applicable laws, ordinances, rules and regulations of federal, state and local governments and agencies and with all applicable directions, rules and regulations of the fire marshal, health officer, building inspector and other officers of any such government or County.

(g) Pending Proceedings. The Lessee is not in default under any law or regulation or under any order of any court, board, commission or County whatsoever, and there are no claims, actions, suits or proceedings pending or, to the knowledge of the Lessee, threatened against or affecting the Lessee, at law or in equity, before or by any court, board, commission or County whatsoever which might, if determined adversely to the Lessee, materially affect the Lessee's ability to develop the Improvements.

(h) Title to Property. Upon the recordation of the Memorandum of Lease, the Lessee will have good and marketable leasehold title to the Property and there will exist thereon or with respect thereto no mortgage, lien, pledge or other encumbrance of any character whatsoever other than those liens approved by the County, liens for current real property taxes and assessments not yet due and payable, and liens in favor of the County or approved in writing by the County.

(i) Financial Statements. The financial statements of the Lessee and other financial data and information furnished by the Lessee to the County fairly present the information contained therein. As of the date of this Lease, there has not been any adverse, material change in the financial condition of the Lessee from that shown by such financial statements and other data and information.

(j) Sufficient Funds. The Lessee holds sufficient funds or binding commitments for sufficient funds to complete the construction of the Improvements in accordance with this Agreement.

### Section 9.3 Release of County.

The County may not sell, assign, transfer or convey all or any part of County's interest in the Property, reversionary interest in the Improvements, or this Lease without obtaining the consent of the Lessee, all Approved Lenders and the Investor, which consent will not be unreasonably delayed, conditioned or withheld. County does not intend to encumber its fee interest in the Property. Nonetheless, the County agrees that any mortgage, deed of trust or other encumbrance on the fee estate in the Property or reversionary interest in the Improvements shall be junior and subordinate to the Lease and any Approved Loan Documents, and County agrees to execute, acknowledge (as appropriate) and deliver any additional documents reasonably requested by any Approved Lender to confirm the foregoing

### Section 9.4 Holding Over.

If the Lessee shall retain possession of the Property or the Improvements thereon or any part thereof without the County's prior written consent following the expiration of the Lease Term or sooner termination of this Lease for any reason, then the Lessee shall pay to the County the fair market rent for the Property as of the date the Lessee retained possession of the Property or the Improvements, or any part thereof without the County's prior written consent following the expiration or sooner termination of this Lease as determined by a licensed real estate appraiser selected by the County in its sole discretion (the "Holdover Rent").

In addition to the Holdover Rent, the Lessee shall pay the County all other payments that would have been due had the Lease not expired or been terminated and had the Rent, Added Rent and other payment terms in effect at the time of the expiration or sooner termination of the Lease remained in effect. These payments shall be applicable to a holding over of any kind by the Lessee. The Lessee shall also indemnify and hold the County harmless from any loss or liability resulting from delay by the Lessee in surrendering the Property, including, without limitation, any claims made by any succeeding lessee founded on such delay. Acceptance of Rent or Added Rent by the County following expiration or termination shall not constitute a renewal of this Lease and nothing contained in this Section 9.4 shall waive the County's right of reentry or any other right. The Lessee shall be only a Lessee at sufferance, whether or not the County accepts any Rent or Added Rent from the Lessee while the Lessee is holding over without the County's written consent.

### Section 9.5 No Merger.

Except upon expiration of the Lease Term or upon termination of this Lease pursuant to an express right of termination set forth herein, there shall be no merger of either this Lease or the Lessee's estate created hereunder with the fee estate of the Property or any part thereof by reason of the fact that the same person may acquire, own or hold, directly or indirectly, (a) this Lease, the Lessee's estate created hereunder or any interest in this Lease or the Lessee's estate (including the Improvements), and (b) the fee estate in the Property or any part thereof or any

interest in such fee estate (including the Improvements), unless and until all persons, including any assignee of the County, having an interest in (i) this Lease or the Lessee's estate created hereunder, and (ii) the fee estate in the Property or any part thereof, shall join in a written instrument effecting such merger and shall duly record the same.

## ARTICLE 10. DEFAULTS AND REMEDIES

### Section 10.1 Events of Default; Remedy for Default by Lessee.

Any one or more of the following events shall constitute an "Event of Default" by the Lessee:

- (a) Failure to pay Rent or Added Rent, as required pursuant to Section 2.5 of this Lease, or any other payment required hereunder, and continuance of such failure for a period of fifteen (15) days after receipt by the Lessee of written notice specifying the nonpayment;
- (b) Failure of the Lessee to observe and perform any other covenant, condition or agreement hereunder on its part to be performed, and (1) continuance of such failure for a period of thirty (30) days after receipt by the Lessee of written notice specifying the nature of such default, or (2) if by reason of the nature of such default the same cannot be remedied within such thirty (30) days, the Lessee fails to proceed with reasonable diligence after receipt of such notice to cure the same, within a reasonable amount of time thereafter but in no event later than one hundred twenty (120) days following the County's initial notice; or
- (c) The Lessee's abandonment of the Property for the period of time required for such abandonment to be legally recognized as such under California law; or
- (d) A general assignment by the Lessee for the benefit of creditors; or
- (e) The filing of a voluntary petition by the Lessee, or the filing of an involuntary petition by any of the Lessee's creditors, seeking the rehabilitation, liquidation or reorganization of the Lessee under any law relating to bankruptcy, insolvency or other relief of debtors, provided that in the case of an involuntary petition Lessee shall have ninety (90) days to cause such petition to be withdrawn or dismissed; or
- (f) The appointment of a receiver or other custodian to take possession of substantially all of the Lessee's assets or of this leasehold, which appointment is not withdrawn or dismissed within sixty (60) days, excluding any receivership initiated by an Approved Lender which shall not constitute an Event of Default; or
- (g) The Lessee becomes insolvent or declares in writing it is unwilling or unable to pay its debts as they become due; or any court enters a decree or order directing the winding up or liquidation of the Lessee or of substantially all of its assets; or the Lessee takes any action toward the dissolution or winding up of its affairs or the cessation or suspension of its use of the Development; or

(h) Attachment, execution or other judicial seizure of substantially all of the Lessee's assets or this leasehold, which is not dismissed, bonded, or stayed within thirty (30) days; or

(i) A Transfer occurs, either voluntarily or involuntarily, in violation of Article 8.

(j) Whenever any default has occurred and is continuing and upon expiration of any applicable cure periods, and subject to the cure rights of Approved Lenders and the Investor, an Event of Default shall exist, the County may take whatever action at law or in equity as may appear reasonably necessary to enforce performance or observance of this Lease, including without limitation, termination of this Lease. Notwithstanding the foregoing, the County shall not terminate this Lease prior to the expiration of the fifteen year tax credit compliance period for the Improvements. In the event of an Event of Default, County's remedies shall be cumulative, and no remedy expressly provided for in this section shall be deemed to exclude any other remedy allowed by law. If and to the extent the Lessee's default under this Lease is associated solely with a violation of or default under the Regulatory Agreement, the County's remedies for such violation of or default under the Regulatory Agreement shall be limited to the remedies set forth in the Regulatory Agreement and nothing in this Agreement shall be read to give the County any additional remedies, including, without limitation, any right to terminate this Lease as a result of a default or Event of Default under this Lease associated solely with a violation of or default under the Regulatory Agreement.

#### Section 10.2 Remedy for Default by County.

If the County defaults under this Lease, then the Lessee shall first notify the County in writing of its purported breach or failure, giving the County thirty (30) days from receipt of such notice to cure or, if cure cannot be accomplished within thirty (30) days, to commence to cure such breach, failure, or act. In the event the County does not then so cure within said thirty (30) days, or if the breach or failure is of such a nature that it cannot be cured within thirty (30) days, the County fails to commence to cure within such thirty (30) days and thereafter diligently complete such cure within a reasonable time thereafter but in no event later than one hundred twenty (120) days, then the Lessee shall be afforded all of its rights at law or in equity, including terminating in writing this Lease (provided, however, that the indemnification provisions shall survive such termination).

### ARTICLE 11. MISCELLANEOUS

#### Section 11.1 Instrument Is Entire Agreement.

This Lease and the Disposition Agreement constitute the entire agreement between the Parties with respect to the matters set forth herein and completely supersede all prior understandings or agreements, both written and oral, between the Parties relating to the lease of the Property.

No supervisor, member, official, employee or agent of the County shall be personally liable to the Lessee, or any successor in interest, in the event of a County default.

Section 11.4 Force Majeure.

Performance by either Party shall not be deemed to be in default where defaults are due to war; insurrection; strikes; lock-outs; riots; floods; earthquakes; fires; casualties; acts of god; acts of the public enemy; epidemics; quarantine restrictions; freight embargoes; lack of transportation; governmental restrictions or priority; litigation (including suits filed by third parties concerning or arising out of this Lease); weather or soils conditions which, in the opinion of the Lessee's contractor, will necessitate delays; inability to secure necessary labor; acts of the other Party; acts or failure to act of any public or governmental County or entity (other than the acts or failure to act of the County); or any other causes (other than the Lessee's inability to obtain financing for the Development) beyond the control or without the fault of the Party claiming an extension of time to perform. Times of performance under this Lease may also be extended in writing by the County and the Lessee. In no event shall the cumulative delays exceed one hundred eighty (180) days, unless otherwise agreed to in writing by the Parties.

Section 11.5 Non-Waiver of Breach.

Neither the failure of a Party to insist upon strict performance of any of the covenants and agreements of this Lease nor the failure by the Party to exercise any rights or remedies granted to such Party under the terms of this Lease shall be deemed a waiver or relinquishment (a) of any covenant herein contained or of any of the rights or remedies of the applicable Party, (b) of the right in the future of the applicable Party to insist upon and to enforce, by any appropriate legal remedy a strict compliance with all of the covenants and conditions thereof, or (c) the right of the County to recover possession of the Property upon occurrence of a default and the expiration of applicable notice and cure periods or the expiration of the Lease Term.

Section 11.6 Binding Upon Successors; Covenants to Run With Land.

This Lease shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors in interest and assigns of each of the Parties; provided, however, that there shall be no transfer of any interest by the Lessee except pursuant to the terms of this Lease. Every contract, deed, or other instrument hereafter executed covering or conveying the Property or the Improvements or any portion thereof shall be held conclusively to have been executed, delivered, and accepted subject to such covenants and restrictions, regardless of whether such covenants or restrictions are set forth in such contract, deed or other instrument, unless

Section 11.7 Employment Opportunity.

The Lessee and its successors, assigns, contractors and subcontractors shall not discriminate against any employee or applicant for employment in connection with the construction and operation of the Improvements because of race, color, religion, sex, sexual preference, marital status, ancestry or national origin. Each of the following activities shall be conducted in a nondiscriminatory manner: hiring; upgrading; demotion and transfers; recruitment and recruitment advertising; layoff and termination; rate of pay and other forms of compensation; and selection for training including apprenticeship.

Section 11.8 Relationship of Parties.

Nothing contained in this Lease shall be deemed or construed by the Parties or by any third party to create the relationship of principal or agent; partnership; joint venture; association; or buyer and seller. Neither the computation of any payments and other charges under the terms of this Lease nor any other provisions contained in this Lease, nor any act of the Parties, shall be deemed to create any relationship between the Parties other than the relationship of landlord and tenant.

Section 11.9 Titles.

Any titles of the sections or subsections of this Lease are inserted for convenience of reference only and shall be disregarded in interpreting any of its provisions.

Section 11.10 Severability.

If any provision of this Lease or the application of any provision to any person or circumstances shall be invalid or unenforceable to any extent, the remainder of this Lease, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

Section 11.12 Venue.

The Superior Court of the County of San Bernardino shall be the forum and venue for all litigation arising from this Lease.

Section 11.13 Approvals.

(a) Whenever this Lease calls for a Party's approval, consent, or waiver, the written approval, consent, or waiver of the Party's Authorized Officer(s) shall constitute the approval, consent, or waiver of the Party, without further authorization required from the Party's board. The Parties hereby authorize their Authorized Officers to deliver such approvals or consents as are required by this Lease, or to waive requirements under this Lease, on behalf of them.

(b) All approvals under this Lease shall be subject to a reasonableness standard, except where a sole discretion standard is specifically provided.

Section 11.14 Inspection of Books and Records.

The County has the right, at all reasonable times, to inspect and copy, on a confidential basis, subject to the California Public Records Act (California Government Code Section 6251 et seq.), the books, records and all other documentation of the Lessee pertaining to its obligations under this Lease. The Lessee also has the right, at all reasonable times, to inspect and copy the books, records and all other documentation of the County pertaining to its obligations under this Lease. Each Party shall maintain adequate records for a period of at least five (5) years after the end of the operating year in which the records were created.

Section 11.17 Prohibition on Fee Interest Encumbrances.

No encumbrances will be allowed to be recorded against the County's fee interest in the Property, with the sole exception of a lease rider, if required under the California Tax Credit Allocation Committee ("TCAC") regulations, in a form to be provided by TCAC, and any lease rider required by the California Department of Housing and Community Development associated with an approved or permitted Senior Lien.

Such additional insured coverage must be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11 85.

(g) All policies and bonds are to contain (i) the agreement of the insurer to give the County at least thirty (30) days' notice prior to cancellation (including, without limitation, for non-payment of premium) or any material change in said policies; (ii) an agreement that such policies are primary and non-contributing with any insurance that may be carried by the County; (iii) a provision that no act or omission of the Lessee shall affect or limit the obligation of the insurance carrier to pay the amount of any loss sustained; and (iv) a waiver by the insurer of all rights of subrogation against the County and its authorized parties in connection with any loss or damage thereby insured against.

All general or auto liability insurance coverage provided shall not prohibit the Lessee and the Lessee's employees or agents from waiving the right of subrogation prior to a loss or claim. The Lessee hereby waives all rights of subrogation against the County.

(j) All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.

(k) The Lessee shall furnish Certificates of Insurance to the County Department administering the contract evidencing the insurance coverage prior to the Close of Escrow, additional endorsements, as required shall be provided prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department, and the Lessee shall maintain such insurance from the time the Lessee commences performance of services hereunder until the completion of such services. Within fifteen (15) days following the close of Escrow, the Lessee shall furnish a copy of the Declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements immediately upon request.

(l) The Lessee agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude

coverage for suits between the Lessee and the County or between the County and any other insured or additional insured under the policy.

(m) Any and all deductibles or self-insured retentions in excess of Ten Thousand Dollars (\$10,000) shall be declared to and approved by the County's risk management agent.

(n) In the event that any policy of insurance required in this Section does not comply with the requirements, is not procured, or is canceled and not replaced, the County has the right but not the obligation or duty to obtain such insurance it deems necessary and any premiums paid by the County will be promptly reimbursed by the Lessee or County disbursements to the Lessee will be reduced to pay for the County purchased insurance.

(o) Insurance requirements are subject to periodic review by the County. The Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County's risk. Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. The Lessee agree to execute any such amendment within thirty (30) days of receipt. Any failure, actual or alleged, on the part of the County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the County.

(p) In addition, the Lessee hereby agrees shall possess and maintain a pollution legal liability and/or environmental liability insurance policy with a minimum ten year term with a combined single limit of not less than five million (\$5,000,000) per claim or occurrence, subject to the approval of the County's Director of Risk Management (the "Pollution Liability Policy"). (a)     The Trustor agrees that at all times prior to full payment of the sum owed under the Note, the Trustor will, at the Trustor's own expense, maintain, preserve and keep the Security or cause the Security to be maintained and preserved in good condition. The Trustor will from time to time make or cause to be made all repairs, replacements and renewals deemed proper and necessary by it. The Beneficiary shall have no responsibility in any of these matters or for the making of improvements or additions to the Security.

(b)     Trustor agrees to pay fully and discharge (or cause to be paid fully and discharged) all claims for labor done and for material and services furnished in connection with the Security, diligently to file or procure the filing of a valid notice of cessation upon the event of a cessation of labor on the work or construction on the Security for a continuous period of thirty (30) days or more, and to take all other reasonable steps to forestall the assertion of claims of lien against the Security of any part thereof. Trustor irrevocably appoints, designates and authorizes Beneficiary as its agent (said agency being coupled with an interest) with the authority, but without any obligation, to file or record any notices of completion or cessation of labor or any other notice that Beneficiary reasonably deems necessary or desirable to protect its interest in and to the Security or the County Loan Documents; provided, however, that Beneficiary shall exercise its rights as agent of Trustor only in the event that Trustor shall fail to take, or shall fail to diligently continue to take, those actions as hereinbefore provided.

(c)     Upon demand by Beneficiary, Trustor shall make or cause to be made such demands or claims as Beneficiary shall specify upon laborers, materialmen, subcontractors or other persons who have furnished or claim to have furnished labor, services or materials in connection with the Security. Section 2.3    Assignment of Rents.

(a)     Subject to the rights of any approved Senior Lender, as part of the consideration for the indebtedness evidenced by the Note, Trustor hereby absolutely and

unconditionally assigns and transfers to Beneficiary all the rents and revenues of the Property including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of to whom the rents and revenues of the Property are payable. Trustor hereby authorizes Beneficiary or Beneficiary's agents to collect the aforesaid rents and revenues and hereby directs each tenant of the Property to pay such rents to Beneficiary or Beneficiary's agents; provided, however, that prior to written notice given by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the County Loan Documents, Trustor shall collect and receive all rents and revenues of the Property as trustee for the benefit of Beneficiary and Trustor to apply the rents and revenues so collected to the sums secured by this Leasehold Deed of Trust with the balance, so long as no such breach has occurred, to the account of Trustor, it being intended by Trustor and Beneficiary that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only. Upon delivery of written notice by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the County Loan Documents, and without the necessity of Beneficiary entering upon and taking and maintaining full control of the Property in person, by agent or by a court-appointed receiver, Beneficiary shall immediately be entitled to possession of all rents and revenues of the Property as specified in this Section as the same becomes due and payable, including but not limited to rents then due and unpaid, and all such rents shall immediately upon delivery of such notice be held by Trustor as trustee for the benefit of Beneficiary only; provided, however, that the written notice by Beneficiary to Trustor of the breach by Trustor shall contain a statement that Beneficiary exercises its rights to such rents. Trustor agrees that commencing upon delivery of such written notice of Trustor's breach by Beneficiary to Trustor, each tenant of the Property shall make such rents payable to and pay such rents to Beneficiary or Beneficiary's agents on Beneficiary's written demand to each tenant therefor, delivered to each tenant personally, by mail or by delivering such demand to each rental unit, without any liability on the part of said tenant to inquire further as to the existence of a default by Trustor.

(b) Except as previously approved by the Beneficiary as set forth in the Disposition and Loan Agreement or otherwise approved in writing by Beneficiary, Trustor hereby covenants that Trustor has not executed any prior assignment of said rents, that Trustor has not performed, and will not perform, any acts or has not executed and will not execute, any instrument which would prevent Beneficiary from exercising its rights under this Section, and that at the time of execution of this Leasehold Deed of Trust, there has been no anticipation or prepayment of any of the rents of the Property for more than two (2) months prior to the due dates of such rents. Trustor covenants that Trustor will not hereafter collect or accept payment of any rents of the Property more than two (2) months prior to the due dates of such rents. Trustor further covenant that Trustor will execute and deliver to Beneficiary such further assignments of rents and revenues of the Property as Beneficiary may from time to time request.

(c) Upon Trustor's breach of any covenant or agreement of Trustor in the County Loan Documents beyond any applicable notice and cure periods, Beneficiary may in person, by agent or by a court-appointed receiver, regardless of the adequacy of Beneficiary's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of

contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Leasehold Deed of Trust. In the event Beneficiary elects to seek the appointment of a receiver for the Property upon Trustor's breach of any covenant or agreement of Trustor in this Leasehold Deed of Trust, Trustor hereby expressly consents to the appointment of such receiver. Beneficiary or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

(d) All rents and revenues collected subsequent to delivery of written notice by Beneficiary to Trustor of the breach by Trustor of any covenant or agreement of Trustor in the County Loan Documents shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, costs of repairs to the Property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Trustor as lessor or landlord of the Property and then to the sums secured by this Leasehold Deed of Trust. Beneficiary or the receiver shall have access to the books and records used in the operation and maintenance of the Property and shall be liable to account only for those rents actually received. Beneficiary shall not be liable to Trustor, anyone claiming under or through Trustor or anyone having an interest in the Property by reason of anything done or left undone by Beneficiary under this Section.

(e) If the rents of the Property are not sufficient to meet the costs, if any, of taking control of and managing the Property and collecting the rents, any funds expended by Beneficiary for such purposes shall become indebtedness of Trustor to Beneficiary secured by this Leasehold Deed of Trust pursuant to Section 3.3 hereof. Unless Beneficiary and Trustor agree in writing to other terms of payment, such amounts shall be payable upon notice from Beneficiary to Trustor requesting payment thereof and shall bear interest from the date of disbursement at the rate stated in Section 3.3 hereof.

(f) Any entering upon and taking and maintaining of control of the Property by Beneficiary or the receiver and any application of rents as provided herein shall not cure or waive any default hereunder or invalidate any other right or remedy of Beneficiary under applicable law or provided herein. This assignment of rents of the Property shall terminate at such time as this Leasehold Deed of Trust ceases to secure indebtedness held by Beneficiary. The rights of the Beneficiary under this Section are subject to the rights of any approved Senior Lender as defined in Section 3.10 of the Disposition and Loan Agreement.

### ARTICLE 3. TAXES AND INSURANCE; ADVANCES

#### Section 3.1 Taxes, Other Governmental Charges and Utility Charges.

(a) Trustor shall pay, or cause to be paid, at such times and in such manner as to prevent any penalty from accruing, or any lien or charge from attaching, all taxes, assessments, charges and levies imposed by any public authority or utility company which are or may become a lien affecting the Security or any part thereof; provided, however, that Trustor shall not be required to pay and discharge any such tax, assessment, charge or levy so long as:

(1) the legality thereof shall be promptly and actively contested in good faith and by appropriate proceedings; and (2) Trustor maintains reserves adequate to pay any liabilities contested pursuant to this Section. With respect to taxes, special assessments or other similar governmental charges, Trustor shall pay such amount in full prior to the attachment of any lien therefor on any part of the Security; provided, however, if such taxes, assessments or charges may be paid in installments, Trustor may pay in such installments. Except as provided in clause; (2) of the first sentence of this paragraph, the provisions of this Section shall not be construed to require that Trustor maintain a reserve account, escrow account, impound account or other similar account for the payment of future taxes, assessments, charges and levies.

(b) In the event that Trustor shall fail to pay any of the foregoing items required by this Section to be paid by Trustor, Beneficiary may (but shall be under no obligation to) pay the same, after the Beneficiary has notified the Trustor of such failure to pay and the Trustor fails to fully pay such items within seven (7) business days after receipt of such notice. Any amount so advanced therefor by Beneficiary, together with interest thereon from the date of such advance at the maximum rate permitted by law, shall become an additional obligation of Trustor to the Beneficiary and shall be secured hereby, and Trustor agrees to pay all such amounts.

### Section 3.2 Provisions Respecting Insurance.

(a) Trustor agrees to provide insurance conforming in all respects to that required under the County Loan Documents during the course of construction and following completion, and at all times until all amounts secured by this Leasehold Deed of Trust have been paid and all other obligations secured hereunder fulfilled, and this Leasehold Deed of Trust reconveyed.

(b) All such insurance policies and coverages shall be maintained at Trustor's sole cost and expense. Certificates of insurance for all of the above insurance policies, showing the same to be in full force and effect, shall be delivered to the Beneficiary upon demand therefor at any time prior to the Beneficiary's receipt of the entire Principal and all amounts secured by this Leasehold Deed of Trust.

Section 3.3 Advances. In the event the Trustor shall fail to maintain the full insurance coverage required by this Leasehold Deed of Trust or shall fail to keep the Security in accordance with the County Loan Documents, the Beneficiary, after at least seven (7) days prior notice to Beneficiary, may (but shall be under no obligation to) take out the required policies of insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefor by the Beneficiary shall become an additional obligation of the Trustor to the Beneficiary (together with interest as set forth below) and shall be secured hereby, which amounts the Trustor agrees to pay on the demand of the Beneficiary, and if not so paid, shall bear interest from the date of the advance at the lesser of ten percent (10%) per annum or the maximum rate permitted by law.

Subject to the rights of any Senior Lender and the Housing Lease, all judgments, awards of damages, settlements and compensation made in connection with or in lieu of: (a) taking of all or any part of or any interest in the Property by or under assertion of the power of eminent domain; (b) any damage to or destruction of the Property or in any part thereof by insured casualty; and (c) any other injury or damage to all or any part of the Property ("Funds") are hereby assigned to and shall be paid to the Beneficiary by a check made payable to the Beneficiary. The Beneficiary is authorized and empowered (but not required) to collect and receive any funds and is authorized to apply them in whole or in part upon any indebtedness or obligation secured hereby, in such order and manner as the Beneficiary shall determine at its sole option, but in all events consistent with the terms and conditions of the Disposition and Loan Agreement and the Housing Lease. Subject to the rights of any Senior Lender and the Housing Lease, the Beneficiary shall be entitled to settle and adjust all claims under insurance policies provided under this Leasehold Deed of Trust and may deduct and retain from the proceeds of such insurance the amount of all expenses incurred by it in connection with any such settlement or adjustment. All or any part of the amounts so collected and recovered by the Beneficiary may be released to Trustor upon such conditions as the Beneficiary may impose for its disposition, and Beneficiary agrees to release Funds to Trustor to rebuild the Project on the Property provided Trustor demonstrates to Beneficiary that such rebuilding is economically feasible. (a) Trustor shall keep and maintain the Property in compliance with, and shall not cause or permit the Property to be in violation of any federal, state or local laws, ordinances or regulations relating to industrial hygiene or to the environmental conditions on, under or about the Property including, but not limited to, soil and ground water conditions. Trustor shall not use, generate, manufacture, store or dispose of on, under, or about the Property or transport to or from the Property any flammable explosives, radioactive materials, hazardous wastes, toxic substances or related materials, including without limitation, any substances defined as or included in the definition of "hazardous substances," "hazardous wastes," "hazardous materials," or "toxic substances" under any applicable federal or state laws or regulations (collectively referred to hereinafter as "Hazardous Materials") except such of the foregoing as may be customarily kept and used in and about multifamily residential property.

(b) Trustor shall immediately advise Beneficiary in writing if at any time it receives written notice of: (1) any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted, completed or threatened against Trustor or the Property pursuant to any applicable federal, state or local laws, ordinances, or regulations relating to any Hazardous Materials, ("Hazardous Materials Law"); (2) all claims made or threatened by any third party against Trustor or the Property relating to damage, contribution, cost recovery compensation, loss or injury resulting from any Hazardous Materials (the matters set forth in clauses (1) and (2) above hereinafter referred to a "Hazardous Materials Claims"); and (3) Trustor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be classified as "border-zone property" under the provision of California Health and Safety Code, Sections 25220 et seq., or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability or use of the Property under any Hazardous Materials Law.

(c) Beneficiary shall have the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims and to have its reasonable attorneys' fees in connection therewith paid by Trustor. Trustor agrees to indemnify, protect, hold harmless and defend (by counsel reasonably selected by the Beneficiary) the Beneficiary, its governing board members, officers, representatives, agents, assigns and employees from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including, but not limited to, reasonable attorney's fees and expenses), arising directly or indirectly, in whole or in part, out of: (1) the failure of the Trustor or any other person or entity to comply with any Hazardous Materials Law relating in any way whatsoever to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Materials into, on, under or from the Development on or after the date of conveyance of the Property to the Trustor; (2) the presence in, on or under the Development of any Hazardous Materials or any releases or discharges of any Hazardous Materials into, on, under or from the Development to the extent it arises on or after the date of conveyance of the Property to the Trustor; (3) any activity carried on or undertaken on or off the Development, subsequent to the conveyance of the Property to the Trustor, and whether by the Trustor or any successor in title or any employees, agents, contractors or subcontractors of the Trustor or any successor in title, or any third persons at any time occupying or present on the Development, in connection with the handling, treatment, removal, storage, decontamination, cleanup, transport or disposal of any Hazardous Materials at any time located or present on or under the Development; the foregoing indemnity shall further apply to any residual contamination on or under the Development, or affecting any natural resources, and to any contamination of any property or natural resources arising in connection with the generation, use, handling, treatment, storage, transport or disposal of any such Hazardous Materials, and irrespective of whether any of such activities were or will be undertaken in accordance with Hazardous Materials Laws. The provisions of this subsection shall survive expiration of the Term or other termination of this Agreement, and shall remain in full force and effect.

(d) Without Beneficiary's prior written consent, which shall not be unreasonably withheld, Trustor shall not take any remedial action in response to the presence of any Hazardous Materials on, under or about the Property, nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent decree or compromise might, in Beneficiary's reasonable judgement, impair the value of the Beneficiary's security hereunder; provided, however, that Beneficiary's prior consent shall not be necessary in the event that the presence of Hazardous Materials on, under, or about the Property either poses an immediate threat to the health, safety or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is not reasonably possible to obtain Beneficiary's consent before taking such action, provided that in such event Trustor shall notify Beneficiary as soon as practicable of any action so taken.

(e) Beneficiary agrees not to withhold, condition or delay its consent, where such consent is required hereunder, if either: (1) a particular remedial action is ordered by a court of competent jurisdiction; (2) Trustor will or may be subjected to civil or criminal sanctions or penalties if it fails to take a required action; (3) Trustor establishes to the reasonable

satisfaction of Beneficiary that there is no reasonable alternative to such remedial action which would result in less impairment of Beneficiary's security hereunder; or (4) the action has been agreed to by Beneficiary.

(f) The Trustor hereby acknowledges and agrees that: (1) this Article is intended as the Beneficiary's written request for information (and the Trustor's response) concerning the environmental condition of the Property as required by California Code of Civil Procedure Section 726.5; and (2) each representation and warranty in this Leasehold Deed of Trust or any of the other County Loan Documents (together with any indemnity applicable to a breach of any such representation and warranty) with respect to the environmental condition of the property is intended by the Beneficiary and the Trustor to be an "environmental provision" for purposes of California Code of Civil Procedure Section 736.

(g) In the event that any portion of the Property is determined to be "environmentally impaired" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an "affected parcel" (as that term is defined in California Code of Civil Procedure Section 726.5(e)(1)), then, without otherwise limiting or in any way affecting the Beneficiary's or the Trustee's rights and remedies under this Leasehold Deed of Trust, the Beneficiary may elect to exercise its rights under California Code of Civil Procedure Section 726.5(a) to: (1) waive its lien on such environmentally impaired or affected portion of the Property; and (2) exercise, (i) the rights and remedies of an unsecured creditor, including reduction of its claim against the Trustor to judgment, and (ii) any other rights and remedies permitted by law. For purposes of determining the Beneficiary's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), the Trustor shall be deemed to have willfully permitted or acquiesced in a release or threatened release of hazardous materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of hazardous materials was knowingly or negligently caused or contributed to by any lessee, occupant, or user of any portion of the Property and the Trustor knew or in the exercise of reasonable diligence should have known of the activity by such lessee, occupant, or user which caused or contributed to the release or threatened release. All costs and expenses, including (but not limited to) attorneys' fees, incurred by the Beneficiary in connection with any action commenced under this paragraph, including any action required by California Code of Civil Procedure Section 726.5(b) to determine the degree to which the Property is environmentally impaired, plus interest thereon at the default rate specified in the Note until paid, shall be added to the indebtedness secured by this Leasehold Deed of Trust and shall be due and payable to the Beneficiary upon its demand made at any time following the conclusion of such action.

(h) The Trustor is aware that California Civil Code Section 2955.5(a) provides as follows: "No lender shall require a borrower, as a condition of receiving or maintaining a loan secured by real property, to provide hazard insurance coverage against risks to the improvements on that real property in an amount exceeding the replacement value of the improvements on the property."

ARTICLE 7.  
EVENTS OF DEFAULT AND REMEDIES

Section 7.1 Events of Default. The following shall constitute Events of Default following the expiration of any applicable notice and cure periods: (a) failure to make any payment to be paid by Trustor under the County Loan Documents; (b) failure to observe or perform any of Trustor's other covenants, agreements or obligations under the County Loan Documents, including, without limitation, the provisions concerning discrimination; (c) failure to make any payment or perform any of Trustor's other covenants, agreements, or obligations under any other debt instruments or regulatory agreement secured by the Property, which default shall not be cured within the times and in the manner provided therein.

Section 7.2 Acceleration of Maturity. If an Event of Default shall have occurred and be continuing, then at the option of the Beneficiary, the amount of any payment related to the Event of Default and the unpaid Principal of the Note shall immediately become due and payable, upon written notice by the Beneficiary to the Trustor (or automatically where so specified in the County Loan Documents), and no omission on the part of the Beneficiary to exercise such option when entitled to do so shall be construed as a waiver of such right.

Section 7.3 Beneficiary's Right to Enter and Take Possession. If an Event of Default shall have occurred and be continuing, the Beneficiary may:

(a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, and without regard to the adequacy of its security, enter upon the Security and take possession thereof (or any part thereof) and of any of the Security, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value or marketability of the Property, or part thereof or interest therein, increase the income therefrom or protect the security thereof. The entering upon and taking possession of the Security shall not cure or waive any Event of Default or Notice of Default (as defined below) hereunder or invalidate any act done in response to such Default or pursuant to such Notice of Default and, notwithstanding the continuance in possession of the Security, Beneficiary shall be entitled to exercise every right provided for in this Leasehold Deed of Trust, or by law upon occurrence of any Event of Default, including the right to exercise the power of sale;

(b) Commence an action to foreclose this Leasehold Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;

(c) Deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause Trustor's interest in the Security to be sold ("Notice of Default and Election to Sell"), which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of San Bernardino County; or

(d) Exercise all other rights and remedies provided herein, in the instruments by which the Trustor acquires title to any Security, or in any other document or agreement now or hereafter evidencing, creating or securing all or any portion of the obligations secured hereby, or provided by law.

Section 7.4    Foreclosure by Power of Sale.

(a)     Should the Beneficiary elect to foreclose by exercise of the power of sale herein contained, the Beneficiary shall give notice to the Trustee (the "Notice of Default and Election to Sell") and shall deposit with Trustee this Leasehold Deed of Trust which is secured hereby (and the deposit of which shall be deemed to constitute evidence that the Secured Obligations are immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

(b)     Upon receipt of Notice of Default and Election to Sell from the Beneficiary, Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Default and Election to Sell as then required by law and by this Leasehold Deed of Trust. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such Notice of Default and Election to Sell having been given as required by law, sell the Security, at the time and place of sale fixed by it in said Notice of Default and Election to Sell, whether as a whole or in separate lots or parcels or items as Trustee shall deem expedient and in such order as it may determine unless specified otherwise by the Trustor according to California Civil Code Section 2924g(b), at public auction to the highest bidder, for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed or any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale, and Trustor hereby covenants to warrant and defend the title of such purchaser or purchasers.

(c)     After deducting all reasonable costs, fees and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale to payment of: (1) the unpaid Principal amount of the Note; (2) all other amounts owed to Beneficiary under the County Loan Documents; (3) all other sums then secured hereby; and (4) the remainder, if any, to Trustor.

(d)     Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new Notice of Sale.

Section 7.5    Receiver. If an Event of Default shall have occurred and be continuing, Beneficiary, as a matter of right and without further notice to Trustor or anyone claiming under the Security, and without regard to the then value of the Security or the interest of Trustor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Security (or a part thereof), and Trustor hereby irrevocably consents to such appointment and waives further notice of any application therefor. Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases, and all the powers and duties of Beneficiary in case of entry as provided herein, and shall continue as such and exercise all such powers until the date of confirmation of sale of the Security, unless such receivership is sooner terminated.

(h) Approved Rents. Notwithstanding anything to the contrary contained in this Agreement, the County may not unreasonably disapprove Initial Rents and annual Rent increases in subsequent years that are less than or equal to the maximum rents, for the applicable year, established by HUD for the HOME program and established by TCAC for Residents in an income tier under 30%, 40%, 50%, 60%, or 80% of AMI ("Tax Credit Rents"), provided, however; County shall have no approval rights over Developer's right to charge TCAC rents to the extent they are lower than HOME rents.

If, upon recertification of a Resident's income, the Developer determines that a former Extremely Low Income Household's Adjusted Income has increased and exceeds the qualifying income for an Extremely Low Income Household, but has an Adjusted Income not exceeding the qualifying income for a Very Low Income Household, then, such Resident shall be permitted to retain the Unit and shall continue to be charged Extremely Low Income Rent. Upon expiration of the Resident's lease for such year and upon sixty (60) days' written notice, the Rent may be increased to the Very Low Income Rent, and such Resident's Unit may be considered a Very Low Income Unit.

(c) Increased Income Over Very Low Income but Below Low Income Limit. If, upon recertification of a Resident's income, the Developer determines that a former Very Low Income Household's Adjusted Income has increased and exceeds the qualifying income for a Very Low Income Household, but has an Adjusted Income not exceeding the qualifying income for a Low Income Household, then, such Resident shall be permitted to retain the Unit and shall continue to be charged Very Low Income Rent. Upon expiration of the Resident's lease for such year and upon sixty (60) days' written notice, the Rent may be increased to the Low Income Rent, and such Resident's Unit may be considered a Low Income Unit; subject to Section 6.18, with 60 days' advance written notice, increase such Resident's Rent to the lesser of ((i) one-twelfth ( $1/12^{\text{th}}$ ) of thirty percent (30%) of the actual Adjusted Income of the Resident, and (ii) the fair market rent (subject to 24 C.F.R. 92.252(i)(2) regarding low income housing tax credit requirements); and (2) Rent the next available Unit to an Extremely Low Income Household or Very Low Income Household at Rent not exceeding the maximum Rent specified in Section 2.2, as applicable, to comply with the requirements of Section 2.1 above.

If, upon recertification of a Resident's income the Developer determines that a former Extremely Low Income Household, Very Low Income Household or Low Income Household's income has increased and exceeds the qualifying income for Low Income Households (above eighty percent (80%) of area AMI), the Resident may continue to occupy the Unit. Upon expiration of the Resident's Lease for such year, the Developer shall:

(1) Subject to Section 6.20, with sixty (60) days' advance written notice, increase such Resident's Rent to the lesser of, (i) one-twelfth ( $1/12$ ) of thirty percent (30%) of the actual Adjusted Income of the Resident, and (ii) the fair market rent (subject to 24 C.F.R. 92.252(i)(2) regarding low income housing tax credit requirements); and

(2) Rent the next available Unit to an Extremely Low Income Household or Very Low Income Household at Rent not exceeding the maximum Rent specified in Section 2.2, as applicable, to comply with the requirements of Section 2.1 above.

(e) Termination of Occupancy. Upon termination of occupancy of a Unit by a Resident, such Unit will be deemed to be continuously occupied by a household of the same income level as the initial income level of the vacating Resident, until such unit is reoccupied, at which time categorization of the Unit will be established based on the occupancy requirements of Section 2.1 above.

Section 2.4 Units Available to the Disabled. The Developer shall construct the Development in compliance with all applicable federal and state disabled persons accessibility requirements including but not limited to the Federal Fair Housing Act; Section 504 of the Rehabilitation Act of 1973; Title II and/or Title III of the Americans with Disabilities Act of 1973 (29 U.S.C. 794 et seq.); and Title 24 of the California Code of Regulations. In compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794, et seq.), a minimum of six (6) Units shall be constructed and be readily accessible and usable by households with a mobility impaired member and a minimum of three (3) Units shall be constructed and be readily accessible and usable by households with a hearing and/or visually impaired member. Not less than thirty (30) days from the Completion of Construction, the Developer shall deliver to the County the certification required pursuant to Section 6.20 of the Disposition Agreement.

Section 2.5 Lease Provisions. Section 6.15 Multiple Originals; Counterparts. This Agreement may be executed in multiple originals, each of which is deemed to be an original, and may be signed in counterparts.

Section 6.16 Hold Harmless. The Developer will indemnify and hold harmless (without limit as to amount) the County and its elected officials, officers, employees and agents in their official capacity (hereinafter collectively referred to as "Indemnitees"), and any of them, from and against all loss, all risk of loss and all damage (including expense) sustained or incurred because of or by reason of any and all claims, demands, suits, actions, judgments and executions for damages of any and every kind and by whomever and whenever made or obtained, allegedly caused by, arising out of, or relating in any manner to the Development, or the Developer's performance or non-performance under this Agreement, and shall protect and defend Indemnitees, and any of them with respect thereto, except to the extent caused by the gross negligence or willful misconduct of the County or any Indemnitees. The provisions of this section shall survive expiration or other termination of this Agreement or any release of part or all of the Property from the burdens of this Agreement, and the provisions of this section shall remain in full force and effect

Section 6.17 Revival of Agreement after Foreclosure. In the event there is a foreclosure of the Property, this Agreement will revive according to its original terms if, during the Term, the owner of record before the foreclosure, or deed in lieu of foreclosure, or any entity that includes the former owner or those with whom the former owner has or had family or business ties (excluding any entity affiliated with the Investor Limited Partner of the Developer), obtains an ownership interest in the Development or Property.

Section 6.18 Tax Credit Program. Notwithstanding anything contained herein to the contrary, for as long as the Property is subject to the requirements of the California and/or Federal Low-Income Housing Tax Credit Program under the provisions of Section 42 of the Code and Section 23610.5 of the California Revenue and Taxation Code, as applicable (collectively, the "Tax Credit Program") and there is a conflict between the requirements of the Tax Credit Program and the affordability provisions set forth in 2.3 above, inclusive, then the provisions of the Tax Credit Program shall prevail. That notwithstanding, the fact that this Agreement and the Tax Credit Program provide for greater, lesser or different obligations or requirements shall not be deemed a conflict unless the applicable provisions are inconsistent and could not be simultaneously enforced or performed.

Section 6.19 Subordination. This Agreement shall not be subordinated.

Section 6.20 Assignment by the County. The County may assign its rights and obligations under this Agreement to any instrumentality of the County or other public entity without the consent of the Developer.

Section 6.21 No Claims. Nothing contained in this Agreement shall create or justify any claim against the County by any person that the Developer may have employed or with whom the Developer may have contracted relative to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the Property or the construction or operation of the Improvements.

Section 6.22 Titles of Parts and Sections. Any titles of the sections or subsections of this Agreement are inserted for convenience of reference only and shall be disregarded in interpreting any part of the Agreement's provisions.

Section 6.23 No Third Party Beneficiaries. There shall be no third party beneficiaries to this Agreement.

Section 6.24 Entire Agreement. This Agreement constitutes the entire Agreement between the parties and no modification hereof shall be binding unless reduced to writing and signed by the parties hereto.

Section 7.6 Remedies Cumulative. No right, power or remedy conferred upon or reserved to the Beneficiary by this Leasehold Deed of Trust is intended to be exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity.

Section 7.7 No Waiver.

(a) No delay or omission of the Beneficiary to exercise any right, power or remedy accruing upon any Event of Default shall exhaust or impair any such right, power or remedy, or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every right, power and remedy given by this Leasehold Deed of Trust to the Beneficiary may be exercised from time to time and as often as may be deemed expeditious by the Beneficiary. Beneficiary's express or implied consent to a breach by Trustor, or a waiver of any obligation of Trustor hereunder shall not be deemed or construed to be a consent to any subsequent breach, or further waiver, of such obligation or of any other obligations of the Trustor hereunder. Failure on the part of the Beneficiary to complain of any act or failure to act or to declare an Event of Default, irrespective of how long such failure continues, shall not constitute a waiver by the Beneficiary of its right hereunder or impair any rights, power or remedies consequent on any Event of Default by the Trustor.

(b) If the Beneficiary: (1) grants forbearance or an extension of time for the payment or performance of the Secured Obligations; (2) takes other or additional security or the payment of any sums secured hereby; (3) waives or does not exercise any right granted in the County Loan Documents; (4) releases any part of the Security from the lien of this Leasehold Deed of Trust, or otherwise changes any of the terms, covenants, conditions or agreements in the County Loan Documents; (5) consents to the granting of any easement or other right affecting the Security; or (6) makes or consents to any agreement subordinating the lien hereof, any such act or omission shall not release, discharge, modify, change or affect the original liability under this Leasehold Deed of Trust, or any other obligation of the Trustor or any subsequent purchaser of the Security or any part thereof, or any maker, co-signer, endorser, surety or guarantor (unless expressly released); nor shall any such act or omission preclude the Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in any Event of Default then made or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by the Beneficiary shall the lien of this Leasehold Deed of Trust be altered thereby.

Section 7.8 Suits to Protect the Security. The Beneficiary shall have power to: (a) institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Security and the rights of the Beneficiary as may be unlawful or any violation of this Leasehold Deed of Trust; (b) preserve or protect its interest (as described in this Leasehold Deed of Trust) in the Security; and (c) restrain the enforcement of or compliance with any legislation or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement for compliance with such enactment, rule or order would impair the Security thereunder or be prejudicial to the interest of the Beneficiary.

Section 7.9 Trustee May File Proofs of Claim. In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, composition or other proceedings affecting the Trustor, its creditors or its property, the Trustee, to the extent permitted by law, shall be entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of the Beneficiary allowed in such proceedings and for any additional amount which may become due and payable by the Trustor hereunder after such date.

Section 7.10 Waiver. The Trustor waives presentment, demand for payment, notice of dishonor, notice of protest and nonpayment, protest, notice of interest on interest and late charges, and diligence in taking any action to collect any Secured Obligations or in proceedings against the Security, in connection with the delivery, acceptance, performance, default, endorsement or guaranty of this Leasehold Deed of Trust.

## ARTICLE 8. MISCELLANEOUS

Section 8.1 Amendments. This instrument cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by Beneficiary and Trustor.

Section 8.2 Reconveyance by Trustee. Upon written request of Beneficiary stating that all Secured Obligations have been paid or forgiven, and all obligations under the County Loan Documents have been performed in full, and upon expiration of the term of the Regulatory Agreement, and upon surrender of this Leasehold Deed of Trust to Trustee for cancellation and retention, and upon payment by Trustor of Trustee's reasonable fees, Trustee shall reconvey the Security to Trustor, or to the person or persons legally entitled thereto.

Section 8.3 Notices. If at any time after the execution of this Leasehold Deed of Trust it shall become necessary or convenient for one of the parties hereto to serve any notice, demand or communication upon the other party, such notice, demand or communication shall be in writing and shall be served personally or by depositing the same in the registered United States mail, return receipt requested, postage prepaid; and if intended for Beneficiary shall be addressed to:

**Section 8.4 Successors and Joint Trustors.** Where an obligation created herein is binding upon Trustor, the obligation shall also apply to and bind any transferee or successors in interest. Where the terms of the Leasehold Deed of Trust have the effect of creating an obligation of the Trustor and a transferee, such obligation shall be deemed to be joint and several obligations of the Trustor and such transferee. Where Trustor is more than one entity or person,

all obligations of Trustor shall be deemed to be joint and several obligations of each and every entity and person comprising Trustor.

Section 8.5 Captions. The captions or headings at the beginning of each Section hereof are for the convenience of the parties and are not a part of this Leasehold Deed of Trust.

Section 8.6 Invalidity of Certain Provisions. Every provision of this Leasehold Deed of Trust is intended to be severable. In the event any term or provision hereof is declared to be illegal or invalid for any reason whatsoever by a court or other body of competent jurisdiction, such illegality or invalidity shall not affect the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable. If the lien of this Leasehold Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Security, the unsecured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid or applied to the full payment of that portion of the debt which is not secured or partially secured by the lien of this Leasehold Deed of Trust.

Section 8.7 Governing Law. This Leasehold Deed of Trust shall be governed by and construed in accordance with the laws of the State of California. Any action brought claiming a breach of this agreement or interpreting this agreement shall be brought and venued in San Bernardino County, California.

Section 8.8 Gender and Number. In this Leasehold Deed of Trust the singular shall include the plural and the masculine shall include the feminine and neuter and vice versa, if the context so requires.

Section 8.9 Deed of Trust, Mortgage. Any reference in this Leasehold Deed of Trust to a mortgage shall also refer to a Leasehold Deed of Trust and any reference to a Deed of Trust shall also refer to a mortgage.

Section 8.10 Actions. Trustor agrees to appear in and defend any action or proceeding purporting to affect the Security.

Section 8.11 Substitution of Trustee. Beneficiary may from time to time substitute a successor or successors to any Trustee named herein or acting hereunder to execute this Trust. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers, and duties conferred upon any Trustee herein named or acting hereunder. Each such appointment and substitution shall be made by written instrument executed by Beneficiary, containing reference to this Leasehold Deed of Trust and its place of record, which, when duly recorded in the proper office of the county or counties in which the Property is situated, shall be conclusive proof of proper appointment of the successor trustee.

Section 8.12 Statute of Limitations. The pleading of any statute of limitations as a defense to any and all obligations secured by this Leasehold Deed of Trust is hereby waived to the full extent permissible by law.

Section 42(h)(6)(E)(ii), as amended, shall apply.

For a period of three (3) years from the date of Foreclosure, with respect to any unit that had been regulated by the Regulatory Agreement with the California Tax Credit Allocation Committee: (1) none of the tenants occupying those units at the time of foreclosure may be evicted or their tenancy terminated (other than for good cause); (2) nor may any rent be increased except as otherwise permitted under Section 42 of the Internal Revenue Code.
