Proof of Coverage – LICENSEE shall furnish Certificates of Insurance to COUNTY's Department of Airports Director or his authorized designee evidencing the insurance coverage, additional endorsements, as required, prior to the commencement of the Use Period hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to COUNTY's Department of Airports Director or his authorized designee, and LICENSEE shall maintain such insurance for the duration of the Use Period. Immediately upon the COUNTY's request, the LICENSEE shall furnish a copy of the declaration page for all applicable policies and will provide complete certified copies of the policies and endorsements.

vi. Acceptability of Insurance Carrier – Unless otherwise approved by COUNTY's Director of Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

vii. Deductibles and Self-Insured Retention - Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by COUNTY's Director of Risk Management.

viii. Failure to Procure Coverage – All insurance required must be maintained in force at all times by LICENSEE. In the event that any policy of insurance required under the License does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to cancel the License or obtain insurance if it deems necessary and any premiums paid by COUNTY will be promptly reimbursed by LICENSEE or COUNTY payments to LICENSEE will be reduced to pay for COUNTY purchased insurance.

ix. Insurance Review – Insurance requirements are subject to periodic review by COUNTY. COUNTY's Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever COUNTY's Director of Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of COUNTY. In addition, if COUNTY's Director of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, COUNTY's Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against COUNTY, inflation, or any other item reasonably related to COUNTY's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to the License. LICENSEE agrees to execute any such amendment within thirty (30) days of receipt and the parties will cooperate in good faith to agree on the form of the amendment for the required insurance changes.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.

x. COUNTY shall have no liability for any premiums charged for such coverage(s). The inclusion of COUNTY as additional named insured is not intended to and shall not make a partner or joint venturer with LICENSEE in LICENSEE 's operations.

xi. LICENSEE agrees to require all Licensee's Agents or others it hires or contracts with in relation to the License to provide insurance covering the contracted operation with the requirements in this Paragraph 15, (including, but not limited to, waiver of subrogation rights) and naming COUNTY as an additional insured.

#### 16. **DISCLAIMER OF LIABILITY**

COUNTY shall not liable for any claims, actions, losses, damages, liabilities, or injuries to the person or property of any person whomsoever at any time arising out of this License or the Event from any cause whatsoever or however arising, including (without limitation) any acts, errors, or omissions of LICENSEE or Licensee's Agents, Licensee's Attendees, or anyone claiming or holding by, through or under LICENSEE or any other person, from the use of the Use Area and/or the Airport or any part thereof by, through or under the LICENSEE, the Licensee's Agents, or the Licensee's Attendees, or whether directly or indirectly from any state or condition of said Use Area and/or the Airport or any part thereof during the term of this License, including any portion of the Use Period and LICENSEE on behalf of itself and the Licensee's Agents and the Licensee's Attendees waive and releases COUNTY from any such claims, actions, losses, damages, liabilities, or injuries however arising. Notwithstanding the application of Section 1542 of the California Civil Code, which provides:

"A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of the executed release which if known by him or her must have materially affected his or her settlement with the debtor."

LICENSEE, on behalf of Licensee's Agents and Licensee's Attendees, expressly waives and relinquishes all rights and benefits afforded them by said Section 1542, and any and all similar laws of any State or territory of the United States. This agreement shall act as a release of future claims that may arise from the above-mentioned claims, actions, losses, damages, liabilities, and injuries whether currently known, unknown, foreseen, or unforeseen. The LICENSEE, on behalf of itself the Licensee's Agents and the Licensee's Attendees, understands and acknowledges the significance and consequences of such specific waiver of Section 1542 and hereby assumes full responsibility for any claims, actions, losses, damages, liabilities, and injuries that it or its employees, contractors, agents, and volunteers may hereafter incur.

**20. VENUE:**

The parties acknowledge and agree that this License was entered into and intended to be performed in whole or substantial part in San Bernardino County, California. The parties agree that the venue for any action or claim brought by any party to this License will be the San Bernardino District of San Bernardino County. Each party hereby waives any law or rule of court, which would allow them to request or demand a change of venue. If any action or claim concerning this License is brought by any third party, the parties agree to use their best efforts to obtain a change of venue to the San Bernardino District of San Bernardino County.

**21. LAW:**

This License shall be interpreted and construed according to the laws of the State of California. If any word, phrase, clause, sentence, paragraph, section, article, part or portion of the License is or shall be invalid for any reason, the same shall be deemed severable from the remainder hereof and shall in no way affect or impair the validity of the License or any other portion thereof.

**22. FORCE MAJEURE:**

Neither LICENSEE nor COUNTY shall be deemed in violation of this License if either is prevented from performing its obligations hereunder by reason of labor strikes, boycotts, embargoes, shortages of materials where comparable substitutes are not available, acts of God, acts of public enemy, acts of superior governmental authority, riots, rebellions, public health pandemics, or any other events that are not within its control (collectively, "Force Majeure Events") but only to the extent LICENSEE or COUNTY is actually prevented from performing its obligations as a result of Force Majeure Events; in which case, the period for LICENSEE or COUNTY to perform the applicable obligations shall be extended for the duration of the Force Majeure Events as long as LICENSEE or COUNTY provides written notice to the other party upon occurrence any Force Majeure Events.

**23. PUBLIC RECORDS DISCLOSURE:**

LICENSEE acknowledges and agrees that all information received by COUNTY from LICENSEE or any source concerning the License or the Event, including the License itself, may be treated by COUNTY as public information, subject to disclosure under the provisions of the California Public Records Act (Government Code Section 6250 et seq.), the Ralph M Brown Act, or any other open records laws ("Public Records Laws"). LICENSEE further acknowledges and agrees that, although all information received by COUNTY in connection with the License or the Event are intended for the exclusive use of COUNTY, such information is potentially subject to disclosure under Public Records Laws. In the event LICENSEE, at the time any information is provided to COUNTY, has reasonably requested in writing that certain information as to the License or the Event be held in confidence and a request for disclosure of such information is thereafter received by COUNTY, COUNTY shall endeavor to notify LICENSEE in writing of said request and shall thereafter disclose the requested information unless LICENSEE, within five (5) days of COUNTY's written notice to LICENSEE of

such disclosure request: (i) requests that the information not be disclosed; (ii) provides a legally sound basis for nondisclosure (as determined in COUNTY's sole discretion); and (iii) agrees in writing to indemnify, defend (with counsel reasonably approved by COUNTY), and hold harmless COUNTY and its officers, employees, agents, and volunteers from any and all claims, actions, losses, damages, and/or liability arising out of or related the required disclosure. Notwithstanding anything to the contrary in the License, if COUNTY does not notify LICENSEE of such disclosure request or if COUNTY does not deem LICENSEE's basis for nondisclosure to be legally sufficient, as determined by COUNTY in its sole discretion, COUNTY shall not be liable for any claims for damages, lost profits, or other injuries of any and all kinds and LICENSEE waives any and all such claims against COUNTY. LICENSEE's indemnity obligation shall survive the expiration or earlier termination of the License..

A. LICENSEE recognizes and understands that this License may create a possessory interest subject to property taxation and that LICENSEE may be subject to the payment of property taxes levied on such interest.

B. LICENSEE covenants and agrees to pay all taxes, including possessory interest tax, and assessments upon all improvements, fixtures, furniture, and other property owned by LICENSEE and used in the exercise of LICENSEE's rights under this License or levied by reason of the LICENSEE's operations pursuant to this License.

**25. FAILURE TO PAY:**

For any obligation not performed by LICENSEE when due, LICENSEE must pay to COUNTY Fifty and 00/100 Dollars (\$50.00) for each unperformed obligation as an administrative processing charge. The parties agree that this administrative charge represents a fair and reasonable estimate of the costs that COUNTY will incur by reason of LICENSEE's default. Acceptance of an administrative processing charge will not constitute a waiver of LICENSEE's default with respect to the default of performance nor prevent COUNTY from exercising any of the other rights and remedies available to COUNTY. In addition to any administrative processing charge, any amounts not paid by LICENSEE when due will bear simple interest from the date due until paid in full at the rate of 0.05% per day and the parties agree that the interest represents a fair and reasonable estimate of the costs that COUNTY will incur by reason of LICENSEE's default of its payment obligations.

**26. NO ESTATE:**

LICENSEE agrees that it does not and shall not claim at any time any interest or estate of any kind or extent whatsoever in the Use Area or Airport, by virtue of this License.

**27. DEFAULT & TERMINATION:**

A. Default. In the event that either party is in default of its obligations under this License, the non-defaulting party shall provide a written notice to the defaulting party that specifies the default. The defaulting party shall have one (1) day after receipt of such notice to remedy said default. If the default is not timely remedied, the non-defaulting party shall have the right to terminate this License and pursue all rights and remedies available at law or in equity. If this License is terminated because of the LICENSEE's unremedied default, any fees paid to the COUNTY shall be retained by the COUNTY and shall not be refunded to LICENSEE.

B. Suspension. Notwithstanding the remedy period in Paragraph 27.A, if LICENSEE fails to provide the FAA-issued Certificate of Waiver or Authorization, the required certificates of insurances, or the required permits and approvals or if there is good cause, including but not limited to hazards to public safety, as reasonably determined by the COUNTY, then the LICENSEE acknowledges and agrees that COUNTY shall have the right to immediately suspend any of LICENSEE's rights and activities under this License and/or require the LICENSEE to immediately cease its operations or activities on the Use Area.

C. No waiver by either party of any provisions of the License shall be effective unless given in writing by such party and a waiver given in one instance shall not be deemed to be a waiver of any other provision hereof or of any subsequent default by either party of the same or any other provisions.

**28. INTERPRETATIONS:**

As this License was jointly prepared by both parties, the language in all parts of this License will be construed, in all cases, according to its fair meaning, and not for or against either party hereto.

**29. MATERIAL MISREPRESENTATION:**

If during the course of administration of this License, the COUNTY determines that LICENSEE has made a material misstatement or material misrepresentation or that material inaccurate information has been provided to the COUNTY, this License may be immediately terminated. If this License is terminated according to this provision, the COUNTY is entitled to pursue any available legal remedy.

**30. AUTHORIZED SIGNATORS:**

## EXHIBIT "C"

### VENDOR, CONTRACTOR and PARTICIPANT INDEMNIFICATION AND INSURANCE REQUIREMENTS

**For the purpose of this agreement, the term "Vendor" shall include all vendors, contractors, and participants whether for or not for profit and regardless of the form of the organization.**

A. INDEMNIFICATION: The VENDOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless the COUNTY and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages, and/or liability arising out of this agreement from any cause whatsoever, including the acts, errors or omissions of any person and for any attorneys' fees, costs or expenses incurred by the COUNTY on account of any claim except where such indemnification is prohibited by law. This indemnification provision shall apply regardless of the existence or degree of fault of indemnities. The VENDOR's indemnification obligation applies to the COUNTY's "active" as well as "passive" negligence but does not apply to the COUNTY's "sole negligence" or "willful misconduct" within the meaning of Civil Code Section 2782. The provisions of this Paragraph A shall survive the expiration or earlier termination of this License.

B. ADDITIONAL INSURED: All policies, except for the Workers' Compensation, Errors and Omissions and Professional Liability policies, **shall contain endorsements naming the COUNTY and its officers, employees, agents and volunteers as additional insureds with respect to liabilities arising out of the performance of services** hereunder. The additional insured endorsements shall not limit the scope of coverage for the COUNTY to vicarious liability but shall allow coverage for the COUNTY to the full extent provided by the policy. Such additional insured coverage shall be at least as broad as Additional Insured (Form B) endorsement form ISO, CG 2010.11.85.

C. WAIVER OF SUBROGATION RIGHTS: The VENDOR shall require the carriers of required coverages to waive all rights of subrogation against the COUNTY, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit the VENDOR and VENDOR'S employees or agents from waiving the right of subrogation prior to a loss or claim. The VENDOR hereby waives all rights of subrogation against the COUNTY.

D. POLICIES PRIMARY AND NON-CONTRIBUTORY: All policies required above are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the COUNTY.

E. SEVERABILITY OF INTERESTS: The VENDOR agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between the VENDOR and the COUNTY or between the COUNTY and any other insured or additional insured under the policy.

F. PROOF OF COVERAGE: VENDOR shall immediately furnish the, above-required certificates of insurance to the Department of Airports, evidencing the insurance coverage, including endorsements upon execution of this agreement.

G. ACCEPTABILITY OF INSURANCE CARRIER: Unless otherwise approved by the COUNTY's Department of Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

H. DEDUCTIBLES AND SELF-INSURED RETENTION: Any and all deductibles or self-insured retentions in excess of \$10,000 shall be declared to and approved by the COUNTY's Department of Risk Management.

I. FAILURE TO PROCURE COVERAGE: In the event that any policy of insurance required under this agreement does not comply with the requirements, is not procured, or is canceled and not replaced, the COUNTY has the right but not the obligation or duty to cancel the agreement or obtain insurance if it deems

necessary and any premiums paid by the COUNTY will be promptly reimbursed by the VENDOR or COUNTY payments to the VENDOR will be reduced to pay for COUNTY-purchased insurance.

J. **INSURANCE REVIEW:** Insurance requirements are subject to periodic review by the COUNTY. The COUNTY'S Director of Risk Management or designee is authorized, but not required, to reduce, waive or suspend any insurance requirements whenever the COUNTY's Department of Risk Management determines that any of the required insurance is not available, is unreasonably priced, or is not needed to protect the interests of the COUNTY. In addition, if the COUNTY's Department of Risk Management determines that heretofore unreasonably priced or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the COUNTY's Director of Risk Management or designee is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the COUNTY, inflation, or any other item reasonably related to the COUNTY's risk.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this agreement. VENDOR agrees to execute any such amendment within ten (10) days of receipt.

Any failure, actual or alleged, on the part of the COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of the COUNTY.

### **INSURANCE SPECIFICATIONS**

The VENDOR agrees to provide insurance set forth in accordance with the requirements herein. If the VENDOR uses existing coverage to comply with these requirements and that coverage does not meet the specified requirements, the VENDOR agrees to amend, supplement or endorse the existing coverage to do so. The type(s) of insurance required is determined by the scope of the agreement services.

Without in any way affecting the indemnity herein provided and in addition thereto, the VENDOR shall secure and maintain throughout the agreement term the following types of insurance with limits as shown. Additionally, VENDOR agrees that all of its vendors will also obtain the Commercial/General Liability insurance for the Event in the amounts, types and with the specifications required of the VENDOR.

#### **A. WORKERS' COMPENSATION/EMPLOYER'S LIABILITY:**

A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons including volunteers providing services on behalf of the VENDOR and all risks to such persons under this agreement.

If VENDOR has no employees, it may certify or warrant to the COUNTY that it does not currently have any employees or individuals who are defined as "employees" under the Labor Code and the requirement for Workers' Compensation coverage will be waived by the COUNTY's Risk Manager.

With respect to VENDORS that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers' Compensation insurance.

B. **COMMERCIAL/GENERAL LIABILITY INSURANCE:** The VENDOR shall carry General Liability Insurance covering all operations related to the Event performed by or on behalf of the VENDOR providing coverage for bodily injury and property damage with a combined single limit of not less than **One Million Dollars (\$1,000,000)**, per occurrence. The policy coverage shall include:

- (i) Premises operations and mobile equipment.
- (ii) Products and completed operations.
- (iii) Broad form property damage (including completed operations).
- (iv) Explosion, collapse and underground hazards.

- (v) Personal injury.
- (vi) Contractual liability.
- (vii) At least Two Million (\$2,000,000) general aggregate limit.

C. AUTOMOBILE LIABILITY INSURANCE: Primary insurance coverage shall be written on ISO Business Auto coverage form for all owned, hired and non-owned automobiles or symbol 1 (any auto). The policy shall have a combined single limit of not less than one million dollars (\$1,000,000) for bodily injury and property damage, per occurrence.

If the VENDOR is transporting one or more non-employee passengers, in performance of agreement services, the automobile liability policy shall have a combined single limit of two million dollars (\$2,000,000) for bodily injury and property damage per occurrence.

If the VENDOR owns no autos, a non-owned auto endorsement to the General Liability policy described above is acceptable.

D. UMBRELLA LIABILITY INSURANCE: An umbrella (over primary) or excess policy may be used to comply with limits or other primary coverage requirements. When used, the umbrella policy shall apply to bodily injury/property damage, personal injury/advertising injury and shall include a "dropdown" provision providing primary coverage for any liability not covered by the primary policy. The coverage shall also apply to automobile liability.
