Contractor shall be eligible to receive the same Short-Term Disability insurance benefits as offered to employees in the Supervisory Unit.

O. SERVICE AND EFFECT ON BENEFITS

If Contractor was a County contract employee immediately prior to entering into this Contract, without separation from County employment, execution of this Contract shall not result in separation in County employment for purposes of determining eligibility for and level of benefits, including, but not limited to, health benefits, and leave accrual rates. Thus Contractor's rate for leave accruals is based on the start date of the period of continuous County employment that is extended by this Contract. Contractor shall maintain and carry forward Holiday, Vacation, and Sick Leave balances. Contractor's retirement contribution rate is based on the date Contractor began participation in the County's general employee retirement system.

P. BENEFITS UPON TERMINATION OF CONTRACT

Contractor Separated from County Service

Upon separation from County employment, Contractor shall be compensated for any unused Vacation and Holiday Leave at the then base rate of pay. Contractor will be eligible to convert the cash value of unused Sick Leave to the Retirement Medical Trust Fund in the same manner and amount as employees in the Supervisory Unit, if eligibility requirements are met. If eligibility requirements are not met at the time of separation, unused Sick Leave shall be forfeited. Unused Annual Leave shall be forfeited.

Contractor to Regular County Employment

In the event this Contract is terminated because Contractor is appointed to a regular County position without a break in service, the Contractor shall be provided a new date of hire (i.e., Regular Hire Date). At the sole discretion of the appointing authority of the County department or office in which appointment to the regular position is made, unused leave balances may be maintained and carried over. Any leave balances carried over shall be in accordance with the applicable MOU for the bargaining unit associated with the position into which the Contractor was hired. Any leave balances not authorized to be carried over shall be distributed as outlined in "Contractor Separated from County Service" above.

Contractor to New Contract Position

In the event the Contractor accepts another contract position with the County without a break in service, at the sole discretion of the appointing authority of the County department or office in which appointment to the contract position is made, leave accrual rates and unused leave balances may be maintained and carried over. Any leave balances carried over shall be in accordance with the applicable MOU for the bargaining unit associated with the position into which the Contractor was hired. Any leave balances not authorized to be carried over will be distributed as outlined in "Contractor Separated from County Service" above.

Contractor shall be covered by the County's Public Liability Insurance only while performing services under this Contract. Contractor shall only receive those benefits as required by law.

If the services to be performed under this Contract require Contractor to drive a vehicle, Contractor must possess a valid California driver's license at all times during the performance of duties under this Contract.

Contractor agrees to allow the County to obtain a Department of Motor Vehicles report of Contractor's driving record.

In order for Contractor to be able to use a private vehicle during the performance of duties under this Contract, Contractor shall be covered by vehicle liability insurance at least equal to the minimum requirements of the California Vehicle Code. Such requirements currently are:
