1. **PRODUCT PURCHASE AND PRICES.** The Parties agree that during the term of this Agreement, Customer may purchase/acquire the Products in **Schedule 1** at the prices/fees indicated therein. The prices/fees for the respective Products specified in Schedule 1 shall remain firm and unchanged for the original term of the Agreement.

2. **TERMS OF SALE.**

Shipping charges will be prepaid by Medtronic and added to the invoice, and customer agrees to reimburse Medtronic fully for such charges.

2.2 **Additional Shipping Terms.** Applicable sales and use taxes, if any, will be added to the invoice, and Customer agrees to pay such taxes. Medtronic products cannot be resold without written permission of Medtronic. Customer represents that it is exempt from Federal excise taxes and no payment shall be made for any personal property taxes levied on Medtronic or on any taxes levied on employee wages. Customer shall only pay for any State or local sales or use taxes on the products supplied to the Customer pursuant to the Agreement.

2.3 **Returned Goods Policy.** All Products are subject to the applicable returned goods policy identified for such Products which is attached as **Exhibit B**, and incorporated herein.

3. **PAYMENT TERMS.** Payment terms are net thirty (30) days from the date of invoice.

4. **TERMINATION.**

4.1 **Termination.** Either party may terminate this Agreement for any reason and without any further liability, upon thirty (30) days prior written notice to the other party.

5. **WARRANTY.** The written product warranty enclosed with each Product when delivered to Customer sets forth the entire warranty applicable to each Product.

6. **LIMITATION OF LIABILITY.** Because Medtronic has no control over the conditions under which products are used, the diagnosis of the patient, the skills of the user, or the methods of administering or handling the products after they leave Medtronic's possession, Medtronic does not warrant either a beneficial effect or against an ill effect following the use of any product. **IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR LOST PROFITS, COST OF COVER, OR ANY OTHER SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR RELIANCE DAMAGES WITH RESPECT TO THE PRODUCTS, THEIR USE, OR LOSS OF USE, OR THE PRACTICES OF PURCHASER, HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY, WHETHER BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE, AND BOTH PARTIES EXPRESSLY WAIVE SUCH LIABILITY. THE FOREGOING LIMITATIONS SHALL APPLY NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY STATED HEREIN AND EVEN IF THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.** Except as otherwise specified in this Agreement, Medtronic neither assumes nor authorizes any other person to assume any other liabilities arising out of or in connection with the sale or use of any product. The provisions of this warranty under which the liability of the parties is excluded or limited, shall not apply to the

extent that such exclusions or limitations are declared illegal or void under applicable law.

7. **INSURANCE.** Medtronic shall maintain the following insurance coverage at the following minimum limits for the term of this agreement, any of which may be satisfied through self-insurance:

**Workers' Compensation/Employer's Liability** – A program of Workers' Compensation insurance or a state-approved, self-insurance program in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with \$250,000 limits covering all persons.

**Commercial/General Liability Insurance** – General Liability Insurance covering all operations performed by or on behalf of Medtronic providing coverage for bodily injury and property damage with a combined single limit of not less than one million dollars (\$1,000,000), per occurrence. The policy coverage shall include: Products and completed operations, Broad form property damage (including completed operations), Personal injury, Contractual liability, and a \$2,000,000 general aggregate limit.

**Automobile Liability Insurance** – Primary insurance coverage shall be written on ISO Business Auto coverage form for all owned, hired and non-owned automobiles or symbol 1 (any auto). The policy shall have a combined single limit of not less than one million dollars (\$1,000,000) for bodily injury and property damage, per occurrence.

All policies, except for Worker's Compensation, shall contain additional endorsements naming Customer as an additional named insured with respect to liabilities arising out of this Agreement. When applicable, and when requested by Customer, evidencing proof of the foregoing coverage shall be furnished to Customer.

Medtronic shall require the carriers of required coverages to waive all rights of subrogation against the Customer, its officers, employees, agents, volunteers, contractors and subcontractors. All general or auto liability insurance coverage provided shall not prohibit Medtronic and Medtronic's employees or agents from waiving the right of subrogation prior to a loss or claim. Medtronic hereby waives all rights of subrogation against Customer.

All policies required herein are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the Customer.

Medtronic agrees to ensure that coverage provided to meet these requirements is applicable separately to each insured and there will be no cross liability exclusions that preclude coverage for suits between Medtronic and Customer or between Customer and any other insured or additional insured under the policy.

Unless otherwise approved by Customer's Department of Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum "Best" Insurance Guide rating of "A- VII".

8. **INDEMNIFICATION.**

Medtronic will indemnify, defend, and hold harmless Customer and its officers, employees, agents and volunteers, from any and all third party claims, costs (including without limitation reasonable attorneys' fees), and losses for infringement of any United States patent, copyright, trademark or trade secret (Intellectual Property Rights) by any Products sold or subject to this Agreement. If a credible claim is made or threatened, including without limitation the filing of a lawsuit against

Customer, or Customer receives a demand or notice claiming actual or potential infringement or misappropriation of any Intellectual Property Rights, Customer will use reasonable efforts to notify Medtronic promptly of such lawsuit, claim or election. However, Customer's failure to provide or delay in providing such notice will relieve Medtronic of its obligations only if and to the extent that such delay or failure materially prejudices Medtronic's ability to defend such lawsuit or claim. Customer will give Medtronic sole control of the defense (with counsel reasonably acceptable to Customer) and settlement of such claim; provided that Medtronic may not settle the claim or suit absent the written consent of Customer, which shall not be unreasonably withheld, unless such settlement (a) includes a release of all claims pending against Customer, (b) contains no admission of liability or wrongdoing by Customer, and (c) imposes no obligations upon Customer other than an obligation to stop using the Products that are the subject of the claim. In the event that Medtronic fails to or elects not to defend Customer against any claim for which Customer is entitled to indemnity by Medtronic, then Medtronic shall reimburse Customer for all reasonable attorneys' fees and expenses within thirty (30) days from date of invoice or debit memo from Customer. This shall not apply to any judgment or settlement amount, which amounts Customer shall be entitled to notify, invoice or debit Medtronic's account at any time; and Customer, at its sole discretion, may settle the claim or suit.

If, in Medtronic's opinion, any goods or services sold or provided by Medtronic subject to this Agreement become, or are likely to become, the subject of a claim of infringement of Intellectual Property Rights, Medtronic may, at its option: (i) procure for Customer the right to continue using the goods or receiving the services; (ii) replace or modify the goods or services to be non-infringing, without incurring a material diminution in performance or function; or (iii) if neither of the foregoing is feasible, in the reasonable judgment of Medtronic, Customer shall cease use of the goods or services upon written notice from Medtronic, and Medtronic shall provide Customer with a pro-rata refund of the unearned fees paid by Customer to Medtronic for such goods or services.

Medtronic also agrees to indemnify, defend (with counsel reasonably approved by Customer) and hold harmless the Customer and its authorized officers, employees, agents and volunteers from any and all third party claims, actions, losses, damages and/or liability to the extent caused by a malfunction or defect of a Product provided pursuant to this Agreement, except where such indemnification is prohibited by law.

**9. PRIVACY.** Medtronic agrees to comply with federal and state health information confidentiality laws and regulations to the extent they are required. Medtronic and its representatives are not covered entity(s) under HIPAA, but may receive PHI, as defined by the HIPAA Privacy Rule, for functions such as payment/billing and invoicing of its medical devices, providing technical support related to medical devices and for public health activities in fulfilling its obligations regarding FDA reporting and data collection (e.g. device tracking) or for other purposes related to the quality, safety and effectiveness of FDA regulated products. Customer acknowledges Medtronic's use and disclosure of PHI for these purposes. Medtronic will use and disclose PHI in accordance with applicable state and federal laws. Medtronic will also implement reasonable safeguards to prevent inappropriate access to and disclosure of PHI to the extent required.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Medtronic Spine LLC (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the "I agree" button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign "Withdraw Consent" form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
