BACKGROUND INFORMATION

State Route 38, in the Mentone area, is used to access several residential, as well as recreational mountain areas. During busy weekends, visitors often park along both sides of State Route 38 creating unsafe conditions to the general public.

In order to establish the “No Stopping, Standing or Parking” zones Caltrans requires the local agency to adopt a resolution. Adoption of this resolution will allow Caltrans to erect the “No Stopping, Standing, or Parking” signs along State Route 38 at locations described in Recommendation 1 above. Once Caltrans has erected the signs, law enforcement will be better able to control the parking and provide safe access to the mountain areas.
