IMPORTANT NOTICE
TO AWARDING BODIES AND INTERESTED PARTIES
REGARDING OVERTIME ON PUBLIC WORKS

The Department has received several inquiries regarding whether it would be appropriate to refer to the contract provisions for a craft, classification, or type of worker in cases where the prevailing wage is based on a collective bargaining agreement to determine the overtime requirements for public works.

Contract provisions that allow for employees to work alternative workweek schedules in which they may work more than 8 hours per day without overtime pay do not apply to work performed on public works. The laws and regulations governing prevailing wages require that employees of contractors on public works be paid not less than 1-1/2 times the basic rate of pay for all hours worked in excess of 8 hours per day and 40 hours during any one week. In addition, overtime compensation may be required at a higher rate than 1-1/2 times the basic rate of pay, for less than 40 hours in a standard workweek, or for less than 8 hours in a calendar workday as specified in the prevailing wage determination. Contractors are required to pay overtime pursuant to Labor Code sections 1810-1815 and as indicated in the prevailing wage determination. Therefore, please refer to Labor Code sections 1810-1815 and the prevailing wage determination and not the contract provisions for each particular craft, classification, or type of worker to obtain the applicable requirements for overtime hours and rates of pay.

IMPORTANT NOTICE TO AWARDING BODIES AND INTERESTED PARTIES REGARDING THE DEPARTMENT'S DECISION TO DISCONTINUE THE USE OF PRECEDENT DETERMINATIONS

NOT FOR BID

"As part of the Department of Industrial Relations' ("DIR") continuing review of Office of Administrative Law determinations and Governor Schwarzenegger's Executive Order S-2-03, the Division of Labor Statistics and Research ("DLSR") will no longer rely on Government Code section 11425.60 and will no longer designate public works coverage determinations as "precedential." The determinations should be considered advice letters directed to specific individuals or entities about whether a specific project or type of work is public work subject to prevailing wage requirements. DLSR is in the process of redesigning the web page for public works coverage determinations but, in the interim, will leave previously posted determinations on the website as a source of information for the public until the replacement web page is available.

Posted public works coverage determination letters provide an ongoing advisory service only. The letters present the Director of DIR's interpretation of statutes, regulations and court decisions on public works and prevailing wage coverage issues and provide advice current only as of the date each letter is issued. In attempting to relate this advice to your own matter, care must be taken to ensure that the advice has not been superseded by subsequent legislative or administrative action or court decisions. Where there is an inconsistency between a statute, regulation or court decision and a public works coverage determination letter, statutory, regulatory or case law is controlling."

IMPORTANT NOTICE TO AWARDING BODIES, OTHER INTERESTED PARTIES, AND CD RECIPIENTS REGARDING THE GENERAL PREVAILING WAGE DETERMINATIONS FOR THE CRAFT OF DRIVER (ON/OFF-HAULING TO/FROM CONSTRUCTION SITE)

The Department of Industrial Relations ("Department") conducted a wage investigation to determine the prevailing wage rate(s) for the craft of Driver (On/Off-Hauling to/from a Construction Site). Based on the results of this investigation, the Department has issued statewide prevailing wage determinations for the classifications of Dump Truck Driver and Mixer Truck Driver (see pages 2L-1 through 2L-6 and pages 2K-1 through 2K-16, respectively). These determinations will be applicable to public works projects advertised for bids on or after March 4, 2009.

The Department determined that the Dump Truck Driver rates found in the Teamsters Master Labor Agreement for on-site construction also set the prevailing rate for On/Off-Hauling to/from a Construction Site for Marin, Napa, Solano, Sonoma, and Yolo Counties. Based on the results of this investigation, this on-site determination does not apply to any other counties for On/Off-Hauling to/from a Construction Site. To find the applicable rate(s) for the Dump Truck Driver classification in Marin, Napa, Solano, Sonoma, and Yolo Counties, please refer to the prevailing wage determination for the craft of Teamster (Applies only to Work on the Construction Site) found on pages 55, 56, and 56A of the Director's General Prevailing Wage Determinations.

For CD recipients, please note the correction that determination NC-23-261-4-2005-1 for the craft of Driver (On/Off-Hauling to/from a Construction Site), page 59, is no longer applicable to public works projects advertised for bids on or after March 4, 2009. To obtain the current determinations for this craft, please visit our website at http://www.dir.ca.gov/DLSR/PWD/Statewide.html on or after March 4, 2009, or contact the Prevailing Wage Unit at (415) 703-4774.

IMPORTANT NOTICE
TO AWARDING BODIES AND INTERESTED PARTIES REGARDING
THE PREVAILING WAGE RATES BELOW THE CALIFORNIA MINIMUM WAGE

In accordance with Labor Code Sections 1770, 1773, and 1773.1, the Director of the Department of Industrial Relations is responsible for determining the prevailing wage rates for each worker employed on public works projects of more than one thousand dollars ($1,000).

Effective January 1, 2016, the minimum wage in California will increase to ten dollars ($10.00) per hour. The Director's prevailing wage determinations shall not be below the California minimum wage. Each employer is required to pay at least the California minimum wage for the basic hourly rate in all cases where the published prevailing wage rate is below the California minimum wage. Any and all employer payments required by these determinations must also be paid.

If the California minimum wage is increased in the future to an amount above that shown in a prevailing wage determination, the basic hourly rate in that determination automatically increases to the new minimum wage.

IMPORTANT NOTICE

RE: Electronic Certified Payroll (eCPR) Reporting On Public Works Projects

Dear Interested Parties:

This notice is in response to the numerous inquiries DIR has received regarding the difficulty that many contractors and subcontractors are having with the eCPR requirements effective January 1, 2016. See Labor Code § 1771.4(a)(3).

Effective immediately, enforcement of the eCPR requirement is hereby temporarily stayed pending outreach, education and upgrades to the eCPR system that will allow contractors and subcontractors to more easily submit CPRs into DIR's system. DIR is currently exploring an alternative reporting format that will facilitate compliance with the eCPR requirements for contractors and subcontractors that are having difficulty. DIR anticipates that the upgrades should be completed by June 2016.

This notice **only** applies to the obligation to submit CPRs into DIR's eCPR system. Awarding bodies must still ensure that contractors and subcontractors are registered under DIR's contractor registration system and in compliance with all other prevailing wage laws including, but not limited to, Labor Code section 1776 (Reporting of Certified Payroll Records).

This notice also does not affect the ability or obligation of labor compliance personnel, or rights of other interested parties, to request and obtain certified payroll records (hard copies in the absence of electronic records).

THE PREVAILING WAGE RATES BELOW THE CALIFORNIA MINIMUM WAGE

In accordance with Labor Code Sections 1770, 1773, and 1773.1, the Director of the Department of Industrial Relations is responsible for determining the prevailing wage rates for each worker employed on public works projects of more than one thousand dollars ($1,000). Under Labor Code Section 1773.9, the prevailing rate is defined as the basic hourly rate being paid to a majority of workers engaged in a particular craft, classification or type of work within the locality and in the nearest labor market.

Effective on January 1, 2018, the Director's prevailing wage determinations shall not be below the California minimum wage of $11.00 per hour. Each employer is required to pay at least the California minimum wage, $11.00, for the basic hourly rate in all cases where the published prevailing wage rate is below the California minimum wage. Any and all employer payments required by these determinations must also be paid.

If the California minimum wage is increased in the future to an amount above that shown in a prevailing wage determination, the basic hourly rate in that determination automatically increases to the new minimum wage.
