ATTACHMENT A-2

Scope of Work

Goal 1: Provide critical transportation services for individuals released from incarceration: (1) At time of release, and to provide immediate basic necessities for individuals identified as homeless; (2) Throughout each week to obtain services critical for successful reentry.

IMPLEMENTATION ACTIVITIES

January 2021 - June 2021:

1. Work with staff at the High Desert Detention Center to determine and coordinate inmate release times.
2. Provide transportation to reentry population:
    a. At time of release – to home, shelter or other requested County location, Public Health Federally Qualified Health Center (FQHC), Probation Day Reporting Center (DRC), Court, or housing services appointment.
    b. If follow-up supportive services are requested – to the FQHC, DRC, Court, or housing services appointment.
3. Provide supportive services to transient population, including addressing immediate basic needs such as food, clothing, and temporary housing/shelter assistance.
