**Briefly describe the general nature of the contract:** The Snow Drop Road Improvement Project involves making improvements to approximately 2.1 miles of roadway in the City of Rancho Cucamonga. These improvements will include approximately 1.3 miles of Snowdrop Road between Archibald Avenue to the west and Haven Avenue to the east, approximately 0.5 miles of Archibald Avenue south of Snowdrop Road, and approximately 0.3 miles of Haven Avenue south of Snowdrop Road. Currently, portions of the existing roadway are only partially paved. This Project requires a permanent right of way easement to be granted to the Department of Public Works – Special Districts (Special Districts) from the District for roadway and drainage purposes over District property, consisting of approximately 83,900 square feet (portion of APN 0201-281-19).
