ATTACHMENT E

Adopt Resolution setting a special tax for 27 annexation parcels in County Services Area 70, Zone R-23 (Mile High Park) in the Crestline area at \$240 per improved parcel and \$120 per unimproved parcel.

Background: County Service Area 70, Zone R-23 (Mile High Park) was formed on July 8, 1991, with an annual service charge of \$240 per improved parcel and \$120 per unimproved parcel. Currently, there are 55 parcels subject to the service charge, 46 of the parcels are improved and 9 are unimproved. The total revenue generated for this area is \$12,120.

On January 29, 2002, an annexation of 25 parcels to County Service Area 70, Zone R-23 (Mile High Park) was completed. The registered voters residing within the annexation area authorized a special tax for road maintenance services, including snow removal and asphalt repairs. The special tax consists of \$240 per improved parcel and \$120 per unimproved parcel. Due to parcel splits, there are currently 27 parcels of land in the annexation area, 15 of which are improved parcels and 12 unimproved parcels. The projected revenue from the 27 annexed parcels for FY 2021-22 is \$5,040. The tax is anticipated to generate approximately \$17,160, in relation to estimated total proposed appropriations of \$30,560.

Funds generated by this special tax will be used for asphalt repairs and snow removal on the district's three miles of paved roads.
