WHEREAS, COUNTY and TOWN desire to set forth the responsibilities and obligations of each as they pertain to such participation, construction, and funding of the proposed PROJECT.

NOW, THEREFORE, IT IS MUTUALLY AGREED as follows:

1.0 COUNTY AGREES TO:

- 1.1 Act as the Lead Agency for the PROJECT, which will be performed by the COUNTY's Department of Public Works Road Operations labor force.
- 1.2 Review said street pavement condition, process related California Environmental Quality Act (CEQA) compliance document (Public Resources Code section 21000 et seq.), and perform the PROJECT. - 3.2 TOWN agrees to indemnify, defend (with counsel approved by COUNTY) and hold harmless COUNTY and its officers, employees, agents and volunteers from any and all claims, actions, losses, damages and/or liability resulting from TOWN's negligent acts or omissions which arise from TOWN's performance of its obligations under this Agreement.
- 3.3 COUNTY agrees to indemnify, defend (with counsel approved by TOWN) and hold harmless TOWN and its officers, employees, agents and volunteers from any and all claims, actions, losses, damages and/or liability resulting from COUNTY's negligent acts

In the event of termination, all PROJECT expenses incurred by COUNTY for work done within TOWN's jurisdiction prior to the effective date of termination shall be paid by TOWN in an amount not to exceed \$223,000. - 3.8 Except for the TOWN's operation, maintenance and indemnification obligations and the COUNTY's indemnification obligations contained herein which shall survive termination, this Agreement shall terminate upon completion of the PROJECT and payment of final billing by the TOWN for the PROJECT costs.
- 3.9 This Agreement contains the entire agreement of the Parties with respect to subject matter hereof, and supersedes all prior negotiations, understandings or agreements. No supplement, modification, or amendment of this Agreement shall be binding unless executed in writing and signed by both Parties.
- 3.10 This Agreement shall be governed by the laws of the State of California. Any action or proceeding between TOWN and COUNTY concerning the interpretation or enforcement of this Agreement, or which arises out of or is in any way connected with this Agreement or the PROJECT, shall be instituted and tried in the appropriate state court, located in the County of San Bernardino, California.
- 3.11 Time is of the essence for each and every provision of this Agreement.
- 3.12 Since the Parties or their agents have participated fully in the preparation of this Agreement, the language of this Agreement shall be construed simply, according to its fair meaning, and not strictly for or against any Party. Any term referencing time, days or period for performance shall be deemed COUNTY work days. The captions of the various articles and paragraphs are for convenience and ease of reference only, and do not define, limit, augment, or describe the scope, content, or intent of this Agreement.

No waiver, benefit, privilege, or service voluntarily given or performed by a Party shall give the other Party any contractual rights by custom, estoppel, or otherwise.
- 3.14 If a court of competent jurisdiction declares any portion of this Agreement invalid, illegal, or otherwise unenforceable, the remaining provisions shall continue in full force and effect, unless the purpose of this Agreement is frustrated.
- 3.15 This Agreement may be signed in counterparts, each of which shall constitute an original.
- 3.16 This Agreement will be effective on the date signed by both Parties and shall conclude upon satisfaction of the terms identified in Paragraph 3.8 or June 30, 2026 (whichever occurs first).
- 3.17 The Recitals are incorporated into the body of this Agreement.
