**FINANCIAL IMPACT**

The County continues to incur significant costs resulting from the COVID-19 pandemic. These costs may require the use of additional Discretionary General Funding should federal funding or other sources of funding not be available. Originally on March 24, 2020 (Item No. 67), and later extended on May 19, 2020 (Item No. 105), June 23, 2020 (Item No. 124), July 28, 2020 (Item No. 72), August 25, 2020 (Item No. 71), September 29, 2020 (Item No. 79), October 27, 2020 (Item No. 96), November 17, 2020 (Item No. 99), December 15, 2020 (Item No. 80), January 26, 2021 (Item No. 67), February 9, 2021 (Item No. 75), March 9, 2021 (Item No. 53), April 6, 2021 (Item No. 51), May 18, 2021 (Item No. 101), and June 22, 2021 (Item No. 119), the Board of Supervisors (Board) authorized the Chief Executive Officer (CEO) to use additional Discretionary General Funding (Net County Cost), in response to the COVID-19 pandemic, if necessary. Due to the continued threat of COVID-19, it is being recommended that this authority be extended through August 31, 2021. Should the CEO exercise such authority, a future item will be submitted to the Board for approval of additional Discretionary General Funding.

**BACKGROUND INFORMATION**

The COVID-19 virus originated in Wuhan, China in late 2019 and began spreading, initially, within China and then to other countries. On January 30, 2020, the World Health Organization declared the outbreak to be a “public health emergency of international concern”. This was followed on January 31, 2020 by the United States Human Services Secretary declaring a public health emergency.

On March 4, 2020, the State of California declared a state of emergency as a result of the COVID-19 outbreak due to the rising number of confirmed cases and anticipated complications for those infected, including potential deaths. On March 10, 2020, the County Public Health Officer declared a local health emergency to help ensure county government and the public were prepared for the possibility that COVID-19 would appear within the county. On March 10, 2020 (Item No. 75), San Bernardino County proclaimed the existence of a local emergency resulting from COVID-19, which causes infectious disease resulting in symptoms of fever, coughing and shortness of breath with outcomes ranging from mild to severe illness and in some cases, death.

**Recommendation No. 1**

On March 19, 2020, the Governor issued a statewide “Stay-at-Home” Order to help prevent the spread of COVID-19. In an effort to slow the spread of COVID-19, County offices were closed to the public during the “Stay-at-Home” Order. Certain County offices offered services online and over the phone during the closure. While this “Stay-at-Home” Order has been lifted, the County and additional entities (all referred to for convenience purposes in this item as “County”) continue to evaluate staffing needs to ensure vital services remain available to the public. Recommendation No. 1 will authorize the CEO or Chief Operating Officer to make adjustments to County operations, and extend as necessary through August 31, 2021, to respond to stay-at-home orders and future phases of recovery where such restrictions are eased or lifted. This would provide departments the flexibility to respond to public needs.

**Recommendation No. 2**

Recommendation No. 2 will continue to authorize the CEO to act on specific lease, purchasing, or finance matters necessary for the continuation of County operations in response to the COVID-19 pandemic, through August 31, 2021, should these matters require a response where time is of the essence. These matters under Recommendation No. 2 will be presented to the Board for ratification at the next available Board meeting.

Recommendation Nos. 1 and 2 were approved by the Board of Supervisors on March 24, 2020 (with an end date of May 31, 2020) (Item No. 67), and later extended on May 19, 2020 (Item No. 105), June 23, 2020 (Item No. 124), July 28, 2020 (Item No. 72), August 25, 2020 (Item No. 71), September 29, 2020 (Item No. 79), October 27, 2020 (Item No. 96), November 17, 2020 (Item No. 99), December 15, 2020 (Item No. 80), January 26, 2021 (Item No. 67), February 9, 2021 (Item No. 75), March 9, 2021 (Item No. 53), April 6, 2021 (Item No. 51), May 18, 2021 (Item No. 101), and June 22, 2021 (Item No. 119).

**Recommendation No. 3**

Recommendation No. 3 will continue to authorize the Purchasing Agent to temporarily increase CAL-Card limits to procure goods and equipment necessary to support the emergency response to COVID-19, through August 31, 2021, without following any competitive process requirements or additional administrative approvals which may be required by County Policy or the Procurement Card Manual maintained by the Purchasing Agent. This will assist the Purchasing Agent with expediting procurement matters in relation to COVID-19 where time is of the

essence. This recommendation was approved by the Board on March 10, 2020 (Item No. 76), but rescinded on November 17, 2020 (Item No. 99) to include it on one comprehensive item with other actions related to COVID-19, of which the authority for these actions were brought forth on the November 17, 2020 (Item No. 99), and were extended by the Board on December 15, 2020 (Item No. 80), January 26, 2021 (Item No. 67), February 9, 2021 (Item No. 75), March 9, 2021 (Item No. 53), April 6, 2021 (Item No. 51), May 18, 2021 (Item No. 101), and June 22, 2021 (Item No. 119).
