Improve County Government Operations.

Operate in a Fiscally-Responsible and Business-Like Manner.

Pursue County Goals and Objectives by Working with Other Agencies.

FINANCIAL IMPACT

Approval of this item will not result in the use of Discretionary General Funding (Net County Cost) as the Fleet Management Department (Fleet) is financed through Board of Supervisors (Board) approved rates paid by other County departments and agencies. The cost of services and supplies will be fully reimbursed by revenue received from the outside entities. Costs will be based upon the annual Board approved rates in effect at the time service is provided. Sufficient appropriation and revenue have been included in Fleet's 2021-22 budget and will be included in future recommended budgets.

BACKGROUND INFORMATION

Fleet provides vehicles, equipment, and services to the officials and employees of the County so that they, in turn, may provide services that promote the health, safety, well-being, and quality of life to the residents of the County. Fleet is an internal service fund that recovers all expenses through Board approved rates. Fleet also provides vehicle and equipment maintenance and repair services and/or fuel services to outside governmental and quasi-governmental agencies such as the Housing Authority of San Bernardino County, the City of Needles, and Mountain Transit.

**Update to Standard Revenue Contract Template for Services
July 27, 2021**

The standard revenue contract template has been updated to include current insurance requirements and electronic signature language. This standard revenue contract template is applicable to non-County entities for Fleet's services as listed in Exhibit A, and requires an external customer to adhere to Federal, State, County, and Fleet policies and procedures regarding services. Each contract will remain in effect for a period of three-years with the automatic renewal for successive one-year terms, thereafter. Rates are subject to change annually and are effective July 1st each year, or mid-year, as approved by the Board.

PROCUREMENT

Not applicable.
