## HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

## Terms and Conditions

**Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.**

### Grant Specific Term(s)

1. This notice of award provides Ending the HIV Epidemic – Primary Care HIV Prevention (PCHP) additional supplemental funding to expand HIV prevention services that decrease the risk of HIV transmission in geographic locations identified by Ending the HIV Epidemic in the U.S. (EHE), focusing on supporting access to and use of PrEP.

PCHP funding should support progress on the following objectives:

- 1) Engage new and existing patients in HIV prevention services, identifying those at risk for HIV using validated screening tools, 2) Increase the number of patients tested for HIV, 3) For patients who test negative, provide HIV prevention education, and prescribe and support the use of clinically indicated PrEP, 4) For patients who test positive, link them to HIV treatment, 5) Establish new and/or enhance existing partnerships with health departments, and community and faith-based organizations to support identification of at-risk individuals, testing, linkage to treatment, and other activities that will support progress on the PCHP purpose and objectives, and 6) Add personnel who will identify individuals for whom PrEP is clinically indicated and support their access to and use of PrEP.

You must use these supplemental funds to implement the proposed activities and budget submitted to HRSA in response to the request for information, including any revisions, and your current approved scope of project, understanding that activities may change as the needs of your organization, patients, or community evolve over the course of the period of performance. Contact the program official listed on this notice of award if you need to update your Health Center Program scope of project to align with your PCHP activities.

All terms and reporting activities from your FY 2020 PCHP award issued February 2020 in response to HRSA-20-091 apply to this additional PCHP funding.

2. These PCHP funds may be used throughout the remainder of your FY 2021 Health Center Program operational (H80) grant budget period and in your subsequent budget period, as needed, through HRSA approval of carryover. This additional funding may be made available in subsequent years to support Ending the HIV Epidemic in the U.S. contingent on 1) the availability of funds for this purpose, 2) a determination that continued funding is in the best interest of the federal government, and 3) satisfactory performance.

All prior terms and conditions remain in effect unless specifically removed.
