IT IS HEREBY AGREED AS FOLLOWS:

WHEREAS, San Bernardino County ("COUNTY"), as tenant, and John R. Hosman, LLC ("LANDLORD"), as landlord, entered into Lease Agreement, Contract No. 98-423 dated June 16, 1998, as amended by the First Amendment dated November 18, 2003, the Second Amendment dated August 16, 2005, the Third Amendment dated August 7, 2007, the Fourth Amendment dated July 14, 2009, the Fifth Amendment dated July 10, 2012, the Sixth Amendment dated August 25, 2015, the Seventh Amendment dated October 16, 2018, and the Eighth Amendment dated October 8, 2019 (collectively the "Lease"), wherein LANDLORD leases certain premises located at 6527 Desert Queen Avenue, Twentynine Palms, CA, as more specifically described in the Lease, to the COUNTY for a term that is currently scheduled to expire on October 31, 2021; and,

WHEREAS, the COUNTY and LANDLORD now desire to amend the Lease to reflect the parties' agreement to extend the term of the Lease for three (3) years for the period of November 1, 2021 through October 31, 2024, add one (1) three-year option to extend the term of the Lease, provide for landlord's completion of certain improvements within the Premises, adjust the rental rate schedule, and amend certain other terms of the Lease as more specifically set forth in this amendment ("Ninth Amendment").

NOW, THEREFORE, in consideration of mutual covenants and conditions, effective as of November 1, 2021 unless otherwise expressly provided herein, the parties hereto agree the Lease, is amended as follows:

1. EXTEND the term of the Lease as provided in **Paragraph 3, TERM**, for three (3) years from November 1, 2021 through October 31, 2024 (the "Eighth Extended Term").

2. DELETE in its entirety the existing **Paragraph 4.a., RENT**, and SUBSTITUTE therefore the following as a new **Paragraph 4.a., RENT**:

4. **RENT:**

a. COUNTY shall pay to LANDLORD the following monthly rental payments in arrears on or before the last day of each month, commencing when the Eighth Extended Term commences and continuing during the Eighth Extended Term, subject to an approximate two percent (2%) annual increase, as more specifically reflected and included in the amounts set forth below:

Lease Year (based on Projected Commencement Date of November 1, 2021)	Rent (per month)		Amortized Improvements Payment (per month)		Total Payment (per month)
November 1, 2021 thru October 31, 2022	\$2,412.00	+	\$416.00	=	\$2,828.00
November 1, 2022 thru October 31, 2023	\$2,466.00	+	\$416.00	=	\$2,882.00
November 1, 2023 thru October 31, 2024	\$2,520.00	+	\$416.00	=	\$2,936.00

3. DELETE in its entirety the existing **Paragraph 6, OPTION TO EXTEND TERM**, and SUBSTITUTE therefore the following as a new **Paragraph 6, OPTION TO EXTEND TERM**:

6. **OPTION TO EXTEND TERM:** LANDLORD gives COUNTY the option to extend the term of the Lease on the same provisions and conditions, except for the monthly rent for one (1) three-year period ("extended term") following expiration of the then current term, by COUNTY giving notice to exercise the option to LANDLORD on or prior to the expiration of the then current term or at any time during any holding over pursuant to **Paragraph 8, HOLDING OVER**. The rent for the extended term shall be adjusted by good faith negotiation of the parties to the fair market rental rate then prevailing based upon the rental rates of comparable leased premises in the County of San Bernardino. If the parties have been unable to agree on the fair market rental rate within five (5) months of COUNTY's exercise of its option, said fair market rental rate shall be determined through arbitration conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association. During the period between the expiration of the then current term of the Lease and the determination of the fair market rental rate for the Premises by arbitration, COUNTY shall continue to pay the monthly rent for the Premises in effect for the month immediately preceding the expiration of the then current term of the Lease. If the fair market rental rate is determined by arbitration, and COUNTY does not, for any reason, agree with such determination, COUNTY shall have the right to terminate the Lease by providing LANDLORD with written notice not later than thirty (30) days after COUNTY's receipt of the arbitration-determined fair market rental rate. In the event COUNTY does not so terminate the Lease, COUNTY shall commence paying the arbitration-determined fair market rental rate for the month immediately following COUNTY's receipt of the arbitration-determined fair market rental rate and for the duration of the extended term. The parties agree to equally split the cost of the arbitration filing, hearing, and arbitrator fee; all other costs for the arbitration, including, but not limited to, any attorneys' fees shall be the sole responsibility of each party.

4. DELETE in its entirety the existing **Paragraph 8, HOLDING OVER**, and SUBSTITUTE therefore the following as a new **Paragraph 8, HOLDING OVER**:

8. **HOLDING OVER:** In the event the COUNTY shall hold over and continue to occupy the Premises, with the consent of the LANDLORD, expressed or implied, the tenancy shall be deemed to be a tenancy from month-to-month upon the same terms and conditions, including rent (but excluding any payments for amortized improvements), as existed and prevailed at the time of the expiration of the term of this Lease. Notwithstanding **Paragraph 40, COUNTY'S RIGHT TO TERMINATE LEASE**, either party shall have the right to terminate Lease with not less than ninety (90) days prior written notice to the other party during any holdover tenancy.

5. DELETE in its entirety the existing **Paragraph 25, NOTICES**, and SUBSTITUTE therefore the following as a new **Paragraph 25, NOTICES**:

25. **NOTICES:**

a. Any notice, demand, request, consent, approval, or communication that either party desires or is required to give to the other party, including but not limited to notices required under the California unlawful detainer statutes or any other person, shall be in writing and either delivered personally, delivered by a reputable overnight courier

service, or sent by postage prepaid, first-class United States mail, certified or registered, return receipt requested. Any notice, demand, request, consent, approval, or communication that either party desires or is required to give to the other party shall be addressed to the other party at the addresses set forth below. Either party may change its address by notifying the other party of the change of address. Notices shall be deemed delivered and effective upon the earlier of: (i) the date of actual receipt if such notice is personally delivered; (ii) the date of delivery or refusal of the addressee to accept delivery if such notice is delivered by a reputable overnight courier service; or (iii) the date of delivery or refusal of the addressee to accept delivery if such notice is sent by postage pre-paid, first-class United States mail, certified or registered, return receipt requested. Any notices received after 5 pm local time on a business day shall be deemed delivered on the following business day.

b. If LANDLORD intends to transfer its ownership interest (whether controlling or non-controlling) in the real property on which the Premises is situated to a third party, LANDLORD shall notify COUNTY of such transfer at least fifteen (15) COUNTY working days prior to completion of such transfer. In the event of a transfer of controlling interest in the real property on which the Premises is situated, LANDLORD and the new owner shall provide COUNTY with evidence of completion of transfer, in which case, the new owner and COUNTY shall document by written amendment said change of ownership. In addition, the new owner shall, within five (5) days of acquiring the Property, provide COUNTY with evidence that it has obtained insurance in compliance with Paragraph 17, INDEMNIFICATION, and **Paragraph 18, INSURANCE**. The COUNTY's RESD Director shall have the authority, on behalf of COUNTY, to execute a COUNTY standard amendment to this Lease with any new owner solely for the purposes of reflecting any changes in the legal ownership of the real property on which the Premises is situated and to update the LANDLORD's notice address in the Lease. The new owner's execution of such COUNTY standard amendment is a pre-requisite for Rents under this Lease to be paid to the new owner.

6. DELETE in its entirety the existing **Paragraph 40, COUNTY'S RIGHT TO TERMINATE LEASE**, and SUBSTITUTE therefore the following as a new **Paragraph 40. COUNTY'S RIGHT TO TERMINATE LEASE**:

40. **COUNTY'S RIGHT TO TERMINATE LEASE:** The COUNTY shall have the right to terminate this Lease at any time whenever COUNTY, in its sole discretion, determines it would be in COUNTY's best interests to terminate this Lease. The Director of the Real Estate Services Department (RESD) shall give LANDLORD notice of any termination pursuant to this paragraph at least ninety (90) days prior to the date of termination. In the event COUNTY terminates this Lease pursuant to this **Paragraph 40**, no termination fees, reimbursement for improvements, or other costs shall be due or payable to LANDLORD for exercising COUNTY's termination right, except that LANDLORD shall have the right to receive from COUNTY the rent which will have been earned under the Lease through the effective termination date. Notwithstanding the preceding, COUNTY's right to terminate the Lease under this paragraph may only be exercised if the term of the Lease is extended beyond October 31, 2024.

7. DELETE in its entirety the existing **Paragraph 41, LANDLORD'S IMPROVEMENTS** and Exhibit "C", and SUBSTITUTE therefore the following as a new **Paragraph 41, LANDLORD'S IMPROVEMENTS** and a new Exhibit "C":

41. **LANDLORD'S IMPROVEMENTS:**

a. LANDLORD shall, at its sole cost and expense, complete certain improvements to the Premises as set forth on **Exhibit "A-1", Improvements** (the "Improvements"), attached hereto and incorporated herein by reference, and in accordance with the Lease, including but not limited to, **Paragraph 11, HEALTH, SAFETY, AND FIRE CODE REQUIREMENTS**, but subject to the payment of the Amortized Improvements Payments set forth in **Paragraph 4, RENT**. Any increase in the cost to complete the Improvements that exceeds the total amount of the Amortized Improvements Payments to be made by the COUNTY shall be LANDLORD's sole responsibility. The Improvements shall be Substantially Completed (meaning that the Improvements are completed in accordance with the Lease other than minor punch list items that will be completed within 30 days thereafter and accepted in writing by an authorized agent of the COUNTY for its intended use without waiving any claims for defects) by LANDLORD on or before November 1, 2021, provided that the rent schedule in **Paragraph 4, RENT**, shall not be adjusted if the Improvements are so completed prior to November 1, 2021. In the event the Improvements are not Substantially Completed by November 1, 2021, the COUNTY shall have the right to suspend payment of the Amortized Improvements Payment at any time and continue to do so until the Improvements are

Substantially Complete without being deemed in default of this Lease and/or terminate the Lease (notwithstanding anything to the contrary in the Lease) without any obligation to reimburse LANDLORD for the Amortized Improvements Payments or to restore the affected areas of the Premises to the condition existing prior to the commencement of such Improvements; in which case, LANDLORD shall refund all Amortized Improvement Payments made by the COUNTY prior to the effective date of termination.

b. LANDLORD understands and agrees not to make any modifications to the Improvements as set forth in **Exhibit "A-1", Improvements**, without first obtaining COUNTY's prior written approval as provided in this Lease. Any changes to the Improvements, without first acquiring said approval, will be at the expense of the LANDLORD and not the COUNTY.

c. In the event LANDLORD contracts for the construction of any portion of the Improvements set forth in **Exhibit "A-1", Improvements**, LANDLORD shall comply with the provisions of the California Public Contract Code Sections 22000 through 22045 regarding bidding procedures and Labor Code Sections 1720.2 and 1770 et seq. regarding general prevailing wages, including the provisions set forth in **Exhibit "C", Prevailing Wage**, attached hereto and incorporated herein by reference. LANDLORD shall indemnify and hold harmless COUNTY and its officers, employees, and agents from any claims, actions, losses, damages and/or liability arising out of the obligations set forth in this subparagraph. The LANDLORD's indemnity obligations shall survive the COUNTY's tenancy, and shall not be limited by the existence or availability of insurance.

REMAINDER OF THIS PAGE LEFT INTENTIONALLY BLANK

8. All other provisions and terms of the Lease shall remain the same and are hereby incorporated by reference. In the event of any conflict between the Lease and this Ninth Amendment, the terms of this Ninth Amendment shall control.

END OF NINTH AMENDMENT.

EXHIBIT "C"
PREVAILING WAGE REQUIREMENTS

- A. All or a portion of the Landlord Improvements in the Lease requires the payment of prevailing wages and compliance with the following requirements. As used in this exhibit, the term "Contractor" shall include Landlord and Landlord's contractors and/or subcontractors and the term "Landlord Improvements" shall include the improvements made by Landlord pursuant to the Lease**

1. Determination of Prevailing Rates:

Pursuant to Labor Code sections 1770, et seq., the County has obtained from the Director of the Department of Industrial Relations (DIR) pursuant to the California Labor Code, the general prevailing rates of per diem wages and the prevailing rates for holiday and overtime work in the locality in which the Landlord Improvements is to be performed. Copies of said rates are on file with the County, will be made available for inspection during regular business hours, may be included elsewhere in the specifications for the Landlord Improvements, and are also available online at www.dir.ca.gov. The wage rate for any classification not listed, but which may be required to execute the Landlord Improvements, shall be commensurate and in accord with specified rates for similar or comparable classifications for those performing similar or comparable duties. In accordance with Labor Code section 1773.2, the Contractor shall post, at appropriate and conspicuous locations on the job site, a schedule showing all applicable prevailing wage rates and shall comply with the requirements of Labor Code sections 1773, et seq.

2. Payment of Prevailing Rates

Each worker of the Contractor, or any subcontractor, engaged in the Landlord Improvements, shall be paid not less than the general prevailing wage rate, regardless of any contractual relationship which may be alleged to exist between the Contractor or any subcontractor, and such worker.

3. Prevailing Rate Penalty

The Contractor shall, as a penalty, forfeit two hundred dollars (\$200.00) to the County for each calendar day or portion thereof, for each worker paid less than the prevailing rates as determined by the Director of the DIR for such work or craft in which such worker is employed by the Contractor or by any subcontractor in connection with the Landlord Improvements. Pursuant to California Labor Code section 1775, the difference between such prevailing wage rates and the amount paid to each worker for each calendar day, or portion thereof, for which each worker was paid less than the prevailing wage rate, shall be paid to each worker by the Contractor.

4. Ineligible Contractors:

Pursuant to the provisions of Labor Code section 1777.1, the Labor Commissioner publishes and distributes a list of contractors ineligible to perform work as a contractor or subcontractor on a public works project. This list of debarred contractors is available from the DIR website at <http://www.dir.ca.gov/Public-Works/PublicWorks.html>. Any contract entered into between a contractor and a debarred subcontractor is void as a matter of law. A debarred subcontractor may not receive any public money for performing work as a subcontractor on a public works contract, and any public money that may have been paid to a debarred subcontractor by a contractor on the project shall be returned to the County. The Contractor shall be responsible for the payment of wages to workers as a debarred subcontractor who has been allowed to work on the Landlord Improvements.

5. Payroll Records:

- a. Pursuant to California Labor Code section 1776, the Contractor and each subcontractor, shall keep accurate certified payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker or other employee employed by them in connection with the Landlord Improvements. The payroll records enumerated herein shall be verified by a written declaration made under penalty of perjury that the information contained in the payroll record is true and correct and that the Contractor or subcontractor has complied with the requirements of the California Labor Code sections 1771, 1811, and 1815 for any Landlord Improvements performed by his or her employees. The payroll records shall be available for inspection at all reasonable hours at the principal office of the Contractor on the following basis:
- i. A certified copy of an employee's payroll record shall be made available for inspection or furnished to such employee or his/her authorized representative on request;
 - ii. A certified copy of all payroll records shall be made available for inspection or furnished upon request to the County, the Division of Labor Standards Enforcement of the DIR;
 - iii. A certified copy of payroll records shall be made available upon request to the public for inspection or copies thereof made; provided, however, that a request by the public shall be made through either the County or the Division of Labor Standards Enforcement. If the requested payroll records have not been previously provided to the County or the Division of Labor Standards Enforcement, the requesting party shall, prior to being provided the records, reimburse the cost of preparation by

- the Contractor, subcontractor and the entity through which the request was made; the public shall not be given access to such records at the principal office of the Contractor;
- iv. The Contractor shall file a certified copy of the payroll records with the entity that requested such records within ten (10) days after receipt of a written request; and
 - v. Copies provided to the public, by the County or the Division of Labor Standards Enforcement shall be marked or obliterated in such a manner as to prevent disclosure of an individual's name, address and social security number. The name and address of the Contractor or any subcontractor, performing a part of the Landlord Improvements shall not be marked or obliterated. The Contractor shall inform the County of the location of payroll records, including the street address, city and county and shall, within five (5) working days, provide a notice of a change of location and address.
- b. The Contractor shall have ten (10) days from receipt of the written notice specifying in what respects the Contractor must comply with the above requirements. In the event Contractor does not comply with the requirements of this section within the ten (10) day period, the Contractor shall, as a penalty to the County, forfeit one-hundred dollars (\$100.00) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Labor Standards Enforcement, such penalty shall be withheld from any portion of the payments then due or to become due to the Contractor.
- 6. Limits on Hours of Work:**
- Pursuant to California Labor Code section 1810, eight (8) hours of labor shall constitute a legal day's work. Pursuant to California Labor Code section 1811, the time of service of any worker employed at any time by the Contractor or by a subcontractor, upon the Landlord Improvements or upon any part of the Landlord Improvements, is limited and restricted to eight (8) hours during any one calendar day and forty (40) hours during any one calendar week, except as provided for under Labor Code section 1815. Notwithstanding the foregoing provisions, work performed by employees of Contractor or any subcontractor, in excess of eight (8) hours per day and forty (40) hours during any one week, shall be permitted upon compensation for all hours worked in excess of eight (8) hours per day at not less than one and one-half (1½) times the basic rate of pay.
- 7. Penalty for Excess Hours:**
- The Contractor shall pay to the County a penalty of twenty-five dollars (\$25.00) for each worker employed on the Landlord Improvements by the Contractor or any subcontractor, for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any calendar day and forty (40) hours in any one calendar week, in violation of the provisions of the California Labor Code, unless compensation to the worker so employed by the Contractor is not less than one and one-half (1½) times the basic rate of pay for all hours worked in excess of eight (8) hours per day.
- 8. Senate Bill 854 (Chapter 28, Statutes of 2014) and Senate Bill 96 (Chapter 28, Statutes of 2017) Requirements:**
- a. Contractor shall comply with Senate Bill 854 and Senate Bill 96. The requirements include, but are not limited to, the following:
 - i. No contractor or subcontractor may be listed on a bid proposal (submitted on or after March 1, 2015) for a public works project unless registered with the DIR pursuant to Labor Code section 1725.5, with limited exceptions from this requirements for bid purposes only as allowed under Labor Code section 1771.1(a).
 - ii. No contractor or subcontractor may be awarded a contract for public work or perform work on a public works project (awarded on or after April 1, 2015) unless registered with the DIR pursuant to Labor Code section 1725.5.
 - iii. This project is subject to compliance monitoring and enforcement by the DIR.
 - iv. As required by the DIR, Contractor is required to post job site notices, as prescribed by regulation, regarding compliance monitoring and enforcement by the DIR.
 - v. Contractors and all subcontractors must submit certified payroll records online to the Labor Commissioner for all new public works projects issued on or after April 1, 2015, and for all public works projects, new or ongoing, on or after January 1, 2016.
 - 1) The certified payroll must be submitted at least monthly to the Labor Commissioner.
 - 2) The County reserves the right to require Contractor and all subcontractors to submit certified payroll records more frequently than monthly to the Labor Commissioner.
 - 3) The certified payroll records must be in a format prescribed by the Labor Commissioner.
 - vi. Registration with the DIR and the submission of certified payroll records to the Labor Commissioner are not required if the public works project is \$25,000 or less when the project is for construction, alteration, demolition, installation or repair work, or if the public works project is \$15,000 or less when the project is for maintenance work.
 - b. Labor Code section 1725.5 states the following:

"A contractor shall be registered pursuant to this section to be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any public work contract that is subject to the requirements of this chapter. For the purposes of this section, "contractor" includes a subcontractor as defined by Section 1722.1.

(a) To qualify for registration under this section, a contractor shall do all of the following:

(1) (A) Register with the Department of Industrial Relations in the manner prescribed by the department and pay an initial nonrefundable application fee of four hundred dollars (\$400) to qualify for registration under this section and an annual renewal fee on or before July 1 of each year thereafter. The annual renewal fee shall be in a uniform amount set by the Director of Industrial Relations, and the initial registration and renewal fees may be adjusted no more than annually by the director to support the costs specified in Section 1771.3.

(B) Beginning June 1, 2019, a contractor may register or renew according to this subdivision in annual increments up to three years from the date of registration. Contractors who wish to do so will be required to prepay the applicable nonrefundable application or renewal fees to qualify for the number of years for which they wish to preregister.

(2) Provide evidence, disclosures, or releases as are necessary to establish all of the following:

(A) Workers' compensation coverage that meets the requirements of Division 4 (commencing with Section 3200) and includes sufficient coverage for any worker whom the contractor employs to perform work that is subject to prevailing wage requirements other than a contractor who is separately registered under this section. Coverage may be evidenced by a current and valid certificate of workers' compensation insurance or certification of self-insurance required under Section 7125 of the Business and Professions Code.

(B) If applicable, the contractor is licensed in accordance with Chapter 9 (commencing with Section 7000) of the Business and Professions Code.

(C) The contractor does not have any delinquent liability to an employee or the state for any assessment of back wages or related damages, interest, fines, or penalties pursuant to any final judgment, order, or determination by a court or any federal, state, or local administrative agency, including a confirmed arbitration award. However, for purposes of this paragraph, the contractor shall not be disqualified for any judgment, order, or determination that is under appeal, provided that the contractor has secured the payment of any amount eventually found due through a bond or other appropriate means.

(D) The contractor is not currently debarred under Section 1777.1 or under any other federal or state law providing for the debarment of contractors from public works.

(E) The contractor has not bid on a public works contract, been listed in a bid proposal, or engaged in the performance of a contract for public works without being lawfully registered in accordance with this section, within the preceding 12 months or since the effective date of the requirements set forth in subdivision (e), whichever is earlier. If a contractor is found to be in violation of the requirements of this paragraph, the period of disqualification shall be waived if both of the following are true:

(i) The contractor has not previously been found to be in violation of the requirements of this paragraph within the preceding 12 months.

(ii) The contractor pays an additional nonrefundable penalty registration fee of two thousand dollars (\$2,000).

(b) Fees received pursuant to this section shall be deposited in the State Public Works Enforcement Fund established by Section 1771.3 and shall be used only for the purposes specified in that section.

(c) A contractor who fails to pay the renewal fee required under paragraph (1) of subdivision (a) on or before the expiration of any prior period of registration shall be prohibited from bidding on or engaging in the performance of any contract for public work until once again registered pursuant to this section. If the failure to pay the renewal fee was inadvertent, the contractor may renew its registration retroactively by paying an additional nonrefundable penalty renewal fee equal to the amount of the renewal fee within 90 days of the due date of the renewal fee.

(d) If, after a body awarding a contract accepts the contractor's bid or awards the contract, the work covered by the bid or contract is determined to be a public work to which Section 1771 applies, either as the result of a determination by the director pursuant to Section 1773.5 or a court decision, the requirements of this section shall not apply, subject to the following requirements:

(1) The body that awarded the contract failed, in the bid specification or in the contract documents, to identify as a public work that portion of the work that the determination or decision subsequently classifies as a public work.

(2) Within 20 days following service of notice on the awarding body of a determination by the Director of Industrial Relations pursuant to Section 1773.5 or a decision by a court that the contract was for public work

as defined in this chapter, the contractor and any subcontractors are registered under this section or are replaced by a contractor or subcontractors who are registered under this section.

(3) The requirements of this section shall apply prospectively only to any subsequent bid, bid proposal, contract, or work performed after the awarding body is served with notice of the determination or decision referred to in paragraph (2).

(e) The requirements of this section shall apply to any bid proposal submitted on or after March 1, 2015, to any contract for public work, as defined in this chapter, executed on or after April 1, 2015, and to any work performed under a contract for public work on or after January 1, 2018, regardless of when the contract for public work was executed.

(f) This section does not apply to work performed on a public works project of twenty-five thousand dollars (\$25,000) or less when the project is for construction, alteration, demolition, installation, or repair work or to work performed on a public works project of fifteen thousand dollars (\$15,000) or less when the project is for maintenance work."

c. Labor Code section 1771.1 states the following:

"(a) A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

(b) Notice of the requirement described in subdivision (a) shall be included in all bid invitations and public works contracts, and a bid shall not be accepted nor any contract or subcontract entered into without proof of the contractor or subcontractor's current registration to perform public work pursuant to Section 1725.5.

(c) An inadvertent error in listing a subcontractor who is not registered pursuant to Section 1725.5 in a bid proposal shall not be grounds for filing a bid protest or grounds for considering the bid nonresponsive, provided that any of the following apply:

(1) The subcontractor is registered prior to the bid opening.

(2) Within 24 hours after the bid opening, the subcontractor is registered and has paid the penalty registration fee specified in subparagraph (E) of paragraph (2) of subdivision (a) of Section 1725.5.

(3) The subcontractor is replaced by another registered subcontractor pursuant to Section 4107 of the Public Contract Code.

(d) Failure by a subcontractor to be registered to perform public work as required by subdivision (a) shall be grounds under Section 4107 of the Public Contract Code for the contractor, with the consent of the awarding authority, to substitute a subcontractor who is registered to perform public work pursuant to Section 1725.5 in place of the unregistered subcontractor.

(e) The department shall maintain on its Internet Web site a list of contractors who are currently registered to perform public work pursuant to Section 1725.5.

(f) A contract entered into with any contractor or subcontractor in violation of subdivision (a) shall be subject to cancellation, provided that a contract for public work shall not be unlawful, void, or voidable solely due to the failure of the awarding body, contractor, or any subcontractor to comply with the requirements of Section 1725.5 or this section.

(g) If the Labor Commissioner or his or her designee determines that a contractor or subcontractor engaged in the performance of any public work contract without having been registered in accordance with this section, the contractor or subcontractor shall forfeit, as a civil penalty to the state, one hundred dollars (\$100) for each day of work performed in violation of the registration requirement, not to exceed an aggregate penalty of eight thousand dollars (\$8,000) in addition to any penalty registration fee assessed pursuant to clause (ii) of subparagraph (E) of paragraph (2) of subdivision (a) of Section 1725.5.

B. STATE PUBLIC WORKS APPRENTICESHIP REQUIREMENTS

1. State Public Works Apprenticeship Requirements:

- a. The Contractor is responsible for compliance with Labor Code section 1777.5 and the California Code of Regulations, title 8, sections 230 – 230.2 for all apprenticeable occupations (denoted with “#” symbol next to craft name in DIR Prevailing Wage Determination), whether employed by the Contractor, subcontractor, vendor or consultant. Included in these requirements is (1) the Contractor’s requirement to provide notification (i.e. DAS-140) to the appropriate apprenticeship committees; (2) pay training fund contributions for each apprenticeable hour employed on the Contract; and (3) utilize apprentices in a minimum ratio of not less than one apprentice hour for each five journeyman hours by completion of Contract work (unless an exception is granted in accordance with Labor Code section 1777.5) or request for the dispatch of apprentices.
- b. Any apprentices employed to perform any of the Landlord Improvements shall be paid the standard wage to apprentices under the regulations of the craft or trade for which such apprentice is employed, and such individual shall be employed only for the work of the craft or trade to which such individual is registered. Only apprentices, as defined in California Labor Code section 3077, who are in training under apprenticeship standards and written apprenticeship agreements under California Labor Code sections 3070 et seq. are eligible to be employed for the Landlord Improvements. The employment and training of each apprentice shall be in accordance with the provisions of the apprenticeship standards and apprentice agreements under which such apprentice is training.

2. Compliance with California Labor Code section 1777.5 requires all public works contractors to:

- a. Submit Contract Award Information (DAS-140):
 - i. Although there are a few exemptions (identified below), all Contractors, regardless of union affiliation, must submit contract award information when performing on a California public works project.
 - ii. The DAS-140 is a notification “announcement” of the Contractor’s participation on a public works project—*it is not a request for the dispatch of an apprentice*.
 - iii. Contractors shall submit the contract award information (you may use form DAS 140) within 10 days of the execution of the prime contract or subcontract, but in no event later than the first day in which the Contractor has workers employed on the public work.

- iv. Contractors who are already approved to train apprentices (i.e. check "Box 1" on the DAS-140) shall only be required to submit the form to their approved program.
 - v. Contractors who are NOT approved to train apprentices (i.e. those that check either "Box 2" or "Box 3" on the DAS-140) shall submit the DAS-140 TO EACH of the apprenticeship program sponsors in the area of your public works project. For a listing of apprenticeship programs see <http://www.dir.ca.gov/Databases/das/pwaddrstart.asp>.
- b. Employ Registered Apprentices
- i. Labor Code section 1777.5 requires that a contractor performing work in an "apprenticeable" craft must employ one (1) hour of apprentice work for every five (5) hours performed by a journeyman. This ratio shall be met prior to the Contractor's completion of work on the project. "Apprenticeable" crafts are denoted with a pound symbol "#" in front of the craft name on the prevailing wage determination.
 - ii. All Contractors who do not fall within an exemption category (see below) must request for dispatch of an apprentice from an apprenticeship program (for each apprenticeable craft or trade) by giving the program actual notice of at least 72 hours (business days only) before the date on which apprentices are required.
 - iii. Contractors may use the "DAS-142" form for making a request for the dispatch of an apprentice.
 - iv. Contractors who are participating in an approved apprenticeship training program and who did not receive sufficient number of apprentices from their initial request must request dispatch of apprentices from ALL OTHER apprenticeship committees in the project area in order to fulfill this requirement.
 - v. Contractor should maintain and submit proof (when requested) of its DAS-142 submittal to the apprenticeship committees (e.g. fax transmittal confirmation). A Contractor has met its requirement to employ apprentices only after it has successfully made a dispatch request to all apprenticeship programs in the project area.
 - vi. Only "registered" apprentices may be paid the prevailing apprentice rates and must, at all times work under the supervision of a Journeyman (Cal. Code Regs., tit 8, § 230.1).
- c. Make Training Fund Contributions
- i. Contractors performing in apprenticeable crafts on public works projects, must make training fund contributions in the amount established in the prevailing wage rate publication for journeymen and apprentices.
 - ii. Contractors may use the "CAC-2" form for submittal of their training fund contributions.
 - iii. Contractors who do not submit their training fund contributions to an approved apprenticeship training program must submit their contributions to the California Apprenticeship Council (CAC), PO Box 420603, San Francisco, CA 94142-0603.
 - iv. Training fund contributions to the CAC are due and payable on the 15th day of the month for work performed during the preceding month.
 - v. The "training" contribution amount identified on the prevailing wage determination shall not be paid to the worker, unless the worker falls within one of the exemption categories listed below.
- 3. Exemptions to Apprenticeship Requirements:**
- a. The following are exempt from having to comply with California apprenticeship requirements. These types of contractors do not need to submit a DAS-140, DAS-142, make training fund contributions, or utilize apprentices:
 - i. When the Contractor holds a sole proprietor license ("Owner-Operator") and no workers were employed by the Contractor. In other words, the contractor performed the entire work from start to finish and worked alone.
 - ii. Contractors performing in non-apprenticeable crafts. "Apprenticeable" crafts are denoted with a pound symbol "#" in front of the craft name on the prevailing wage determination.
 - iii. When the Contractor has a direct contract with the Public Agency that is under \$30,000.
 - iv. When the project is 100% federally-funded and the funding of the project does not contain any city, county, and/or state monies (unless the project is administered by a state agency in which case the apprenticeship requirements apply).
 - v. When the project is a private project not covered by the definition of public works as found in Labor Code section 1720.

4. Exemption from Apprenticeship Ratios:

- a. The Joint Apprenticeship Committee shall have the discretion to grant a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting the Contractor from the 1-to-5 ratio set forth in this Section when it finds that any one of the following conditions are met:

- i. Unemployment for the previous three-month period in such area exceeds an average of fifteen percent (15%); or
 - ii. The number of apprentices in training in such area exceeds a ratio of 1-to-5 in relation to journeymen; or
 - iii. The Apprenticeable Craft or Trade is replacing at least one-thirtieth (1/30) of its journeymen annually through apprenticeship training, either on a statewide basis or on a local basis; or
 - iv. If assignment of an apprentice to any work performed under the Contract Documents would create a condition which would jeopardize such apprentice's life or the life, safety or property of fellow employees or the public at large, or if the specific task to which the apprentice is to be assigned is of such a nature that training cannot be provided by a journeyman.
 - b. When such exemptions from the 1-to-5 ratio between apprentices and journeymen are granted to an organization which represents contractors in a specific trade on a local or statewide basis, the member contractors will not be required to submit individual applications for approval to local Joint Apprenticeship Committees, provided they are already covered by the local apprenticeship standards.
- 5. Contractor's Compliance:**
- a. The responsibility of compliance with this Section for all Apprenticeable Trades or Crafts is solely and exclusively that of the Contractor. All decisions of the Joint Apprenticeship Committee(s) under this Section are subject to the provisions of California Labor Code section 3081 and penalties are pursuant to Labor Code section 1777.7 and the determination of the Labor Commissioner.
